9 be cited as the Property Tax Extension Limitation Law. As used
10 in this Division 5:

20 Section 18-213.

21 "Aggregate extension" for taxing districts to which this
22 Law applied before the 1995 levy year means the annual
23 corporate extension for the taxing district and those special
24 purpose extensions that are made annually for the taxing
25 district, excluding special purpose extensions: (a) made for

24 finds that all other sources for payment are insufficient to
25 make those payments; (f) made for payments under a building

26 "Debt service extension base" means an amount equal to that

1 portion of the extension for a taxing district for the 1994
2 levy year, or for those taxing districts subject to this Law in
3 accordance with Section 18-213, except for those subject to
4 paragraph (2) of subsection (e) of Section 18-213, for the levy
5 year in which the referendum making this Law applicable to the
6 taxing district is held, or for those taxing districts subject
7 to this Law in accordance with paragraph (2) of subsection (e)
8 of Section 18-213 for the 1996 levy year, constituting an
9 extension for payment of principal and interest on bonds issued
10 by the taxing district without referendum, but not including
11 excluded non-referendum bonds. For park districts (i) that were
12 first subject to this Law in 1991 or 1995 and (ii) whose
13 extension for the 1994 levy year for the payment of principal
14 and interest on bonds issued by the park district without
15 referendum (but not including excluded non-referendum bonds)
16 was less than 51% of the amount for the 1991 levy year
17 constituting an extension for payment of principal and interest
18 on bonds issued by the park district without referendum (but
19 not including excluded non-referendum bonds), "debt service
20 extension base" means an amount equal to that portion of the
21 extension for the 1991 levy year constituting an extension for
22 payment of principal and interest on bonds issued by the park
23 district without referendum (but not including excluded
24 non-referendum bonds). A debt service extension base
25 established or increased at any time pursuant to any provision
26 of this Law, except Section 18-212, shall be increased each

1 year commencing with the later of (i) the 2009 levy year or
2 (ii) the first levy year in which this Law becomes applicable
3 to the taxing district, by the lesser of 5% or the percentage
4 increase in the Consumer Price Index during the 12-month
5 calendar year preceding the levy year. The debt service
6 extension base may be established or increased as provided
7 under Section 18-212. "Excluded non-referendum bonds" means
8 (i) bonds authorized by Public Act 88-503 and issued under
9 Section 20a of the Chicago Park District Act for aquarium and
10 museum projects; (ii) bonds issued under Section 15 of the
11 Local Government Debt Reform Act; or (iii) refunding
12 obligations issued to refund or to continue to refund
13 obligations initially issued pursuant to referendum.

14 "Special purpose extensions" include, but are not limited
15 to, extensions for levies made on an annual basis for
16 unemployment and workers' compensation, self-insurance,
17 contributions to pension plans, and extensions made pursuant to
18 Section 6-601 of the Illinois Highway Code for a road
19 district's permanent road fund whether levied annually or not.
20 The extension for a special service area is not included in the
21 aggregate extension.

22 "Aggregate extension base" means: (i) for levy years before
23 2014, the taxing district's last preceding aggregate extension
24 as adjusted under Sections 18-135, 18-215, and 18-230; and (ii)
25 for levy years 2014 and later, modified aggregate extension
26 base. An adjustment under Section 18-135 shall be made for the

1 2007 levy year and all subsequent levy years whenever one or
2 more counties within which a taxing district is located (i)
3 used estimated valuations or rates when extending taxes in the
4 taxing district for the last preceding levy year that resulted
5 in the over or under extension of taxes, or (ii) increased or
6 decreased the tax extension for the last preceding levy year as
7 required by Section 18-135(c). Whenever an adjustment is
8 required under Section 18-135, the aggregate extension base of
9 the taxing district shall be equal to the amount that the
10 aggregate extension of the taxing district would have been for
11 the last preceding levy year if either or both (i) actual,
12 rather than estimated, valuations or rates had been used to
13 calculate the extension of taxes for the last levy year, or
14 (ii) the tax extension for the last preceding levy year had not
15 been adjusted as required by subsection (c) of Section 18-135.

16 "Aggregate extension limit" means: (i) for the 2014 levy
17 year, the equalized assessed value of the district in the 2013
18 levy year multiplied by the 2013 limiting rate; and (ii) for
19 the 2015 levy year and thereafter, the previous levy year's
20 maximum limiting rate multiplied by the equalized assessed
21 value of the district in the previous levy year.

22 "Modified aggregate extension base" means the preceding
23 year's aggregate extension base plus the recapture aggregate
24 extension base.

25 "Recaptured aggregate extension base" means one-third of
26 the difference between the aggregate extension limit and the

1 previous year's aggregate extension base.

2 "Maximum limiting rate" means a fraction the numerator of
3 which is the last preceding aggregate extension limit times an
4 amount equal to one plus the extension limitation defined in
5 this Section and the denominator of which is the current year's
6 equalized assessed value of all real property in the territory
7 under the jurisdiction of the taxing district during the prior
8 levy year.

9 Notwithstanding any other provision of law, for levy year
10 2012, the aggregate extension base for West Northfield School
11 District No. 31 in Cook County shall be \$12,654,592.

12 "Levy year" has the same meaning as "year" under Section
13 1-155.

14 "New property" means (i) the assessed value, after final
15 board of review or board of appeals action, of new improvements
16 or additions to existing improvements on any parcel of real
17 property that increase the assessed value of that real property
18 during the levy year multiplied by the equalization factor
19 issued by the Department under Section 17-30, (ii) the assessed
20 value, after final board of review or board of appeals action,
21 of real property not exempt from real estate taxation, which
22 real property was exempt from real estate taxation for any
23 portion of the immediately preceding levy year, multiplied by
24 the equalization factor issued by the Department under Section
25 17-30, including the assessed value, upon final stabilization
26 of occupancy after new construction is complete, of any real

1 property located within the boundaries of an otherwise or
2 previously exempt military reservation that is intended for
3 residential use and owned by or leased to a private corporation
4 or other entity, and (iii) in counties that classify in
5 accordance with Section 4 of Article IX of the Illinois
6 Constitution, an incentive property's additional assessed
7 value resulting from a scheduled increase in the level of
8 assessment as applied to the first year final board of review
9 market value. In addition, the county clerk in a county
10 containing a population of 3,000,000 or more shall include in
11 the 1997 recovered tax increment value for any school district,
12 any recovered tax increment value that was applicable to the
13 1995 tax year calculations.

14 "Qualified airport authority" means an airport authority
15 organized under the Airport Authorities Act and located in a
16 county bordering on the State of Wisconsin and having a
17 population in excess of 200,000 and not greater than 500,000.

18 "Recovered tax increment value" means, except as otherwise
19 provided in this paragraph, the amount of the current year's
20 equalized assessed value, in the first year after a
21 municipality terminates the designation of an area as a
22 redevelopment project area previously established under the
23 Tax Increment Allocation Development Act in the Illinois
24 Municipal Code, previously established under the Industrial
25 Jobs Recovery Law in the Illinois Municipal Code, previously
26 established under the Economic Development Project Area Tax

1 Increment Act of 1995, or previously established under the
2 Economic Development Area Tax Increment Allocation Act, of each
3 taxable lot, block, tract, or parcel of real property in the
4 redevelopment project area over and above the initial equalized
5 assessed value of each property in the redevelopment project
6 area. For the taxes which are extended for the 1997 levy year,
7 the recovered tax increment value for a non-home rule taxing
8 district that first became subject to this Law for the 1995
9 levy year because a majority of its 1994 equalized assessed
10 value was in an affected county or counties shall be increased
11 if a municipality terminated the designation of an area in 1993
12 as a redevelopment project area previously established under
13 the Tax Increment Allocation Development Act in the Illinois
14 Municipal Code, previously established under the Industrial
15 Jobs Recovery Law in the Illinois Municipal Code, or previously
16 established under the Economic Development Area Tax Increment
17 Allocation Act, by an amount equal to the 1994 equalized
18 assessed value of each taxable lot, block, tract, or parcel of
19 real property in the redevelopment project area over and above
20 the initial equalized assessed value of each property in the
21 redevelopment project area. In the first year after a
22 municipality removes a taxable lot, block, tract, or parcel of
23 real property from a redevelopment project area established
24 under the Tax Increment Allocation Development Act in the
25 Illinois Municipal Code, the Industrial Jobs Recovery Law in
26 the Illinois Municipal Code, or the Economic Development Area

1 Tax Increment Allocation Act, "recovered tax increment value"
2 means the amount of the current year's equalized assessed value
3 of each taxable lot, block, tract, or parcel of real property
4 removed from the redevelopment project area over and above the
5 initial equalized assessed value of that real property before
6 removal from the redevelopment project area.

7 Except as otherwise provided in this Section, "limiting
8 rate" means a fraction the numerator of which is the last
9 preceding aggregate extension base times an amount equal to one
10 plus the extension limitation defined in this Section and the
11 denominator of which is the current year's equalized assessed
12 value of all real property in the territory under the
13 jurisdiction of the taxing district during the prior levy year.
14 For those taxing districts that reduced their aggregate
15 extension for the last preceding levy year, the highest
16 aggregate extension in any of the last 3 preceding levy years
17 shall be used for the purpose of computing the limiting rate.
18 The denominator shall not include new property or the recovered
19 tax increment value. If a new rate, a rate decrease, or a
20 limiting rate increase has been approved at an election held
21 after March 21, 2006, then (i) the otherwise applicable
22 limiting rate shall be increased by the amount of the new rate
23 or shall be reduced by the amount of the rate decrease, as the
24 case may be, or (ii) in the case of a limiting rate increase,
25 the limiting rate shall be equal to the rate set forth in the
26 proposition approved by the voters for each of the years

1 specified in the proposition, after which the limiting rate of
2 the taxing district shall be calculated as otherwise provided.
