4 Section 5. The Property Tax Code is amended by changing
5 Section 18-35 as follows:

6 (35 ILCS 200/18-35)

7 Sec. 18-35. Collector's books; columns. Each county clerk
8 shall prepare the collector's books with 4 columns for the
9 value of each property, the first to show the assessed value by
10 the chief county assessment officer, the second to show the
11 value as corrected by the board of review or board of appeals,
12 the third to show the value as equalized by the board of review
13 under Sections 16-60 and 16-65, and the fourth to show the
14 value as equalized or assessed by the Department. Such books
15 may be created, transmitted, and stored in an electronic
16 format. If a municipality has adopted tax increment allocation
17 financing under Division 74.4 of Article 11 of the Illinois
18 Municipal Code, the county clerk, or clerks if a municipality
19 is located in more than one county, shall provide additional
20 columns for the initial equalized assessed value, for the
21 extension of the taxes and other purposes, and for the amount
22 of the tax to be deposited in the special tax allocation fund.
23 The books also shall contain a column to insert opposite each

1 parcel of property any tax sale or forfeiture for taxes or
2 special assessments for the 2 preceding years not canceled or
3 withdrawn from collection at any tax sale. Tax sales shall be
4 designated by the word "sold", forfeited, withdrawn or other
