14 (b) Subject to the other provisions of this subsection (b)
15 and subsection (c) of this Section, an eligible applicant to
16 which this Section applies is entitled to enter into, remain
17 at, and receive instruction at a State university upon the same
18 conditions, qualifications, and rules prescribed for other
19 applicants for admission to or students at the State university
20 without the payment of any tuition and fees for 124 semester
21 credit hours at the State university. The maximum amount that
22 an eligible applicant is exempt from paying for a semester hour
23 is an amount equal to the cost of an undergraduate semester
24 credit hour at the State university in which the eligible
25 applicant enrolls.

26 This subsection (b) applies only to an individual who

1 qualifies for a benefit under this Section because of a father
2 or mother who enlisted or otherwise initially served in the
3 armed forces of the United States. Subject to the other
4 provisions of this subsection (b), any benefits awarded under
5 this Section may not be renewed if the eligible individual
6 fails to maintain at least the following cumulative grade point
7 average:

8 (1) For credit hours applicable to the equivalent of
9 the applicant's freshman academic year, a cumulative grade
10 point average that the State university determines is
11 satisfactory academic progress.

12 (2) For credit hours applicable to the equivalent of
13 the applicant's sophomore academic year, a cumulative
14 grade point average of 2.25 on a 4.0 grading scale or its
15 equivalent as established by the State university.

16 (3) For credit hours applicable to the equivalent of
17 the applicant's junior or senior academic year, a
18 cumulative grade point average of 2.5 on a 4.0 grading
19 scale or its equivalent as established by the State
20 university.

21 After the first semester or its equivalent at the State
22 university that a person does not achieve the requisite
23 cumulative grade point average specified in this subsection
24 (b), the person is considered to be on probation and must
25 achieve the requisite cumulative grade point average by the
26 next semester or its equivalent at the State university in

1 order to continue to receive benefits under this Section.

2 (c) This subsection (c) applies to an individual who
3 qualifies as an eligible applicant under subdivision (2) of
4 subsection (a) of this Section because the individual's father
5 or mother (i) enlisted or otherwise initially served in the
6 armed forces of the United States after June 30, 2011 and (ii)
7 suffered a disability as determined by the United States
8 Department of Veterans Affairs. This subsection (c) does not
9 apply to an individual who (i) is an eligible applicant under
10 subdivision (2) of subsection (a) of this Section and (ii)
11 qualifies as an eligible applicant under subdivision (1) of
12 subsection (a) of this Section.

13 Subject to the other provisions of this subsection (c) and
14 subsection (b) of this Section, the eligible applicant is
15 entitled to a reduction in the tuition and fees that would
16 otherwise apply as follows:

17 (1) If the individual's father or mother suffered a
18 disability as determined by the United States Department of
19 Veterans Affairs with a rating of 80% or more, the
20 individual is entitled to a 100% reduction in education
21 costs.

22 (2) If the individual's father or mother suffered a
23 disability as determined by the United States Department of
24 Veterans Affairs with a rating of less than 80%, the
25 individual is entitled to a reduction in education costs
26 equal to the sum of 20%, plus the disability rating of the

1 individual's father or mother.

2 The latest disability rating determined by the United
3 States Department of Veterans Affairs for an individual's
4 father or mother shall be used to compute the percentage by
5 which education costs are reduced under this subsection (c). If
6 the disability rating of the individual's father or mother
7 changes after the beginning of an academic semester, quarter,
8 or other period for which tuition and fees have been reduced
9 under this subsection (c), the change in disability rating
10 shall be applied beginning with the immediately following
11 academic semester, quarter, or other period.

12 (d) The Commission may adopt any rules necessary to
13 implement this Section.
