1 AMENDMENT TO SENATE BILL 2202

2 AMENDMENT NO. _____. Amend Senate Bill 2202 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the
5 Smoke-Free Campus Act.

6 Section 5. Findings. The General Assembly finds that
7 tobacco smoke is a harmful and dangerous carcinogen to human
8 beings and a hazard to public health. Secondhand tobacco smoke
9 causes at least 65,000 deaths each year from heart disease and
10 lung cancer according to the National Cancer Institute.
11 Secondhand tobacco smoke causes heart disease, stroke, cancer,
12 sudden infant death syndrome, low birth weight in infants,
13 asthma and the exacerbation of asthma, bronchitis, and
14 pneumonia in children and adults. Secondhand tobacco smoke is
15 the third leading cause of preventable death in the United
16 States. Illinois workers exposed to secondhand tobacco smoke

1 are at an increased risk of premature death. An estimated 2,900
2 Illinois citizens die each year from exposure to secondhand
3 tobacco smoke.

4 The General Assembly also finds that the United States
5 Surgeon General's 2006 report has determined that there is no
6 risk-free level of exposure to secondhand smoke; the scientific
7 evidence that secondhand smoke causes serious diseases,
8 including lung cancer, heart disease, and respiratory
9 illnesses such as bronchitis and asthma, is massive and
10 conclusive; separating smokers from nonsmokers, cleaning the
11 air, and ventilating buildings cannot eliminate secondhand
12 smoke exposure; smoke-free policies are effective in reducing
13 secondhand smoke exposure.

14 The General Assembly also finds that a law that prohibits
15 smoking on the campuses of State-supported institutions of
16 higher education will reduce secondhand smoke exposure among
17 nonsmokers as well as prepare students for the workplace and
18 ensure a healthy environment for all campus communities.

19 Section 10. Definitions. In this Act:

20 "Campus" means all property, including buildings, grounds,
21 parking lots, and vehicles that are owned or operated by a

19 and Drug Administration for tobacco use cessation or other
20 medical purposes and is being marketed and sold solely for that
21 approved purpose. "Smoke" or "smoking" does not include smoking

18 with a red bar across it) may be clearly and conspicuously
19 posted on each campus where smoking is prohibited by this Act.

20 Section 25. Penalties and rules. The governing board of
21 each State-supported institution of higher education shall

23 regulations necessary for this purpose, including, but not
24 limited to, disciplinary action, fines, and an appeals process.

2 of the Smoke Free Illinois Act, the provisions of the Smoke
3 Free Illinois Act shall control.

4 Section 99. Effective date. This Act takes effect upon
5 becoming law.".
