

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Municipal Code is amended by
5 changing Section 1-2.2-55 as follows:

6 (65 ILCS 5/1-2.2-55)

7 Sec. 1-2.2-55. Judgment on findings, decision, and order.

8 (a) Any fine, other sanction, or costs imposed, or part of
9 any fine, other sanction, or costs imposed, remaining unpaid
10 after the exhaustion of, or the failure to exhaust, judicial
11 review procedures under the Administrative Review Law shall be
12 a debt due and owing the municipality and, as such, may be
13 collected in accordance with applicable law.

14 (b) After expiration of the period within which judicial
15 review under the Administrative Review Law may be sought for a
16 final determination of the code violation, the municipality may
17 commence a proceeding in the circuit court of the county in
18 which the municipality is located for purpose of obtaining a
19 judgment on the findings, decision, and order. Nothing in this
20 Section shall prevent a municipality from consolidating
21 multiple findings, decisions, and orders against a person in
22 such a proceeding. Upon commencement of the action, the
23 municipality shall file a certified copy of the findings,

1 decision, and order, which shall be accompanied by a
2 certification that recites facts sufficient to show that the
3 findings, decision, and order was issued in accordance with
4 this Division and the applicable municipal ordinance. Service
5 of the summons and a copy of the petition may be by any method
6 provided for by Section 2-203 of the Code of Civil Procedure or
7 by certified mail, return receipt requested, provided that the
8 total amount of fines, other sanctions, and costs imposed by
9 the findings, decision, and order does not exceed \$2,500. If
10 the court is satisfied that the findings, decision, and order
11 was entered in accordance with the requirements of this
12 Division and the applicable municipal ordinance and that the
13 defendant had an opportunity for a hearing under this Division
14 and for judicial review as provided in this Division:

15 (1) The court shall render judgment in favor of the
16 municipality and against the defendant for the amount
17 indicated in the findings, decision and order, plus costs.
18 The judgment shall have the same effect and may be enforced
19 in the same manner as other judgments for the recovery of
20 money.

21 (2) The court may also issue any other orders and
22 injunctions that are requested by the municipality to
23 enforce the order of the hearing officer to correct a code
24 violation.

25 (c) In place of a proceeding under subsection (b) of this
26 Section, after expiration of the period in which judicial

1 review under the Illinois Administrative Review Law may be
2 sought for a final determination of a code violation, unless
3 stayed by a court of competent jurisdiction, the findings,
4 decision, and order of the hearing officer may be enforced in
5 the same manner as a judgment entered by a court of competent
6 jurisdiction.

7 In any case in which a defendant has failed to comply with
8 a judgment ordering a defendant to correct a code violation or
9 imposing any fine or other sanction as a result of a code
10 violation, any expenses incurred by a municipality to enforce
11 the judgment, including, but not limited to, attorney's fees,
12 court costs, and costs related to property demolition or
13 foreclosure, after they are fixed by a court of competent
14 jurisdiction or a hearing officer, shall be a debt due and
15 owing the municipality and may be collected in accordance with
16 applicable law. Prior to any expenses being fixed by a hearing
17 officer pursuant to this subsection (c), the municipality shall
18 provide notice to the defendant that states that the defendant
19 shall appear at a hearing before the administrative hearing
20 officer to determine whether the defendant has failed to comply
21 with the judgment. The notice shall set the date for such a
22 hearing, which shall not be less than 7 days from the date that
23 notice is served. If notice is served by mail, the 7-day period
24 shall begin to run on the date that the notice was deposited in
25 the mail.

26 Upon being recorded in the manner required by Article XII

1 of the Code of Civil Procedure or by the Uniform Commercial
2 Code, a lien shall be imposed on the real estate or personal
3 estate, or both, of the defendant in the amount of any debt due
4 and owing the municipality under this Section. The lien may be
5 enforced in the same manner as a judgment lien pursuant to a
6 judgment of a court of competent jurisdiction.

7 A hearing officer may set aside any judgment entered by
8 default and set a new hearing date, upon a petition filed
9 within 21 days after the issuance of the order of default, if
10 the hearing officer determines that the petitioner's failure to
11 appear at the hearing was for good cause or at any time if the
12 petitioner establishes that the municipality did not provide
13 proper service of process. If any judgment is set aside
14 pursuant to this subsection (c), the hearing officer shall have
15 authority to enter an order extinguishing any lien which has
16 been recorded for any debt due and owing the municipality as a
17 result of the vacated default judgment.
