1 AMENDMENT TO HOUSE BILL 972

2 AMENDMENT NO. _____. Amend House Bill 972 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Act on the Aging is amended by
5 changing Section 4.02 as follows:

6 (20 ILCS 105/4.02) (from Ch. 23, par. 6104.02)

7 Sec. 4.02. Community Care Program. The Department shall
8 establish a program of services to prevent unnecessary
9 institutionalization of persons age 60 and older in need of
10 long term care or who are established as persons who suffer
11 from Alzheimer's disease or a related disorder under the
12 Alzheimer's Disease Assistance Act, thereby enabling them to
13 remain in their own homes or in other living arrangements. Such
14 preventive services, which may be coordinated with other
15 programs for the aged and monitored by area agencies on aging
16 in cooperation with the Department, may include, but are not

1 limited to, any or all of the following:

2 (a) (blank);

3 (b) (blank);

4 (c) home care aide services;

5 (d) personal assistant services;

6 (e) adult day services;

7 (f) home-delivered meals;

8 (g) education in self-care;

9 (h) personal care services;

10 (i) adult day health services;

11 (j) habilitation services;

12 (k) respite care;

13 (k-5) community reintegration services;

14 (k-6) flexible senior services;

15 (k-7) medication management;

16 (k-8) emergency home response;

17 (l) other nonmedical social services that may enable
18 the person to become self-supporting; or

19 (m) clearinghouse for information provided by senior
20 citizen home owners who want to rent rooms to or share
21 living space with other senior citizens.

22 The Department shall establish eligibility standards for
23 such services. In determining the amount and nature of services
24 for which a person may qualify, consideration shall not be
25 given to the value of cash, property or other assets held in
26 the name of the person's spouse pursuant to a written agreement

1 dividing marital property into equal but separate shares or
2 pursuant to a transfer of the person's interest in a home to
3 his spouse, provided that the spouse's share of the marital
4 property is not made available to the person seeking such
5 services.

6 Beginning January 1, 2008, the Department shall require as
7 a condition of eligibility that all new financially eligible
8 applicants apply for and enroll in medical assistance under
9 Article V of the Illinois Public Aid Code in accordance with
10 rules promulgated by the Department.

11 The Department shall, in conjunction with the Department of
12 Public Aid (now Department of Healthcare and Family Services),
13 seek appropriate amendments under Sections 1915 and 1924 of the
14 Social Security Act. The purpose of the amendments shall be to
15 extend eligibility for home and community based services under
16 Sections 1915 and 1924 of the Social Security Act to persons
17 who transfer to or for the benefit of a spouse those amounts of
18 income and resources allowed under Section 1924 of the Social
19 Security Act. Subject to the approval of such amendments, the
20 Department shall extend the provisions of Section 5-4 of the
21 Illinois Public Aid Code to persons who, but for the provision
22 of home or community-based services, would require the level of
23 care provided in an institution, as is provided for in federal
24 law. Those persons no longer found to be eligible for receiving
25 noninstitutional services due to changes in the eligibility
26 criteria shall be given 45 days notice prior to actual

1 termination. Those persons receiving notice of termination may
2 contact the Department and request the determination be
3 appealed at any time during the 45 day notice period. The
4 target population identified for the purposes of this Section
5 are persons age 60 and older with an identified service need.
6 Priority shall be given to those who are at imminent risk of
7 institutionalization. The services shall be provided to
8 eligible persons age 60 and older to the extent that the cost
9 of the services together with the other personal maintenance
10 expenses of the persons are reasonably related to the standards
11 established for care in a group facility appropriate to the
12 person's condition. These non-institutional services, pilot
13 projects or experimental facilities may be provided as part of
14 or in addition to those authorized by federal law or those
15 funded and administered by the Department of Human Services.
16 The Departments of Human Services, Healthcare and Family
17 Services, Public Health, Veterans' Affairs, and Commerce and
18 Economic Opportunity and other appropriate agencies of State,
19 federal and local governments shall cooperate with the
20 Department on Aging in the establishment and development of the
21 non-institutional services. The Department shall require an
22 annual audit from all personal assistant and home care aide
23 vendors contracting with the Department under this Section. The
24 annual audit shall assure that each audited vendor's procedures
25 are in compliance with Department's financial reporting
26 guidelines requiring an administrative and employee wage and

1 benefits cost split as defined in administrative rules. The
2 audit is a public record under the Freedom of Information Act.
3 The Department shall execute, relative to the nursing home
4 prescreening project, written inter-agency agreements with the
5 Department of Human Services and the Department of Healthcare
6 and Family Services, to effect the following: (1) intake
7 procedures and common eligibility criteria for those persons
8 who are receiving non-institutional services; and (2) the
9 establishment and development of non-institutional services in
10 areas of the State where they are not currently available or
11 are undeveloped. On and after July 1, 1996, all nursing home
12 prescreenings for individuals 60 years of age or older shall be
13 conducted by the Department.

14 As part of the Department on Aging's routine training of
15 case managers and case manager supervisors, the Department may
16 include information on family futures planning for persons who
17 are age 60 or older and who are caregivers of their adult
18 children with developmental disabilities. The content of the
19 training shall be at the Department's discretion.

20 The Department is authorized to establish a system of
21 recipient copayment for services provided under this Section,
22 such copayment to be based upon the recipient's ability to pay
23 but in no case to exceed the actual cost of the services
24 provided. Additionally, any portion of a person's income which
25 is equal to or less than the federal poverty standard shall not
26 be considered by the Department in determining the copayment.

1 The level of such copayment shall be adjusted whenever
2 necessary to reflect any change in the officially designated
3 federal poverty standard.

4 The Department, or the Department's authorized
5 representative, may recover the amount of moneys expended for
6 services provided to or in behalf of a person under this
7 Section by a claim against the person's estate or against the
8 estate of the person's surviving spouse, but no recovery may be
9 had until after the death of the surviving spouse, if any, and
10 then only at such time when there is no surviving child who is
11 under age 21, blind, or permanently and totally disabled. This
12 paragraph, however, shall not bar recovery, at the death of the
13 person, of moneys for services provided to the person or in
14 behalf of the person under this Section to which the person was
15 not entitled; provided that such recovery shall not be enforced
16 against any real estate while it is occupied as a homestead by
17 the surviving spouse or other dependent, if no claims by other
18 creditors have been filed against the estate, or, if such
19 claims have been filed, they remain dormant for failure of
20 prosecution or failure of the claimant to compel administration
21 of the estate for the purpose of payment. This paragraph shall
22 not bar recovery from the estate of a spouse, under Sections
23 1915 and 1924 of the Social Security Act and Section 5-4 of the
24 Illinois Public Aid Code, who precedes a person receiving
25 services under this Section in death. All moneys for services
26 paid to or in behalf of the person under this Section shall be

1 claimed for recovery from the deceased spouse's estate.
2 "Homestead", as used in this paragraph, means the dwelling
3 house and contiguous real estate occupied by a surviving spouse
4 or relative, as defined by the rules and regulations of the
5 Department of Healthcare and Family Services, regardless of the
6 value of the property.

7 The Department shall increase the effectiveness of the
8 existing Community Care Program by:

9 (1) ensuring that in-home services included in the care
10 plan are available on evenings and weekends;

11 (2) ensuring that care plans contain the services that
12 eligible participants need based on the number of days in a
13 month, not limited to specific blocks of time, as
14 identified by the comprehensive assessment tool selected
15 by the Department for use statewide, not to exceed the
16 total monthly service cost maximum allowed for each
17 service; the Department shall develop administrative rules
18 to implement this item (2);

19 (3) ensuring that the participants have the right to
20 choose the services contained in their care plan and to
21 direct how those services are provided, based on
22 administrative rules established by the Department;

23 (4) ensuring that the determination of need tool is
24 accurate in determining the participants' level of need; to
25 achieve this, the Department, in conjunction with the Older
26 Adult Services Advisory Committee, shall institute a study

1 of the relationship between the Determination of Need
2 scores, level of need, service cost maximums, and the
3 development and utilization of service plans no later than
4 May 1, 2008; findings and recommendations shall be
5 presented to the Governor and the General Assembly no later
6 than January 1, 2009; recommendations shall include all
7 needed changes to the service cost maximums schedule and
8 additional covered services;

9 (5) ensuring that homemakers can provide personal care
10 services that may or may not involve contact with clients,
11 including but not limited to:

- 12 (A) bathing;
- 13 (B) grooming;
- 14 (C) toileting;
- 15 (D) nail care;
- 16 (E) transferring;
- 17 (F) respiratory services;
- 18 (G) exercise; or
- 19 (H) positioning;

20 (6) ensuring that homemaker program vendors are not
21 restricted from hiring homemakers who are family members of
22 clients or recommended by clients; the Department may not,
23 by rule or policy, require homemakers who are family
24 members of clients or recommended by clients to accept
25 assignments in homes other than the client;

26 (7) ensuring that the State may access maximum federal

1 matching funds by seeking approval for the Centers for
2 Medicare and Medicaid Services for modifications to the
3 State's home and community based services waiver and
4 additional waiver opportunities, including applying for
5 enrollment in the Balance Incentive Payment Program by May
6 1, 2013, in order to maximize federal matching funds; this
7 shall include, but not be limited to, modification that
8 reflects all changes in the Community Care Program services
9 and all increases in the services cost maximum;

10 (8) ensuring that the determination of need tool
11 accurately reflects the service needs of individuals with
12 Alzheimer's disease and related dementia disorders;

13 (9) ensuring that services are authorized accurately
14 and consistently for the Community Care Program (CCP); the
15 Department shall implement a Service Authorization policy
16 directive; the purpose shall be to ensure that eligibility
17 and services are authorized accurately and consistently in
18 the CCP program; the policy directive shall clarify service
19 authorization guidelines to Care Coordination Units and
20 Community Care Program providers no later than May 1, 2013;

21 (10) working in conjunction with Care Coordination
22 Units, the Department of Healthcare and Family Services,
23 the Department of Human Services, Community Care Program
24 providers, and other stakeholders to make improvements to
25 the Medicaid claiming processes and the Medicaid
26 enrollment procedures or requirements as needed,

1 including, but not limited to, specific policy changes or
2 rules to improve the up-front enrollment of participants in
3 the Medicaid program and specific policy changes or rules
4 to insure more prompt submission of bills to the federal
5 government to secure maximum federal matching dollars as
6 promptly as possible; the Department on Aging shall have at
7 least 3 meetings with stakeholders by January 1, 2014 in
8 order to address these improvements;

9 (11) requiring home care service providers to comply
10 with the rounding of hours worked provisions under the
11 federal Fair Labor Standards Act (FLSA) and as set forth in
12 29 CFR 785.48(b) by May 1, 2013;

13 (12) implementing any necessary policy changes or
14 promulgating any rules, no later than January 1, 2014, to
15 assist the Department of Healthcare and Family Services in
16 moving as many participants as possible, consistent with
17 federal regulations, into coordinated care plans if a care
18 coordination plan that covers long term care is available
19 in the recipient's area; and

20 (13) maintaining fiscal year 2014 rates at the same
21 level established on January 1, 2013.

22 Individuals with a score of 29 or higher based on the
23 determination of need (DON) assessment tool shall be eligible
24 to receive institutional and home and community-based long term
25 care services until such time that the State receives federal
26 approval and implements an updated assessment tool. The

1 Department must promulgate rules regarding the updated
2 assessment tool, but shall not promulgate emergency rules
3 regarding the updated assessment tool. The State shall not
4 implement an updated assessment tool that causes more than 1%
5 of then-current recipients to lose eligibility. Anyone
6 determined to be ineligible for services due to the updated
7 assessment tool shall continue to be eligible for services for
8 at least one year following that determination and must be
9 reassessed no earlier than 11 months after that determination.

10 By January 1, 2009 or as soon after the end of the Cash and
11 Counseling Demonstration Project as is practicable, the
12 Department may, based on its evaluation of the demonstration
13 project, promulgate rules concerning personal assistant
14 services, to include, but need not be limited to,
15 qualifications, employment screening, rights under fair labor
16 standards, training, fiduciary agent, and supervision
17 requirements. All applicants shall be subject to the provisions
18 of the Health Care Worker Background Check Act.

19 The Department shall develop procedures to enhance
20 availability of services on evenings, weekends, and on an
21 emergency basis to meet the respite needs of caregivers.
22 Procedures shall be developed to permit the utilization of
23 services in successive blocks of 24 hours up to the monthly
24 maximum established by the Department. Workers providing these
25 services shall be appropriately trained.

26 Beginning on the effective date of this Amendatory Act of

1 1991, no person may perform chore/housekeeping and home care
2 aide services under a program authorized by this Section unless
3 that person has been issued a certificate of pre-service to do
4 so by his or her employing agency. Information gathered to
5 effect such certification shall include (i) the person's name,
6 (ii) the date the person was hired by his or her current
7 employer, and (iii) the training, including dates and levels.
8 Persons engaged in the program authorized by this Section
9 before the effective date of this amendatory Act of 1991 shall
10 be issued a certificate of all pre- and in-service training
11 from his or her employer upon submitting the necessary
12 information. The employing agency shall be required to retain
13 records of all staff pre- and in-service training, and shall
14 provide such records to the Department upon request and upon
15 termination of the employer's contract with the Department. In
16 addition, the employing agency is responsible for the issuance
17 of certifications of in-service training completed to their
18 employees.

19 The Department is required to develop a system to ensure
20 that persons working as home care aides and personal assistants
21 receive increases in their wages when the federal minimum wage
22 is increased by requiring vendors to certify that they are
23 meeting the federal minimum wage statute for home care aides
24 and personal assistants. An employer that cannot ensure that
25 the minimum wage increase is being given to home care aides and
26 personal assistants shall be denied any increase in

1 reimbursement costs.

2 The Community Care Program Advisory Committee is created in
3 the Department on Aging. The Director shall appoint individuals
4 to serve in the Committee, who shall serve at their own
5 expense. Members of the Committee must abide by all applicable
6 ethics laws. The Committee shall advise the Department on
7 issues related to the Department's program of services to
8 prevent unnecessary institutionalization. The Committee shall
9 meet on a bi-monthly basis and shall serve to identify and
10 advise the Department on present and potential issues affecting
11 the service delivery network, the program's clients, and the
12 Department and to recommend solution strategies. Persons
13 appointed to the Committee shall be appointed on, but not
14 limited to, their own and their agency's experience with the
15 program, geographic representation, and willingness to serve.
16 The Director shall appoint members to the Committee to
17 represent provider, advocacy, policy research, and other
18 constituencies committed to the delivery of high quality home
19 and community-based services to older adults. Representatives
20 shall be appointed to ensure representation from community care
21 providers including, but not limited to, adult day service
22 providers, homemaker providers, case coordination and case
23 management units, emergency home response providers, statewide
24 trade or labor unions that represent home care aides and direct
25 care staff, area agencies on aging, adults over age 60,
26 membership organizations representing older adults, and other

1 organizational entities, providers of care, or individuals
2 with demonstrated interest and expertise in the field of home
3 and community care as determined by the Director.

4 Nominations may be presented from any agency or State
5 association with interest in the program. The Director, or his
6 or her designee, shall serve as the permanent co-chair of the
7 advisory committee. One other co-chair shall be nominated and
8 approved by the members of the committee on an annual basis.
9 Committee members' terms of appointment shall be for 4 years
10 with one-quarter of the appointees' terms expiring each year. A
11 member shall continue to serve until his or her replacement is
12 named. The Department shall fill vacancies that have a
13 remaining term of over one year, and this replacement shall
14 occur through the annual replacement of expiring terms. The
15 Director shall designate Department staff to provide technical
16 assistance and staff support to the committee. Department
17 representation shall not constitute membership of the
18 committee. All Committee papers, issues, recommendations,
19 reports, and meeting memoranda are advisory only. The Director,
20 or his or her designee, shall make a written report, as
21 requested by the Committee, regarding issues before the
22 Committee.

23 The Department on Aging and the Department of Human
24 Services shall cooperate in the development and submission of
25 an annual report on programs and services provided under this
26 Section. Such joint report shall be filed with the Governor and

1 the General Assembly on or before September 30 each year.

2 The requirement for reporting to the General Assembly shall
3 be satisfied by filing copies of the report with the Speaker,
4 the Minority Leader and the Clerk of the House of
5 Representatives and the President, the Minority Leader and the
6 Secretary of the Senate and the Legislative Research Unit, as
7 required by Section 3.1 of the General Assembly Organization
8 Act and filing such additional copies with the State Government
9 Report Distribution Center for the General Assembly as is
10 required under paragraph (t) of Section 7 of the State Library
11 Act.

12 Those persons previously found eligible for receiving
13 non-institutional services whose services were discontinued
14 under the Emergency Budget Act of Fiscal Year 1992, and who do
15 not meet the eligibility standards in effect on or after July
16 1, 1992, shall remain ineligible on and after July 1, 1992.
17 Those persons previously not required to cost-share and who
18 were required to cost-share effective March 1, 1992, shall
19 continue to meet cost-share requirements on and after July 1,
20 1992. Beginning July 1, 1992, all clients will be required to
21 meet eligibility, cost-share, and other requirements and will
22 have services discontinued or altered when they fail to meet
23 these requirements.

24 For the purposes of this Section, "flexible senior
25 services" refers to services that require one-time or periodic
26 expenditures including, but not limited to, respite care, home

1 modification, assistive technology, housing assistance, and
2 transportation.

3 The Department shall implement an electronic service
4 verification based on global positioning systems or other
5 cost-effective technology for the Community Care Program no
6 later than January 1, 2014.

7 The Department shall require, as a condition of
8 eligibility, enrollment in the medical assistance program
9 under Article V of the Illinois Public Aid Code (i) beginning
10 August 1, 2013, if the Auditor General has reported that the
11 Department has failed to comply with the reporting requirements
12 of Section 2-27 of the Illinois State Auditing Act; or (ii)
13 beginning June 1, 2014, if the Auditor General has reported
14 that the Department has not undertaken the required actions
15 listed in the report required by subsection (a) of Section 2-27
16 of the Illinois State Auditing Act.

17 The Department shall delay Community Care Program services
18 until an applicant is determined eligible for medical
19 assistance under Article V of the Illinois Public Aid Code (i)
20 beginning August 1, 2013, if the Auditor General has reported
21 that the Department has failed to comply with the reporting
22 requirements of Section 2-27 of the Illinois State Auditing
23 Act; or (ii) beginning June 1, 2014, if the Auditor General has
24 reported that the Department has not undertaken the required
25 actions listed in the report required by subsection (a) of
26 Section 2-27 of the Illinois State Auditing Act.

1 The Department shall implement co-payments for the
2 Community Care Program at the federally allowable maximum level
3 (i) beginning August 1, 2013, if the Auditor General has
4 reported that the Department has failed to comply with the
5 reporting requirements of Section 2-27 of the Illinois State
6 Auditing Act; or (ii) beginning June 1, 2014, if the Auditor
7 General has reported that the Department has not undertaken the
8 required actions listed in the report required by subsection
9 (a) of Section 2-27 of the Illinois State Auditing Act.

10 The Department shall provide a bi-monthly report on the
11 progress of the Community Care Program reforms set forth in
12 this amendatory Act of the 98th General Assembly to the
13 Governor, the Speaker of the House of Representatives, the
14 Minority Leader of the House of Representatives, the President
15 of the Senate, and the Minority Leader of the Senate.

16 The Department shall conduct a quarterly review of Care
17 Coordination Unit performance and adherence to service
18 guidelines. The quarterly review shall be reported to the
19 Speaker of the House of Representatives, the Minority Leader of
20 the House of Representatives, the President of the Senate, and
21 the Minority Leader of the Senate. The Department shall collect
22 and report longitudinal data on the performance of each care
23 coordination unit. Nothing in this paragraph shall be construed
24 to require the Department to identify specific care
25 coordination units.

26 In regard to community care providers, failure to comply

1 with Department on Aging policies shall be cause for
2 disciplinary action, including, but not limited to,
3 disqualification from serving Community Care Program clients.
4 Each provider, upon submission of any bill or invoice to the
5 Department for payment for services rendered, shall include a
6 notarized statement, under penalty of perjury pursuant to
7 Section 1-109 of the Code of Civil Procedure, that the provider
8 has complied with all Department policies.

9 The Director of the Department on Aging shall make
10 information available to the State Board of Elections as may be
11 required by an agreement the State Board of Elections has
12 entered into with a multi-state voter registration list
13 maintenance system.

16 Section 10. The Disabled Persons Rehabilitation Act is
17 amended by changing Section 3 as follows:

18 (20 ILCS 2405/3) (from Ch. 23, par. 3434)

19 Sec. 3. Powers and duties. The Department shall have the
20 powers and duties enumerated herein:

21 (a) To co-operate with the federal government in the
22 administration of the provisions of the federal Rehabilitation
23 Act of 1973, as amended, of the Workforce Investment Act of
24 1998, and of the federal Social Security Act to the extent and

1 in the manner provided in these Acts.

2 (b) To prescribe and supervise such courses of vocational
3 training and provide such other services as may be necessary
4 for the habilitation and rehabilitation of persons with one or
5 more disabilities, including the administrative activities
6 under subsection (e) of this Section, and to co-operate with
7 State and local school authorities and other recognized
8 agencies engaged in habilitation, rehabilitation and
9 comprehensive rehabilitation services; and to cooperate with
10 the Department of Children and Family Services regarding the
11 care and education of children with one or more disabilities.

12 (c) (Blank).

13 (d) To report in writing, to the Governor, annually on or
14 before the first day of December, and at such other times and
15 in such manner and upon such subjects as the Governor may
16 require. The annual report shall contain (1) a statement of the
17 existing condition of comprehensive rehabilitation services,
18 habilitation and rehabilitation in the State; (2) a statement
19 of suggestions and recommendations with reference to the
20 development of comprehensive rehabilitation services,
21 habilitation and rehabilitation in the State; and (3) an
22 itemized statement of the amounts of money received from
23 federal, State and other sources, and of the objects and
24 purposes to which the respective items of these several amounts
25 have been devoted.

26 (e) (Blank).

1 (f) To establish a program of services to prevent the
2 unnecessary institutionalization of persons in need of long
3 term care and who meet the criteria for blindness or disability
4 as defined by the Social Security Act, thereby enabling them to
5 remain in their own homes. Such preventive services include any
6 or all of the following:

- 7 (1) personal assistant services;
- 8 (2) homemaker services;
- 9 (3) home-delivered meals;
- 10 (4) adult day care services;
- 11 (5) respite care;
- 12 (6) home modification or assistive equipment;
- 13 (7) home health services;
- 14 (8) electronic home response;
- 15 (9) brain injury behavioral/cognitive services;
- 16 (10) brain injury habilitation;
- 17 (11) brain injury pre-vocational services; or
- 18 (12) brain injury supported employment.

19 The Department shall establish eligibility standards for
20 such services taking into consideration the unique economic and
21 social needs of the population for whom they are to be
22 provided. Such eligibility standards may be based on the
23 recipient's ability to pay for services; provided, however,
24 that any portion of a person's income that is equal to or less
25 than the "protected income" level shall not be considered by
26 the Department in determining eligibility. The "protected

1 income" level shall be determined by the Department, shall
2 never be less than the federal poverty standard, and shall be
3 adjusted each year to reflect changes in the Consumer Price
4 Index For All Urban Consumers as determined by the United
5 States Department of Labor. The standards must provide that a
6 person may not have more than \$10,000 in assets to be eligible
7 for the services, and the Department may increase or decrease
8 the asset limitation by rule. The Department may not decrease
9 the asset level below \$10,000.

10 Individuals with a score of 29 or higher based on the
11 determination of need (DON) assessment tool shall be eligible
12 to receive institutional and home and community-based long term
13 care services until such time that the State receives federal
14 approval and implements an updated assessment tool. The
15 Department must promulgate rules regarding the updated
16 assessment tool, but shall not promulgate emergency rules
17 regarding the updated assessment tool. The State shall not
18 implement an updated assessment tool that causes more than 1%
19 of then-current recipients to lose eligibility. Anyone
20 determined to be ineligible for services due to the updated
21 assessment tool shall continue to be eligible for services for
22 at least one year following that determination and must be
23 reassessed no earlier than 11 months after that determination.

24 The services shall be provided, as established by the
25 Department by rule, to eligible persons to prevent unnecessary
26 or premature institutionalization, to the extent that the cost

1 of the services, together with the other personal maintenance
2 expenses of the persons, are reasonably related to the
3 standards established for care in a group facility appropriate
4 to their condition. These non-institutional services, pilot
5 projects or experimental facilities may be provided as part of
6 or in addition to those authorized by federal law or those
7 funded and administered by the Illinois Department on Aging.
8 The Department shall set rates and fees for services in a fair
9 and equitable manner. Services identical to those offered by
10 the Department on Aging shall be paid at the same rate.

11 Personal assistants shall be paid at a rate negotiated
12 between the State and an exclusive representative of personal
13 assistants under a collective bargaining agreement. In no case
14 shall the Department pay personal assistants an hourly wage
15 that is less than the federal minimum wage.

16 Solely for the purposes of coverage under the Illinois
17 Public Labor Relations Act (5 ILCS 315/), personal assistants
18 providing services under the Department's Home Services
19 Program shall be considered to be public employees and the
20 State of Illinois shall be considered to be their employer as
21 of the effective date of this amendatory Act of the 93rd
22 General Assembly, but not before. Solely for the purposes of
23 coverage under the Illinois Public Labor Relations Act, home
24 care and home health workers who function as personal
25 assistants and individual maintenance home health workers and
26 who also provide services under the Department's Home Services

1 Program shall be considered to be public employees, no matter
2 whether the State provides such services through direct
3 fee-for-service arrangements, with the assistance of a managed
4 care organization or other intermediary, or otherwise, and the
5 State of Illinois shall be considered to be the employer of
6 those persons as of January 29, 2013 (the effective date of
7 Public Act 97-1158), but not before except as otherwise
8 provided under this subsection (f). The State shall engage in
9 collective bargaining with an exclusive representative of home
10 care and home health workers who function as personal
11 assistants and individual maintenance home health workers
12 working under the Home Services Program concerning their terms
13 and conditions of employment that are within the State's
14 control. Nothing in this paragraph shall be understood to limit
15 the right of the persons receiving services defined in this
16 Section to hire and fire home care and home health workers who
17 function as personal assistants and individual maintenance
18 home health workers working under the Home Services Program or
19 to supervise them within the limitations set by the Home
20 Services Program. The State shall not be considered to be the
21 employer of home care and home health workers who function as
22 personal assistants and individual maintenance home health
23 workers working under the Home Services Program for any
24 purposes not specifically provided in Public Act 93-204 or
25 Public Act 97-1158, including but not limited to, purposes of
26 vicarious liability in tort and purposes of statutory

1 retirement or health insurance benefits. Home care and home
2 health workers who function as personal assistants and
3 individual maintenance home health workers and who also provide
4 services under the Department's Home Services Program shall not
5 be covered by the State Employees Group Insurance Act of 1971
6 (5 ILCS 375/).

7 The Department shall execute, relative to nursing home
8 prescreening, as authorized by Section 4.03 of the Illinois Act
9 on the Aging, written inter-agency agreements with the
10 Department on Aging and the Department of Healthcare and Family
11 Services, to effect the intake procedures and eligibility
12 criteria for those persons who may need long term care. On and
13 after July 1, 1996, all nursing home prescreenings for
14 individuals 18 through 59 years of age shall be conducted by
15 the Department, or a designee of the Department.

16 The Department is authorized to establish a system of
17 recipient cost-sharing for services provided under this
18 Section. The cost-sharing shall be based upon the recipient's
19 ability to pay for services, but in no case shall the
20 recipient's share exceed the actual cost of the services
21 provided. Protected income shall not be considered by the
22 Department in its determination of the recipient's ability to
23 pay a share of the cost of services. The level of cost-sharing
24 shall be adjusted each year to reflect changes in the
25 "protected income" level. The Department shall deduct from the
26 recipient's share of the cost of services any money expended by

1 the recipient for disability-related expenses.

2 To the extent permitted under the federal Social Security
3 Act, the Department, or the Department's authorized
4 representative, may recover the amount of moneys expended for
5 services provided to or in behalf of a person under this
6 Section by a claim against the person's estate or against the
7 estate of the person's surviving spouse, but no recovery may be
8 had until after the death of the surviving spouse, if any, and
9 then only at such time when there is no surviving child who is
10 under age 21, blind, or permanently and totally disabled. This
11 paragraph, however, shall not bar recovery, at the death of the
12 person, of moneys for services provided to the person or in
13 behalf of the person under this Section to which the person was
14 not entitled; provided that such recovery shall not be enforced
15 against any real estate while it is occupied as a homestead by
16 the surviving spouse or other dependent, if no claims by other
17 creditors have been filed against the estate, or, if such
18 claims have been filed, they remain dormant for failure of
19 prosecution or failure of the claimant to compel administration
20 of the estate for the purpose of payment. This paragraph shall
21 not bar recovery from the estate of a spouse, under Sections
22 1915 and 1924 of the Social Security Act and Section 5-4 of the
23 Illinois Public Aid Code, who precedes a person receiving
24 services under this Section in death. All moneys for services
25 paid to or in behalf of the person under this Section shall be
26 claimed for recovery from the deceased spouse's estate.

1 "Homestead", as used in this paragraph, means the dwelling
2 house and contiguous real estate occupied by a surviving spouse
3 or relative, as defined by the rules and regulations of the
4 Department of Healthcare and Family Services, regardless of the
5 value of the property.

6 The Department shall submit an annual report on programs
7 and services provided under this Section. The report shall be
8 filed with the Governor and the General Assembly on or before
9 March 30 each year.

10 The requirement for reporting to the General Assembly shall
11 be satisfied by filing copies of the report with the Speaker,
12 the Minority Leader and the Clerk of the House of
13 Representatives and the President, the Minority Leader and the
14 Secretary of the Senate and the Legislative Research Unit, as
15 required by Section 3.1 of the General Assembly Organization
16 Act, and filing additional copies with the State Government
17 Report Distribution Center for the General Assembly as required
18 under paragraph (t) of Section 7 of the State Library Act.

19 (g) To establish such subdivisions of the Department as
20 shall be desirable and assign to the various subdivisions the
21 responsibilities and duties placed upon the Department by law.

22 (h) To cooperate and enter into any necessary agreements
23 with the Department of Employment Security for the provision of
24 job placement and job referral services to clients of the
25 Department, including job service registration of such clients
26 with Illinois Employment Security offices and making job

1 listings maintained by the Department of Employment Security
2 available to such clients.

3 (i) To possess all powers reasonable and necessary for the
4 exercise and administration of the powers, duties and
5 responsibilities of the Department which are provided for by
6 law.

7 (j) (Blank).

8 (k) (Blank).

9 (l) To establish, operate and maintain a Statewide Housing
10 Clearinghouse of information on available, government
11 subsidized housing accessible to disabled persons and
12 available privately owned housing accessible to disabled
13 persons. The information shall include but not be limited to
14 the location, rental requirements, access features and
15 proximity to public transportation of available housing. The
16 Clearinghouse shall consist of at least a computerized database
17 for the storage and retrieval of information and a separate or
18 shared toll free telephone number for use by those seeking
19 information from the Clearinghouse. Department offices and
20 personnel throughout the State shall also assist in the
21 operation of the Statewide Housing Clearinghouse. Cooperation
22 with local, State and federal housing managers shall be sought
23 and extended in order to frequently and promptly update the
24 Clearinghouse's information.

25 (m) To assure that the names and case records of persons
26 who received or are receiving services from the Department,

1 including persons receiving vocational rehabilitation, home
2 services, or other services, and those attending one of the
3 Department's schools or other supervised facility shall be
4 confidential and not be open to the general public. Those case
5 records and reports or the information contained in those
6 records and reports shall be disclosed by the Director only to
7 proper law enforcement officials, individuals authorized by a
8 court, the General Assembly or any committee or commission of
9 the General Assembly, and other persons and for reasons as the
10 Director designates by rule. Disclosure by the Director may be
11 only in accordance with other applicable law.

14 Section 13. The Nursing Home Care Act is amended by
15 changing Section 3-402 as follows:

16 (210 ILCS 45/3-402) (from Ch. 111 1/2, par. 4153-402)

17 Sec. 3-402. Involuntary transfer or discharge.

18 Involuntary transfer or discharge of a resident from a
19 facility shall be preceded by the discussion required under
20 Section 3-408 and by a minimum written notice of 21 days,
21 except in one of the following instances:

22 (a) When an emergency transfer or discharge is ordered
23 by the resident's attending physician because of the
24 resident's health care needs.

1 (b) When the transfer or discharge is mandated by the
2 physical safety of other residents, the facility staff, or
3 facility visitors, as documented in the clinical record.
4 The Department shall be notified prior to any such
5 involuntary transfer or discharge. The Department shall
6 immediately offer transfer, or discharge and relocation
7 assistance to residents transferred or discharged under
8 this subparagraph (b), and the Department may place
9 relocation teams as provided in Section 3-419 of this Act.

10 (c) When an identified offender is within the
11 provisional admission period defined in Section 1-120.3.
12 If the Identified Offender Report and Recommendation
13 prepared under Section 2-201.6 shows that the identified
14 offender poses a serious threat or danger to the physical
15 safety of other residents, the facility staff, or facility
16 visitors in the admitting facility and the facility
17 determines that it is unable to provide a safe environment
18 for the other residents, the facility staff, or facility
19 visitors, the facility shall transfer or discharge the
20 identified offender within 3 days after its receipt of the
21 Identified Offender Report and Recommendation.

22 No individual receiving care in an institutional setting
23 shall be involuntarily discharged as the result of the updated
24 determination of need (DON) assessment tool as provided in
25 Section 5-5 of the Illinois Public Aid Code until a transition
26 plan has been developed by the Department on Aging or its

1 designee and all care identified in the transition plan is
2 available to the resident immediately upon discharge.

4 Section 15. The Illinois Public Aid Code is amended by
5 changing Sections 5-5 and 5-5.01a as follows:

6 (305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

7 Sec. 5-5. Medical services. The Illinois Department, by
8 rule, shall determine the quantity and quality of and the rate
9 of reimbursement for the medical assistance for which payment
10 will be authorized, and the medical services to be provided,
11 which may include all or part of the following: (1) inpatient
12 hospital services; (2) outpatient hospital services; (3) other
13 laboratory and X-ray services; (4) skilled nursing home
14 services; (5) physicians' services whether furnished in the
15 office, the patient's home, a hospital, a skilled nursing home,
16 or elsewhere; (6) medical care, or any other type of remedial
17 care furnished by licensed practitioners; (7) home health care
18 services; (8) private duty nursing service; (9) clinic
19 services; (10) dental services, including prevention and
20 treatment of periodontal disease and dental caries disease for
21 pregnant women, provided by an individual licensed to practice
22 dentistry or dental surgery; for purposes of this item (10),
23 "dental services" means diagnostic, preventive, or corrective
24 procedures provided by or under the supervision of a dentist in

1 the practice of his or her profession; (11) physical therapy
2 and related services; (12) prescribed drugs, dentures, and
3 prosthetic devices; and eyeglasses prescribed by a physician
4 skilled in the diseases of the eye, or by an optometrist,
5 whichever the person may select; (13) other diagnostic,
6 screening, preventive, and rehabilitative services, including
7 to ensure that the individual's need for intervention or
8 treatment of mental disorders or substance use disorders or
9 co-occurring mental health and substance use disorders is
10 determined using a uniform screening, assessment, and
11 evaluation process inclusive of criteria, for children and
12 adults; for purposes of this item (13), a uniform screening,
13 assessment, and evaluation process refers to a process that
14 includes an appropriate evaluation and, as warranted, a
15 referral; "uniform" does not mean the use of a singular
16 instrument, tool, or process that all must utilize; (14)
17 transportation and such other expenses as may be necessary;
18 (15) medical treatment of sexual assault survivors, as defined
19 in Section 1a of the Sexual Assault Survivors Emergency
20 Treatment Act, for injuries sustained as a result of the sexual
21 assault, including examinations and laboratory tests to
22 discover evidence which may be used in criminal proceedings
23 arising from the sexual assault; (16) the diagnosis and
24 treatment of sickle cell anemia; and (17) any other medical
25 care, and any other type of remedial care recognized under the
26 laws of this State, but not including abortions, or induced

1 miscarriages or premature births, unless, in the opinion of a
2 physician, such procedures are necessary for the preservation
3 of the life of the woman seeking such treatment, or except an
4 induced premature birth intended to produce a live viable child
5 and such procedure is necessary for the health of the mother or
6 her unborn child. The Illinois Department, by rule, shall
7 prohibit any physician from providing medical assistance to
8 anyone eligible therefor under this Code where such physician
9 has been found guilty of performing an abortion procedure in a
10 wilful and wanton manner upon a woman who was not pregnant at
11 the time such abortion procedure was performed. The term "any
12 other type of remedial care" shall include nursing care and
13 nursing home service for persons who rely on treatment by
14 spiritual means alone through prayer for healing.

15 Notwithstanding any other provision of this Section, a
16 comprehensive tobacco use cessation program that includes
17 purchasing prescription drugs or prescription medical devices
18 approved by the Food and Drug Administration shall be covered
19 under the medical assistance program under this Article for
20 persons who are otherwise eligible for assistance under this
21 Article.

22 Notwithstanding any other provision of this Code, the
23 Illinois Department may not require, as a condition of payment
24 for any laboratory test authorized under this Article, that a
25 physician's handwritten signature appear on the laboratory
26 test order form. The Illinois Department may, however, impose

1 other appropriate requirements regarding laboratory test order
2 documentation.

3 Upon receipt of federal approval of an amendment to the
4 Illinois Title XIX State Plan for this purpose, the Department
5 shall authorize the Chicago Public Schools (CPS) to procure a
6 vendor or vendors to manufacture eyeglasses for individuals
7 enrolled in a school within the CPS system. CPS shall ensure
8 that its vendor or vendors are enrolled as providers in the
9 medical assistance program and in any capitated Medicaid
10 managed care entity (MCE) serving individuals enrolled in a
11 school within the CPS system. Under any contract procured under
12 this provision, the vendor or vendors must serve only
13 individuals enrolled in a school within the CPS system. Claims
14 for services provided by CPS's vendor or vendors to recipients
15 of benefits in the medical assistance program under this Code,
16 the Children's Health Insurance Program, or the Covering ALL
17 KIDS Health Insurance Program shall be submitted to the
18 Department or the MCE in which the individual is enrolled for
19 payment and shall be reimbursed at the Department's or the
20 MCE's established rates or rate methodologies for eyeglasses.

21 On and after July 1, 2012, the Department of Healthcare and
22 Family Services may provide the following services to persons
23 eligible for assistance under this Article who are
24 participating in education, training or employment programs
25 operated by the Department of Human Services as successor to
26 the Department of Public Aid:

1 (1) dental services provided by or under the
2 supervision of a dentist; and

3 (2) eyeglasses prescribed by a physician skilled in the
4 diseases of the eye, or by an optometrist, whichever the
5 person may select.

6 Notwithstanding any other provision of this Code and
7 subject to federal approval, the Department may adopt rules to
8 allow a dentist who is volunteering his or her service at no
9 cost to render dental services through an enrolled
10 not-for-profit health clinic without the dentist personally
11 enrolling as a participating provider in the medical assistance
12 program. A not-for-profit health clinic shall include a public
13 health clinic or Federally Qualified Health Center or other
14 enrolled provider, as determined by the Department, through
15 which dental services covered under this Section are performed.
16 The Department shall establish a process for payment of claims
17 for reimbursement for covered dental services rendered under
18 this provision.

19 The Illinois Department, by rule, may distinguish and
20 classify the medical services to be provided only in accordance
21 with the classes of persons designated in Section 5-2.

22 The Department of Healthcare and Family Services must
23 provide coverage and reimbursement for amino acid-based
24 elemental formulas, regardless of delivery method, for the
25 diagnosis and treatment of (i) eosinophilic disorders and (ii)
26 short bowel syndrome when the prescribing physician has issued

1 a written order stating that the amino acid-based elemental
2 formula is medically necessary.

3 The Illinois Department shall authorize the provision of,
4 and shall authorize payment for, screening by low-dose
5 mammography for the presence of occult breast cancer for women
6 35 years of age or older who are eligible for medical
7 assistance under this Article, as follows:

8 (A) A baseline mammogram for women 35 to 39 years of
9 age.

10 (B) An annual mammogram for women 40 years of age or
11 older.

12 (C) A mammogram at the age and intervals considered
13 medically necessary by the woman's health care provider for
14 women under 40 years of age and having a family history of
15 breast cancer, prior personal history of breast cancer,
16 positive genetic testing, or other risk factors.

17 (D) A comprehensive ultrasound screening of an entire
18 breast or breasts if a mammogram demonstrates
19 heterogeneous or dense breast tissue, when medically
20 necessary as determined by a physician licensed to practice
21 medicine in all of its branches.

22 All screenings shall include a physical breast exam,
23 instruction on self-examination and information regarding the
24 frequency of self-examination and its value as a preventative
25 tool. For purposes of this Section, "low-dose mammography"
26 means the x-ray examination of the breast using equipment

1 dedicated specifically for mammography, including the x-ray
2 tube, filter, compression device, and image receptor, with an
3 average radiation exposure delivery of less than one rad per
4 breast for 2 views of an average size breast. The term also
5 includes digital mammography.

6 On and after January 1, 2012, providers participating in a
7 quality improvement program approved by the Department shall be
8 reimbursed for screening and diagnostic mammography at the same
9 rate as the Medicare program's rates, including the increased
10 reimbursement for digital mammography.

11 The Department shall convene an expert panel including
12 representatives of hospitals, free-standing mammography
13 facilities, and doctors, including radiologists, to establish
14 quality standards.

15 Subject to federal approval, the Department shall
16 establish a rate methodology for mammography at federally
17 qualified health centers and other encounter-rate clinics.
18 These clinics or centers may also collaborate with other
19 hospital-based mammography facilities.

20 The Department shall establish a methodology to remind
21 women who are age-appropriate for screening mammography, but
22 who have not received a mammogram within the previous 18
23 months, of the importance and benefit of screening mammography.

24 The Department shall establish a performance goal for
25 primary care providers with respect to their female patients
26 over age 40 receiving an annual mammogram. This performance

1 goal shall be used to provide additional reimbursement in the
2 form of a quality performance bonus to primary care providers
3 who meet that goal.

4 The Department shall devise a means of case-managing or
5 patient navigation for beneficiaries diagnosed with breast
6 cancer. This program shall initially operate as a pilot program
7 in areas of the State with the highest incidence of mortality
8 related to breast cancer. At least one pilot program site shall
9 be in the metropolitan Chicago area and at least one site shall
10 be outside the metropolitan Chicago area. An evaluation of the
11 pilot program shall be carried out measuring health outcomes
12 and cost of care for those served by the pilot program compared
13 to similarly situated patients who are not served by the pilot
14 program.

15 Any medical or health care provider shall immediately
16 recommend, to any pregnant woman who is being provided prenatal
17 services and is suspected of drug abuse or is addicted as
18 defined in the Alcoholism and Other Drug Abuse and Dependency
19 Act, referral to a local substance abuse treatment provider
20 licensed by the Department of Human Services or to a licensed
21 hospital which provides substance abuse treatment services.
22 The Department of Healthcare and Family Services shall assure
23 coverage for the cost of treatment of the drug abuse or
24 addiction for pregnant recipients in accordance with the
25 Illinois Medicaid Program in conjunction with the Department of
26 Human Services.

1 All medical providers providing medical assistance to
2 pregnant women under this Code shall receive information from
3 the Department on the availability of services under the Drug
4 Free Families with a Future or any comparable program providing
5 case management services for addicted women, including
6 information on appropriate referrals for other social services
7 that may be needed by addicted women in addition to treatment
8 for addiction.

9 The Illinois Department, in cooperation with the
10 Departments of Human Services (as successor to the Department
11 of Alcoholism and Substance Abuse) and Public Health, through a
12 public awareness campaign, may provide information concerning
13 treatment for alcoholism and drug abuse and addiction, prenatal
14 health care, and other pertinent programs directed at reducing
15 the number of drug-affected infants born to recipients of
16 medical assistance.

17 Neither the Department of Healthcare and Family Services
18 nor the Department of Human Services shall sanction the
19 recipient solely on the basis of her substance abuse.

20 The Illinois Department shall establish such regulations
21 governing the dispensing of health services under this Article
22 as it shall deem appropriate. The Department should seek the
23 advice of formal professional advisory committees appointed by
24 the Director of the Illinois Department for the purpose of
25 providing regular advice on policy and administrative matters,
26 information dissemination and educational activities for

1 medical and health care providers, and consistency in
2 procedures to the Illinois Department.

3 The Illinois Department may develop and contract with
4 Partnerships of medical providers to arrange medical services
5 for persons eligible under Section 5-2 of this Code.
6 Implementation of this Section may be by demonstration projects
7 in certain geographic areas. The Partnership shall be
8 represented by a sponsor organization. The Department, by rule,
9 shall develop qualifications for sponsors of Partnerships.
10 Nothing in this Section shall be construed to require that the
11 sponsor organization be a medical organization.

12 The sponsor must negotiate formal written contracts with
13 medical providers for physician services, inpatient and
14 outpatient hospital care, home health services, treatment for
15 alcoholism and substance abuse, and other services determined
16 necessary by the Illinois Department by rule for delivery by
17 Partnerships. Physician services must include prenatal and
18 obstetrical care. The Illinois Department shall reimburse
19 medical services delivered by Partnership providers to clients
20 in target areas according to provisions of this Article and the
21 Illinois Health Finance Reform Act, except that:

22 (1) Physicians participating in a Partnership and
23 providing certain services, which shall be determined by
24 the Illinois Department, to persons in areas covered by the
25 Partnership may receive an additional surcharge for such
26 services.

1 (2) The Department may elect to consider and negotiate
2 financial incentives to encourage the development of
3 Partnerships and the efficient delivery of medical care.

4 (3) Persons receiving medical services through
5 Partnerships may receive medical and case management
6 services above the level usually offered through the
7 medical assistance program.

8 Medical providers shall be required to meet certain
9 qualifications to participate in Partnerships to ensure the
10 delivery of high quality medical services. These
11 qualifications shall be determined by rule of the Illinois
12 Department and may be higher than qualifications for
13 participation in the medical assistance program. Partnership
14 sponsors may prescribe reasonable additional qualifications
15 for participation by medical providers, only with the prior
16 written approval of the Illinois Department.

17 Nothing in this Section shall limit the free choice of
18 practitioners, hospitals, and other providers of medical
19 services by clients. In order to ensure patient freedom of
20 choice, the Illinois Department shall immediately promulgate
21 all rules and take all other necessary actions so that provided
22 services may be accessed from therapeutically certified
23 optometrists to the full extent of the Illinois Optometric
24 Practice Act of 1987 without discriminating between service
25 providers.

26 The Department shall apply for a waiver from the United

1 States Health Care Financing Administration to allow for the
2 implementation of Partnerships under this Section.

3 The Illinois Department shall require health care
4 providers to maintain records that document the medical care
5 and services provided to recipients of Medical Assistance under
6 this Article. Such records must be retained for a period of not
7 less than 6 years from the date of service or as provided by
8 applicable State law, whichever period is longer, except that
9 if an audit is initiated within the required retention period
10 then the records must be retained until the audit is completed
11 and every exception is resolved. The Illinois Department shall
12 require health care providers to make available, when
13 authorized by the patient, in writing, the medical records in a
14 timely fashion to other health care providers who are treating
15 or serving persons eligible for Medical Assistance under this
16 Article. All dispensers of medical services shall be required
17 to maintain and retain business and professional records
18 sufficient to fully and accurately document the nature, scope,
19 details and receipt of the health care provided to persons
20 eligible for medical assistance under this Code, in accordance
21 with regulations promulgated by the Illinois Department. The
22 rules and regulations shall require that proof of the receipt
23 of prescription drugs, dentures, prosthetic devices and
24 eyeglasses by eligible persons under this Section accompany
25 each claim for reimbursement submitted by the dispenser of such
26 medical services. No such claims for reimbursement shall be

1 approved for payment by the Illinois Department without such
2 proof of receipt, unless the Illinois Department shall have put
3 into effect and shall be operating a system of post-payment
4 audit and review which shall, on a sampling basis, be deemed
5 adequate by the Illinois Department to assure that such drugs,
6 dentures, prosthetic devices and eyeglasses for which payment
7 is being made are actually being received by eligible
8 recipients. Within 90 days after the effective date of this
9 amendatory Act of 1984, the Illinois Department shall establish
10 a current list of acquisition costs for all prosthetic devices
11 and any other items recognized as medical equipment and
12 supplies reimbursable under this Article and shall update such
13 list on a quarterly basis, except that the acquisition costs of
14 all prescription drugs shall be updated no less frequently than
15 every 30 days as required by Section 5-5.12.

16 The rules and regulations of the Illinois Department shall
17 require that a written statement including the required opinion
18 of a physician shall accompany any claim for reimbursement for
19 abortions, or induced miscarriages or premature births. This
20 statement shall indicate what procedures were used in providing
21 such medical services.

22 Notwithstanding any other law to the contrary, the Illinois
23 Department shall, within 365 days after July 22, 2013~~7~~ (the
24 effective date of Public Act 98-104), establish procedures to
25 permit skilled care facilities licensed under the Nursing Home
26 Care Act to submit monthly billing claims for reimbursement

1 purposes. Following development of these procedures, the
2 Department shall have an additional 365 days to test the
3 viability of the new system and to ensure that any necessary
4 operational or structural changes to its information
5 technology platforms are implemented.

6 Notwithstanding any other law to the contrary, the Illinois
7 Department shall, within 365 days after August 15, 2014 (the
8 effective date of Public Act 98-963) ~~this amendatory Act of the~~
9 ~~98th General Assembly~~, establish procedures to permit ID/DD
10 facilities licensed under the ID/DD Community Care Act to
11 submit monthly billing claims for reimbursement purposes.
12 Following development of these procedures, the Department
13 shall have an additional 365 days to test the viability of the
14 new system and to ensure that any necessary operational or
15 structural changes to its information technology platforms are
16 implemented.

17 The Illinois Department shall require all dispensers of
18 medical services, other than an individual practitioner or
19 group of practitioners, desiring to participate in the Medical
20 Assistance program established under this Article to disclose
21 all financial, beneficial, ownership, equity, surety or other
22 interests in any and all firms, corporations, partnerships,
23 associations, business enterprises, joint ventures, agencies,
24 institutions or other legal entities providing any form of
25 health care services in this State under this Article.

26 The Illinois Department may require that all dispensers of

1 medical services desiring to participate in the medical
2 assistance program established under this Article disclose,
3 under such terms and conditions as the Illinois Department may
4 by rule establish, all inquiries from clients and attorneys
5 regarding medical bills paid by the Illinois Department, which
6 inquiries could indicate potential existence of claims or liens
7 for the Illinois Department.

8 Enrollment of a vendor shall be subject to a provisional
9 period and shall be conditional for one year. During the period
10 of conditional enrollment, the Department may terminate the
11 vendor's eligibility to participate in, or may disenroll the
12 vendor from, the medical assistance program without cause.
13 Unless otherwise specified, such termination of eligibility or
14 disenrollment is not subject to the Department's hearing
15 process. However, a disenrolled vendor may reapply without
16 penalty.

17 The Department has the discretion to limit the conditional
18 enrollment period for vendors based upon category of risk of
19 the vendor.

20 Prior to enrollment and during the conditional enrollment
21 period in the medical assistance program, all vendors shall be
22 subject to enhanced oversight, screening, and review based on
23 the risk of fraud, waste, and abuse that is posed by the
24 category of risk of the vendor. The Illinois Department shall
25 establish the procedures for oversight, screening, and review,
26 which may include, but need not be limited to: criminal and

1 financial background checks; fingerprinting; license,
2 certification, and authorization verifications; unscheduled or
3 unannounced site visits; database checks; prepayment audit
4 reviews; audits; payment caps; payment suspensions; and other
5 screening as required by federal or State law.

6 The Department shall define or specify the following: (i)
7 by provider notice, the "category of risk of the vendor" for
8 each type of vendor, which shall take into account the level of
9 screening applicable to a particular category of vendor under
10 federal law and regulations; (ii) by rule or provider notice,
11 the maximum length of the conditional enrollment period for
12 each category of risk of the vendor; and (iii) by rule, the
13 hearing rights, if any, afforded to a vendor in each category
14 of risk of the vendor that is terminated or disenrolled during
15 the conditional enrollment period.

16 To be eligible for payment consideration, a vendor's
17 payment claim or bill, either as an initial claim or as a
18 resubmitted claim following prior rejection, must be received
19 by the Illinois Department, or its fiscal intermediary, no
20 later than 180 days after the latest date on the claim on which
21 medical goods or services were provided, with the following
22 exceptions:

23 (1) In the case of a provider whose enrollment is in
24 process by the Illinois Department, the 180-day period
25 shall not begin until the date on the written notice from
26 the Illinois Department that the provider enrollment is

1 complete.

2 (2) In the case of errors attributable to the Illinois
3 Department or any of its claims processing intermediaries
4 which result in an inability to receive, process, or
5 adjudicate a claim, the 180-day period shall not begin
6 until the provider has been notified of the error.

7 (3) In the case of a provider for whom the Illinois
8 Department initiates the monthly billing process.

9 (4) In the case of a provider operated by a unit of
10 local government with a population exceeding 3,000,000
11 when local government funds finance federal participation
12 for claims payments.

13 For claims for services rendered during a period for which
14 a recipient received retroactive eligibility, claims must be
15 filed within 180 days after the Department determines the
16 applicant is eligible. For claims for which the Illinois
17 Department is not the primary payer, claims must be submitted
18 to the Illinois Department within 180 days after the final
19 adjudication by the primary payer.

20 In the case of long term care facilities, within 5 days of
21 receipt by the facility of required prescreening information,
22 data for new admissions shall be entered into the Medical
23 Electronic Data Interchange (MEDI) or the Recipient
24 Eligibility Verification (REV) System or successor system, and
25 within 15 days of receipt by the facility of required
26 prescreening information, admission documents shall be

1 submitted through MEDI or REV or shall be submitted directly to
2 the Department of Human Services using required admission
3 forms. Effective September 1, 2014, admission documents,
4 including all prescreening information, must be submitted
5 through MEDI or REV. Confirmation numbers assigned to an
6 accepted transaction shall be retained by a facility to verify
7 timely submittal. Once an admission transaction has been
8 completed, all resubmitted claims following prior rejection
9 are subject to receipt no later than 180 days after the
10 admission transaction has been completed.

11 Claims that are not submitted and received in compliance
12 with the foregoing requirements shall not be eligible for
13 payment under the medical assistance program, and the State
14 shall have no liability for payment of those claims.

15 To the extent consistent with applicable information and
16 privacy, security, and disclosure laws, State and federal
17 agencies and departments shall provide the Illinois Department
18 access to confidential and other information and data necessary
19 to perform eligibility and payment verifications and other
20 Illinois Department functions. This includes, but is not
21 limited to: information pertaining to licensure;
22 certification; earnings; immigration status; citizenship; wage
23 reporting; unearned and earned income; pension income;
24 employment; supplemental security income; social security
25 numbers; National Provider Identifier (NPI) numbers; the
26 National Practitioner Data Bank (NPDB); program and agency

1 exclusions; taxpayer identification numbers; tax delinquency;
2 corporate information; and death records.

3 The Illinois Department shall enter into agreements with
4 State agencies and departments, and is authorized to enter into
5 agreements with federal agencies and departments, under which
6 such agencies and departments shall share data necessary for
7 medical assistance program integrity functions and oversight.
8 The Illinois Department shall develop, in cooperation with
9 other State departments and agencies, and in compliance with
10 applicable federal laws and regulations, appropriate and
11 effective methods to share such data. At a minimum, and to the
12 extent necessary to provide data sharing, the Illinois
13 Department shall enter into agreements with State agencies and
14 departments, and is authorized to enter into agreements with
15 federal agencies and departments, including but not limited to:
16 the Secretary of State; the Department of Revenue; the
17 Department of Public Health; the Department of Human Services;
18 and the Department of Financial and Professional Regulation.

19 Beginning in fiscal year 2013, the Illinois Department
20 shall set forth a request for information to identify the
21 benefits of a pre-payment, post-adjudication, and post-edit
22 claims system with the goals of streamlining claims processing
23 and provider reimbursement, reducing the number of pending or
24 rejected claims, and helping to ensure a more transparent
25 adjudication process through the utilization of: (i) provider
26 data verification and provider screening technology; and (ii)

1 clinical code editing; and (iii) pre-pay, pre- or
2 post-adjudicated predictive modeling with an integrated case
3 management system with link analysis. Such a request for
4 information shall not be considered as a request for proposal
5 or as an obligation on the part of the Illinois Department to
6 take any action or acquire any products or services.

7 The Illinois Department shall establish policies,
8 procedures, standards and criteria by rule for the acquisition,
9 repair and replacement of orthotic and prosthetic devices and
10 durable medical equipment. Such rules shall provide, but not be
11 limited to, the following services: (1) immediate repair or
12 replacement of such devices by recipients; and (2) rental,
13 lease, purchase or lease-purchase of durable medical equipment
14 in a cost-effective manner, taking into consideration the
15 recipient's medical prognosis, the extent of the recipient's
16 needs, and the requirements and costs for maintaining such
17 equipment. Subject to prior approval, such rules shall enable a
18 recipient to temporarily acquire and use alternative or
19 substitute devices or equipment pending repairs or
20 replacements of any device or equipment previously authorized
21 for such recipient by the Department.

22 The Department shall execute, relative to the nursing home
23 prescreening project, written inter-agency agreements with the
24 Department of Human Services and the Department on Aging, to
25 effect the following: (i) intake procedures and common
26 eligibility criteria for those persons who are receiving

1 non-institutional services; and (ii) the establishment and
2 development of non-institutional services in areas of the State
3 where they are not currently available or are undeveloped; and
4 (iii) ~~(iii) notwithstanding any other provision of law, subject~~
5 ~~to federal approval, on and after July 1, 2012, an increase in~~
6 ~~the determination of need (DON) scores from 29 to 37 for~~
7 ~~applicants for institutional and home and community based long~~
8 ~~term care; if and only if federal approval is not granted, the~~
9 ~~Department may, in conjunction with other affected agencies,~~
10 ~~implement utilization controls or changes in benefit packages~~
11 ~~to effectuate a similar savings amount for this population; and~~
12 ~~(iv)~~ no later than July 1, 2013, minimum level of care
13 eligibility criteria for institutional and home and
14 community-based long term care; and (iv) ~~(v)~~ no later than
15 October 1, 2013, establish procedures to permit long term care
16 providers access to eligibility scores for individuals with an
17 admission date who are seeking or receiving services from the
18 long term care provider. In order to select the minimum level
19 of care eligibility criteria, the Governor shall establish a
20 workgroup that includes affected agency representatives and
21 stakeholders representing the institutional and home and
22 community-based long term care interests. This Section shall
23 not restrict the Department from implementing lower level of
24 care eligibility criteria for community-based services in
25 circumstances where federal approval has been granted.
26 Individuals with a score of 29 or higher based on the

1 determination of need (DON) assessment tool shall be eligible
2 to receive institutional and home and community-based long term
3 care services until such time that the State receives federal
4 approval and implements an updated assessment tool. The
5 Department must promulgate rules regarding the updated
6 assessment tool, but shall not promulgate emergency rules
7 regarding the updated assessment tool. The State shall not
8 implement an updated assessment tool that causes more than 1%
9 of then-current recipients to lose eligibility. Anyone
10 determined to be ineligible for services due to the updated
11 assessment tool shall continue to be eligible for services for
12 at least one year following that determination and must be
13 reassessed no earlier than 11 months after that determination.
14 No individual receiving care in an institutional setting shall
15 be involuntarily discharged as the result of the updated
16 assessment tool until a transition plan has been developed by
17 the Department on Aging or its designee and all care identified
18 in the transition plan is available to the resident immediately
19 upon discharge.

20 The Illinois Department shall develop and operate, in
21 cooperation with other State Departments and agencies and in
22 compliance with applicable federal laws and regulations,
23 appropriate and effective systems of health care evaluation and
24 programs for monitoring of utilization of health care services
25 and facilities, as it affects persons eligible for medical
26 assistance under this Code.

1 The Illinois Department shall report annually to the
2 General Assembly, no later than the second Friday in April of
3 1979 and each year thereafter, in regard to:

4 (a) actual statistics and trends in utilization of
5 medical services by public aid recipients;

6 (b) actual statistics and trends in the provision of
7 the various medical services by medical vendors;

8 (c) current rate structures and proposed changes in
9 those rate structures for the various medical vendors; and

10 (d) efforts at utilization review and control by the
11 Illinois Department.

12 The period covered by each report shall be the 3 years
13 ending on the June 30 prior to the report. The report shall
14 include suggested legislation for consideration by the General
15 Assembly. The filing of one copy of the report with the
16 Speaker, one copy with the Minority Leader and one copy with
17 the Clerk of the House of Representatives, one copy with the
18 President, one copy with the Minority Leader and one copy with
19 the Secretary of the Senate, one copy with the Legislative
20 Research Unit, and such additional copies with the State
21 Government Report Distribution Center for the General Assembly
22 as is required under paragraph (t) of Section 7 of the State
23 Library Act shall be deemed sufficient to comply with this
24 Section.

25 Rulemaking authority to implement Public Act 95-1045, if
26 any, is conditioned on the rules being adopted in accordance

1 with all provisions of the Illinois Administrative Procedure
2 Act and all rules and procedures of the Joint Committee on
3 Administrative Rules; any purported rule not so adopted, for
4 whatever reason, is unauthorized.

5 On and after July 1, 2012, the Department shall reduce any
6 rate of reimbursement for services or other payments or alter
7 any methodologies authorized by this Code to reduce any rate of
8 reimbursement for services or other payments in accordance with
9 Section 5-5e.

10 Because kidney transplantation can be an appropriate, cost
11 effective alternative to renal dialysis when medically
12 necessary and notwithstanding the provisions of Section 1-11 of
13 this Code, beginning October 1, 2014, the Department shall
14 cover kidney transplantation for noncitizens with end-stage
15 renal disease who are not eligible for comprehensive medical
16 benefits, who meet the residency requirements of Section 5-3 of
17 this Code, and who would otherwise meet the financial
18 requirements of the appropriate class of eligible persons under
19 Section 5-2 of this Code. To qualify for coverage of kidney
20 transplantation, such person must be receiving emergency renal
21 dialysis services covered by the Department. Providers under
22 this Section shall be prior approved and certified by the
23 Department to perform kidney transplantation and the services
24 under this Section shall be limited to services associated with
25 kidney transplantation.

6 (305 ILCS 5/5-5.01a)

7 Sec. 5-5.01a. Supportive living facilities program. The
8 Department shall establish and provide oversight for a program
9 of supportive living facilities that seek to promote resident
10 independence, dignity, respect, and well-being in the most
11 cost-effective manner.

12 A supportive living facility is either a free-standing
13 facility or a distinct physical and operational entity within a
14 nursing facility. A supportive living facility integrates
15 housing with health, personal care, and supportive services and
16 is a designated setting that offers residents their own
17 separate, private, and distinct living units.

18 Sites for the operation of the program shall be selected by
19 the Department based upon criteria that may include the need
20 for services in a geographic area, the availability of funding,
21 and the site's ability to meet the standards.

22 Beginning July 1, 2014, subject to federal approval, the
23 Medicaid rates for supportive living facilities shall be equal
24 to the supportive living facility Medicaid rate effective on
25 June 30, 2014 increased by 8.85%. Once the assessment imposed

1 at Article V-G of this Code is determined to be a permissible
2 tax under Title XIX of the Social Security Act, the Department
3 shall increase the Medicaid rates for supportive living
4 facilities effective on July 1, 2014 by 9.09%. The Department
5 shall apply this increase retroactively to coincide with the
6 imposition of the assessment in Article V-G of this Code in
7 accordance with the approval for federal financial
8 participation by the Centers for Medicare and Medicaid
9 Services.

10 The Department may adopt rules to implement this Section.
11 Rules that establish or modify the services, standards, and
12 conditions for participation in the program shall be adopted by
13 the Department in consultation with the Department on Aging,
14 the Department of Rehabilitation Services, and the Department
15 of Mental Health and Developmental Disabilities (or their
16 successor agencies).

17 Facilities or distinct parts of facilities which are
18 selected as supportive living facilities and are in good
19 standing with the Department's rules are exempt from the
20 provisions of the Nursing Home Care Act and the Illinois Health
21 Facilities Planning Act.

22 Individuals with a score of 29 or higher based on the
23 determination of need (DON) assessment tool shall be eligible
24 to receive institutional and home and community-based long term
25 care services until such time that the State receives federal
26 approval and implements an updated assessment tool. The

1 Department must promulgate rules regarding the updated
2 assessment tool, but shall not promulgate emergency rules
3 regarding the updated assessment tool. The State shall not
4 implement an updated assessment tool that causes more than 1%
5 of then-current recipients to lose eligibility. Anyone
6 determined to be ineligible for services due to the updated
7 assessment tool shall continue to be eligible for services for
8 at least one year following that determination and must be
9 reassessed no earlier than 11 months after that determination.
