4 Section 5. The Illinois Income Tax Act is amended by adding  
5 Section 224 as follows:

6 (35 ILCS 5/224 new)

7 Sec. 224. Credit for hiring a long-term unemployed person.

8 (a) For each taxable year beginning on or after January 1,  
9 2016, each taxpayer who employs a long-term unemployed person  
10 during the taxable year is entitled to a credit against the tax  
11 imposed by subsections (a) and (b) of Section 201 of this Act  
12 as provided in this Section. The amount of the credit is as  
13 follows: (1) \$500 in the taxable year in which the long-term  
14 unemployed person is initially hired by the taxpayer; (2) \$750  
15 in the first taxable year after the long-term unemployed person  
16 is initially hired by the taxpayer; and (3) \$1,250 in the  
17 second taxable year after the long-term unemployed person is  
18 initially hired by the taxpayer. If the long-term unemployed  
19 person is employed by the taxpayer for only part of a taxable  
20 year, then the amount of the credit shall be the maximum credit  
21 allowed under this subsection (a) for the taxable year,  
22 multiplied by a fraction, the numerator of which is the number  
23 of weeks during the taxable year in which the person is

1 employed by the taxpayer, and the denominator of which shall be  
2 the total number of weeks in the taxable year.

3 (b) For partners, shareholders of Subchapter S  
4 corporations, and owners of limited liability companies, if the  
5 liability company is treated as a partnership for purposes of  
6 federal and State income taxation, there shall be allowed a  
7 credit under this Section to be determined in accordance with  
8 the determination of income and distributive share of income  
9 under Sections 702 and 704 and Subchapter S of the Internal  
10 Revenue Code.

11 (c) In no event shall a credit under this Section reduce  
12 the taxpayer's liability to less than zero. If the amount of  
13 the credit exceeds the tax liability for the year, the excess  
14 may be carried forward and applied to the tax liability of the  
15 5 taxable years following the excess credit year. The tax  
16 credit shall be applied to the earliest year for which there is  
17 a tax liability. If there are credits for more than one year  
18 that are available to offset a liability, the earlier credit  
19 shall be applied first.

20 (d) For the purposes of this Section:

21 "Long-term unemployed person" means an individual who:

22 (1) was unemployed for a period of at least 27  
23 consecutive weeks ending on the Saturday immediately

11           employment. An individual for whom a W-2 is issued by a  
12           Professional Employer Organization is a full-time employee if
