4 Section 5. The School Code is amended by adding Sections
5 10-20.56 and 34-18.49 as follows:

6 (105 ILCS 5/10-20.56 new)

7 Sec. 10-20.56. Carbon monoxide alarm required.

8 (a) In this Section, "approved carbon monoxide alarm" and
9 "alarm" have the meaning ascribed to those terms in the Carbon
10 Monoxide Alarm Detector Act.

11 (b) A school board shall require that each school building
12 in the district be equipped with approved carbon monoxide
13 alarms in accordance with the rules of the State Fire Marshal.
14 The State Fire Marshal shall, by rule, (i) determine the number
15 of alarms a public school building must have and where those
16 alarms must be located, (ii) require that the alarms be in
17 operating condition and be inspected annually, and (iii) exempt
18 school buildings from the alarm requirement if they do not have
19 or are not close to any sources of carbon monoxide. The State
20 Fire Marshal may adopt any other rules necessary.

21 (105 ILCS 5/34-18.49 new)

22 Sec. 34-18.49. Carbon monoxide alarm required.

1 (a) In this Section, "approved carbon monoxide alarm" and
2 "alarm" have the meaning ascribed to those terms in the Carbon
3 Monoxide Alarm Detector Act.

4 (b) The board shall require that each school building in
5 the district be equipped with approved carbon monoxide alarms
6 in accordance with the rules of the State Fire Marshal. The
7 State Fire Marshal shall, by rule, (i) determine the number of
8 alarms a public school building must have and where those
9 alarms must be located, (ii) require that the alarms be in
10 operating condition and be inspected annually, and (iii) exempt
11 school buildings from the alarm requirement if they do not have
12 or are not close to any sources of carbon monoxide. The State
13 Fire Marshal may adopt any other rules necessary.

14 Section 99. Effective date. This Act takes effect upon
15 becoming law.
