1 AMENDMENT TO HOUSE BILL 2658

2 AMENDMENT NO. _____. Amend House Bill 2658 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The State Police Act is amended by adding
5 Section 17b as follows:

6 (20 ILCS 2610/17b new)

7 Sec. 17b. Retiring officer; purchase of service firearm and
8 police badge. The Director of State Police shall establish a
9 program to allow a State Police officer who is honorably
10 retiring in good standing to purchase either or both of the
11 following: (i) any State Police badge previously issued to that
12 officer or (ii) if the officer has a currently valid Firearm
13 Owner's Identification Card, the service firearm issued or
14 previously issued to the officer by the Department of State
15 Police. The cost of the firearm purchased shall be the
16 replacement value of the firearm and not the firearm's fair

1 market value.

2 Any officer who retires in good standing is eligible to
3 purchase his or her service pistol and badge as provided in
4 this Section. A good standing separation determination results
5 when there are no pending criminal complaints against the
6 officer which, if sustained, would result in the permanent loss
7 of police powers.

8 Section 10. The State Property Control Act is amended by
9 changing Section 7 as follows:

10 (30 ILCS 605/7) (from Ch. 127, par. 133b10)

11 Sec. 7. Disposition of transferable property.

12 (a) Except as provided in subsection (c), whenever a
13 responsible officer considers it advantageous to the State to
14 dispose of transferable property by trading it in for credit on
15 a replacement of like nature, the responsible officer shall
16 report the trade-in and replacement to the administrator on
17 forms furnished by the latter. The exchange, trade or transfer
18 of "textbooks" as defined in Section 18-17 of the School Code
19 between schools or school districts pursuant to regulations
20 adopted by the State Board of Education under that Section
21 shall not constitute a disposition of transferable property
22 within the meaning of this Section, even though such exchange,
23 trade or transfer occurs within 5 years after the textbooks are
24 first provided for loan pursuant to Section 18-17 of the School

1 Code.

2 (b) Except as provided in subsection (c), whenever it is
3 deemed necessary to dispose of any item of transferable
4 property, the administrator shall proceed to dispose of the
5 property by sale or scrapping as the case may be, in whatever
6 manner he considers most advantageous and most profitable to
7 the State. Items of transferable property which would
8 ordinarily be scrapped and disposed of by burning or by burial
9 in a landfill may be examined and a determination made whether
10 the property should be recycled. This determination and any
11 sale of recyclable property shall be in accordance with rules
12 promulgated by the Administrator.

13 When the administrator determines that property is to be
14 disposed of by sale, he shall offer it first to the
15 municipalities, counties, and school districts of the State and
16 to charitable, not-for-profit educational and public health
17 organizations, including but not limited to medical
18 institutions, clinics, hospitals, health centers, schools,
19 colleges, universities, child care centers, museums, nursing
20 homes, programs for the elderly, food banks, State Use
21 Sheltered Workshops and the Boy and Girl Scouts of America, for
22 purchase at an appraised value. Notice of inspection or viewing
23 dates and property lists shall be distributed in the manner
24 provided in rules and regulations promulgated by the
25 Administrator for that purpose.

26 Electronic data processing equipment purchased and charged

1 to appropriations may, at the discretion of the administrator,
2 be sold, pursuant to contracts entered into by the Director of
3 Central Management Services or the heads of agencies exempt
4 from "The Illinois Purchasing Act". However such equipment
5 shall not be sold at prices less than the purchase cost thereof
6 or depreciated value as determined by the administrator. No
7 sale of the electronic data processing equipment and lease to
8 the State by the purchaser of such equipment shall be made
9 under this Act unless the Director of Central Management
10 Services finds that such contracts are financially
11 advantageous to the State.

12 Disposition of other transferable property by sale, except
13 sales directly to local governmental units, school districts,
14 and not-for-profit educational, charitable and public health
15 organizations, shall be subject to the following minimum
16 conditions:

17 (1) The administrator shall cause the property to be
18 advertised for sale to the highest responsible bidder,
19 stating time, place, and terms of such sale at least 7 days
20 prior to the time of sale and at least once in a newspaper
21 having a general circulation in the county where the
22 property is to be sold.

23 (2) If no acceptable bids are received, the
24 administrator may then sell the property in whatever manner
25 he considers most advantageous and most profitable to the
26 State.

1 (c) Notwithstanding any other provision of this Act, an
2 agency covered by this Act may transfer books, serial
3 publications, or other library materials that are transferable
4 property, or that have been withdrawn from the agency's library
5 collection through a regular collection evaluation process, to
6 any of the following entities :

7 (1) Another agency covered by this Act located in
8 Illinois.

9 (2) A State supported university library located in
10 Illinois.

11 (3) A tax-supported public library located in
12 Illinois, including a library established by a public
13 library district.

14 (4) A library system organized under the Illinois
15 Library System Act or any library located in Illinois that
16 is a member of such a system.

17 (5) A non-profit agency, located in or outside
18 Illinois.

19 A transfer of property under this subsection is not subject
20 to the requirements of subsection (a) or (b).

21 In addition, an agency covered by this Act may sell or
22 exchange books, serial publications, and other library
23 materials that have been withdrawn from its library collection
24 through a regular collection evaluation process. Those items
25 may be sold to the public at library book sales or to book
26 dealers or may be offered through exchange to book dealers or

1 other organizations. Revenues generated from the sale of
2 withdrawn items shall be retained by the agency in a separate
3 account to be used solely for the purchase of library
4 materials; except that in the case of the State Library,
5 revenues from the sale of withdrawn items shall be deposited
6 into the State Library Fund to be used for the purposes stated
7 in Section 25 of the State Library Act.

8 For purposes of this subsection (c), "library materials"
9 means physical entities of any substance that serve as carriers
10 of information, including, without limitation, books, serial
11 publications, periodicals, microforms, graphics, audio or
12 video recordings, and machine readable data files.

13 (d) Notwithstanding any other provision of this Act, the
14 Director of State Police may dispose of a service firearm or
15 police badge issued or previously issued to a retiring State
16 Police officer as provided in Section 17b of the State Police
17 Act.
