A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section  
5 27-6 as follows:

6 (105 ILCS 5/27-6) (from Ch. 122, par. 27-6)

7 Sec. 27-6. Courses in physical education required; special  
8 activities.

9 (a) Pupils enrolled in the public schools and State  
10 universities engaged in preparing teachers shall be required to  
11 engage daily during the school day, except on block scheduled  
12 days for those public schools engaged in block scheduling, in  
13 courses of physical education for such periods as are  
14 compatible with the optimum growth and developmental needs of  
15 individuals at the various age levels except when appropriate  
16 excuses are submitted to the school by a pupil's parent or  
17 guardian or by a person licensed under the Medical Practice Act  
18 of 1987 and except as provided in subsection (b) of this  
19 Section.

20 Special activities in physical education shall be provided  
21 for pupils whose physical or emotional condition, as determined  
22 by a person licensed under the Medical Practice Act of 1987,  
23 prevents their participation in the courses provided for normal

1 children.

2 (b) A school board is authorized to excuse pupils enrolled  
3 in grades 11 and 12 from engaging in physical education courses  
4 if those pupils request to be excused for any of the following  
5 reasons: (1) for ongoing participation in an interscholastic  
6 athletic program; (2) to enroll in academic classes which are  
7 required for admission to an institution of higher learning,  
8 provided that failure to take such classes will result in the  
9 pupil being denied admission to the institution of his or her  
10 choice; or (3) to enroll in academic classes which are required  
11 for graduation from high school, provided that failure to take  
12 such classes will result in the pupil being unable to graduate.  
13 A school board may excuse pupils in grades 9 through 12 from  
14 engaging in physical education courses if those pupils request  
15 to be excused and are enrolled in 2 or more Advanced Placement  
16 (AP) courses. A school board may also excuse pupils in grades 9  
17 through 12 enrolled in a marching band program for credit from  
18 engaging in physical education courses if those pupils request  
19 to be excused for ongoing participation in such marching band  
20 program. In addition, a pupil in any of grades 3 through 12 who  
21 is eligible for special education may be excused if the pupil's  
22 parent or guardian agrees that the pupil must utilize the time  
23 set aside for physical education to receive special education  
24 support and services or, if there is no agreement, the  
25 individualized education program team for the pupil determines  
26 that the pupil must utilize the time set aside for physical

1 education to receive special education support and services,  
2 which agreement or determination must be made a part of the  
3 individualized education program. However, a pupil requiring  
4 adapted physical education must receive that service in  
5 accordance with the individualized education program developed  
6 for the pupil. If requested, a school board is authorized to  
7 excuse a pupil from engaging in a physical education course if  
8 the pupil has an individualized educational program under  
9 Article 14 of this Code, is participating in an adaptive  
10 athletic program outside of the school setting, and documents  
11 such participation as determined by the school board. A school  
12 board may also excuse pupils in grades 9 through 12 enrolled in  
13 a Reserve Officer's Training Corps (ROTC) program sponsored by  
14 the school district from engaging in physical education  
15 courses. School boards which choose to exercise this authority  
16 shall establish a policy to excuse pupils on an individual  
17 basis.

18 (c) The provisions of this Section are subject to the  
19 provisions of Section 27-22.05.
