1 AMENDMENT TO HOUSE BILL 6213

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 6213 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Public Aid Code is amended by  
5 changing Section 5-30.1 and by adding Section 5-30.3 as  
6 follows:

7 (305 ILCS 5/5-30.1)

8 Sec. 5-30.1. Managed care protections.

9 (a) As used in this Section:

10 "Managed care organization" or "MCO" means any entity which  
11 contracts with the Department to provide services where payment  
12 for medical services is made on a capitated basis.

13 "Emergency services" include:

14 (1) emergency services, as defined by Section 10 of the  
15 Managed Care Reform and Patient Rights Act;

16 (2) emergency medical screening examinations, as

1 defined by Section 10 of the Managed Care Reform and  
2 Patient Rights Act;

3 (3) post-stabilization medical services, as defined by  
4 Section 10 of the Managed Care Reform and Patient Rights  
5 Act; and

6 (4) emergency medical conditions, as defined by  
7 Section 10 of the Managed Care Reform and Patient Rights  
8 Act.

9 (b) As provided by Section 5-16.12, managed care  
10 organizations are subject to the provisions of the Managed Care  
11 Reform and Patient Rights Act.

12 (c) An MCO shall pay any provider of emergency services  
13 that does not have in effect a contract with the contracted  
14 Medicaid MCO. The default rate of reimbursement shall be the  
15 rate paid under Illinois Medicaid fee-for-service program  
16 methodology, including all policy adjusters, including but not  
17 limited to Medicaid High Volume Adjustments, Medicaid  
18 Percentage Adjustments, Outpatient High Volume Adjustments,  
19 and all outlier add-on adjustments to the extent such  
20 adjustments are incorporated in the development of the  
21 applicable MCO capitated rates.

22 (d) An MCO shall pay for all post-stabilization services as  
23 a covered service in any of the following situations:

24 (1) the MCO authorized such services;

25 (2) such services were administered to maintain the  
26 enrollee's stabilized condition within one hour after a

1 request to the MCO for authorization of further  
2 post-stabilization services;

3 (3) the MCO did not respond to a request to authorize  
4 such services within one hour;

5 (4) the MCO could not be contacted; or

6 (5) the MCO and the treating provider, if the treating  
7 provider is a non-affiliated provider, could not reach an  
8 agreement concerning the enrollee's care and an affiliated  
9 provider was unavailable for a consultation, in which case  
10 the MCO must pay for such services rendered by the treating  
11 non-affiliated provider until an affiliated provider was  
12 reached and either concurred with the treating  
13 non-affiliated provider's plan of care or assumed  
14 responsibility for the enrollee's care. Such payment shall  
15 be made at the default rate of reimbursement paid under  
16 Illinois Medicaid fee-for-service program methodology,  
17 including all policy adjusters, including but not limited  
18 to Medicaid High Volume Adjustments, Medicaid Percentage  
19 Adjustments, Outpatient High Volume Adjustments and all  
20 outlier add-on adjustments to the extent that such  
21 adjustments are incorporated in the development of the  
22 applicable MCO capitated rates.

23 (e) The following requirements apply to MCOs in determining  
24 payment for all emergency services:

25 (1) MCOs shall not impose any requirements for prior  
26 approval of emergency services.

1           (2) The MCO shall cover emergency services provided to  
2           enrollees who are temporarily away from their residence and  
3           outside the contracting area to the extent that the  
4           enrollees would be entitled to the emergency services if  
5           they still were within the contracting area.

6           (3) The MCO shall have no obligation to cover medical  
7           services provided on an emergency basis that are not  
8           covered services under the contract.

9           (4) The MCO shall not condition coverage for emergency  
10          services on the treating provider notifying the MCO of the  
11          enrollee's screening and treatment within 10 days after  
12          presentation for emergency services.

13          (5) The determination of the attending emergency  
14          physician, or the provider actually treating the enrollee,  
15          of whether an enrollee is sufficiently stabilized for  
16          discharge or transfer to another facility, shall be binding  
17          on the MCO. The MCO shall cover emergency services for all  
18          enrollees whether the emergency services are provided by an  
19          affiliated or non-affiliated provider.

20          (6) The MCO's financial responsibility for  
21          post-stabilization care services it has not pre-approved  
22          ends when:

23                 (A) a plan physician with privileges at the  
24                 treating hospital assumes responsibility for the  
25                 enrollee's care;

26                 (B) a plan physician assumes responsibility for

1 the enrollee's care through transfer;

2 (C) a contracting entity representative and the  
3 treating physician reach an agreement concerning the  
4 enrollee's care; or

5 (D) the enrollee is discharged.

6 (f) Network adequacy.

7 (1) The Department shall:

8 (A) ensure that an adequate provider network is in  
9 place, taking into consideration health professional  
10 shortage areas and medically underserved areas;

11 (B) publicly release an explanation of its process  
12 for analyzing network adequacy;

13 (C) periodically ensure that an MCO continues to  
14 have an adequate network in place; and

15 (D) require MCOs, including Medicaid Managed Care  
16 Entities as defined in Section 5-30.2, to meet provider  
17 directory requirements under Section 5-30.3. require  
18 ~~MCOs to maintain an updated and public list of network~~  
19 ~~providers.~~

20 (g) Timely payment of claims.

21 (1) The MCO shall pay a claim within 30 days of  
22 receiving a claim that contains all the essential  
23 information needed to adjudicate the claim.

24 (2) The MCO shall notify the billing party of its  
25 inability to adjudicate a claim within 30 days of receiving  
26 that claim.

1           (3) The MCO shall pay a penalty that is at least equal  
2           to the penalty imposed under the Illinois Insurance Code  
3           for any claims not timely paid.

4           (4) The Department may establish a process for MCOs to  
5           expedite payments to providers based on criteria  
6           established by the Department.

7           (h) The Department shall not expand mandatory MCO  
8           enrollment into new counties beyond those counties already  
9           designated by the Department as of June 1, 2014 for the  
10          individuals whose eligibility for medical assistance is not the  
11          seniors or people with disabilities population until the  
12          Department provides an opportunity for accountable care  
13          entities and MCOs to participate in such newly designated  
14          counties.

15          (i) The requirements of this Section apply to contracts  
16          with accountable care entities and MCOs entered into, amended,  
17          or renewed after the effective date of this amendatory Act of  
18          the 98th General Assembly.

20          (305 ILCS 5/5-30.3 new)

21          Sec. 5-30.3. Empowering meaningful patient choice in  
22          Medicaid Managed Care.

23          (a) Definitions. As used in this Section:

24          "Client enrollment services broker" means a vendor the  
25          Department contracts with to carry out activities related to

1 Medicaid recipients' enrollment, disenrollment, and renewal  
2 with Medicaid Managed Care Entities.

3 "Clinical interest" includes, but is not limited to,  
4 experience working with specific patient populations such as  
5 people living with HIV/AIDS, people experiencing homelessness,  
6 people who identify as LGBTQ, and adolescents.

7 "Composite domains" means the synthesized categories  
8 reflecting the standardized quality performance measures  
9 included in the print and online version of the consumer  
10 quality comparison tool. At a minimum, these composite domains  
11 shall display Medicaid Managed Care Entities' individual Plan  
12 performance on standardized quality, timeliness, and access  
13 measures.

14 "Consumer quality comparison tool" means an online and  
15 paper tool developed by the Department with input from  
16 interested stakeholders reflecting the performance of Medicaid  
17 Managed Care Entity Plans on standardized quality performance  
18 measures. This tool shall be designed in a consumer-friendly  
19 and easily understandable format.

20 "Covered services" means those health care services to  
21 which a covered person is entitled to under the terms of the  
22 Medicaid Managed Care Entity Plan.

23 "Facility type" includes, but is not limited to, federally  
24 qualified health centers, skilled nursing facilities, and  
25 rehabilitation centers.

26 "Hospital type" includes, but is not limited to, acute

1 care, rehabilitation, children's, and cancer hospitals.

2 "Integrated provider directory" means a searchable  
3 database bringing together network data from multiple Medicaid  
4 Managed Care Entities that is available through client  
5 enrollment services.

6 "Medicaid eligibility redetermination" means the process  
7 by which the eligibility of a Medicaid recipient is reviewed by  
8 the Department to determine if the recipient's medical benefits  
9 will continue, be modified, or terminated.

10 "Medicaid Managed Care Entity" has the same meaning as  
11 defined in Section 5-30.2 of this Code.

12 (b) Provider directory transparency.

13 (1) Each Medicaid Managed Care Entity shall:

14 (A) Make available on the entity's website a  
15 provider directory in a machine readable file and  
16 format.

17 (B) Make provider directories publicly accessible  
18 without the necessity of providing a password, a  
19 username, or personally identifiable information.

20 (C) Comply with all federal and State statutes and  
21 regulations pertaining to provider directories within  
22 Medicaid Managed Care.

23 (D) Request, at least annually, provider office  
24 hours for each of the following provider types:

25 (i) Health care professionals, including  
26 dental and vision providers.

1                   (ii) Hospitals.

2                   (iii) Facilities, other than hospitals.

3                   (iv) Pharmacies, other than hospitals.

4                   (v) Durable medical equipment suppliers, other  
5                   than hospitals.

6                   Medicaid Managed Care Entities shall publish the  
7                   provider office hours in the provider directory upon  
8                   receipt.

9                   (E) Confirm with the Medicaid Managed Care  
10                   Entity's contracted providers who have not submitted  
11                   claims within the past 6 months that the contracted  
12                   providers intend to remain in the network and correct  
13                   any incorrect provider directory information as  
14                   necessary.

15                   (F) Ensure that in situations in which a Medicaid  
16                   Managed Care Entity Plan enrollee receives covered  
17                   services from a non-participating provider due to a  
18                   material misrepresentation in a Medicaid Managed Care  
19                   Entity's online electronic provider directory, the  
20                   Medicaid Managed Care Entity Plan enrollee shall not be  
21                   held responsible for any costs resulting from that  
22                   material misrepresentation.

23                   (G) Conspicuously display an e-mail address and a  
24                   toll-free telephone number to which any individual may  
25                   report any inaccuracy in the provider directory. If the  
26                   Medicaid Managed Care Entity receives a report from any

1 person who specifically identifies provider directory  
2 information as inaccurate, the Medicaid Managed Care  
3 Entity shall investigate the report and correct any  
4 inaccurate information displayed in the electronic  
5 directory.

6 (2) The Department shall:

7 (A) Regularly monitor Medicaid Managed Care  
8 Entities to ensure that they are compliant with the  
9 requirements under paragraph (1) of subsection (b).

10 (B) Require that the client enrollment services  
11 broker use the Medicaid provider number to populate the  
12 provider information in the integrated provider  
13 directory.

14 (C) Ensure that each Medicaid Managed Care Entity  
15 shall, at minimum, make the information in  
16 subparagraph (D) of paragraph (1) of subsection (b)  
17 available to the client enrollment services broker.

18 (D) Ensure that the client enrollment services  
19 broker shall, at minimum, have the information in  
20 subparagraph (D) of paragraph (1) of subsection (b)  
21 available and searchable through the integrated  
22 provider directory on its website.

23 (E) Require the client enrollment services broker  
24 to conspicuously display near the integrated provider  
25 directory an email address and a toll-free telephone  
26 number to which any individual may report inaccuracies

1           in the integrated provider directory. If the client  
2           enrollment services broker receives a report that  
3           identifies an inaccuracy in the integrated provider  
4           directory, the client enrollment services broker shall  
5           provide the information about the reported inaccuracy  
6           to the appropriate Medicaid Managed Care Entity within  
7           3 business days after the reported inaccuracy is  
8           received.

9           (c) Formulary transparency.

10           (1) Medicaid Managed Care Entities shall publish on  
11           their respective websites a formulary for each Medicaid  
12           Managed Care Entity Plan offered and make the formularies  
13           easily understandable and publicly accessible without the  
14           necessity of providing a password, a username, or  
15           personally identifiable information.

16           (2) Medicaid Managed Care Entities shall provide  
17           printed formularies upon request.

18           (3) Electronic and print formularies shall display:

19           (A) the medications covered (both generic and name  
20           brand);

21           (B) if the medication is preferred or not  
22           preferred, and what each term means;

23           (C) what tier each medication is in and the meaning  
24           of each tier;

25           (D) any utilization controls including, but not  
26           limited to, step therapy, prior approval, dosage

1           limits, gender or age restrictions, quantity limits,  
2           or other policies that affect access to medications;

3           (E) any required cost-sharing;

4           (F) a glossary of key terms and explanation of  
5           utilization controls and cost-sharing requirements;

6           (G) a key or legend for all utilization controls  
7           visible on every page in which specific medication  
8           coverage information is displayed; and

9           (H) directions explaining the process or processes  
10          a consumer may follow to obtain more information if a  
11          medication the consumer requires is not covered or  
12          listed in the formulary.

13          (4) Each Medicaid Managed Care Entity shall display  
14          conspicuously with each electronic and printed medication  
15          formulary an e-mail address and a toll-free telephone  
16          number to which any individual may report any inaccuracy in  
17          the formulary. If the Medicaid Managed Care Entity receives  
18          a report that the formulary information is inaccurate, the  
19          Medicaid Managed Care Entity shall investigate the report  
20          and correct any incorrect information, as necessary, no  
21          later than the third business day after the date the report  
22          is received.

23          (5) Each Medicaid Managed Care Entity shall include a  
24          disclosure in the electronic and requested print  
25          formularies that provides the date of publication, a  
26          statement that the formulary is up to date as of

1 publication, and contact information for questions and  
2 requests to receive updated information.

3 (6) The client enrollment services broker's website  
4 shall display prominently a website URL link to each  
5 Medicaid Managed Care Entity's Plan formulary.

6 (d) Grievances and appeals. The Department shall require  
7 the client enrollment services broker to display prominently on  
8 the client enrollment services broker's website a description  
9 of where a Medicaid enrollee can access information on how to  
10 file a complaint or grievance or request a fair hearing for any  
11 adverse action taken by the Department or the Medicaid Managed  
12 Care Entity.

13 (e) Medicaid redetermination information. The Department  
14 shall require the client enrollment services broker to display  
15 prominently on the client enrollment services broker's website  
16 a description of where a Medicaid enrollee can access  
17 information regarding the Medicaid redetermination process.

18 (f) Medicaid care coordination information. The client  
19 enrollment services broker shall display prominently on its  
20 website, in an easily understandable format, consumer-oriented  
21 information regarding the role of care coordination services  
22 within Medicaid Managed Care. Such information shall include,  
23 but shall not be limited to:

24 (1) a basic description of the role of care  
25 coordination services and examples of specific care  
26 coordination activities; and

1           (2) how a Medicaid enrollee may request care  
2           coordination services from a Medicaid Managed Care Entity.

3           (g) Consumer quality comparison tool.

4           (1) The Department shall create a consumer quality  
5           comparison tool to assist Medicaid enrollees with Medicaid  
6           Managed Care Entity Plan selection. This tool shall provide  
7           Medicaid Managed Care Entities' individual Plan  
8           performance on a set of standardized quality performance  
9           measures. The Department shall ensure that this tool shall  
10           be accessible in both a print and online format, with the  
11           online format allowing for individuals to access  
12           additional detailed Plan performance information.

13           (2) At a minimum, the print version of the consumer  
14           quality comparison tool shall be provided by the Department  
15           on an annual basis to Medicaid enrollees who are required  
16           by the Department to enroll in a Medicaid Managed Care  
17           Entity Plan during an enrollee's open enrollment period.  
18           The consumer quality comparison tool shall also meet all of  
19           the following criteria:

20           (A) Display Medicaid Managed Care Entities'  
21           individual Plan performance on at least 4 composite  
22           domains that reflect Plan quality, timeliness, and  
23           access. The composite domains shall draw from the most  
24           current available performance data sets including, but  
25           not limited to:

26           (i) Healthcare Effectiveness Data and

1 Information Set (HEDIS) measures.

2 (ii) Core Set of Children's Health Care  
3 Quality measures as required under the Children's  
4 Health Insurance Program Reauthorization Act  
5 (CHIPRA).

6 (iii) Adult Core Set measures.

7 (iv) Consumer Assessment of Healthcare  
8 Providers and Systems (CAHPS) survey results.

9 (v) Additional performance measures the  
10 Department deems appropriate to populate the  
11 composite domains.

12 (B) Use a quality rating system developed by the  
13 Department to reflect Medicaid Managed Care Entities'  
14 individual Plan performance. The quality rating system  
15 for each composite domain shall reflect the Medicaid  
16 Managed Care Entities' individual Plan performance  
17 and, when possible, plan performance relative to  
18 national Medicaid percentiles.

19 (C) Be customized to reflect the specific Medicaid  
20 Managed Care Entities' Plans available to the Medicaid  
21 enrollee based on his or her geographic location and  
22 Medicaid eligibility category.

23 (D) Include contact information for the client  
24 enrollment services broker and contact information for  
25 Medicaid Managed Care Entities available to the  
26 Medicaid enrollee based on his or her geographic

1 location and Medicaid eligibility category.

2 (E) Include guiding questions designed to assist  
3 individuals selecting a Medicaid Managed Care Entity  
4 Plan.

5 (3) At a minimum, the online version of the consumer  
6 quality comparison tool shall meet all of the following  
7 criteria:

8 (A) Display Medicaid Managed Care Entities'  
9 individual Plan performance for the same composite  
10 domains selected by the Department. The Department may  
11 display additional composite domains in the online  
12 version of the consumer quality comparison tool as  
13 appropriate.

14 (B) Display Medicaid Managed Care Entities'  
15 individual Plan performance on each of the  
16 standardized performance measures that contribute to  
17 each composite domain displayed on the online version  
18 of the consumer quality comparison tool.

19 (C) Use a quality rating system developed by the  
20 Department to reflect Medicaid Managed Care Entities'  
21 individual Plan performance. The quality rating system  
22 for each composite domain shall reflect the Medicaid  
23 Managed Care Entities' individual Plan performance  
24 compared to national benchmark performance averages  
25 when national benchmarks are available.

26 (D) Include the specific Medicaid Managed Care

1           Entity Plans available to the Medicaid enrollee based  
2           on his or her geographic location and Medicaid  
3           eligibility category.

4           (E) Include a sort function to view Medicaid  
5           Managed Care Entities' individual Plan performance by  
6           star rating and by standardized quality performance  
7           measures.

8           (F) Include contact information for the client  
9           enrollment services broker and for each Medicaid  
10           Managed Care Entity.

11           (G) Include guiding questions designed to assist  
12           individuals in selecting a Medicaid Managed Care  
13           Entity Plan.

14           (H) Prominently display current notice of quality  
15           performance sanctions against Medicaid Managed Care  
16           Entities. Notice of the sanctions shall remain present  
17           on the online version of the consumer quality  
18           comparison tool until the sanctions are lifted.

19           (4) The online version of the consumer quality  
20           comparison tool shall be displayed prominently on the  
21           client enrollment services broker's website.

22           (5) In the development of the consumer quality  
23           comparison tool, the Department shall establish and  
24           publicize a formal process to collect and consider written  
25           and oral feedback from consumers, advocates, and  
26           stakeholders on aspects of the consumer quality comparison

1 tool, including, but not limited to, the following:

2 (A) The standardized data sets and surveys,  
3 specific performance measures, and composite domains  
4 represented in the consumer quality comparison tool.

5 (B) The format and presentation of the consumer  
6 quality comparison tool.

7 (C) The methods undertaken by the Department to  
8 notify Medicaid enrollees of the availability of the  
9 consumer quality comparison tool.

10 (6) The Department shall review and update as  
11 appropriate the composite domains and performance measures  
12 represented in the print and online versions of the  
13 consumer quality comparison tool at least once every 3  
14 years. During the Department's review process, the  
15 Department shall solicit engagement in the public feedback  
16 process described in paragraph (5).

17 (7) The Department shall ensure that the consumer  
18 quality comparison tool is available for consumer use as  
19 soon as possible but no later than January 1, 2018.

20 (h) The Department may adopt rules and take any other  
21 appropriate action necessary to implement its responsibilities  
22 under this Section.

23 Section 99. Effective date. This Act takes effect upon  
24 becoming law."
