2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 (20 ILCS 2310/2310-685 rep.)

5 Section 5. The Department of Public Health Powers and  
6 Duties Law of the Civil Administrative Code of Illinois is  
7 amended by repealing Section 2310-685.

8 Section 10. The Illinois Health Facilities Planning Act is  
9 amended by changing Section 5.3 as follows:

10 (20 ILCS 3960/5.3)

11 (Section scheduled to be repealed on December 31, 2019)

12 Sec. 5.3. Annual report of capital expenditures.

13 (a) In addition to the State Board's authority to require  
14 reports, the State Board shall require each health care  
15 facility to submit an annual report of all capital expenditures  
16 in excess of \$200,000 (which shall be annually adjusted to  
17 reflect the increase in construction costs due to inflation)  
18 made by the health care facility during the most recent year.  
19 This annual report shall consist of a brief description of the  
20 capital expenditure, the amount and method of financing the  
21 capital expenditure, the certificate of need project number if  
22 the project was reviewed, and the total amount of capital

1 expenditures obligated for the year. Data collected from health  
2 care facilities pursuant to this Section shall not duplicate or  
3 overlap other data collected by the Department and must be  
4 collected as part of the State Board's Annual Questionnaires or  
5 supplements for health care facilities that report these data.

6 (b) (1) For the purposes of this subsection (b), "capital  
7 expenditures" means only expenditures required under  
8 subsection (a) for the erection, building, alteration,  
9 reconstruction, modernization, improvement, extension, or  
10 demolition of or by a hospital.

11 (2) If a hospital under the University of Illinois Hospital  
12 Act or Hospital Licensing Act that has more than 100 beds  
13 reports capital expenditures at or above the amount required  
14 under subsection (a), then the hospital shall also meet the  
15 reporting requirements under this subsection (b) for  
16 female-owned, minority-owned, veteran-owned, and small  
17 business enterprises with respect to those reported capital  
18 expenditures.

19 (3) Each hospital shall include the following information  
20 in its annual report:

21 (A) The hospital's capital expenditure spending goals  
22 for female-owned, minority-owned, veteran-owned, and small  
23 business enterprises. These goals shall be expressed as a  
24 percentage of total capital expenditures reported by the  
25 hospital submitting the report.

26 (B) The hospital's actual capital expenditure spending

1 for female-owned, minority-owned, veteran-owned, and small  
2 business enterprises. These actual expenditures shall be  
3 expressed as a percentage of total capital expenditures  
4 reported by the hospital submitting the report. The report  
5 may include actual spending on female-owned,  
6 minority-owned, veteran-owned, and small business  
7 enterprises that is less than the capital expenditure  
8 threshold required to be reported under subsection (a) of  
9 this Section.

10 (C) The type or types of capital expenditure for which  
11 the hospital shall be actively seeking supplier diversity  
12 in the next year.

13 (D) An outline of the plan developed to alert and  
14 encourage female-owned, minority-owned, veteran-owned, and  
15 small business enterprises providing the type or types of  
16 services identified in subparagraph (C) to seek business  
17 from the hospital.

18 (E) An explanation of the challenges faced in finding  
19 quality vendors and any suggestions for what the Health  
20 Facilities and Services Review Board could do to be helpful  
21 to identify those vendors.

22 (F) A list of the certifications the hospital  
23 recognizes.

24 (G) The point of contact for any potential vendor who  
25 wishes to do business with the hospital and an explanation  
26 of the process for a vendor to enroll with the hospital as

1 a female-owned, minority-owned, veteran-owned, or small  
2 business enterprise.

3 (H) Any particular success stories to encourage other  
4 hospitals to emulate best practices.

5 (4) A health care system may develop a system-wide annual  
6 report that includes all hospitals in order to comply with the  
7 requirements of this subsection (b). Each annual report shall  
8 include as much State-specific data as possible. If the  
9 submitting entity does not submit State-specific data, then the  
10 hospital shall include any national data it does have and  
11 explain why it could not submit State-specific data and how it  
12 intends to do so in future reports, if possible.

13 (5) Subject to appropriation, the Department of Central  
14 Management Services shall hold an annual workshop open to the  
15 public in 2017 and every year thereafter on the state of  
16 supplier diversity to collaboratively seek solutions to  
17 structural impediments to achieving stated goals, including  
18 testimony from subject matter experts.

19 (6) The Health Facilities and Services Review Board shall  
20 publish a database on its website of the point of contact for  
21 each hospital for supplier diversity, along with a list of  
22 certifications each hospital recognizes from the information  
23 submitted in each annual report. The Health Facilities and  
24 Services Review Board shall publish each annual report on its  
25 website and shall maintain each annual report for at least 5  
26 years.

1       (7) Notwithstanding any other provision of law, the Health  
2 Facilities and Services Review Board shall not inquire about,  
3 review, obtain, or in any other way consider the information  
4 provided in this Section when reviewing an application for a  
5 permit or exemption or in taking any other action under this  
6 Act.

7       (8) The annual report required under this subsection (b)  
8 shall be submitted by each hospital for its fiscal years that  
9 begin at least 6 months after the effective date of this  
10 amendatory Act of the 99th General Assembly.
