1 AMENDMENT TO SENATE BILL 2698

2 AMENDMENT NO. _____. Amend Senate Bill 2698 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Income Tax Act is amended by
5 adding Section 224 as follows:

6 (35 ILCS 5/224 new)

7 Sec. 224. Credit for hiring a long-term unemployed person.

8 (a) For each taxable year beginning on or after January 1,
9 2015, each taxpayer who employs a long-term unemployed person
10 during the taxable year is entitled to a credit against the tax
11 imposed by subsections (a) and (b) of Section 201 of this Act
12 as provided in this Section. The amount of the credit is as
13 follows: (1) \$500 in the taxable year in which the long-term
14 unemployed person is initially hired by the taxpayer; (2) \$750
15 in the first taxable year after the long-term unemployed person
16 is initially hired by the taxpayer; and (3) \$1,250 in the

1 second taxable year after the long-term unemployed person is
2 initially hired by the taxpayer. If the long-term unemployed
3 person is employed by the taxpayer for only part of a taxable
4 year, then the amount of the credit shall be the maximum credit
5 allowed under this subsection (a) for the taxable year,
6 multiplied by a fraction, the numerator of which is the number
7 of weeks during the taxable year in which the person is
8 employed by the taxpayer, and the denominator of which shall be
9 the total number of weeks in the taxable year.

10 (b) For partners, shareholders of Subchapter S
11 corporations, and owners of limited liability companies, if the
12 liability company is treated as a partnership for purposes of
13 federal and State income taxation, there shall be allowed a
14 credit under this Section to be determined in accordance with
15 the determination of income and distributive share of income
16 under Sections 702 and 704 and Subchapter S of the Internal
17 Revenue Code.

18 (c) In no event shall a credit under this Section reduce
19 the taxpayer's liability to less than zero. If the amount of
20 the credit exceeds the tax liability for the year, the excess
21 may be carried forward and applied to the tax liability of the
22 5 taxable years following the excess credit year. The tax
23 credit shall be applied to the earliest year for which there is
24 a tax liability. If there are credits for more than one year
25 that are available to offset a liability, the earlier credit
26 shall be applied first.

1 (d) For the purposes of this Section:

2 "Long-term unemployed person" means an individual who:

3 (1) was unemployed for a period of at least 27

15 for a wage of at least \$10 per hour for at least 35 hours each
16 week or who renders any other standard of service generally

19 Professional Employer Organization is a full-time employee if
20 he or she is employed in the service of the taxpayer for a wage
21 of at least \$10 per hour for at least 35 hours each week or
22 renders any other standard of service generally accepted by
23 industry custom or practice as full-time employment.
