**A BILL FOR**

1 AN ACT concerning government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Freedom of Information Act is amended by  
5 changing Section 7 as follows:

6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public  
9 record that contains information that is exempt from disclosure  
10 under this Section, but also contains information that is not  
11 exempt from disclosure, the public body may elect to redact the  
12 information that is exempt. The public body shall make the  
13 remaining information available for inspection and copying.  
14 Subject to this requirement, the following shall be exempt from  
15 inspection and copying:

16 (a) Information specifically prohibited from  
17 disclosure by federal or State law or rules and regulations  
18 implementing federal or State law.

19 (b) Private information, unless disclosure is required  
20 by another provision of this Act, a State or federal law or  
21 a court order.

22 (b-5) Files, documents, and other data or databases  
23 maintained by one or more law enforcement agencies and

1 specifically designed to provide information to one or more  
2 law enforcement agencies regarding the physical or mental  
3 status of one or more individual subjects.

4 (c) Personal information contained within public  
5 records, the disclosure of which would constitute a clearly  
6 unwarranted invasion of personal privacy, unless the  
7 disclosure is consented to in writing by the individual  
8 subjects of the information. "Unwarranted invasion of  
9 personal privacy" means the disclosure of information that  
10 is highly personal or objectionable to a reasonable person  
11 and in which the subject's right to privacy outweighs any  
12 legitimate public interest in obtaining the information.  
13 The disclosure of information that bears on the public  
14 duties of public employees and officials shall not be  
15 considered an invasion of personal privacy.

16 (d) Records in the possession of any public body  
17 created in the course of administrative enforcement  
18 proceedings, and any law enforcement or correctional  
19 agency for law enforcement purposes, but only to the extent  
20 that disclosure would:

21 (i) interfere with pending or actually and  
22 reasonably contemplated law enforcement proceedings  
23 conducted by any law enforcement or correctional  
24 agency that is the recipient of the request;

25 (ii) interfere with active administrative  
26 enforcement proceedings conducted by the public body

1           that is the recipient of the request;

2           (iii) create a substantial likelihood that a  
3 person will be deprived of a fair trial or an impartial  
4 hearing;

5           (iv) unavoidably disclose the identity of a  
6 confidential source, confidential information  
7 furnished only by the confidential source, or persons  
8 who file complaints with or provide information to  
9 administrative, investigative, law enforcement, or  
10 penal agencies; except that the identities of  
11 witnesses to traffic accidents, traffic accident  
12 reports, and rescue reports shall be provided by  
13 agencies of local government, except when disclosure  
14 would interfere with an active criminal investigation  
15 conducted by the agency that is the recipient of the  
16 request;

17           (v) disclose unique or specialized investigative  
18 techniques other than those generally used and known or  
19 disclose internal documents of correctional agencies  
20 related to detection, observation or investigation of  
21 incidents of crime or misconduct, and disclosure would  
22 result in demonstrable harm to the agency or public  
23 body that is the recipient of the request;

24           (vi) endanger the life or physical safety of law  
25 enforcement personnel or any other person; or

26           (vii) obstruct an ongoing criminal investigation

1 by the agency that is the recipient of the request.

2 (d-5) A law enforcement record created for law  
3 enforcement purposes and contained in a shared electronic  
4 record management system if the law enforcement agency that  
5 is the recipient of the request did not create the record,  
6 did not participate in or have a role in any of the events  
7 which are the subject of the record, and only has access to  
8 the record through the shared electronic record management  
9 system.

10 (e) Records that relate to or affect the security of  
11 correctional institutions and detention facilities.

12 (e-5) Records requested by persons committed to the  
13 Department of Corrections if those materials are available  
14 in the library of the correctional facility where the  
15 inmate is confined.

16 (e-6) Records requested by persons committed to the  
17 Department of Corrections if those materials include  
18 records from staff members' personnel files, staff  
19 rosters, or other staffing assignment information.

20 (e-7) Records requested by persons committed to the  
21 Department of Corrections if those materials are available  
22 through an administrative request to the Department of  
23 Corrections.

24 (f) Preliminary drafts, notes, recommendations,  
25 memoranda and other records in which opinions are  
26 expressed, or policies or actions are formulated, except

1           that a specific record or relevant portion of a record  
2           shall not be exempt when the record is publicly cited and  
3           identified by the head of the public body. The exemption  
4           provided in this paragraph (f) extends to all those records  
5           of officers and agencies of the General Assembly that  
6           pertain to the preparation of legislative documents.

7           (g) Trade secrets and commercial or financial  
8           information obtained from a person or business where the  
9           trade secrets or commercial or financial information are  
10          furnished under a claim that they are proprietary,  
11          privileged or confidential, and that disclosure of the  
12          trade secrets or commercial or financial information would  
13          cause competitive harm to the person or business, and only  
14          insofar as the claim directly applies to the records  
15          requested.

16          The information included under this exemption includes  
17          all trade secrets and commercial or financial information  
18          obtained by a public body, including a public pension fund,  
19          from a private equity fund or a privately held company  
20          within the investment portfolio of a private equity fund as  
21          a result of either investing or evaluating a potential  
22          investment of public funds in a private equity fund. The  
23          exemption contained in this item does not apply to the  
24          aggregate financial performance information of a private  
25          equity fund, nor to the identity of the fund's managers or  
26          general partners. The exemption contained in this item does

1 not apply to the identity of a privately held company  
2 within the investment portfolio of a private equity fund,  
3 unless the disclosure of the identity of a privately held  
4 company may cause competitive harm.

5 Nothing contained in this paragraph (g) shall be  
6 construed to prevent a person or business from consenting  
7 to disclosure.

8 (h) Proposals and bids for any contract, grant, or  
9 agreement, including information which if it were  
10 disclosed would frustrate procurement or give an advantage  
11 to any person proposing to enter into a contractor  
12 agreement with the body, until an award or final selection  
13 is made. Information prepared by or for the body in  
14 preparation of a bid solicitation shall be exempt until an  
15 award or final selection is made.

16 (i) Valuable formulae, computer geographic systems,  
17 designs, drawings and research data obtained or produced by  
18 any public body when disclosure could reasonably be  
19 expected to produce private gain or public loss. The  
20 exemption for "computer geographic systems" provided in  
21 this paragraph (i) does not extend to requests made by news  
22 media as defined in Section 2 of this Act when the  
23 requested information is not otherwise exempt and the only  
24 purpose of the request is to access and disseminate  
25 information regarding the health, safety, welfare, or  
26 legal rights of the general public.

1           (j) The following information pertaining to  
2 educational matters:

3           (i) test questions, scoring keys and other

8 procedures for the evaluation of faculty members by  
9 their academic peers;

10           (iii) information concerning a school or  
11 university's adjudication of student disciplinary  
12 cases, but only to the extent that disclosure would  
13 unavoidably reveal the identity of the student; and

14           (iv) course materials or research materials used  
15 by faculty members.

16           (k) Architects' plans, engineers' technical  
17 submissions, and other construction related technical  
18 documents for projects not constructed or developed in

21 including but not limited to power generating and  
22 distribution stations and other transmission and  
23 distribution facilities, water treatment facilities,  
24 airport facilities, sport stadiums, convention centers,

26 but only to the extent that disclosure would compromise

1 security.

2 (l) Minutes of meetings of public bodies closed to the  
3 public as provided in the Open Meetings Act until the  
4 public body makes the minutes available to the public under  
5 Section 2.06 of the Open Meetings Act.

6 (m) Communications between a public body and an  
7 attorney or auditor representing the public body that would  
8 not be subject to discovery in litigation, and materials  
9 prepared or compiled by or for a public body in  
10 anticipation of a criminal, civil or administrative  
11 proceeding upon the request of an attorney advising the  
12 public body, and materials prepared or compiled with  
13 respect to internal audits of public bodies.

14 (n) Records relating to a public body's adjudication of  
15 employee grievances or disciplinary cases; however, this  
16 exemption shall not extend to the final outcome of cases in  
17 which discipline is imposed.

19 with automated data processing operations, including but  
20 not limited to software, operating protocols, computer

22 modules, load modules, user guides, documentation  
23 pertaining to all logical and physical design of  
24 computerized systems, employee manuals, and any other  
25 information that, if disclosed, would jeopardize the  
26 security of the system or its data or the security of

1 materials exempt under this Section.

2 (p) Records relating to collective negotiating matters  
3 between public bodies and their employees or  
4 representatives, except that any final contract or  
5 agreement shall be subject to inspection and copying.

6 (q) Test questions, scoring keys, and other  
7 examination data used to determine the qualifications of an  
8 applicant for a license or employment.

9 (r) The records, documents, and information relating  
10 to real estate purchase negotiations until those  
11 negotiations have been completed or otherwise terminated.  
12 With regard to a parcel involved in a pending or actually  
13 and reasonably contemplated eminent domain proceeding  
14 under the Eminent Domain Act, records, documents and  
15 information relating to that parcel shall be exempt except  
16 as may be allowed under discovery rules adopted by the  
17 Illinois Supreme Court. The records, documents and  
18 information relating to a real estate sale shall be exempt  
19 until a sale is consummated.

20 (s) Any and all proprietary information and records  
21 related to the operation of an intergovernmental risk  
22 management association or self-insurance pool or jointly  
23 self-administered health and accident cooperative or pool.

3 examination, operating, or condition reports prepared by,  
4 on behalf of, or for the use of a public body responsible  
5 for the regulation or supervision of financial  
6 institutions or insurance companies, unless disclosure is  
7 otherwise required by State law.

8 (u) Information that would disclose or might lead to  
9 the disclosure of secret or confidential information,

14 response policies or plans that are designed to identify,  
15 prevent, or respond to potential attacks upon a community's  
16 population or systems, facilities, or installations, the  
17 destruction or contamination of which would constitute a  
18 clear and present danger to the health or safety of the  
19 community, but only to the extent that disclosure could  
20 reasonably be expected to jeopardize the effectiveness of  
21 the measures or the safety of the personnel who implement  
22 them or the public. Information exempt under this item may  
23 include such things as details pertaining to the
