1 AMENDMENT TO SENATE BILL 220

2 AMENDMENT NO. _____. Amend Senate Bill 220 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Personnel Code is amended by changing
5 Section 4d as follows:

6 (20 ILCS 415/4d) (from Ch. 127, par. 63b104d)

7 Sec. 4d. Partial exemptions. The following positions in
8 State service are exempt from jurisdictions A, B, and C to the
9 extent stated for each, unless those jurisdictions are extended
10 as provided in this Act:

11 (1) In each department, board or commission that now
12 maintains or may hereafter maintain a major administrative
13 division, service or office in both Sangamon County and
14 Cook County, 2 private secretaries for the director or
15 chairman thereof, one located in the Cook County office and
16 the other located in the Sangamon County office, shall be

1 exempt from jurisdiction B; in all other departments,
2 boards and commissions one private secretary for the
3 director or chairman thereof shall be exempt from
4 jurisdiction B. In all departments, boards and commissions
5 one confidential assistant for the director or chairman
6 thereof shall be exempt from jurisdiction B. This paragraph
7 is subject to such modifications or waiver of the
8 exemptions as may be necessary to assure the continuity of
9 federal contributions in those agencies supported in whole
10 or in part by federal funds.

11 (2) The resident administrative head of each State
12 charitable, penal and correctional institution, the
13 chaplains thereof, and all member, patient and inmate
14 employees are exempt from jurisdiction B.

15 (3) The Civil Service Commission, upon written
16 recommendation of the Director of Central Management
17 Services, shall exempt from jurisdiction B other positions
18 which, in the judgment of the Commission, involve either
19 principal administrative responsibility for the
20 determination of policy or principal administrative
21 responsibility for the way in which policies are carried
22 out, except positions in agencies which receive federal
23 funds if such exemption is inconsistent with federal
24 requirements, and except positions in agencies supported
25 in whole by federal funds.

26 (4) All beauticians and teachers of beauty culture and

1 teachers of barbering, and all positions heretofore paid
2 under Section 1.22 of "An Act to standardize position
3 titles and salary rates", approved June 30, 1943, as
4 amended, shall be exempt from jurisdiction B.

5 (5) Licensed attorneys in positions as legal or
6 technical advisors; ; positions in the Department of
7 Natural Resources requiring incumbents to be either a
8 registered professional engineer or to hold a bachelor's
9 degree in engineering from a recognized college or
10 university; ; licensed physicians in positions of medical
11 administrator or physician or physician specialist
12 (including psychiatrists); ; all positions within the
13 Department of Juvenile Justice requiring licensure by the
14 State Board of Education under Article 21B of the School
15 Code; from the effective date of this amendatory Act of the
16 99th General Assembly until January 1, 2017, all positions
17 within the Illinois School for the Deaf and the Illinois
18 School for the Visually Impaired requiring licensure by the
19 State Board of Education under Article 21B of the School
20 Code; and registered nurses (except those registered
21 nurses employed by the Department of Public Health); ;
22 except those in positions in agencies which receive federal
23 funds if such exemption is inconsistent with federal
24 requirements and except those in positions in agencies
25 supported in whole by federal funds, are exempt from
26 jurisdiction B only to the extent that the requirements of

1 Section 8b.1, 8b.3 and 8b.5 of this Code need not be met.

2 (6) All positions established outside the geographical
3 limits of the State of Illinois to which appointments of
4 other than Illinois citizens may be made are exempt from
5 jurisdiction B.

6 (7) Staff attorneys reporting directly to individual
7 Commissioners of the Illinois Workers' Compensation
8 Commission are exempt from jurisdiction B.

9 (8) Twenty-one senior public service administrator
10 positions within the Department of Healthcare and Family
11 Services, as set forth in this paragraph (8), requiring the
12 specific knowledge of healthcare administration,
13 healthcare finance, healthcare data analytics, or
14 information technology described are exempt from
15 jurisdiction B only to the extent that the requirements of
16 Sections 8b.1, 8b.3, and 8b.5 of this Code need not be met.
17 The General Assembly finds that these positions are all
18 senior policy makers and have spokesperson authority for
19 the Director of the Department of Healthcare and Family
20 Services. When filling positions so designated, the
21 Director of Healthcare and Family Services shall cause a
22 position description to be published which allots points to
23 various qualifications desired. After scoring qualified
24 applications, the Director shall add Veteran's Preference
25 points as enumerated in Section 8b.7 of this Code. The
26 following are the minimum qualifications for the senior

1 public service administrator positions provided for in
2 this paragraph (8):

3 (A) HEALTHCARE ADMINISTRATION.

4 Medical Director: Licensed Medical Doctor in
5 good standing; experience in healthcare payment
6 systems, pay for performance initiatives, medical
7 necessity criteria or federal or State quality
8 improvement programs; preferred experience serving
9 Medicaid patients or experience in population
10 health programs with a large provider, health
11 insurer, government agency, or research
12 institution.

13 Chief, Bureau of Quality Management: Advanced
14 degree in health policy or health professional
15 field preferred; at least 3 years experience in
16 implementing or managing healthcare quality
17 improvement initiatives in a clinical setting.

18 Quality Management Bureau: Manager, Care
19 Coordination/Managed Care Quality: Clinical degree
20 or advanced degree in relevant field required;
21 experience in the field of managed care quality
22 improvement, with knowledge of HEDIS measurements,
23 coding, and related data definitions.

24 Quality Management Bureau: Manager, Primary
25 Care Provider Quality and Practice Development:
26 Clinical degree or advanced degree in relevant

1 field required; experience in practice
2 administration in the primary care setting with a
3 provider or a provider association or an
4 accrediting body; knowledge of practice standards
5 for medical homes and best evidence based
6 standards of care for primary care.

7 Director of Care Coordination Contracts and
8 Compliance: Bachelor's degree required; multi-year
9 experience in negotiating managed care contracts,
10 preferably on behalf of a payer; experience with
11 health care contract compliance.

12 Manager, Long Term Care Policy: Bachelor's
13 degree required; social work, gerontology, or
14 social service degree preferred; knowledge of
15 Olmstead and other relevant court decisions
16 required; experience working with diverse long
17 term care populations and service systems, federal
18 initiatives to create long term care community
19 options, and home and community-based waiver
20 services required. The General Assembly finds that
21 this position is necessary for the timely and
22 effective implementation of this amendatory Act of
23 the 97th General Assembly.

24 Manager, Behavioral Health Programs: Clinical
25 license or Advanced degree required, preferably in
26 psychology, social work, or relevant field;

1 knowledge of medical necessity criteria and
2 governmental policies and regulations governing
3 the provision of mental health services to
4 Medicaid populations, including children and
5 adults, in community and institutional settings of
6 care. The General Assembly finds that this
7 position is necessary for the timely and effective
8 implementation of this amendatory Act of the 97th
9 General Assembly.

10 Manager, Office of Accountable Care Entity
11 Development: Bachelor's degree required, clinical
12 degree or advanced degree in relevant field
13 preferred; experience in developing integrated
14 delivery systems, including knowledge of health
15 homes and evidence-based standards of care
16 delivery; multi-year experience in health care or
17 public health management; knowledge of federal ACO
18 or other similar delivery system requirements and
19 strategies for improving health care delivery.

20 Manager of Federal Regulatory Compliance:
21 Bachelor's degree required, advanced degree
22 preferred, in healthcare management or relevant
23 field; experience in healthcare administration or
24 Medicaid State Plan amendments preferred;
25 experience interpreting federal rules; experience
26 with either federal health care agency or with a

1 State agency in working with federal regulations.

2 Manager, Office of Medical Project Management:
3 Bachelor's degree required, project management
4 certification preferred; multi-year experience in
5 project management and developing business analyst
6 skills; leadership skills to manage multiple and
7 complex projects.

8 Manager of Medicare/Medicaid Coordination:
9 Bachelor's degree required, knowledge and
10 experience with Medicare Advantage rules and
11 regulations, knowledge of Medicaid laws and
12 policies; experience with contract drafting
13 preferred.

14 Chief, Bureau of Eligibility Integrity:
15 Bachelor's degree required, advanced degree in
16 public administration or business administration
17 preferred; experience equivalent to 4 years of
18 administration in a public or business
19 organization required; experience with managing
20 contract compliance required; knowledge of
21 Medicaid eligibility laws and policy preferred;
22 supervisory experience preferred. The General
23 Assembly finds that this position is necessary for
24 the timely and effective implementation of this
25 amendatory Act of the 97th General Assembly.

26 (B) HEALTHCARE FINANCE.

1 Director of Care Coordination Rate and
2 Finance: MBA, CPA, or Actuarial degree required;
3 experience in managed care rate setting,
4 including, but not limited to, baseline costs and
5 growth trends; knowledge and experience with
6 Medical Loss Ratio standards and measurements.

7 Director of Encounter Data Program: Bachelor's
8 degree required, advanced degree preferred,
9 preferably in health care, business, or
10 information systems; at least 2 years healthcare
11 or other similar data reporting experience,
12 including, but not limited to, data definitions,
13 submission, and editing; background in HIPAA
14 transactions relevant to encounter data
15 submission; experience with large provider, health
16 insurer, government agency, or research
17 institution or other knowledge of healthcare
18 claims systems.

19 Manager of Medical Finance, Division of
20 Finance: Requires relevant advanced degree or
21 certification in relevant field, such as Certified
22 Public Accountant; coursework in business or
23 public administration, accounting, finance, data
24 analysis, or statistics preferred; experience in
25 control systems and GAAP; financial management
26 experience in a healthcare or government entity

1 utilizing Medicaid funding.

2 (C) HEALTHCARE DATA ANALYTICS.

3 Data Quality Assurance Manager: Bachelor's
4 degree required, advanced degree preferred,
5 preferably in business, information systems, or
6 epidemiology; at least 3 years of extensive
7 healthcare data reporting experience with a large
8 provider, health insurer, government agency, or
9 research institution; previous data quality
10 assurance role or formal data quality assurance
11 training.

12 Data Analytics Unit Manager: Bachelor's degree
13 required, advanced degree preferred, in
14 information systems, applied mathematics, or
15 another field with a strong analytics component;
16 extensive healthcare data reporting experience
17 with a large provider, health insurer, government
18 agency, or research institution; experience as a
19 business analyst interfacing between business and
20 information technology departments; in-depth
21 knowledge of health insurance coding and evolving
22 healthcare quality metrics; working knowledge of
23 SQL and/or SAS.

24 Data Analytics Platform Manager: Bachelor's
25 degree required, advanced degree preferred,
26 preferably in business or information systems;

1 extensive healthcare data reporting experience
2 with a large provider, health insurer, government
3 agency, or research institution; previous
4 experience working on a health insurance data
5 analytics platform; experience managing contracts
6 and vendors preferred.

7 (D) HEALTHCARE INFORMATION TECHNOLOGY.

8 Manager of MMIS Claims Unit: Bachelor's degree
9 required, with preferred coursework in business,
10 public administration, information systems;
11 experience equivalent to 4 years of administration
12 in a public or business organization; working
13 knowledge with design and implementation of
14 technical solutions to medical claims payment
15 systems; extensive technical writing experience,
16 including, but not limited to, the development of
17 RFPs, APDs, feasibility studies, and related
18 documents; thorough knowledge of IT system design,
19 commercial off the shelf software packages and
20 hardware components.

21 Assistant Bureau Chief, Office of Information
22 Systems: Bachelor's degree required, with
23 preferred coursework in business, public
24 administration, information systems; experience
25 equivalent to 5 years of administration in a public
26 or private business organization; extensive

1 technical writing experience, including, but not
2 limited to, the development of RFPs, APDs,
3 feasibility studies and related documents;
4 extensive healthcare technology experience with a
5 large provider, health insurer, government agency,
6 or research institution; experience as a business
7 analyst interfacing between business and
8 information technology departments; thorough
9 knowledge of IT system design, commercial off the
10 shelf software packages and hardware components.
