4 Section 5. The State Police Act is amended by adding
5 Section 17b as follows:

6 (20 ILCS 2610/17b new)

7 Sec. 17b. Retiring officer; purchase of service firearm and
8 police badge. The Director of State Police shall establish a
9 program to allow a State Police officer who is honorably
10 retiring in good standing to purchase either or both of the
11 following: (i) any State Police badge previously issued to that
12 officer or (ii) if the officer has a currently valid Firearm
13 Owner's Identification Card, the service firearm issued or
14 previously issued to the officer by the Department of State
15 Police. The cost of the firearm purchased shall be the
16 replacement value of the firearm and not the firearm's fair
17 market value.

18 Section 10. The State Property Control Act is amended by
19 changing Section 7 as follows:

20 (30 ILCS 605/7) (from Ch. 127, par. 133b10)

21 Sec. 7. Disposition of transferable property.

1 (a) Except as provided in subsection (c), whenever a
2 responsible officer considers it advantageous to the State to
3 dispose of transferable property by trading it in for credit on
4 a replacement of like nature, the responsible officer shall
5 report the trade-in and replacement to the administrator on
6 forms furnished by the latter. The exchange, trade or transfer
7 of "textbooks" as defined in Section 18-17 of the School Code
8 between schools or school districts pursuant to regulations
9 adopted by the State Board of Education under that Section
10 shall not constitute a disposition of transferable property
11 within the meaning of this Section, even though such exchange,
12 trade or transfer occurs within 5 years after the textbooks are
13 first provided for loan pursuant to Section 18-17 of the School
14 Code.

15 (b) Except as provided in subsection (c), whenever it is
16 deemed necessary to dispose of any item of transferable
17 property, the administrator shall proceed to dispose of the
18 property by sale or scrapping as the case may be, in whatever
19 manner he considers most advantageous and most profitable to
20 the State. Items of transferable property which would
21 ordinarily be scrapped and disposed of by burning or by burial
22 in a landfill may be examined and a determination made whether
23 the property should be recycled. This determination and any
24 sale of recyclable property shall be in accordance with rules
25 promulgated by the Administrator.

26 When the administrator determines that property is to be

1 disposed of by sale, he shall offer it first to the
2 municipalities, counties, and school districts of the State and
3 to charitable, not-for-profit educational and public health
4 organizations, including but not limited to medical
5 institutions, clinics, hospitals, health centers, schools,
6 colleges, universities, child care centers, museums, nursing
7 homes, programs for the elderly, food banks, State Use
8 Sheltered Workshops and the Boy and Girl Scouts of America, for
9 purchase at an appraised value. Notice of inspection or viewing
10 dates and property lists shall be distributed in the manner
11 provided in rules and regulations promulgated by the
12 Administrator for that purpose.

13 Electronic data processing equipment purchased and charged
14 to appropriations may, at the discretion of the administrator,
15 be sold, pursuant to contracts entered into by the Director of
16 Central Management Services or the heads of agencies exempt
17 from "The Illinois Purchasing Act". However such equipment
18 shall not be sold at prices less than the purchase cost thereof
19 or depreciated value as determined by the administrator. No
20 sale of the electronic data processing equipment and lease to
21 the State by the purchaser of such equipment shall be made
22 under this Act unless the Director of Central Management
23 Services finds that such contracts are financially
24 advantageous to the State.

25 Disposition of other transferable property by sale, except
26 sales directly to local governmental units, school districts,

1 and not-for-profit educational, charitable and public health
2 organizations, shall be subject to the following minimum
3 conditions:

4 (1) The administrator shall cause the property to be
5 advertised for sale to the highest responsible bidder,
6 stating time, place, and terms of such sale at least 7 days
7 prior to the time of sale and at least once in a newspaper
8 having a general circulation in the county where the
9 property is to be sold.

10 (2) If no acceptable bids are received, the
11 administrator may then sell the property in whatever manner
12 he considers most advantageous and most profitable to the
13 State.

14 (c) Notwithstanding any other provision of this Act, an
15 agency covered by this Act may transfer books, serial
16 publications, or other library materials that are transferable
17 property, or that have been withdrawn from the agency's library
18 collection through a regular collection evaluation process, to
19 any of the following entities:

20 (1) Another agency covered by this Act located in
21 Illinois.

22 (2) A State supported university library located in
23 Illinois.

24 (3) A tax-supported public library located in
25 Illinois, including a library established by a public
26 library district.

1 (4) A library system organized under the Illinois
2 Library System Act or any library located in Illinois that
3 is a member of such a system.

4 (5) A non-profit agency, located in or outside
5 Illinois.

6 A transfer of property under this subsection is not subject
7 to the requirements of subsection (a) or (b).

8 In addition, an agency covered by this Act may sell or
9 exchange books, serial publications, and other library
10 materials that have been withdrawn from its library collection
11 through a regular collection evaluation process. Those items
12 may be sold to the public at library book sales or to book
13 dealers or may be offered through exchange to book dealers or
14 other organizations. Revenues generated from the sale of
15 withdrawn items shall be retained by the agency in a separate
16 account to be used solely for the purchase of library
17 materials; except that in the case of the State Library,
18 revenues from the sale of withdrawn items shall be deposited
19 into the State Library Fund to be used for the purposes stated
20 in Section 25 of the State Library Act.

21 For purposes of this subsection (c), "library materials"
22 means physical entities of any substance that serve as carriers
23 of information, including, without limitation, books, serial
24 publications, periodicals, microforms, graphics, audio or
25 video recordings, and machine readable data files.

26 (d) Notwithstanding any other provision of this Act, the

1 Director of State Police may dispose of a service firearm or
2 police badge issued or previously issued to a retiring State
3 Police officer as provided in Section 17b of the State Police
4 Act.
