2           WHEREAS, The members of the Illinois House of

4 communities throughout Illinois that struggle with many  
5 economic and social problems, including crime, unemployment,  
6 poverty, mortgage foreclosures, declining property values,  
7 deficiencies in public health services, and deficits in public  
8 education; and

9           WHEREAS, In recent years, these economic and social

20 for State government to be operated more efficiently and more

9 combining educational activities and lifelong values with fun;  
10 the Boy Scouts of America believes - and, through over a  
11 century of experience, knows - that helping youth is a key to  
12 building a more conscientious, responsible, and productive  
13 society; and

14 WHEREAS, The Boy Scouts of America Pathway to Adventure  
15 Council supplies unit leaders with the knowledge and tools they  
16 need to deliver the best possible Scouting program to youth and  
17 young adults in the community to prepare them for life;  
18 building strong units creates strong districts, a strong  
19 council, and a bright future; and

20 WHEREAS, The Pathway to Adventure Council spans 2 states,  
21 serves more than 26,000 youth members, and includes over 9,000
