Sen. Julie A. Morrison

Filed: 5/6/2016

AMENDMENT TO HOUSE BILL 3549

AMENDMENT NO. _____. Amend House Bill 3549, AS AMENDED, by replacing everything after the enacting clause with the following:

"Section 5. The Health Maintenance Organization Act is amended by changing Section 5-3 as follows:

(215 ILCS 125/5-3) (from Ch. 111 1/2, par. 1411.2)

Sec. 5-3. Insurance Code provisions.

(a) Health Maintenance Organizations shall be subject to the provisions of Sections 133, 134, 136, 137, 139, 140, 141.1, 141.2, 141.3, 143, 143c, 147, 148, 149, 151, 152, 153, 154, 154.5, 154.6, 154.7, 154.8, 155.04, 155.22a, 355.2, 355.3, 355b, 356g.5-1, 356m, 356v, 356w, 356x, 356y, 356z.2, 356z.4, 356z.5, 356z.6, 356z.8, 356z.9, 356z.10, 356z.11, 356z.12, 356z.13, 356z.14, 356z.15, 356z.17, 356z.18, 356z.19, 356z.21, 356z.22, 364, 364.01, 367.2, 367.2-5, 367i, 368a, 368b, 368c,

368d, 368e, 370c, 370c.1, 401, 401.1, 402, 403, 403A, 408, 408.2, 409, 412, 444, and 444.1, paragraph (c) of subsection (2) of Section 367, and Articles IIA, VIII 1/2, XII, XII 1/2, XIII, XIII 1/2, XXV, and XXVI of the Illinois Insurance Code.

(b) For purposes of the Illinois Insurance Code, except for Sections 444 and 444.1 and Articles XIII and XIII 1/2, Health Maintenance Organizations in the following categories are deemed to be "domestic companies":

(1) a corporation authorized under the Dental Service Plan Act or the Voluntary Health Services Plans Act;

(2) a corporation organized under the laws of this State; or

(3) a corporation organized under the laws of another state, 30% or more of the enrollees of which are residents of this State, except a corporation subject to substantially the same requirements in its state of organization as is a "domestic company" under Article VIII 1/2 of the Illinois Insurance Code.

(c) In considering the merger, consolidation, or other acquisition of control of a Health Maintenance Organization pursuant to Article VIII 1/2 of the Illinois Insurance Code,

(1) the Director shall give primary consideration to the continuation of benefits to enrollees and the financial conditions of the acquired Health Maintenance Organization after the merger, consolidation, or other acquisition of control takes effect;

(2)(i) the criteria specified in subsection (1)(b) of Section 131.8 of the Illinois Insurance Code shall not apply and (ii) the Director, in making his determination with respect to the merger, consolidation, or other acquisition of control, need not take into account the effect on competition of the merger, consolidation, or other acquisition of control;

(3) the Director shall have the power to require the following information:

(A) certification by an independent actuary of the adequacy of the reserves of the Health Maintenance Organization sought to be acquired;

(B) pro forma financial statements reflecting the combined balance sheets of the acquiring company and the Health Maintenance Organization sought to be acquired as of the end of the preceding year and as of a date 90 days prior to the acquisition, as well as pro forma financial statements reflecting projected combined operation for a period of 2 years;

(C) a pro forma business plan detailing an acquiring party's plans with respect to the operation of the Health Maintenance Organization sought to be acquired for a period of not less than 3 years; and

(D) such other information as the Director shall require.

(d) The provisions of Article VIII 1/2 of the Illinois

Insurance Code and this Section 5-3 shall apply to the sale by any health maintenance organization of greater than 10% of its enrollee population (including without limitation the health maintenance organization's right, title, and interest in and to its health care certificates).

(e) In considering any management contract or service agreement subject to Section 141.1 of the Illinois Insurance Code, the Director (i) shall, in addition to the criteria specified in Section 141.2 of the Illinois Insurance Code, take into account the effect of the management contract or service agreement on the continuation of benefits to enrollees and the financial condition of the health maintenance organization to be managed or serviced, and (ii) need not take into account the effect of the management contract or service agreement on competition.

(f) Except for small employer groups as defined in the Small Employer Rating, Renewability and Portability Health Insurance Act and except for medicare supplement policies as defined in Section 363 of the Illinois Insurance Code, a Health Maintenance Organization may by contract agree with a group or other enrollment unit to effect refunds or charge additional premiums under the following terms and conditions:

(i) the amount of, and other terms and conditions with respect to, the refund or additional premium are set forth in the group or enrollment unit contract agreed in advance of the period for which a refund is to be paid or

additional premium is to be charged (which period shall not be less than one year); and

(ii) the amount of the refund or additional premium shall not exceed 20% of the Health Maintenance Organization's profitable or unprofitable experience with respect to the group or other enrollment unit for the period (and, for purposes of a refund or additional premium, the profitable or unprofitable experience shall be calculated taking into account a pro rata share of the Health Maintenance Organization's administrative and marketing expenses, but shall not include any refund to be made or additional premium to be paid pursuant to this subsection (f)). The Health Maintenance Organization and the group or enrollment unit may agree that the profitable or unprofitable experience may be calculated taking into account the refund period and the immediately preceding 2 plan years.

The Health Maintenance Organization shall include a statement in the evidence of coverage issued to each enrollee describing the possibility of a refund or additional premium, and upon request of any group or enrollment unit, provide to the group or enrollment unit a description of the method used to calculate (1) the Health Maintenance Organization's profitable experience with respect to the group or enrollment unit and the resulting refund to the group or enrollment unit or (2) the Health Maintenance Organization's unprofitable

experience with respect to the group or enrollment unit and the resulting additional premium to be paid by the group or enrollment unit.

In no event shall the Illinois Health Maintenance Organization Guaranty Association be liable to pay any contractual obligation of an insolvent organization to pay any refund authorized under this Section.

(g) Rulemaking authority to implement Public Act 95-1045, if any, is conditioned on the rules being adopted in accordance with all provisions of the Illinois Administrative Procedure Act and all rules and procedures of the Joint Committee on Administrative Rules; any purported rule not so adopted, for whatever reason, is unauthorized.

Section 10. The Managed Care Reform and Patient Rights Act is amended by changing Section 45.1 as follows:

(215 ILCS 134/45.1)

Sec. 45.1. Medical exceptions procedures required.

(a) Notwithstanding any other provision of law, on or after the effective date of this amendatory Act of the 99th General Assembly, every insurer licensed in this State to sell a policy

of group or individual accident and health insurance or a health benefits plan shall ~~Every health carrier that offers a qualified health plan, as defined in the federal Patient Protection and Affordable Care Act of 2010 (Public Law 111-148), as amended by the federal Health Care and Education Reconciliation Act of 2010 (Public Law 111-152), and any amendments thereto, or regulations or guidance issued under those Acts (collectively, "the Federal Act"), directly to consumers in this State shall~~ establish and maintain a medical exceptions process that allows covered persons or their authorized representatives to request any clinically appropriate prescription drug when (1) the drug is not covered based on the health benefit plan's formulary; (2) the health benefit plan is discontinuing coverage of the drug on the plan's formulary for reasons other than safety or other than because the prescription drug has been withdrawn from the market by the drug's manufacturer; (3) the prescription drug alternatives required to be used in accordance with a step therapy requirement (A) has been ineffective in the treatment of the enrollee's disease or medical condition or, based on both sound clinical evidence and medical and scientific evidence, the known relevant physical or mental characteristics of the enrollee, and the known characteristics of the drug regimen, is likely to be ineffective or adversely affect the drug's effectiveness or patient compliance or (B) has caused or, based on sound medical evidence, is likely to

cause an adverse reaction or harm to the enrollee; or (4) the number of doses available under a dose restriction for the prescription drug (A) has been ineffective in the treatment of the enrollee's disease or medical condition or (B) based on both sound clinical evidence and medical and scientific evidence, the known relevant physical and mental characteristics of the enrollee, and known characteristics of the drug regimen, is likely to be ineffective or adversely affect the drug's effective or patient compliance.

(b) The health carrier's established medical exceptions procedures must require, at a minimum, the following:

(1) Any request for approval of coverage made verbally or in writing (regardless of whether made using a paper or electronic form or some other writing) at any time shall be reviewed by appropriate health care professionals.

(2) The health carrier must, within 72 hours after receipt of a request made under subsection (a) of this Section, either approve or deny the request. In the case of a denial, the health carrier shall provide the covered person or the covered person's authorized representative and the covered person's prescribing provider with the reason for the denial, an alternative covered medication, if applicable, and information regarding the procedure for submitting an appeal to the denial.

(3) In the case of an expedited coverage determination, the health carrier must either approve or deny the request

within 24 hours after receipt of the request. In the case of a denial, the health carrier shall provide the covered person or the covered person's authorized representative and the covered person's prescribing provider with the reason for the denial, an alternative covered medication, if applicable, and information regarding the procedure for submitting an appeal to the denial.

(c) A step therapy requirement exception request shall be approved if:

(1) the required prescription drug is contraindicated;

(2) the patient has tried the required prescription drug while under the patient's current or previous health insurance or health benefit plan and the prescribing provider submits evidence of failure or intolerance; or

(3) the patient is stable on a prescription drug selected by his or her health care provider for the medical condition under consideration while on a current or previous health insurance or health benefit plan.

(d) Upon the granting of an exception request, the insurer, health plan, utilization review organization, or other entity shall authorize the coverage for the drug prescribed by the enrollee's treating health care provider, to the extent the prescribed drug is a covered drug under the policy or contract up to the quantity covered.

(e) Any approval of a medical exception request made pursuant to this Section shall be honored for 12 months

following the date of the approval or until renewal of the plan.

(f) ~~(e)~~ Notwithstanding any other provision of this Section, nothing in this Section shall be interpreted or implemented in a manner not consistent with the federal Patient Protection and Affordable Care Act of 2010 (Public Law 111-148), as amended by the federal Health Care and Education Reconciliation Act of 2010 (Public Law 111-152), and any amendments thereto, or regulations or guidance issued under those Acts ~~Federal Act~~.

(g) Nothing in this Section shall require or authorize the State agency responsible for the administration of the medical assistance program established under the Illinois Public Aid Code to approve, supply, or cover prescription drugs pursuant to the procedure established in this Section.
