6 (35 ILCS 200/18-185)

8 be cited as the Property Tax Extension Limitation Law. As used

11 All Urban Consumers for all items published by the United  
12 States Department of Labor.

13 "Extension limitation" means (a) the lesser of 5% or the

5 before the 1995 levy year and each non-home rule taxing  
6 district not subject to this Law before the 1995 levy year  
7 having the majority of its 1994 equalized assessed value in an  
8 affected county or counties. Beginning with the levy year in  
9 which this Law becomes applicable to a taxing district as  
10 provided in Section 18-213, "taxing district" also includes  
11 those taxing districts made subject to this Law as provided in  
12 Section 18-213.

13 "Aggregate extension" for taxing districts to which this  
14 Law applied before the 1995 levy year means the annual  
15 corporate extension for the taxing district and those special  
16 purpose extensions that are made annually for the taxing  
17 district, excluding special purpose extensions: (a) made for  
18 the taxing district to pay interest or principal on general  
19 obligation bonds that were approved by referendum; (b) made for  
20 any taxing district to pay interest or principal on general  
21 obligation bonds issued before October 1, 1991; (c) made for

2 principal on revenue bonds issued before October 1, 1991 for  
3 payment of which a property tax levy or the full faith and  
4 credit of the unit of local government is pledged; however, a  
5 tax for the payment of interest or principal on those bonds  
6 shall be made only after the governing body of the unit of  
7 local government finds that all other sources for payment are  
8 insufficient to make those payments; (f) made for payments

10 for the retirement of bonds issued by the commission before

21 accordance with Section 18-213, except for those subject to  
22 paragraph (2) of subsection (e) of Section 18-213, for the levy  
23 year in which the referendum making this Law applicable to the  
24 taxing district is held, or for those taxing districts subject  
25 to this Law in accordance with paragraph (2) of subsection (e)  
26 of Section 18-213 for the 1996 levy year, constituting an

1 extension for payment of principal and interest on bonds issued  
2 by the taxing district without referendum, but not including  
3 excluded non-referendum bonds. For park districts (i) that were  
4 first subject to this Law in 1991 or 1995 and (ii) whose  
5 extension for the 1994 levy year for the payment of principal  
6 and interest on bonds issued by the park district without  
7 referendum (but not including excluded non-referendum bonds)  
8 was less than 51% of the amount for the 1991 levy year  
9 constituting an extension for payment of principal and interest  
10 on bonds issued by the park district without referendum (but  
11 not including excluded non-referendum bonds), "debt service  
12 extension base" means an amount equal to that portion of the  
13 extension for the 1991 levy year constituting an extension for  
14 payment of principal and interest on bonds issued by the park  
15 district without referendum (but not including excluded  
16 non-referendum bonds). A debt service extension base  
17 established or increased at any time pursuant to any provision  
18 of this Law, except Section 18-212, shall be increased each  
19 year commencing with the later of (i) the 2009 levy year or  
20 (ii) the first levy year in which this Law becomes applicable  
21 to the taxing district, by the lesser of 5% or the percentage  
22 increase in the Consumer Price Index during the 12-month  
23 calendar year preceding the levy year. The debt service  
24 extension base may be established or increased as provided  
25 under Section 18-212. "Excluded non-referendum bonds" means

2 museum projects; (ii) bonds issued under Section 15 of the  
3 Local Government Debt Reform Act; or (iii) refunding  
4 obligations issued to refund or to continue to refund  
5 obligations initially issued pursuant to referendum.

6 "Special purpose extensions" include, but are not limited  
7 to, extensions for levies made on an annual basis for  
8 unemployment and workers' compensation, self-insurance,  
9 contributions to pension plans, and extensions made pursuant to  
10 Section 6-601 of the Illinois Highway Code for a road  
11 district's permanent road fund whether levied annually or not.  
12 The extension for a special service area is not included in the  
13 aggregate extension.

14 "Aggregate extension base" means: (i) for levy years before  
15 2015, the taxing district's last preceding aggregate extension  
16 as adjusted under Sections 18-135, 18-215, and 18-230; and (ii)  
17 for levy years 2015 and later, the district's modified  
18 aggregate extension base. An adjustment under Section 18-135  
19 shall be made for the 2007 levy year and all subsequent levy  
20 years whenever one or more counties within which a taxing  
21 district is located (i) used estimated valuations or rates when  
22 extending taxes in the taxing district for the last preceding  
23 levy year that resulted in the over or under extension of  
24 taxes, or (ii) increased or decreased the tax extension for the  
25 last preceding levy year as required by Section 18-135(c).  
26 Whenever an adjustment is required under Section 18-135, the

1 aggregate extension base of the taxing district shall be equal  
2 to the amount that the aggregate extension of the taxing  
3 district would have been for the last preceding levy year if  
4 either or both (i) actual, rather than estimated, valuations or  
5 rates had been used to calculate the extension of taxes for the  
6 last levy year, or (ii) the tax extension for the last  
7 preceding levy year had not been adjusted as required by  
8 subsection (c) of Section 18-135.

9 "Aggregate extension limit" means: (i) for the 2015 levy  
10 year, the equalized assessed value of the district in the 2014  
11 levy year multiplied by the 2014 limiting rate; and (ii) for  
12 the 2016 levy year and thereafter, the previous levy year's  
13 maximum limiting rate multiplied by the equalized assessed  
14 value of the district in the previous levy year.

15 "Modified aggregate extension base" means the preceding  
16 year's aggregate extension, as adjusted under Sections 18-135,  
17 18-215, and 18-230, plus the recapture aggregate extension  
18 base.

19 "Recaptured aggregate extension base" means one-third of  
20 the difference between the aggregate extension limit and the  
21 previous year's aggregate extension.

22 "Maximum limiting rate" means a fraction the numerator of  
23 which is the aggregate extension limit times an amount equal to  
24 one plus the extension limitation defined in this Section and  
25 the denominator of which is the current year's equalized  
26 assessed value of all real property in the territory under the

1 jurisdiction of the taxing district during the prior levy year.  
2 The denominator shall not include new property or the recovered  
3 tax increment value.

4 Notwithstanding any other provision of law, for levy year  
5 2012, the aggregate extension base for West Northfield School  
6 District No. 31 in Cook County shall be \$12,654,592.

7 "Levy year" has the same meaning as "year" under Section  
8 1-155.

9 "New property" means (i) the assessed value, after final  
10 board of review or board of appeals action, of new improvements  
11 or additions to existing improvements on any parcel of real  
12 property that increase the assessed value of that real property  
13 during the levy year multiplied by the equalization factor  
14 issued by the Department under Section 17-30, (ii) the assessed  
15 value, after final board of review or board of appeals action,  
16 of real property not exempt from real estate taxation, which  
17 real property was exempt from real estate taxation for any  
18 portion of the immediately preceding levy year, multiplied by  
19 the equalization factor issued by the Department under Section  
20 17-30, including the assessed value, upon final stabilization  
21 of occupancy after new construction is complete, of any real  
22 property located within the boundaries of an otherwise or  
23 previously exempt military reservation that is intended for  
24 residential use and owned by or leased to a private corporation  
25 or other entity, (iii) in counties that classify in accordance  
26 with Section 4 of Article IX of the Illinois Constitution, an

1 incentive property's additional assessed value resulting from  
2 a scheduled increase in the level of assessment as applied to  
3 the first year final board of review market value, and (iv) any  
4 increase in assessed value due to oil or gas production from an  
5 oil or gas well required to be permitted under the Hydraulic  
6 Fracturing Regulatory Act that was not produced in or accounted  
7 for during the previous levy year. In addition, the county  
8 clerk in a county containing a population of 3,000,000 or more  
9 shall include in the 1997 recovered tax increment value for any  
10 school district, any recovered tax increment value that was  
11 applicable to the 1995 tax year calculations.

12 "Qualified airport authority" means an airport authority  
13 organized under the Airport Authorities Act and located in a  
14 county bordering on the State of Wisconsin and having a  
15 population in excess of 200,000 and not greater than 500,000.

16 "Recovered tax increment value" means, except as otherwise  
17 provided in this paragraph, the amount of the current year's  
18 equalized assessed value, in the first year after a  
19 municipality terminates the designation of an area as a  
20 redevelopment project area previously established under the  
21 Tax Increment Allocation Development Act in the Illinois  
22 Municipal Code, previously established under the Industrial  
23 Jobs Recovery Law in the Illinois Municipal Code, previously  
24 established under the Economic Development Project Area Tax  
25 Increment Act of 1995, or previously established under the  
26 Economic Development Area Tax Increment Allocation Act, of each

1 taxable lot, block, tract, or parcel of real property in the  
2 redevelopment project area over and above the initial equalized  
3 assessed value of each property in the redevelopment project  
4 area. For the taxes which are extended for the 1997 levy year,  
5 the recovered tax increment value for a non-home rule taxing  
6 district that first became subject to this Law for the 1995  
7 levy year because a majority of its 1994 equalized assessed  
8 value was in an affected county or counties shall be increased  
9 if a municipality terminated the designation of an area in 1993  
10 as a redevelopment project area previously established under  
11 the Tax Increment Allocation Development Act in the Illinois  
12 Municipal Code, previously established under the Industrial  
13 Jobs Recovery Law in the Illinois Municipal Code, or previously  
14 established under the Economic Development Area Tax Increment  
15 Allocation Act, by an amount equal to the 1994 equalized  
16 assessed value of each taxable lot, block, tract, or parcel of  
17 real property in the redevelopment project area over and above  
18 the initial equalized assessed value of each property in the  
19 redevelopment project area. In the first year after a  
20 municipality removes a taxable lot, block, tract, or parcel of  
21 real property from a redevelopment project area established  
22 under the Tax Increment Allocation Development Act in the  
23 Illinois Municipal Code, the Industrial Jobs Recovery Law in  
24 the Illinois Municipal Code, or the Economic Development Area  
25 Tax Increment Allocation Act, "recovered tax increment value"  
26 means the amount of the current year's equalized assessed value

1 of each taxable lot, block, tract, or parcel of real property  
2 removed from the redevelopment project area over and above the  
3 initial equalized assessed value of that real property before  
4 removal from the redevelopment project area.

5 Except as otherwise provided in this Section, "limiting  
6 rate" means a fraction the numerator of which is the last  
7 preceding aggregate extension base times an amount equal to one  
8 plus the extension limitation defined in this Section and the  
9 denominator of which is the current year's equalized assessed  
10 value of all real property in the territory under the  
11 jurisdiction of the taxing district during the prior levy year.  
12 If a decrease in the district's aggregate extension has been  
13 approved by referendum on or after January 1, 2015, then, for  
14 the year for which the decrease has been approved, the limiting  
15 rate for that district shall be a fraction, the numerator of  
16 which is the difference between (i) the last preceding  
17 aggregate extension base times an amount equal to one plus the  
18 extension limitation defined in this Section and (ii) the  
19 amount of the decrease approved by referendum under Section  
20 18-190.3 of this Law, and the denominator of which is the  
21 current year's equalized assessed value of all real property in  
22 the territory under the jurisdiction of the taxing district  
23 during the prior levy year. For those taxing districts that  
24 reduced their aggregate extension for the last preceding levy  
25 year, the highest aggregate extension in any of the last 3  
26 preceding levy years shall be used for the purpose of computing

1 the limiting rate. The denominator shall not include new  
2 property or the recovered tax increment value. If a new rate, a  
3 rate decrease, or a limiting rate increase has been approved at  
4 an election held after March 21, 2006, then (i) the otherwise  
5 applicable limiting rate shall be increased by the amount of  
6 the new rate or shall be reduced by the amount of the rate  
7 decrease, as the case may be, or (ii) in the case of a limiting  
8 rate increase, the limiting rate shall be equal to the rate set  
9 forth in the proposition approved by the voters for each of the  
10 years specified in the proposition, after which the limiting  
11 rate of the taxing district shall be calculated as otherwise  
12 provided. In the case of a taxing district that obtained  
13 referendum approval for an increased limiting rate on March 20,  
14 2012, the limiting rate for tax year 2012 shall be the rate  
15 that generates the approximate total amount of taxes extendable  
16 for that tax year, as set forth in the proposition approved by  
17 the voters; this rate shall be the final rate applied by the  
18 county clerk for the aggregate of all capped funds of the  
19 district for tax year 2012.

23 Sec. 18-205.5. Referendum to decrease the aggregate  
24 extension.

25 (a) Notwithstanding any other provision of law, a taxing

1 district may seek voter approval before it decreases its  
2 aggregate extension for one or more levy years if that taxing  
3 district holds a referendum before the levy date for the first  
4 levy year at which a majority of voters voting on the issue  
5 approves adoption of a lower aggregate extension. Referenda  
6 shall be conducted at a regularly scheduled election in  
7 accordance with the Election Code. The question shall be  
8 presented in substantially the following manner:

9     Shall the aggregate extension under the Property Tax  
10 Extension Limitation Law for (insert the legal name,  
11 number, if any, and county or counties of the taxing  
12 district and geographic or other common name by which a  
13 school or community college district is known and referred  
14 to), Illinois, be reduced by (the amount of decrease  
15 sought) for (insert each levy year for which the decreased  
16 aggregate extension will apply)?

17 (b) The votes must be recorded as "Yes" or "No".

18 The ballot for any proposition submitted pursuant to this  
19 Section shall have printed thereon, but not as a part of the  
20 proposition submitted, only the following supplemental  
21 information (which shall be supplied to the election authority  
22 by the taxing district) in substantially the following form:

23 "(1) The amount of taxes extended which were subject to  
24 the Property Tax Cap (Property Tax Extension Limitation  
25 Law) in levy year (insert most recent levy year) was  
26 (insert the most recent levy year's aggregate extension

1 base). If the proposition is not approved, then the taxing  
2 district may decrease its extension by the lesser of 5% or  
3 the percentage increase in the Consumer Price Index during  
4 the 12-month calendar year preceding (insert levy year). If  
5 the proposition is approved, then the taxing district may  
6 decrease its extension in levy year (insert levy year) by  
7 (insert the amount of decrease sought).

8 (2) For the...(insert levy year for which the decrease  
9 will be applicable) levy year, the approximate amount of  
10 the additional tax extendable against property containing  
11 a single family residence and having a fair market value at  
12 the time of the referendum of \$100,000 is estimated to be  
13 (insert amount).".

14 The approximate amount of the reduced taxes extendable  
15 shown in paragraph (2) shall be calculated by multiplying  
16 \$100,000 (the fair market value of the property without regard  
17 to any property tax exemptions) by (i) the percentage level of  
18 assessment prescribed for that property by statute, or by  
19 ordinance of the county board in counties that classify  
20 property for purposes of taxation in accordance with Section 4  
21 of Article IX of the Illinois Constitution; (ii) the most  
22 recent final equalization factor certified to the county clerk  
23 by the Department of Revenue at the time the taxing district  
24 initiates the submission of the proposition to the electors;  
25 and (iii) the decrease in the aggregate extension proposed in  
26 the question; and dividing the result by the last known

1 equalized assessed value of the taxing district at the time the  
2 submission of the question is initiated by the taxing district.  
3 Any notice required to be published in connection with the  
4 submission of the proposition shall also contain this  
5 supplemental information and shall not contain any other  
6 supplemental information regarding the proposition. Any error,  
7 miscalculation, or inaccuracy in computing any amount set forth  
8 on the ballot and in the notice that is not deliberate shall  
9 not invalidate or affect the validity of any proposition  
10 approved. Notice of the referendum shall be published and  
11 posted as otherwise required by law, and the submission of the  
12 proposition shall be initiated as provided by law.

13 If a majority of all ballots cast on the proposition are in  
14 favor of the proposition, then the district may increase its  
15 aggregate extension as provided in the referendum.
