2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section  
5 3A-3 as follows:

6 (105 ILCS 5/3A-3) (from Ch. 122, par. 3A-3)

7 Sec. 3A-3. Voluntary consolidation of educational service  
8 regions. Any 2 or more educational service regions may be  
9 consolidated into a single region in the ~~the~~ manner provided in  
10 this Section. All of the territory of any educational service  
11 region shall be determined by county boundaries, but  
12 supervision and control over school districts that are divided  
13 by a county line shall be determined under Section 3-14.2 of  
14 this Act.

15 Each regional superintendent of a region that does not  
16 conform to the population requirements of Section 3A-4 and  
17 seeks voluntary consolidation under this Section shall appoint  
18 a nonpartisan citizens committee consisting of 5 members to  
19 consider the advisability of such a consolidation. Such  
20 regional superintendent shall serve as ex officio secretary to  
21 the citizens committee. This citizens committee may petition  
22 the regional board of school trustees serving each of the  
23 regions involved for consolidation of those regions into a

1 single educational service region. When such a petition is  
2 filed, the regional board of school trustees shall conduct a  
3 hearing on the petition, after notice of the hearing has been  
4 published once, not more than 15 nor less than 10 days before  
5 the day of the hearing, in a newspaper having general  
6 circulation in the region. The secretary of the regional board  
7 of school trustees shall also notify the secretary of each  
8 school board affected by the proposed consolidation, the  
9 chairman of the county board of each county affected thereby  
10 and the State Board of Education that such petition has been  
11 filed. The notice shall state the date when the petition was  
12 filed, the prayer of the petition and the date, time and place  
13 of the hearing. Such hearing shall be held jointly by all of  
14 the regional boards of school trustees affected by such  
15 petition and the State Board of Education shall arrange for  
16 such joint hearing and pay the expenses thereof. Evidence  
17 admissible at the hearing shall include, but not be limited to,  
18 the school needs and conditions in the territory affected by  
19 the proposed consolidation, whether or not such area is compact  
20 and contiguous; and whether or not the proposed consolidation  
21 would be in the best interests of the schools of the area and  
22 the educational welfare of the pupils of such schools. At the  
23 hearing each resident of the region shall have the rights  
24 provided for residents under Section 7-6 and the final order of  
25 the regional board of school trustees shall be subject to  
26 review as provided in Sections 7-6 and 7-7.

1           Within 10 days after the conclusion of the joint hearing  
2 each regional board of school trustees shall meet and render a  
3 decision with regard to the hearing on the petition. A copy of  
4 the final order of each regional board of school trustees shall  
5 be filed with the State Board of Education within 30 days after  
6 the conclusion of the joint hearing. If the regional board of  
7 school trustees in each of those regions enters an order  
8 approving the consolidation, those regions shall be  
9 consolidated into a single educational service region, and the  
10 State Board of Education shall authorize the establishment of  
11 such single educational service region and to notify all  
12 interested parties, including the county clerks of the counties  
13 affected thereby and the State Board of Elections.
