1 AMENDMENT TO HOUSE BILL 5293

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 5293 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Insurance Code is amended by  
5 changing Section 356z.3a as follows:

6 (215 ILCS 5/356z.3a)

7 Sec. 356z.3a. Nonparticipating facility-based physicians  
8 and providers.

9 (a) For purposes of this Section, "facility-based  
10 provider" means a physician or other provider who provide  
11 radiology, anesthesiology, pathology, neonatology, or  
12 emergency department services to insureds, beneficiaries, or  
13 enrollees in a participating hospital, ~~or~~ participating  
14 ambulatory surgical treatment center, specialty hospital, or  
15 urgent care center.

16 (b) When a beneficiary, insured, or enrollee utilizes a

1 participating network hospital, ~~or~~ a participating network  
2 ambulatory surgery center, a specialty hospital, or an urgent  
3 care center and, due to any reason, in network services for  
4 radiology, anesthesiology, pathology, emergency physician, or  
5 neonatology are unavailable and are provided by a  
6 nonparticipating facility-based physician or provider, the  
7 insurer or health plan shall ensure that the beneficiary,  
8 insured, or enrollee shall incur no greater out-of-pocket costs  
9 than the beneficiary, insured, or enrollee would have incurred  
10 with a participating physician or provider for covered  
11 services.

12 (c) If a beneficiary, insured, or enrollee agrees in  
13 writing, notwithstanding any other provision of this Code, any  
14 benefits a beneficiary, insured, or enrollee receives for  
15 services under the situation in subsection (b) are assigned to  
16 the nonparticipating facility-based providers. The insurer or  
17 health plan shall provide the nonparticipating provider with a  
18 written explanation of benefits that specifies the proposed  
19 reimbursement and the applicable deductible, copayment or  
20 coinsurance amounts owed by the insured, beneficiary or  
21 enrollee. The insurer or health plan shall pay any  
22 reimbursement directly to the nonparticipating facility-based  
23 provider. The nonparticipating facility-based physician or  
24 provider shall not bill the beneficiary, insured, or enrollee,  
25 except for applicable deductible, copayment, or coinsurance  
26 amounts that would apply if the beneficiary, insured, or

1 enrollee utilized a participating physician or provider for  
2 covered services. If a beneficiary, insured, or enrollee  
3 specifically rejects assignment under this Section in writing  
4 to the nonparticipating facility-based provider, then the  
5 nonparticipating facility-based provider may bill the  
6 beneficiary, insured, or enrollee for the services rendered.

7 (d) For bills assigned under subsection (c), the  
8 nonparticipating facility-based provider may bill the insurer  
9 or health plan for the services rendered, and the insurer or  
10 health plan may pay the billed amount or attempt to negotiate  
11 reimbursement with the nonparticipating facility-based  
12 provider. If attempts to negotiate reimbursement for services  
13 provided by a nonparticipating facility-based provider do not  
14 result in a resolution of the payment dispute within 30 days  
15 after receipt of written explanation of benefits by the insurer  
16 or health plan, then an insurer or health plan or  
17 nonparticipating facility-based physician or provider may  
18 initiate binding arbitration to determine payment for services  
19 provided on a per bill basis. The party requesting arbitration  
20 shall notify the other party arbitration has been initiated and  
21 state its final offer before arbitration. In response to this  
22 notice, the nonrequesting party shall inform the requesting  
23 party of its final offer before the arbitration occurs.  
24 Arbitration shall be initiated by filing a request with the  
25 Department of Insurance.

26 (e) The Department of Insurance shall publish a list of

1 approved arbitrators or entities that shall provide binding  
2 arbitration. These arbitrators shall be American Arbitration  
3 Association or American Health Lawyers Association trained  
4 arbitrators. Both parties must agree on an arbitrator from the  
5 Department of Insurance's list of arbitrators. If no agreement  
6 can be reached, then a list of 5 arbitrators shall be provided  
7 by the Department of Insurance. From the list of 5 arbitrators,  
8 the insurer can veto 2 arbitrators and the provider can veto 2  
9 arbitrators. The remaining arbitrator shall be the chosen  
10 arbitrator. This arbitration shall consist of a review of the  
11 written submissions by both parties. Binding arbitration shall  
12 provide for a written decision within 45 days after the request  
13 is filed with the Department of Insurance. Both parties shall  
14 be bound by the arbitrator's decision. The arbitrator's  
15 expenses and fees, together with other expenses, not including  
16 attorney's fees, incurred in the conduct of the arbitration,  
17 shall be paid as provided in the decision.

18 (f) This Section 356z.3a does not apply to a beneficiary,  
19 insured, or enrollee who willfully chooses to access a  
20 nonparticipating facility-based physician or provider for  
21 health care services available through the insurer's or plan's  
22 network of participating physicians and providers. In these  
23 circumstances, the contractual requirements for  
24 nonparticipating facility-based provider reimbursements will  
25 apply.

26 (g) Section 368a of this Act shall not apply during the

1 pendency of a decision under subsection (d) any interest  
2 required to be paid a provider under Section 368a shall not  
3 accrue until after 30 days of an arbitrator's decision as  
4 provided in subsection (d), but in no circumstances longer than  
5 150 days from date the nonparticipating facility-based  
6 provider billed for services rendered.

7 (h) Nothing in this Section shall be interpreted to change  
8 the prudent layperson provisions with respect to emergency  
9 services under the Managed Care Reform and Patient Rights Act.

10 (i) A participating hospital shall post on its website:

11 (1) the names and hyperlinks for direct access to the  
12 websites of all health insurers and health maintenance  
13 organizations for which the hospital contracts as a network  
14 provider or participating provider;

15 (2) a statement that:

16 (A) services provided in the hospital by health  
17 care practitioners may not be included in the  
18 hospital's charges;

19 (B) health care practitioners who provide services  
20 in the hospital may or may not participate in the same  
21 health insurance plans as the hospital; and

22 (C) prospective patients should contact the health  
23 care practitioner arranging for the services to  
24 determine the health care plans in which the health  
25 care practitioner participates; and

26 (3) as applicable, the names, mailing addresses, and

1       telephone numbers of the health care practitioners and  
2       practice groups that the hospital has contracted with to  
3       provide services in the hospital and instructions on how to  
4       contact these health care practitioners and practice  
5       groups to determine the health insurers and health  
6       maintenance organizations for which the hospital contracts  
7       as a network provider or participating provider.
