

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Counties Code is amended by changing Section
5 6-1001 as follows:

6 (55 ILCS 5/6-1001) (from Ch. 34, par. 6-1001)

7 Sec. 6-1001. Annual budget. In all counties not required by
8 law to pass an annual appropriation bill within the first
9 quarter of the fiscal year, the county board or board of county
10 commissioners, as the case may be, shall adopt each year an
11 annual budget under the terms of this Division for the
12 succeeding fiscal year. Such budget shall be prepared by some
13 person or persons designated by the county board and such
14 budget shall be made conveniently available to public
15 inspection and provided to the public at a public meeting for
16 at least fifteen days prior to final action thereon except that
17 nothing in this Act shall restrict a county board or board of
18 county commissioners from acting at a public meeting to amend a
19 budget after making that budget available to the public and
20 prior to final adoption. Notices pertaining to the meeting and
21 the proposed budget shall be posted on the county's website, if
22 it maintains one. If a county does not maintain a website, then
23 the county shall comply with the Open Meetings Act in giving

1 notice of such agenda items and make the proposed budget
2 available for public inspection. The vote on such budget shall
3 be taken by ayes and nays and entered on the record of the
4 meeting. The annual budget adopted under this Act shall cover
5 such a fiscal period of one year to be determined by the county
6 board of each county except as hereinafter provided and all
7 appropriations made therein shall terminate with the close of
8 said fiscal period except as hereinafter provided, provided,
9 however, that any remaining balances shall be available until
10 30 days after the close of the fiscal year in counties with a
11 population of less than 100,000, and until 90 days after the
12 close of the fiscal year in counties with a population of more
13 than 100,000 but less than 3,000,000 inhabitants, only for the
14 authorization of the payment of obligations incurred prior to
15 the close of said fiscal period. Any county which determines to
16 change its fiscal year may adopt a budget to cover such period
17 greater or less than a year as may be necessary to effect such
18 change and appropriations made therein shall terminate with the
19 close of such period.
