

1 AN ACT concerning public aid.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Act on the Aging is amended by
5 changing Section 4.02 as follows:

6 (20 ILCS 105/4.02) (from Ch. 23, par. 6104.02)

7 Sec. 4.02. Community Care Program. The Department shall
8 establish a program of services to prevent unnecessary
9 institutionalization of persons age 60 and older in need of
10 long term care or who are established as persons who suffer
11 from Alzheimer's disease or a related disorder under the
12 Alzheimer's Disease Assistance Act, thereby enabling them to
13 remain in their own homes or in other living arrangements. Such
14 preventive services, which may be coordinated with other
15 programs for the aged and monitored by area agencies on aging
16 in cooperation with the Department, may include, but are not
17 limited to, any or all of the following:

18 (a) (blank);

19 (b) (blank);

20 (c) home care aide services;

21 (d) personal assistant services;

22 (e) adult day services;

23 (f) home-delivered meals;

- 1 (g) education in self-care;
- 2 (h) personal care services;
- 3 (i) adult day health services;
- 4 (j) habilitation services;
- 5 (k) respite care;
- 6 (k-5) community reintegration services;
- 7 (k-6) flexible senior services;
- 8 (k-7) medication management;
- 9 (k-8) emergency home response;
- 10 (l) other nonmedical social services that may enable
- 11 the person to become self-supporting; or
- 12 (m) clearinghouse for information provided by senior
- 13 citizen home owners who want to rent rooms to or share
- 14 living space with other senior citizens.

15 The Department shall establish eligibility standards for

16 such services. In determining the amount and nature of services

17 for which a person may qualify, consideration shall not be

18 given to the value of cash, property or other assets held in

19 the name of the person's spouse pursuant to a written agreement

20 dividing marital property into equal but separate shares or

21 pursuant to a transfer of the person's interest in a home to

22 his spouse, provided that the spouse's share of the marital

23 property is not made available to the person seeking such

24 services.

25 Beginning January 1, 2008, the Department shall require as

26 a condition of eligibility that all new financially eligible

1 applicants apply for and enroll in medical assistance under
2 Article V of the Illinois Public Aid Code in accordance with
3 rules promulgated by the Department.

4 The Department shall, in conjunction with the Department of
5 Public Aid (now Department of Healthcare and Family Services),
6 seek appropriate amendments under Sections 1915 and 1924 of the
7 Social Security Act. The purpose of the amendments shall be to
8 extend eligibility for home and community based services under
9 Sections 1915 and 1924 of the Social Security Act to persons
10 who transfer to or for the benefit of a spouse those amounts of
11 income and resources allowed under Section 1924 of the Social
12 Security Act. Subject to the approval of such amendments, the
13 Department shall extend the provisions of Section 5-4 of the
14 Illinois Public Aid Code to persons who, but for the provision
15 of home or community-based services, would require the level of
16 care provided in an institution, as is provided for in federal
17 law. Those persons no longer found to be eligible for receiving
18 noninstitutional services due to changes in the eligibility
19 criteria shall be given 45 days notice prior to actual
20 termination. Those persons receiving notice of termination may
21 contact the Department and request the determination be
22 appealed at any time during the 45 day notice period. The
23 target population identified for the purposes of this Section
24 are persons age 60 and older with an identified service need.
25 Priority shall be given to those who are at imminent risk of
26 institutionalization. The services shall be provided to

1 eligible persons age 60 and older to the extent that the cost
2 of the services together with the other personal maintenance
3 expenses of the persons are reasonably related to the standards
4 established for care in a group facility appropriate to the
5 person's condition. These non-institutional services, pilot
6 projects or experimental facilities may be provided as part of
7 or in addition to those authorized by federal law or those
8 funded and administered by the Department of Human Services.
9 The Departments of Human Services, Healthcare and Family
10 Services, Public Health, Veterans' Affairs, and Commerce and
11 Economic Opportunity and other appropriate agencies of State,
12 federal and local governments shall cooperate with the
13 Department on Aging in the establishment and development of the
14 non-institutional services. The Department shall require an
15 annual audit from all personal assistant and home care aide
16 vendors contracting with the Department under this Section. The
17 annual audit shall assure that each audited vendor's procedures
18 are in compliance with Department's financial reporting
19 guidelines requiring an administrative and employee wage and
20 benefits cost split as defined in administrative rules. The
21 audit is a public record under the Freedom of Information Act.
22 The Department shall execute, relative to the nursing home
23 prescreening project, written inter-agency agreements with the
24 Department of Human Services and the Department of Healthcare
25 and Family Services, to effect the following: (1) intake
26 procedures and common eligibility criteria for those persons

1 who are receiving non-institutional services; and (2) the
2 establishment and development of non-institutional services in
3 areas of the State where they are not currently available or
4 are undeveloped. On and after July 1, 1996, all nursing home
5 prescreenings for individuals 60 years of age or older shall be
6 conducted by the Department.

7 As part of the Department on Aging's routine training of
8 case managers and case manager supervisors, the Department may
9 include information on family futures planning for persons who
10 are age 60 or older and who are caregivers of their adult
11 children with developmental disabilities. The content of the
12 training shall be at the Department's discretion.

13 The Department is authorized to establish a system of
14 recipient copayment for services provided under this Section,
15 such copayment to be based upon the recipient's ability to pay
16 but in no case to exceed the actual cost of the services
17 provided. Additionally, any portion of a person's income which
18 is equal to or less than the federal poverty standard shall not
19 be considered by the Department in determining the copayment.
20 The level of such copayment shall be adjusted whenever
21 necessary to reflect any change in the officially designated
22 federal poverty standard.

23 The Department, or the Department's authorized
24 representative, may recover the amount of moneys expended for
25 services provided to or in behalf of a person under this
26 Section by a claim against the person's estate or against the

1 estate of the person's surviving spouse, but no recovery may be
2 had until after the death of the surviving spouse, if any, and
3 then only at such time when there is no surviving child who is
4 under age 21, blind, or permanently and totally disabled. This
5 paragraph, however, shall not bar recovery, at the death of the
6 person, of moneys for services provided to the person or in
7 behalf of the person under this Section to which the person was
8 not entitled; provided that such recovery shall not be enforced
9 against any real estate while it is occupied as a homestead by
10 the surviving spouse or other dependent, if no claims by other
11 creditors have been filed against the estate, or, if such
12 claims have been filed, they remain dormant for failure of
13 prosecution or failure of the claimant to compel administration
14 of the estate for the purpose of payment. This paragraph shall
15 not bar recovery from the estate of a spouse, under Sections
16 1915 and 1924 of the Social Security Act and Section 5-4 of the
17 Illinois Public Aid Code, who precedes a person receiving
18 services under this Section in death. All moneys for services
19 paid to or in behalf of the person under this Section shall be
20 claimed for recovery from the deceased spouse's estate.
21 "Homestead", as used in this paragraph, means the dwelling
22 house and contiguous real estate occupied by a surviving spouse
23 or relative, as defined by the rules and regulations of the
24 Department of Healthcare and Family Services, regardless of the
25 value of the property.

26 The Department shall increase the effectiveness of the

1 existing Community Care Program by:

2 (1) ensuring that in-home services included in the care
3 plan are available on evenings and weekends;

4 (2) ensuring that care plans contain the services that
5 eligible participants need based on the number of days in a
6 month, not limited to specific blocks of time, as
7 identified by the comprehensive assessment tool selected
8 by the Department for use statewide, not to exceed the
9 total monthly service cost maximum allowed for each
10 service; the Department shall develop administrative rules
11 to implement this item (2);

12 (3) ensuring that the participants have the right to
13 choose the services contained in their care plan and to
14 direct how those services are provided, based on
15 administrative rules established by the Department;

16 (4) ensuring that the determination of need tool is
17 accurate in determining the participants' level of need; to
18 achieve this, the Department, in conjunction with the Older
19 Adult Services Advisory Committee, shall institute a study
20 of the relationship between the Determination of Need
21 scores, level of need, service cost maximums, and the
22 development and utilization of service plans no later than
23 May 1, 2008; findings and recommendations shall be
24 presented to the Governor and the General Assembly no later
25 than January 1, 2009; recommendations shall include all
26 needed changes to the service cost maximums schedule and

1 additional covered services;

2 (5) ensuring that homemakers can provide personal care
3 services that may or may not involve contact with clients,
4 including but not limited to:

5 (A) bathing;

6 (B) grooming;

7 (C) toileting;

8 (D) nail care;

9 (E) transferring;

10 (F) respiratory services;

11 (G) exercise; or

12 (H) positioning;

13 (6) ensuring that homemaker program vendors are not
14 restricted from hiring homemakers who are family members of
15 clients or recommended by clients; the Department may not,
16 by rule or policy, require homemakers who are family
17 members of clients or recommended by clients to accept
18 assignments in homes other than the client;

19 (7) ensuring that the State may access maximum federal
20 matching funds by seeking approval for the Centers for
21 Medicare and Medicaid Services for modifications to the
22 State's home and community based services waiver and
23 additional waiver opportunities, including applying for
24 enrollment in the Balance Incentive Payment Program by May
25 1, 2013, in order to maximize federal matching funds; this
26 shall include, but not be limited to, modification that

1 reflects all changes in the Community Care Program services
2 and all increases in the services cost maximum;

3 (8) ensuring that the determination of need tool
4 accurately reflects the service needs of individuals with
5 Alzheimer's disease and related dementia disorders;

6 (9) ensuring that services are authorized accurately
7 and consistently for the Community Care Program (CCP); the
8 Department shall implement a Service Authorization policy
9 directive; the purpose shall be to ensure that eligibility
10 and services are authorized accurately and consistently in
11 the CCP program; the policy directive shall clarify service
12 authorization guidelines to Care Coordination Units and
13 Community Care Program providers no later than May 1, 2013;

14 (10) working in conjunction with Care Coordination
15 Units, the Department of Healthcare and Family Services,
16 the Department of Human Services, Community Care Program
17 providers, and other stakeholders to make improvements to
18 the Medicaid claiming processes and the Medicaid
19 enrollment procedures or requirements as needed,
20 including, but not limited to, specific policy changes or
21 rules to improve the up-front enrollment of participants in
22 the Medicaid program and specific policy changes or rules
23 to insure more prompt submission of bills to the federal
24 government to secure maximum federal matching dollars as
25 promptly as possible; the Department on Aging shall have at
26 least 3 meetings with stakeholders by January 1, 2014 in

1 order to address these improvements;

2 (11) requiring home care service providers to comply
3 with the rounding of hours worked provisions under the
4 federal Fair Labor Standards Act (FLSA) and as set forth in
5 29 CFR 785.48(b) by May 1, 2013;

6 (12) implementing any necessary policy changes or
7 promulgating any rules, no later than January 1, 2014, to
8 assist the Department of Healthcare and Family Services in
9 moving as many participants as possible, consistent with
10 federal regulations, into coordinated care plans if a care
11 coordination plan that covers long term care is available
12 in the recipient's area; and

13 (13) maintaining fiscal year 2014 rates at the same
14 level established on January 1, 2013.

15 Individuals with a score of 29 or higher based on the
16 determination of need (DON) assessment tool shall be eligible
17 to receive institutional and home and community-based long term
18 care services until such time that the State receives federal
19 approval and implements an updated assessment tool. The
20 Department must promulgate rules regarding the updated
21 assessment tool, but shall not promulgate emergency rules
22 regarding the updated assessment tool. The State shall not
23 implement an updated assessment tool that causes more than 1%
24 of then-current recipients to lose eligibility. Anyone
25 determined to be ineligible for services due to the updated
26 assessment tool shall continue to be eligible for services for

1 at least one year following that determination and must be
2 reassessed no earlier than 11 months after that determination.

3 By January 1, 2009 or as soon after the end of the Cash and
4 Counseling Demonstration Project as is practicable, the
5 Department may, based on its evaluation of the demonstration
6 project, promulgate rules concerning personal assistant
7 services, to include, but need not be limited to,
8 qualifications, employment screening, rights under fair labor
9 standards, training, fiduciary agent, and supervision
10 requirements. All applicants shall be subject to the provisions
11 of the Health Care Worker Background Check Act.

12 The Department shall develop procedures to enhance
13 availability of services on evenings, weekends, and on an
14 emergency basis to meet the respite needs of caregivers.
15 Procedures shall be developed to permit the utilization of
16 services in successive blocks of 24 hours up to the monthly
17 maximum established by the Department. Workers providing these
18 services shall be appropriately trained.

19 Beginning on the effective date of this Amendatory Act of
20 1991, no person may perform chore/housekeeping and home care
21 aide services under a program authorized by this Section unless
22 that person has been issued a certificate of pre-service to do
23 so by his or her employing agency. Information gathered to
24 effect such certification shall include (i) the person's name,
25 (ii) the date the person was hired by his or her current
26 employer, and (iii) the training, including dates and levels.

1 Persons engaged in the program authorized by this Section
2 before the effective date of this amendatory Act of 1991 shall
3 be issued a certificate of all pre- and in-service training
4 from his or her employer upon submitting the necessary
5 information. The employing agency shall be required to retain
6 records of all staff pre- and in-service training, and shall
7 provide such records to the Department upon request and upon
8 termination of the employer's contract with the Department. In
9 addition, the employing agency is responsible for the issuance
10 of certifications of in-service training completed to their
11 employees.

12 The Department is required to develop a system to ensure
13 that persons working as home care aides and personal assistants
14 receive increases in their wages when the federal minimum wage
15 is increased by requiring vendors to certify that they are
16 meeting the federal minimum wage statute for home care aides
17 and personal assistants. An employer that cannot ensure that
18 the minimum wage increase is being given to home care aides and
19 personal assistants shall be denied any increase in
20 reimbursement costs.

21 The Community Care Program Advisory Committee is created in
22 the Department on Aging. The Director shall appoint individuals
23 to serve in the Committee, who shall serve at their own
24 expense. Members of the Committee must abide by all applicable
25 ethics laws. The Committee shall advise the Department on
26 issues related to the Department's program of services to

1 prevent unnecessary institutionalization. The Committee shall
2 meet on a bi-monthly basis and shall serve to identify and
3 advise the Department on present and potential issues affecting
4 the service delivery network, the program's clients, and the
5 Department and to recommend solution strategies. Persons
6 appointed to the Committee shall be appointed on, but not
7 limited to, their own and their agency's experience with the
8 program, geographic representation, and willingness to serve.
9 The Director shall appoint members to the Committee to
10 represent provider, advocacy, policy research, and other
11 constituencies committed to the delivery of high quality home
12 and community-based services to older adults. Representatives
13 shall be appointed to ensure representation from community care
14 providers including, but not limited to, adult day service
15 providers, homemaker providers, case coordination and case
16 management units, emergency home response providers, statewide
17 trade or labor unions that represent home care aides and direct
18 care staff, area agencies on aging, adults over age 60,
19 membership organizations representing older adults, and other
20 organizational entities, providers of care, or individuals
21 with demonstrated interest and expertise in the field of home
22 and community care as determined by the Director.

23 Nominations may be presented from any agency or State
24 association with interest in the program. The Director, or his
25 or her designee, shall serve as the permanent co-chair of the
26 advisory committee. One other co-chair shall be nominated and

1 approved by the members of the committee on an annual basis.
2 Committee members' terms of appointment shall be for 4 years
3 with one-quarter of the appointees' terms expiring each year. A
4 member shall continue to serve until his or her replacement is
5 named. The Department shall fill vacancies that have a
6 remaining term of over one year, and this replacement shall
7 occur through the annual replacement of expiring terms. The
8 Director shall designate Department staff to provide technical
9 assistance and staff support to the committee. Department
10 representation shall not constitute membership of the
11 committee. All Committee papers, issues, recommendations,
12 reports, and meeting memoranda are advisory only. The Director,
13 or his or her designee, shall make a written report, as
14 requested by the Committee, regarding issues before the
15 Committee.

16 The Department on Aging and the Department of Human
17 Services shall cooperate in the development and submission of
18 an annual report on programs and services provided under this
19 Section. Such joint report shall be filed with the Governor and
20 the General Assembly on or before September 30 each year.

21 The requirement for reporting to the General Assembly shall
22 be satisfied by filing copies of the report with the Speaker,
23 the Minority Leader and the Clerk of the House of
24 Representatives and the President, the Minority Leader and the
25 Secretary of the Senate and the Legislative Research Unit, as
26 required by Section 3.1 of the General Assembly Organization

1 Act and filing such additional copies with the State Government
2 Report Distribution Center for the General Assembly as is
3 required under paragraph (t) of Section 7 of the State Library
4 Act.

5 Those persons previously found eligible for receiving
6 non-institutional services whose services were discontinued
7 under the Emergency Budget Act of Fiscal Year 1992, and who do
8 not meet the eligibility standards in effect on or after July
9 1, 1992, shall remain ineligible on and after July 1, 1992.
10 Those persons previously not required to cost-share and who
11 were required to cost-share effective March 1, 1992, shall
12 continue to meet cost-share requirements on and after July 1,
13 1992. Beginning July 1, 1992, all clients will be required to
14 meet eligibility, cost-share, and other requirements and will
15 have services discontinued or altered when they fail to meet
16 these requirements.

17 For the purposes of this Section, "flexible senior
18 services" refers to services that require one-time or periodic
19 expenditures including, but not limited to, respite care, home
20 modification, assistive technology, housing assistance, and
21 transportation.

22 The Department shall implement an electronic service
23 verification based on global positioning systems or other
24 cost-effective technology for the Community Care Program no
25 later than January 1, 2014.

26 The Department shall require, as a condition of

1 eligibility, enrollment in the medical assistance program
2 under Article V of the Illinois Public Aid Code (i) beginning
3 August 1, 2013, if the Auditor General has reported that the
4 Department has failed to comply with the reporting requirements
5 of Section 2-27 of the Illinois State Auditing Act; or (ii)
6 beginning June 1, 2014, if the Auditor General has reported
7 that the Department has not undertaken the required actions
8 listed in the report required by subsection (a) of Section 2-27
9 of the Illinois State Auditing Act.

10 The Department shall delay Community Care Program services
11 until an applicant is determined eligible for medical
12 assistance under Article V of the Illinois Public Aid Code (i)
13 beginning August 1, 2013, if the Auditor General has reported
14 that the Department has failed to comply with the reporting
15 requirements of Section 2-27 of the Illinois State Auditing
16 Act; or (ii) beginning June 1, 2014, if the Auditor General has
17 reported that the Department has not undertaken the required
18 actions listed in the report required by subsection (a) of
19 Section 2-27 of the Illinois State Auditing Act.

20 The Department shall implement co-payments for the
21 Community Care Program at the federally allowable maximum level
22 (i) beginning August 1, 2013, if the Auditor General has
23 reported that the Department has failed to comply with the
24 reporting requirements of Section 2-27 of the Illinois State
25 Auditing Act; or (ii) beginning June 1, 2014, if the Auditor
26 General has reported that the Department has not undertaken the

1 required actions listed in the report required by subsection
2 (a) of Section 2-27 of the Illinois State Auditing Act.

3 The Department shall provide a bi-monthly report on the
4 progress of the Community Care Program reforms set forth in
5 this amendatory Act of the 98th General Assembly to the
6 Governor, the Speaker of the House of Representatives, the
7 Minority Leader of the House of Representatives, the President
8 of the Senate, and the Minority Leader of the Senate.

9 The Department shall conduct a quarterly review of Care
10 Coordination Unit performance and adherence to service
11 guidelines. The quarterly review shall be reported to the
12 Speaker of the House of Representatives, the Minority Leader of
13 the House of Representatives, the President of the Senate, and
14 the Minority Leader of the Senate. The Department shall collect
15 and report longitudinal data on the performance of each care
16 coordination unit. Nothing in this paragraph shall be construed
17 to require the Department to identify specific care
18 coordination units.

19 In regard to community care providers, failure to comply
20 with Department on Aging policies shall be cause for
21 disciplinary action, including, but not limited to,
22 disqualification from serving Community Care Program clients.
23 Each provider, upon submission of any bill or invoice to the
24 Department for payment for services rendered, shall include a
25 notarized statement, under penalty of perjury pursuant to
26 Section 1-109 of the Code of Civil Procedure, that the provider

1 has complied with all Department policies.

2 The Director of the Department on Aging shall make
3 information available to the State Board of Elections as may be
4 required by an agreement the State Board of Elections has
5 entered into with a multi-state voter registration list
6 maintenance system.

9 Section 10. The Disabled Persons Rehabilitation Act is
10 amended by changing Section 3 as follows:

11 (20 ILCS 2405/3) (from Ch. 23, par. 3434)

12 Sec. 3. Powers and duties. The Department shall have the
13 powers and duties enumerated herein:

14 (a) To co-operate with the federal government in the
15 administration of the provisions of the federal Rehabilitation
16 Act of 1973, as amended, of the Workforce Investment Act of
17 1998, and of the federal Social Security Act to the extent and
18 in the manner provided in these Acts.

19 (b) To prescribe and supervise such courses of vocational
20 training and provide such other services as may be necessary
21 for the habilitation and rehabilitation of persons with one or
22 more disabilities, including the administrative activities
23 under subsection (e) of this Section, and to co-operate with
24 State and local school authorities and other recognized

1 agencies engaged in habilitation, rehabilitation and
2 comprehensive rehabilitation services; and to cooperate with
3 the Department of Children and Family Services regarding the
4 care and education of children with one or more disabilities.

5 (c) (Blank).

6 (d) To report in writing, to the Governor, annually on or
7 before the first day of December, and at such other times and
8 in such manner and upon such subjects as the Governor may
9 require. The annual report shall contain (1) a statement of the
10 existing condition of comprehensive rehabilitation services,
11 habilitation and rehabilitation in the State; (2) a statement
12 of suggestions and recommendations with reference to the
13 development of comprehensive rehabilitation services,
14 habilitation and rehabilitation in the State; and (3) an
15 itemized statement of the amounts of money received from
16 federal, State and other sources, and of the objects and
17 purposes to which the respective items of these several amounts
18 have been devoted.

19 (e) (Blank).

20 (f) To establish a program of services to prevent the
21 unnecessary institutionalization of persons in need of long
22 term care and who meet the criteria for blindness or disability
23 as defined by the Social Security Act, thereby enabling them to
24 remain in their own homes. Such preventive services include any
25 or all of the following:

26 (1) personal assistant services;

- 1 (2) homemaker services;
- 2 (3) home-delivered meals;
- 3 (4) adult day care services;
- 4 (5) respite care;
- 5 (6) home modification or assistive equipment;
- 6 (7) home health services;
- 7 (8) electronic home response;
- 8 (9) brain injury behavioral/cognitive services;
- 9 (10) brain injury habilitation;
- 10 (11) brain injury pre-vocational services; or
- 11 (12) brain injury supported employment.

12 The Department shall establish eligibility standards for
13 such services taking into consideration the unique economic and
14 social needs of the population for whom they are to be
15 provided. Such eligibility standards may be based on the
16 recipient's ability to pay for services; provided, however,
17 that any portion of a person's income that is equal to or less
18 than the "protected income" level shall not be considered by
19 the Department in determining eligibility. The "protected
20 income" level shall be determined by the Department, shall
21 never be less than the federal poverty standard, and shall be
22 adjusted each year to reflect changes in the Consumer Price
23 Index For All Urban Consumers as determined by the United
24 States Department of Labor. The standards must provide that a
25 person may not have more than \$10,000 in assets to be eligible
26 for the services, and the Department may increase or decrease

1 the asset limitation by rule. The Department may not decrease
2 the asset level below \$10,000.

3 Individuals with a score of 29 or higher based on the
4 determination of need (DON) assessment tool shall be eligible
5 to receive institutional and home and community-based long term
6 care services until such time that the State receives federal
7 approval and implements an updated assessment tool. The
8 Department must promulgate rules regarding the updated
9 assessment tool, but shall not promulgate emergency rules
10 regarding the updated assessment tool. The State shall not
11 implement an updated assessment tool that causes more than 1%
12 of then-current recipients to lose eligibility. Anyone
13 determined to be ineligible for services due to the updated
14 assessment tool shall continue to be eligible for services for
15 at least one year following that determination and must be
16 reassessed no earlier than 11 months after that determination.

17 The services shall be provided, as established by the
18 Department by rule, to eligible persons to prevent unnecessary
19 or premature institutionalization, to the extent that the cost
20 of the services, together with the other personal maintenance
21 expenses of the persons, are reasonably related to the
22 standards established for care in a group facility appropriate
23 to their condition. These non-institutional services, pilot
24 projects or experimental facilities may be provided as part of
25 or in addition to those authorized by federal law or those
26 funded and administered by the Illinois Department on Aging.

1 The Department shall set rates and fees for services in a fair
2 and equitable manner. Services identical to those offered by
3 the Department on Aging shall be paid at the same rate.

4 Personal assistants shall be paid at a rate negotiated
5 between the State and an exclusive representative of personal
6 assistants under a collective bargaining agreement. In no case
7 shall the Department pay personal assistants an hourly wage
8 that is less than the federal minimum wage.

9 Solely for the purposes of coverage under the Illinois
10 Public Labor Relations Act (5 ILCS 315/), personal assistants
11 providing services under the Department's Home Services
12 Program shall be considered to be public employees and the
13 State of Illinois shall be considered to be their employer as
14 of the effective date of this amendatory Act of the 93rd
15 General Assembly, but not before. Solely for the purposes of
16 coverage under the Illinois Public Labor Relations Act, home
17 care and home health workers who function as personal
18 assistants and individual maintenance home health workers and
19 who also provide services under the Department's Home Services
20 Program shall be considered to be public employees, no matter
21 whether the State provides such services through direct
22 fee-for-service arrangements, with the assistance of a managed
23 care organization or other intermediary, or otherwise, and the
24 State of Illinois shall be considered to be the employer of
25 those persons as of January 29, 2013 (the effective date of
26 Public Act 97-1158), but not before except as otherwise

1 provided under this subsection (f). The State shall engage in
2 collective bargaining with an exclusive representative of home
3 care and home health workers who function as personal
4 assistants and individual maintenance home health workers
5 working under the Home Services Program concerning their terms
6 and conditions of employment that are within the State's
7 control. Nothing in this paragraph shall be understood to limit
8 the right of the persons receiving services defined in this
9 Section to hire and fire home care and home health workers who
10 function as personal assistants and individual maintenance
11 home health workers working under the Home Services Program or
12 to supervise them within the limitations set by the Home
13 Services Program. The State shall not be considered to be the
14 employer of home care and home health workers who function as
15 personal assistants and individual maintenance home health
16 workers working under the Home Services Program for any
17 purposes not specifically provided in Public Act 93-204 or
18 Public Act 97-1158, including but not limited to, purposes of
19 vicarious liability in tort and purposes of statutory
20 retirement or health insurance benefits. Home care and home
21 health workers who function as personal assistants and
22 individual maintenance home health workers and who also provide
23 services under the Department's Home Services Program shall not
24 be covered by the State Employees Group Insurance Act of 1971
25 (5 ILCS 375/).

26 The Department shall execute, relative to nursing home

1 prescreening, as authorized by Section 4.03 of the Illinois Act
2 on the Aging, written inter-agency agreements with the
3 Department on Aging and the Department of Healthcare and Family
4 Services, to effect the intake procedures and eligibility
5 criteria for those persons who may need long term care. On and
6 after July 1, 1996, all nursing home prescreenings for
7 individuals 18 through 59 years of age shall be conducted by
8 the Department, or a designee of the Department.

9 The Department is authorized to establish a system of
10 recipient cost-sharing for services provided under this
11 Section. The cost-sharing shall be based upon the recipient's
12 ability to pay for services, but in no case shall the
13 recipient's share exceed the actual cost of the services
14 provided. Protected income shall not be considered by the
15 Department in its determination of the recipient's ability to
16 pay a share of the cost of services. The level of cost-sharing
17 shall be adjusted each year to reflect changes in the
18 "protected income" level. The Department shall deduct from the
19 recipient's share of the cost of services any money expended by
20 the recipient for disability-related expenses.

21 To the extent permitted under the federal Social Security
22 Act, the Department, or the Department's authorized
23 representative, may recover the amount of moneys expended for
24 services provided to or in behalf of a person under this
25 Section by a claim against the person's estate or against the
26 estate of the person's surviving spouse, but no recovery may be

1 had until after the death of the surviving spouse, if any, and
2 then only at such time when there is no surviving child who is
3 under age 21, blind, or permanently and totally disabled. This
4 paragraph, however, shall not bar recovery, at the death of the
5 person, of moneys for services provided to the person or in
6 behalf of the person under this Section to which the person was
7 not entitled; provided that such recovery shall not be enforced
8 against any real estate while it is occupied as a homestead by
9 the surviving spouse or other dependent, if no claims by other
10 creditors have been filed against the estate, or, if such
11 claims have been filed, they remain dormant for failure of
12 prosecution or failure of the claimant to compel administration
13 of the estate for the purpose of payment. This paragraph shall
14 not bar recovery from the estate of a spouse, under Sections
15 1915 and 1924 of the Social Security Act and Section 5-4 of the
16 Illinois Public Aid Code, who precedes a person receiving
17 services under this Section in death. All moneys for services
18 paid to or in behalf of the person under this Section shall be
19 claimed for recovery from the deceased spouse's estate.
20 "Homestead", as used in this paragraph, means the dwelling
21 house and contiguous real estate occupied by a surviving spouse
22 or relative, as defined by the rules and regulations of the
23 Department of Healthcare and Family Services, regardless of the
24 value of the property.

25 The Department shall submit an annual report on programs
26 and services provided under this Section. The report shall be

1 filed with the Governor and the General Assembly on or before
2 March 30 each year.

3 The requirement for reporting to the General Assembly shall
4 be satisfied by filing copies of the report with the Speaker,
5 the Minority Leader and the Clerk of the House of
6 Representatives and the President, the Minority Leader and the
7 Secretary of the Senate and the Legislative Research Unit, as
8 required by Section 3.1 of the General Assembly Organization
9 Act, and filing additional copies with the State Government
10 Report Distribution Center for the General Assembly as required
11 under paragraph (t) of Section 7 of the State Library Act.

12 (g) To establish such subdivisions of the Department as
13 shall be desirable and assign to the various subdivisions the
14 responsibilities and duties placed upon the Department by law.

15 (h) To cooperate and enter into any necessary agreements
16 with the Department of Employment Security for the provision of
17 job placement and job referral services to clients of the
18 Department, including job service registration of such clients
19 with Illinois Employment Security offices and making job
20 listings maintained by the Department of Employment Security
21 available to such clients.

22 (i) To possess all powers reasonable and necessary for the
23 exercise and administration of the powers, duties and
24 responsibilities of the Department which are provided for by
25 law.

26 (j) (Blank).

1 (k) (Blank).

2 (l) To establish, operate and maintain a Statewide Housing
3 Clearinghouse of information on available, government
4 subsidized housing accessible to disabled persons and
5 available privately owned housing accessible to disabled
6 persons. The information shall include but not be limited to
7 the location, rental requirements, access features and
8 proximity to public transportation of available housing. The
9 Clearinghouse shall consist of at least a computerized database
10 for the storage and retrieval of information and a separate or
11 shared toll free telephone number for use by those seeking
12 information from the Clearinghouse. Department offices and
13 personnel throughout the State shall also assist in the
14 operation of the Statewide Housing Clearinghouse. Cooperation
15 with local, State and federal housing managers shall be sought
16 and extended in order to frequently and promptly update the
17 Clearinghouse's information.

18 (m) To assure that the names and case records of persons
19 who received or are receiving services from the Department,
20 including persons receiving vocational rehabilitation, home
21 services, or other services, and those attending one of the
22 Department's schools or other supervised facility shall be
23 confidential and not be open to the general public. Those case
24 records and reports or the information contained in those
25 records and reports shall be disclosed by the Director only to
26 proper law enforcement officials, individuals authorized by a

1 court, the General Assembly or any committee or commission of
2 the General Assembly, and other persons and for reasons as the
3 Director designates by rule. Disclosure by the Director may be
4 only in accordance with other applicable law.

7 Section 13. The Nursing Home Care Act is amended by
8 changing Section 3-402 as follows:

9 (210 ILCS 45/3-402) (from Ch. 111 1/2, par. 4153-402)

10 Sec. 3-402. Involuntary transfer or discharge.

11 Involuntary transfer or discharge of a resident from a
12 facility shall be preceded by the discussion required under
13 Section 3-408 and by a minimum written notice of 21 days,
14 except in one of the following instances:

15 (a) When an emergency transfer or discharge is ordered
16 by the resident's attending physician because of the
17 resident's health care needs.

18 (b) When the transfer or discharge is mandated by the
19 physical safety of other residents, the facility staff, or
20 facility visitors, as documented in the clinical record.
21 The Department shall be notified prior to any such
22 involuntary transfer or discharge. The Department shall
23 immediately offer transfer, or discharge and relocation
24 assistance to residents transferred or discharged under

1 this subparagraph (b), and the Department may place
2 relocation teams as provided in Section 3-419 of this Act.

3 (c) When an identified offender is within the
4 provisional admission period defined in Section 1-120.3.
5 If the Identified Offender Report and Recommendation
6 prepared under Section 2-201.6 shows that the identified
7 offender poses a serious threat or danger to the physical
8 safety of other residents, the facility staff, or facility
9 visitors in the admitting facility and the facility
10 determines that it is unable to provide a safe environment
11 for the other residents, the facility staff, or facility
12 visitors, the facility shall transfer or discharge the
13 identified offender within 3 days after its receipt of the
14 Identified Offender Report and Recommendation.

15 No individual receiving care in an institutional setting
16 shall be involuntarily discharged as the result of the updated
17 determination of need (DON) assessment tool as provided in
18 Section 5-5 of the Illinois Public Aid Code until a transition
19 plan has been developed by the Department on Aging or its
20 designee and all care identified in the transition plan is
21 available to the resident immediately upon discharge.

22 (Source: P.A. 96-1372, eff. 7-29-10.)

23 Section 15. The Illinois Public Aid Code is amended by
24 changing Sections 5-5 and 5-5.01a as follows:

1 (305 ILCS 5/5-5) (from Ch. 23, par. 5-5)

2 Sec. 5-5. Medical services. The Illinois Department, by
3 rule, shall determine the quantity and quality of and the rate
4 of reimbursement for the medical assistance for which payment
5 will be authorized, and the medical services to be provided,
6 which may include all or part of the following: (1) inpatient
7 hospital services; (2) outpatient hospital services; (3) other
8 laboratory and X-ray services; (4) skilled nursing home
9 services; (5) physicians' services whether furnished in the
10 office, the patient's home, a hospital, a skilled nursing home,
11 or elsewhere; (6) medical care, or any other type of remedial
12 care furnished by licensed practitioners; (7) home health care
13 services; (8) private duty nursing service; (9) clinic
14 services; (10) dental services, including prevention and
15 treatment of periodontal disease and dental caries disease for
16 pregnant women, provided by an individual licensed to practice
17 dentistry or dental surgery; for purposes of this item (10),
18 "dental services" means diagnostic, preventive, or corrective
19 procedures provided by or under the supervision of a dentist in
20 the practice of his or her profession; (11) physical therapy
21 and related services; (12) prescribed drugs, dentures, and
22 prosthetic devices; and eyeglasses prescribed by a physician
23 skilled in the diseases of the eye, or by an optometrist,
24 whichever the person may select; (13) other diagnostic,
25 screening, preventive, and rehabilitative services, including
26 to ensure that the individual's need for intervention or

1 treatment of mental disorders or substance use disorders or
2 co-occurring mental health and substance use disorders is
3 determined using a uniform screening, assessment, and
4 evaluation process inclusive of criteria, for children and
5 adults; for purposes of this item (13), a uniform screening,
6 assessment, and evaluation process refers to a process that
7 includes an appropriate evaluation and, as warranted, a
8 referral; "uniform" does not mean the use of a singular
9 instrument, tool, or process that all must utilize; (14)
10 transportation and such other expenses as may be necessary;
11 (15) medical treatment of sexual assault survivors, as defined
12 in Section 1a of the Sexual Assault Survivors Emergency
13 Treatment Act, for injuries sustained as a result of the sexual
14 assault, including examinations and laboratory tests to
15 discover evidence which may be used in criminal proceedings
16 arising from the sexual assault; (16) the diagnosis and
17 treatment of sickle cell anemia; and (17) any other medical
18 care, and any other type of remedial care recognized under the
19 laws of this State, but not including abortions, or induced
20 miscarriages or premature births, unless, in the opinion of a
21 physician, such procedures are necessary for the preservation
22 of the life of the woman seeking such treatment, or except an
23 induced premature birth intended to produce a live viable child
24 and such procedure is necessary for the health of the mother or
25 her unborn child. The Illinois Department, by rule, shall
26 prohibit any physician from providing medical assistance to

1 anyone eligible therefor under this Code where such physician
2 has been found guilty of performing an abortion procedure in a
3 wilful and wanton manner upon a woman who was not pregnant at
4 the time such abortion procedure was performed. The term "any
5 other type of remedial care" shall include nursing care and
6 nursing home service for persons who rely on treatment by
7 spiritual means alone through prayer for healing.

8 Notwithstanding any other provision of this Section, a
9 comprehensive tobacco use cessation program that includes
10 purchasing prescription drugs or prescription medical devices
11 approved by the Food and Drug Administration shall be covered
12 under the medical assistance program under this Article for
13 persons who are otherwise eligible for assistance under this
14 Article.

15 Notwithstanding any other provision of this Code, the
16 Illinois Department may not require, as a condition of payment
17 for any laboratory test authorized under this Article, that a
18 physician's handwritten signature appear on the laboratory
19 test order form. The Illinois Department may, however, impose
20 other appropriate requirements regarding laboratory test order
21 documentation.

22 Upon receipt of federal approval of an amendment to the
23 Illinois Title XIX State Plan for this purpose, the Department
24 shall authorize the Chicago Public Schools (CPS) to procure a
25 vendor or vendors to manufacture eyeglasses for individuals
26 enrolled in a school within the CPS system. CPS shall ensure

1 that its vendor or vendors are enrolled as providers in the
2 medical assistance program and in any capitated Medicaid
3 managed care entity (MCE) serving individuals enrolled in a
4 school within the CPS system. Under any contract procured under
5 this provision, the vendor or vendors must serve only
6 individuals enrolled in a school within the CPS system. Claims
7 for services provided by CPS's vendor or vendors to recipients
8 of benefits in the medical assistance program under this Code,
9 the Children's Health Insurance Program, or the Covering ALL
10 KIDS Health Insurance Program shall be submitted to the
11 Department or the MCE in which the individual is enrolled for
12 payment and shall be reimbursed at the Department's or the
13 MCE's established rates or rate methodologies for eyeglasses.

14 On and after July 1, 2012, the Department of Healthcare and
15 Family Services may provide the following services to persons
16 eligible for assistance under this Article who are
17 participating in education, training or employment programs
18 operated by the Department of Human Services as successor to
19 the Department of Public Aid:

20 (1) dental services provided by or under the
21 supervision of a dentist; and

22 (2) eyeglasses prescribed by a physician skilled in the
23 diseases of the eye, or by an optometrist, whichever the
24 person may select.

25 Notwithstanding any other provision of this Code and
26 subject to federal approval, the Department may adopt rules to

1 allow a dentist who is volunteering his or her service at no
2 cost to render dental services through an enrolled
3 not-for-profit health clinic without the dentist personally
4 enrolling as a participating provider in the medical assistance
5 program. A not-for-profit health clinic shall include a public
6 health clinic or Federally Qualified Health Center or other
7 enrolled provider, as determined by the Department, through
8 which dental services covered under this Section are performed.
9 The Department shall establish a process for payment of claims
10 for reimbursement for covered dental services rendered under
11 this provision.

12 The Illinois Department, by rule, may distinguish and
13 classify the medical services to be provided only in accordance
14 with the classes of persons designated in Section 5-2.

15 The Department of Healthcare and Family Services must
16 provide coverage and reimbursement for amino acid-based
17 elemental formulas, regardless of delivery method, for the
18 diagnosis and treatment of (i) eosinophilic disorders and (ii)
19 short bowel syndrome when the prescribing physician has issued
20 a written order stating that the amino acid-based elemental
21 formula is medically necessary.

22 The Illinois Department shall authorize the provision of,
23 and shall authorize payment for, screening by low-dose
24 mammography for the presence of occult breast cancer for women
25 35 years of age or older who are eligible for medical
26 assistance under this Article, as follows:

1 (A) A baseline mammogram for women 35 to 39 years of
2 age.

3 (B) An annual mammogram for women 40 years of age or
4 older.

5 (C) A mammogram at the age and intervals considered
6 medically necessary by the woman's health care provider for
7 women under 40 years of age and having a family history of
8 breast cancer, prior personal history of breast cancer,
9 positive genetic testing, or other risk factors.

10 (D) A comprehensive ultrasound screening of an entire
11 breast or breasts if a mammogram demonstrates
12 heterogeneous or dense breast tissue, when medically
13 necessary as determined by a physician licensed to practice
14 medicine in all of its branches.

15 All screenings shall include a physical breast exam,
16 instruction on self-examination and information regarding the
17 frequency of self-examination and its value as a preventative
18 tool. For purposes of this Section, "low-dose mammography"
19 means the x-ray examination of the breast using equipment
20 dedicated specifically for mammography, including the x-ray
21 tube, filter, compression device, and image receptor, with an
22 average radiation exposure delivery of less than one rad per
23 breast for 2 views of an average size breast. The term also
24 includes digital mammography.

25 On and after January 1, 2012, providers participating in a
26 quality improvement program approved by the Department shall be

1 reimbursed for screening and diagnostic mammography at the same
2 rate as the Medicare program's rates, including the increased
3 reimbursement for digital mammography.

4 The Department shall convene an expert panel including
5 representatives of hospitals, free-standing mammography
6 facilities, and doctors, including radiologists, to establish
7 quality standards.

8 Subject to federal approval, the Department shall
9 establish a rate methodology for mammography at federally
10 qualified health centers and other encounter-rate clinics.
11 These clinics or centers may also collaborate with other
12 hospital-based mammography facilities.

13 The Department shall establish a methodology to remind
14 women who are age-appropriate for screening mammography, but
15 who have not received a mammogram within the previous 18
16 months, of the importance and benefit of screening mammography.

17 The Department shall establish a performance goal for
18 primary care providers with respect to their female patients
19 over age 40 receiving an annual mammogram. This performance
20 goal shall be used to provide additional reimbursement in the
21 form of a quality performance bonus to primary care providers
22 who meet that goal.

23 The Department shall devise a means of case-managing or
24 patient navigation for beneficiaries diagnosed with breast
25 cancer. This program shall initially operate as a pilot program
26 in areas of the State with the highest incidence of mortality

1 related to breast cancer. At least one pilot program site shall
2 be in the metropolitan Chicago area and at least one site shall
3 be outside the metropolitan Chicago area. An evaluation of the
4 pilot program shall be carried out measuring health outcomes
5 and cost of care for those served by the pilot program compared
6 to similarly situated patients who are not served by the pilot
7 program.

8 Any medical or health care provider shall immediately
9 recommend, to any pregnant woman who is being provided prenatal
10 services and is suspected of drug abuse or is addicted as
11 defined in the Alcoholism and Other Drug Abuse and Dependency
12 Act, referral to a local substance abuse treatment provider
13 licensed by the Department of Human Services or to a licensed
14 hospital which provides substance abuse treatment services.
15 The Department of Healthcare and Family Services shall assure
16 coverage for the cost of treatment of the drug abuse or
17 addiction for pregnant recipients in accordance with the
18 Illinois Medicaid Program in conjunction with the Department of
19 Human Services.

20 All medical providers providing medical assistance to
21 pregnant women under this Code shall receive information from
22 the Department on the availability of services under the Drug
23 Free Families with a Future or any comparable program providing
24 case management services for addicted women, including
25 information on appropriate referrals for other social services
26 that may be needed by addicted women in addition to treatment

1 for addiction.

2 The Illinois Department, in cooperation with the
3 Departments of Human Services (as successor to the Department
4 of Alcoholism and Substance Abuse) and Public Health, through a
5 public awareness campaign, may provide information concerning
6 treatment for alcoholism and drug abuse and addiction, prenatal
7 health care, and other pertinent programs directed at reducing
8 the number of drug-affected infants born to recipients of
9 medical assistance.

10 Neither the Department of Healthcare and Family Services
11 nor the Department of Human Services shall sanction the
12 recipient solely on the basis of her substance abuse.

13 The Illinois Department shall establish such regulations
14 governing the dispensing of health services under this Article
15 as it shall deem appropriate. The Department should seek the
16 advice of formal professional advisory committees appointed by
17 the Director of the Illinois Department for the purpose of
18 providing regular advice on policy and administrative matters,
19 information dissemination and educational activities for
20 medical and health care providers, and consistency in
21 procedures to the Illinois Department.

22 The Illinois Department may develop and contract with
23 Partnerships of medical providers to arrange medical services
24 for persons eligible under Section 5-2 of this Code.
25 Implementation of this Section may be by demonstration projects
26 in certain geographic areas. The Partnership shall be

1 represented by a sponsor organization. The Department, by rule,
2 shall develop qualifications for sponsors of Partnerships.
3 Nothing in this Section shall be construed to require that the
4 sponsor organization be a medical organization.

5 The sponsor must negotiate formal written contracts with
6 medical providers for physician services, inpatient and
7 outpatient hospital care, home health services, treatment for
8 alcoholism and substance abuse, and other services determined
9 necessary by the Illinois Department by rule for delivery by
10 Partnerships. Physician services must include prenatal and
11 obstetrical care. The Illinois Department shall reimburse
12 medical services delivered by Partnership providers to clients
13 in target areas according to provisions of this Article and the
14 Illinois Health Finance Reform Act, except that:

15 (1) Physicians participating in a Partnership and
16 providing certain services, which shall be determined by
17 the Illinois Department, to persons in areas covered by the
18 Partnership may receive an additional surcharge for such
19 services.

20 (2) The Department may elect to consider and negotiate
21 financial incentives to encourage the development of
22 Partnerships and the efficient delivery of medical care.

23 (3) Persons receiving medical services through
24 Partnerships may receive medical and case management
25 services above the level usually offered through the
26 medical assistance program.

1 Medical providers shall be required to meet certain
2 qualifications to participate in Partnerships to ensure the
3 delivery of high quality medical services. These
4 qualifications shall be determined by rule of the Illinois
5 Department and may be higher than qualifications for
6 participation in the medical assistance program. Partnership
7 sponsors may prescribe reasonable additional qualifications
8 for participation by medical providers, only with the prior
9 written approval of the Illinois Department.

10 Nothing in this Section shall limit the free choice of
11 practitioners, hospitals, and other providers of medical
12 services by clients. In order to ensure patient freedom of
13 choice, the Illinois Department shall immediately promulgate
14 all rules and take all other necessary actions so that provided
15 services may be accessed from therapeutically certified
16 optometrists to the full extent of the Illinois Optometric
17 Practice Act of 1987 without discriminating between service
18 providers.

19 The Department shall apply for a waiver from the United
20 States Health Care Financing Administration to allow for the
21 implementation of Partnerships under this Section.

22 The Illinois Department shall require health care
23 providers to maintain records that document the medical care
24 and services provided to recipients of Medical Assistance under
25 this Article. Such records must be retained for a period of not
26 less than 6 years from the date of service or as provided by

1 applicable State law, whichever period is longer, except that
2 if an audit is initiated within the required retention period
3 then the records must be retained until the audit is completed
4 and every exception is resolved. The Illinois Department shall
5 require health care providers to make available, when
6 authorized by the patient, in writing, the medical records in a
7 timely fashion to other health care providers who are treating
8 or serving persons eligible for Medical Assistance under this
9 Article. All dispensers of medical services shall be required
10 to maintain and retain business and professional records
11 sufficient to fully and accurately document the nature, scope,
12 details and receipt of the health care provided to persons
13 eligible for medical assistance under this Code, in accordance
14 with regulations promulgated by the Illinois Department. The
15 rules and regulations shall require that proof of the receipt
16 of prescription drugs, dentures, prosthetic devices and
17 eyeglasses by eligible persons under this Section accompany
18 each claim for reimbursement submitted by the dispenser of such
19 medical services. No such claims for reimbursement shall be
20 approved for payment by the Illinois Department without such
21 proof of receipt, unless the Illinois Department shall have put
22 into effect and shall be operating a system of post-payment
23 audit and review which shall, on a sampling basis, be deemed
24 adequate by the Illinois Department to assure that such drugs,
25 dentures, prosthetic devices and eyeglasses for which payment
26 is being made are actually being received by eligible

1 recipients. Within 90 days after the effective date of this
2 amendatory Act of 1984, the Illinois Department shall establish
3 a current list of acquisition costs for all prosthetic devices
4 and any other items recognized as medical equipment and
5 supplies reimbursable under this Article and shall update such
6 list on a quarterly basis, except that the acquisition costs of
7 all prescription drugs shall be updated no less frequently than
8 every 30 days as required by Section 5-5.12.

9 The rules and regulations of the Illinois Department shall
10 require that a written statement including the required opinion
11 of a physician shall accompany any claim for reimbursement for
12 abortions, or induced miscarriages or premature births. This
13 statement shall indicate what procedures were used in providing
14 such medical services.

15 Notwithstanding any other law to the contrary, the Illinois
16 Department shall, within 365 days after July 22, 2013~~7~~ (the
17 effective date of Public Act 98-104), establish procedures to
18 permit skilled care facilities licensed under the Nursing Home
19 Care Act to submit monthly billing claims for reimbursement
20 purposes. Following development of these procedures, the
21 Department shall have an additional 365 days to test the
22 viability of the new system and to ensure that any necessary
23 operational or structural changes to its information
24 technology platforms are implemented.

25 Notwithstanding any other law to the contrary, the Illinois
26 Department shall, within 365 days after August 15, 2014 (the

1 effective date of Public Act 98-963) ~~this amendatory Act of the~~
2 ~~98th General Assembly~~, establish procedures to permit ID/DD
3 facilities licensed under the ID/DD Community Care Act to
4 submit monthly billing claims for reimbursement purposes.
5 Following development of these procedures, the Department
6 shall have an additional 365 days to test the viability of the
7 new system and to ensure that any necessary operational or
8 structural changes to its information technology platforms are
9 implemented.

10 The Illinois Department shall require all dispensers of
11 medical services, other than an individual practitioner or
12 group of practitioners, desiring to participate in the Medical
13 Assistance program established under this Article to disclose
14 all financial, beneficial, ownership, equity, surety or other
15 interests in any and all firms, corporations, partnerships,
16 associations, business enterprises, joint ventures, agencies,
17 institutions or other legal entities providing any form of
18 health care services in this State under this Article.

19 The Illinois Department may require that all dispensers of
20 medical services desiring to participate in the medical
21 assistance program established under this Article disclose,
22 under such terms and conditions as the Illinois Department may
23 by rule establish, all inquiries from clients and attorneys
24 regarding medical bills paid by the Illinois Department, which
25 inquiries could indicate potential existence of claims or liens
26 for the Illinois Department.

1 Enrollment of a vendor shall be subject to a provisional
2 period and shall be conditional for one year. During the period
3 of conditional enrollment, the Department may terminate the
4 vendor's eligibility to participate in, or may disenroll the
5 vendor from, the medical assistance program without cause.
6 Unless otherwise specified, such termination of eligibility or
7 disenrollment is not subject to the Department's hearing
8 process. However, a disenrolled vendor may reapply without
9 penalty.

10 The Department has the discretion to limit the conditional
11 enrollment period for vendors based upon category of risk of
12 the vendor.

13 Prior to enrollment and during the conditional enrollment
14 period in the medical assistance program, all vendors shall be
15 subject to enhanced oversight, screening, and review based on
16 the risk of fraud, waste, and abuse that is posed by the
17 category of risk of the vendor. The Illinois Department shall
18 establish the procedures for oversight, screening, and review,
19 which may include, but need not be limited to: criminal and
20 financial background checks; fingerprinting; license,
21 certification, and authorization verifications; unscheduled or
22 unannounced site visits; database checks; prepayment audit
23 reviews; audits; payment caps; payment suspensions; and other
24 screening as required by federal or State law.

25 The Department shall define or specify the following: (i)
26 by provider notice, the "category of risk of the vendor" for

1 each type of vendor, which shall take into account the level of
2 screening applicable to a particular category of vendor under
3 federal law and regulations; (ii) by rule or provider notice,
4 the maximum length of the conditional enrollment period for
5 each category of risk of the vendor; and (iii) by rule, the
6 hearing rights, if any, afforded to a vendor in each category
7 of risk of the vendor that is terminated or disenrolled during
8 the conditional enrollment period.

9 To be eligible for payment consideration, a vendor's
10 payment claim or bill, either as an initial claim or as a
11 resubmitted claim following prior rejection, must be received
12 by the Illinois Department, or its fiscal intermediary, no
13 later than 180 days after the latest date on the claim on which
14 medical goods or services were provided, with the following
15 exceptions:

16 (1) In the case of a provider whose enrollment is in
17 process by the Illinois Department, the 180-day period
18 shall not begin until the date on the written notice from
19 the Illinois Department that the provider enrollment is
20 complete.

21 (2) In the case of errors attributable to the Illinois
22 Department or any of its claims processing intermediaries
23 which result in an inability to receive, process, or
24 adjudicate a claim, the 180-day period shall not begin
25 until the provider has been notified of the error.

26 (3) In the case of a provider for whom the Illinois

1 Department initiates the monthly billing process.

2 (4) In the case of a provider operated by a unit of
3 local government with a population exceeding 3,000,000
4 when local government funds finance federal participation
5 for claims payments.

6 For claims for services rendered during a period for which
7 a recipient received retroactive eligibility, claims must be
8 filed within 180 days after the Department determines the
9 applicant is eligible. For claims for which the Illinois
10 Department is not the primary payer, claims must be submitted
11 to the Illinois Department within 180 days after the final
12 adjudication by the primary payer.

13 In the case of long term care facilities, within 5 days of
14 receipt by the facility of required prescreening information,
15 data for new admissions shall be entered into the Medical
16 Electronic Data Interchange (MEDI) or the Recipient
17 Eligibility Verification (REV) System or successor system, and
18 within 15 days of receipt by the facility of required
19 prescreening information, admission documents shall be
20 submitted through MEDI or REV or shall be submitted directly to
21 the Department of Human Services using required admission
22 forms. Effective September 1, 2014, admission documents,
23 including all prescreening information, must be submitted
24 through MEDI or REV. Confirmation numbers assigned to an
25 accepted transaction shall be retained by a facility to verify
26 timely submittal. Once an admission transaction has been

1 completed, all resubmitted claims following prior rejection
2 are subject to receipt no later than 180 days after the
3 admission transaction has been completed.

4 Claims that are not submitted and received in compliance
5 with the foregoing requirements shall not be eligible for
6 payment under the medical assistance program, and the State
7 shall have no liability for payment of those claims.

8 To the extent consistent with applicable information and
9 privacy, security, and disclosure laws, State and federal
10 agencies and departments shall provide the Illinois Department
11 access to confidential and other information and data necessary
12 to perform eligibility and payment verifications and other
13 Illinois Department functions. This includes, but is not
14 limited to: information pertaining to licensure;
15 certification; earnings; immigration status; citizenship; wage
16 reporting; unearned and earned income; pension income;
17 employment; supplemental security income; social security
18 numbers; National Provider Identifier (NPI) numbers; the
19 National Practitioner Data Bank (NPDB); program and agency
20 exclusions; taxpayer identification numbers; tax delinquency;
21 corporate information; and death records.

22 The Illinois Department shall enter into agreements with
23 State agencies and departments, and is authorized to enter into
24 agreements with federal agencies and departments, under which
25 such agencies and departments shall share data necessary for
26 medical assistance program integrity functions and oversight.

1 The Illinois Department shall develop, in cooperation with
2 other State departments and agencies, and in compliance with
3 applicable federal laws and regulations, appropriate and
4 effective methods to share such data. At a minimum, and to the
5 extent necessary to provide data sharing, the Illinois
6 Department shall enter into agreements with State agencies and
7 departments, and is authorized to enter into agreements with
8 federal agencies and departments, including but not limited to:
9 the Secretary of State; the Department of Revenue; the
10 Department of Public Health; the Department of Human Services;
11 and the Department of Financial and Professional Regulation.

12 Beginning in fiscal year 2013, the Illinois Department
13 shall set forth a request for information to identify the
14 benefits of a pre-payment, post-adjudication, and post-edit
15 claims system with the goals of streamlining claims processing
16 and provider reimbursement, reducing the number of pending or
17 rejected claims, and helping to ensure a more transparent
18 adjudication process through the utilization of: (i) provider
19 data verification and provider screening technology; and (ii)
20 clinical code editing; and (iii) pre-pay, pre- or
21 post-adjudicated predictive modeling with an integrated case
22 management system with link analysis. Such a request for
23 information shall not be considered as a request for proposal
24 or as an obligation on the part of the Illinois Department to
25 take any action or acquire any products or services.

26 The Illinois Department shall establish policies,

1 procedures, standards and criteria by rule for the acquisition,
2 repair and replacement of orthotic and prosthetic devices and
3 durable medical equipment. Such rules shall provide, but not be
4 limited to, the following services: (1) immediate repair or
5 replacement of such devices by recipients; and (2) rental,
6 lease, purchase or lease-purchase of durable medical equipment
7 in a cost-effective manner, taking into consideration the
8 recipient's medical prognosis, the extent of the recipient's
9 needs, and the requirements and costs for maintaining such
10 equipment. Subject to prior approval, such rules shall enable a
11 recipient to temporarily acquire and use alternative or
12 substitute devices or equipment pending repairs or
13 replacements of any device or equipment previously authorized
14 for such recipient by the Department.

15 The Department shall execute, relative to the nursing home
16 prescreening project, written inter-agency agreements with the
17 Department of Human Services and the Department on Aging, to
18 effect the following: (i) intake procedures and common
19 eligibility criteria for those persons who are receiving
20 non-institutional services; and (ii) the establishment and
21 development of non-institutional services in areas of the State
22 where they are not currently available or are undeveloped; and
23 ~~(iii) (iii) notwithstanding any other provision of law, subject~~
24 ~~to federal approval, on and after July 1, 2012, an increase in~~
25 ~~the determination of need (DON) scores from 29 to 37 for~~
26 ~~applicants for institutional and home and community based long~~

1 ~~term care; if and only if federal approval is not granted, the~~
2 ~~Department may, in conjunction with other affected agencies,~~
3 ~~implement utilization controls or changes in benefit packages~~
4 ~~to effectuate a similar savings amount for this population; and~~
5 ~~(iv)~~ no later than July 1, 2013, minimum level of care
6 eligibility criteria for institutional and home and
7 community-based long term care; and (iv) ~~(v)~~ no later than
8 October 1, 2013, establish procedures to permit long term care
9 providers access to eligibility scores for individuals with an
10 admission date who are seeking or receiving services from the
11 long term care provider. In order to select the minimum level
12 of care eligibility criteria, the Governor shall establish a
13 workgroup that includes affected agency representatives and
14 stakeholders representing the institutional and home and
15 community-based long term care interests. This Section shall
16 not restrict the Department from implementing lower level of
17 care eligibility criteria for community-based services in
18 circumstances where federal approval has been granted.
19 Individuals with a score of 29 or higher based on the
20 determination of need (DON) assessment tool shall be eligible
21 to receive institutional and home and community-based long term
22 care services until such time that the State receives federal
23 approval and implements an updated assessment tool. The
24 Department must promulgate rules regarding the updated
25 assessment tool, but shall not promulgate emergency rules
26 regarding the updated assessment tool. The State shall not

1 implement an updated assessment tool that causes more than 1%
2 of then-current recipients to lose eligibility. Anyone
3 determined to be ineligible for services due to the updated
4 assessment tool shall continue to be eligible for services for
5 at least one year following that determination and must be
6 reassessed no earlier than 11 months after that determination.
7 No individual receiving care in an institutional setting shall
8 be involuntarily discharged as the result of the updated
9 assessment tool until a transition plan has been developed by
10 the Department on Aging or its designee and all care identified
11 in the transition plan is available to the resident immediately
12 upon discharge.

13 The Illinois Department shall develop and operate, in
14 cooperation with other State Departments and agencies and in
15 compliance with applicable federal laws and regulations,
16 appropriate and effective systems of health care evaluation and
17 programs for monitoring of utilization of health care services
18 and facilities, as it affects persons eligible for medical
19 assistance under this Code.

20 The Illinois Department shall report annually to the
21 General Assembly, no later than the second Friday in April of
22 1979 and each year thereafter, in regard to:

23 (a) actual statistics and trends in utilization of
24 medical services by public aid recipients;

25 (b) actual statistics and trends in the provision of
26 the various medical services by medical vendors;

1 (c) current rate structures and proposed changes in
2 those rate structures for the various medical vendors; and

3 (d) efforts at utilization review and control by the
4 Illinois Department.

5 The period covered by each report shall be the 3 years
6 ending on the June 30 prior to the report. The report shall
7 include suggested legislation for consideration by the General
8 Assembly. The filing of one copy of the report with the
9 Speaker, one copy with the Minority Leader and one copy with
10 the Clerk of the House of Representatives, one copy with the
11 President, one copy with the Minority Leader and one copy with
12 the Secretary of the Senate, one copy with the Legislative
13 Research Unit, and such additional copies with the State
14 Government Report Distribution Center for the General Assembly
15 as is required under paragraph (t) of Section 7 of the State
16 Library Act shall be deemed sufficient to comply with this
17 Section.

18 Rulemaking authority to implement Public Act 95-1045, if
19 any, is conditioned on the rules being adopted in accordance
20 with all provisions of the Illinois Administrative Procedure
21 Act and all rules and procedures of the Joint Committee on
22 Administrative Rules; any purported rule not so adopted, for
23 whatever reason, is unauthorized.

24 On and after July 1, 2012, the Department shall reduce any
25 rate of reimbursement for services or other payments or alter
26 any methodologies authorized by this Code to reduce any rate of

1 reimbursement for services or other payments in accordance with
2 Section 5-5e.

3 Because kidney transplantation can be an appropriate, cost
4 effective alternative to renal dialysis when medically
5 necessary and notwithstanding the provisions of Section 1-11 of
6 this Code, beginning October 1, 2014, the Department shall
7 cover kidney transplantation for noncitizens with end-stage
8 renal disease who are not eligible for comprehensive medical
9 benefits, who meet the residency requirements of Section 5-3 of
10 this Code, and who would otherwise meet the financial
11 requirements of the appropriate class of eligible persons under
12 Section 5-2 of this Code. To qualify for coverage of kidney
13 transplantation, such person must be receiving emergency renal
14 dialysis services covered by the Department. Providers under
15 this Section shall be prior approved and certified by the
16 Department to perform kidney transplantation and the services
17 under this Section shall be limited to services associated with
18 kidney transplantation.

25 (305 ILCS 5/5-5.01a)

1 Sec. 5-5.01a. Supportive living facilities program. The
2 Department shall establish and provide oversight for a program
3 of supportive living facilities that seek to promote resident
4 independence, dignity, respect, and well-being in the most
5 cost-effective manner.

6 A supportive living facility is either a free-standing
7 facility or a distinct physical and operational entity within a
8 nursing facility. A supportive living facility integrates
9 housing with health, personal care, and supportive services and
10 is a designated setting that offers residents their own
11 separate, private, and distinct living units.

12 Sites for the operation of the program shall be selected by
13 the Department based upon criteria that may include the need
14 for services in a geographic area, the availability of funding,
15 and the site's ability to meet the standards.

16 Beginning July 1, 2014, subject to federal approval, the
17 Medicaid rates for supportive living facilities shall be equal
18 to the supportive living facility Medicaid rate effective on
19 June 30, 2014 increased by 8.85%. Once the assessment imposed
20 at Article V-G of this Code is determined to be a permissible
21 tax under Title XIX of the Social Security Act, the Department
22 shall increase the Medicaid rates for supportive living
23 facilities effective on July 1, 2014 by 9.09%. The Department
24 shall apply this increase retroactively to coincide with the
25 imposition of the assessment in Article V-G of this Code in
26 accordance with the approval for federal financial

1 participation by the Centers for Medicare and Medicaid
2 Services.

3 The Department may adopt rules to implement this Section.
4 Rules that establish or modify the services, standards, and
5 conditions for participation in the program shall be adopted by
6 the Department in consultation with the Department on Aging,
7 the Department of Rehabilitation Services, and the Department
8 of Mental Health and Developmental Disabilities (or their
9 successor agencies).

10 Facilities or distinct parts of facilities which are
11 selected as supportive living facilities and are in good
12 standing with the Department's rules are exempt from the
13 provisions of the Nursing Home Care Act and the Illinois Health
14 Facilities Planning Act.

15 Individuals with a score of 29 or higher based on the
16 determination of need (DON) assessment tool shall be eligible
17 to receive institutional and home and community-based long term
18 care services until such time that the State receives federal
19 approval and implements an updated assessment tool. The
20 Department must promulgate rules regarding the updated
21 assessment tool, but shall not promulgate emergency rules
22 regarding the updated assessment tool. The State shall not
23 implement an updated assessment tool that causes more than 1%
24 of then-current recipients to lose eligibility. Anyone
25 determined to be ineligible for services due to the updated
26 assessment tool shall continue to be eligible for services for

1 at least one year following that determination and must be
2 reassessed no earlier than 11 months after that determination.

4 Section 99. Effective date. This Act takes effect upon
5 becoming law.
