4 Section 5. The Illinois Pension Code is amended by changing

6 (40 ILCS 5/17-142.1) (from Ch. 108 1/2, par. 17-142.1)

7 Sec. 17-142.1. To defray health insurance costs. To provide  
8 for the partial reimbursement of health insurance costs.

9 (1) On the first day of September of each year, beginning  
10 in 1988, the Board may, by separate warrant, pay to each  
11 recipient of a service retirement, disability retirement or  
12 survivor's pension an amount to be determined by the Board,  
13 which shall represent partial reimbursement for the cost of the  
14 recipient's health insurance coverage.

15 (2) In lieu of the annual payment authorized in subdivision  
16 (1), for pensioners enrolled in the Fund's regular health care  
17 deduction plans, the Fund may pay the health insurance premium  
18 reimbursement on a monthly rather than annual basis, at the  
19 percentage rate established from time to time by the Board. If  
20 the Board so directs, these monthly payments may be made in the  
21 form of a direct payment of premium and a reduction in the  
22 amount deducted from the annuity, rather than in the form of  
23 reimbursement by separate warrant.

1           (3) (Blank). ~~Total payments under this Section in any year~~  
2 ~~may not exceed \$65,000,000 plus any amount that was authorized~~  
3 ~~to be paid under this Section in the preceding year but was not~~  
4 ~~actually paid by the Board, including any interest earned~~  
5 ~~thereon.~~

6           (4) The total amount of payments under this Section in any  
7 year may not exceed 50% ~~75%~~ of the total cost of health  
8 insurance coverage in that year for all the recipients who  
9 receive payments authorized by this Section in that year, plus  
10 any amount that was authorized to be paid under this Section in  
11 the preceding year but was not actually paid by the Board,  
12 including any interest earned thereon. A recipient shall not  
13 receive reimbursement for the cost of health insurance coverage  
14 in excess of 2.2% for each year of service credit.
