1 AN ACT concerning elections.

## Be it enacted by the People of the State of Illinois, represented in the General Assembly:

- Section 1. Short title. This Act may be cited as the Local

  Government Elected Official Recall Act.
- 6 Section 5. Local government recall elections.
  - (a) Notwithstanding any other provision of law, non-home rule local officeholders that were elected during a general consolidated election may be recalled under this Act.
  - (b) In order to recall an elected official under this Act, the organizer of the petitions of the recall must (1) reside within the jurisdiction that the official represents and (2) file with the local election authority petitions meeting the following signature requirements of voters registered in that jurisdiction supporting the recall: signatures representing 25% of the votes cast in that jurisdiction in the last election for Governor or 10,000 signatures of residents of the jurisdiction, whichever is less.
  - Before circulating petitions for a recall election, the petitioner must file with the appropriate election authority. Such filing shall contain the name of the petitioner requesting the recall, the officeholder to be recalled, and the reason for the recall. Circulation of petitions may only begin after the

- 1 filing of the intent to recall. The recall petitions shall
- 2 follow the same general format as petitions for running for
- 3 office, but shall include the words "RECALL PETITION" on the
- 4 top of each form with the reason for the recall also printed on
- 5 the form.
- 6 The intent to recall may be filed any time after an
- 7 officeholder has been in office for more than one year. Recall
- 8 petitions can only be circulated between 120 and 180 days
- 9 before a general consolidated election and after the intent to
- 10 recall has been filed. Petitions can be filed anytime between
- 11 120 and 180 days before a general consolidated election.
- 12 (c) All recall elections under this Act shall be conducted
- during consolidated elections. The ballot question or the
- 14 recall shall read as follows:
- "Should (elected official) be recalled from (his or her)
- positions as (title of position)? (YES/NO)
- If (elected official) is recalled, who do you support to
- 18 replace (him or her)?
- 19 (Elected official).
- (Candidate).
- 21 (Candidate)."
- 22 (d) Replacement candidates wishing to be listed on the
- 23 recall ballot shall be certified under the same procedures as
- 24 if they were running for the applicable office in a standard
- 25 election, except for the petition circulation and filing of
- 26 petitions shall only be between the time the intent to recall

- is filed and 90 days before the election. Candidates running to replace the recalled officeholder shall state clearly on their petitions which officeholder they are seeking to replace.
  - (e) There shall be no primary or runoff election after a recall election. The top vote-getter or vote-getters in the recall election shall replace the elected official or officials that were recalled.
  - (f) The procedure to be certified to run in the recall election shall be the same as being nominated and certified in the standard election for the office to be filled. Challenges to recall petitions shall follow the same procedures as challenges to petitions under the Election Code.
  - (g) If multiple officeholders from the same public office or district are being recalled, each recall question must be asked separately. All candidates running as replacements for that office and the current officeholder shall be on the ballot beneath the recall question.
