1 AMENDMENT TO SENATE BILL 250

2 AMENDMENT NO. _____. Amend Senate Bill 250 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Election Code is amended by changing
5 Sections 1A-16.5 and 1A-16.6 as follows:

6 (10 ILCS 5/1A-16.5)

7 Sec. 1A-16.5. Online voter registration.

8 (a) The State Board of Elections shall establish and
9 maintain a system for online voter registration that permits a
10 person to apply to register to vote or to update his or her
11 existing voter registration. In accordance with technical
12 specifications provided by the State Board of Elections, each
13 election authority shall maintain a voter registration system
14 capable of receiving and processing voter registration
15 application information, including electronic signatures, from
16 the online voter registration system established by the State

1 Board of Elections.

2 (b) The online voter registration system shall employ
3 security measures to ensure the accuracy and integrity of voter
4 registration applications submitted electronically pursuant to
5 this Section.

6 (c) The Board may receive voter registration information
7 provided by applicants using the State Board of Elections'
8 website, may cross reference that information with data or
9 information contained in the Secretary of State's database in
10 order to match the information submitted by applicants, and may
11 receive from the Secretary of State the applicant's digitized
12 signature upon a successful match of that applicant's
13 information with that contained in the Secretary of State's
14 database.

15 (d) Notwithstanding any other provision of law, a person
16 who is qualified to register to vote and who has an authentic
17 Illinois driver's license or State identification card issued
18 by the Secretary of State may submit an application to register
19 to vote electronically on a website maintained by the State
20 Board of Elections.

21 (e) An online voter registration application shall contain
22 all of the information that is required for a paper application
23 as provided in Section 1A-16 of this Code, except that the
24 applicant shall be required to provide:

25 (1) the applicant's full Illinois driver's license or
26 State identification card number;

1 (2) the last 4 digits of the applicant's social
2 security number; and

3 (3) the date the Illinois driver's license or State
4 identification card was issued.

5 (f) For an applicant's registration or change in
6 registration to be accepted, the applicant shall mark the box
7 associated with the following statement included as part of the
8 online voter registration application:

9 "By clicking on the box below, I swear or affirm all of the
10 following:

11 (1) I am the person whose name and identifying information
12 is provided on this form, and I desire to register to vote in
13 the State of Illinois.

14 (2) All the information I have provided on this form is
15 true and correct as of the date I am submitting this form.

16 (3) I authorize the Secretary of State to transmit to the
17 State Board of Elections my signature that is on file with the
18 Secretary of State and understand that such signature will be
19 used by my local election authority on this online voter
20 registration application for admission as an elector as if I
21 had signed this form personally."

22 (g) Immediately upon receiving a completed online voter
23 registration application, the online voter registration system
24 shall send, by electronic mail, a confirmation notice that the
25 application has been received. Within 48 hours of receiving
26 such an application, the online voter registration system shall

1 send by electronic mail, a notice informing the applicant of
2 whether the following information has been matched with the
3 Secretary of State database:

4 (1) that the applicant has an authentic Illinois
5 driver's license or State identification card issued by the
6 Secretary of State and that the driver's license or State
7 identification number provided by the applicant matches
8 the driver's license or State identification card number
9 for that person on file with the Secretary of State;

10 (2) that the date of issuance of the Illinois driver's
11 license or State identification card listed on the
12 application matches the date of issuance of that card for
13 that person on file with the Secretary of State;

14 (3) that the date of birth provided by the applicant
15 matches the date of birth for that person on file with the
16 Secretary of State; and

17 (4) that the last 4 digits of the applicant's social
18 security number matches the last 4 digits for that person
19 on file with the Secretary of State.

20 (h) If the information provided by the applicant matches
21 the information on the Secretary of State's databases for any
22 driver's license and State identification card holder and is
23 matched as provided in subsection (g) above, the online voter
24 registration system shall:

25 (1) retrieve from the Secretary of State's database
26 files an electronic copy of the applicant's signature from

1 his or her Illinois driver's license or State
2 identification card and such signature shall be deemed to
3 be the applicant's signature on his or her online voter
4 registration application;

5 (2) within 2 days of receiving the application, forward
6 to the county clerk or board of election commissioners
7 having jurisdiction over the applicant's voter
8 registration: (i) the application, along with the
9 applicant's relevant data that can be directly loaded into
10 the jurisdiction's voter registration system and (ii) a
11 copy of the applicant's electronic signature and a
12 certification from the State Board of Elections that the
13 applicant's driver's license or State identification card
14 number, driver's license or State identification card date
15 of issuance, and date of birth and social security
16 information have been successfully matched.

17 (i) Upon receipt of the online voter registration
18 application, the county clerk or board of election
19 commissioners having jurisdiction over the applicant's voter
20 registration shall promptly search its voter registration
21 database to determine whether the applicant is already
22 registered to vote at the address on the application and
23 whether the new registration would create a duplicate
24 registration. If the applicant is already registered to vote at
25 the address on the application, the clerk or board, as the case
26 may be, shall send the applicant by first class mail, and

1 electronic mail if the applicant has provided an electronic
2 mail address on the original voter registration form for that
3 address, a disposition notice as otherwise required by law
4 informing the applicant that he or she is already registered to
5 vote at such address. If the applicant is not already
6 registered to vote at the address on the application and the
7 applicant is otherwise eligible to register to vote, the clerk
8 or board, as the case may be, shall:

9 (1) enter the name and address of the applicant on the
10 list of registered voters in the jurisdiction; and

11 (2) send by mail, and electronic mail if the applicant
12 has provided an electronic mail address on the voter
13 registration form, a disposition notice to the applicant as
14 otherwise provided by law setting forth the applicant's
15 name and address as it appears on the application and
16 stating that the person is registered to vote.

17 (j) An electronic signature of the person submitting a
18 duplicate registration application or a change of address form
19 that is retrieved and imported from the Secretary of State's
20 driver's license or State identification card database as
21 provided herein may, in the discretion of the clerk or board,
22 be substituted for and replace any existing signature for that
23 individual in the voter registration database of the county
24 clerk or board of election commissioners.

25 (k) Any new registration or change of address submitted
26 electronically as provided in this Section shall become

1 effective as of the date it is received by the county clerk or
2 board of election commissioners having jurisdiction over said
3 registration. Disposition notices prescribed in this Section
4 shall be sent within 5 business days of receipt of the online
5 application or change of address by the county clerk or board
6 of election commissioners.

7 (l) All provisions of this Code governing voter
8 registration and applicable thereto and not inconsistent with
9 this Section shall apply to online voter registration under
10 this Section. All applications submitted on a website
11 maintained by the State Board of Elections shall be deemed
12 timely filed if they are submitted no later than 11:59 p.m. on
13 the final day for voter registration prior to an election.
14 After the registration period for an upcoming election has
15 ended and until the 2nd day following such election, the web
16 page containing the online voter registration form on the State
17 Board of Elections website shall inform users of the procedure
18 for grace period voting.

19 (m) The State Board of Elections shall maintain a list of
20 the name, street address, e-mail address, and likely precinct,
21 ward, township, and district numbers, as the case may be, of
22 people who apply to vote online through the voter registration
23 system and those names and that information shall be stored in
24 an electronic format on its website, arranged by county and
25 accessible to State and local political committees.

26 (n) The Illinois State Board of Elections shall develop or

1 cause to be developed an online voter registration system able
2 to be accessed by at least the top two most used mobile
3 electronic operating systems by January 1, 2016.

4 (o) (Blank).

5 (p) Each State department that maintains an Internet
6 website must include a hypertext link to the homepage website
7 maintained and operated pursuant to this Section 1A-16.5. For
8 the purposes of this Section, "State department" means the
9 departments of State Government listed in Section 5-15 of the
10 Civil Administrative Code of Illinois (General Provisions and
11 Departments of State Government).

12 (q) The State Board of Elections shall allow the online
13 voter registration system to receive data from designated
14 government agencies as defined in Section 1A-16.6 of this Code.

17 (10 ILCS 5/1A-16.6)

18 Sec. 1A-16.6. Government agency voter registration.

19 (a) By April 1, 2016, the State Board of Elections shall
20 establish and maintain a portal for government agency
21 registration that permits an eligible person to electronically
22 apply to register to vote or to update his or her existing
23 voter registration whenever he or she conducts business, either
24 online or in person, with a designated government agency. The
25 portal shall interface with the online voter registration

1 system established in Section 1A-16.5 of this Code and shall be
2 capable of receiving and processing voter registration
3 application information, including electronic signatures, from
4 a designated government agency. The State Board of Elections
5 shall modify the online voter registration system as necessary
6 to implement this Section.

7 ~~Voter registration data received from a designated~~
8 ~~government agency through the online registration system shall~~
9 ~~be processed as provided for in Section 1A-16.5 of this Code.~~

10 Whenever the registration interface is accessible to the
11 general public, including, but not limited to, online
12 transactions, the interface shall allow the applicant to
13 complete the process as provided for in Section 1A-16.5 of this
14 Code. The online interface shall be capable of providing the
15 applicant with the applicant's voter registration status with
16 the State Board of Elections and, if registered, the
17 applicant's current registration address. The applicant shall
18 not be required to re-enter any registration data, such as
19 name, address, and birth date, if the designated government
20 agency already has that information on file. The applicant
21 shall be informed that by choosing to register to vote or to
22 update his or her existing voter registration, the applicant
23 consents to the transfer of the applicant's personal
24 information to the State Board of Elections.

25 (a-5) Whenever a government employee serves a member of the
26 public in an interaction that simultaneously serves as a voter

1 registration application is accessing the registration system
2 while servicing the applicant, except as provided in
3 subsections (a-15) and (a-50) of this Section, the government
4 employee shall notify the applicant of the applicant's
5 registration status with the State Board of Elections and, if
6 registered, the applicant's current registration address. The
7 government employee shall inform the applicant of the
8 eligibility requirements for voter registration including
9 citizenship, of the penalties for submitting a false voter
10 registration application, that the agency at which he or she
11 applies to register to vote shall be confidential, that
12 declining to register to vote shall be confidential, and that
13 registering to vote or declining to register to vote shall not
14 affect an applicant's entitlement to any benefits. The
15 government employee shall not request duplicative information
16 other than a signature and shall request additional information
17 only if necessary to prevent duplicate voter registrations and
18 enable the government employee to assess the eligibility of the
19 applicant or to administer the election process. The government
20 employee shall provide the applicant with the opportunity to
21 attest under penalty of perjury that he or she meets the
22 eligibility requirements for voter registration. The applicant
23 shall not be required to disclose his or her citizenship status
24 or provide a reason for declining to attest that he or she
25 meets the eligibility requirements for voter registration. If
26 the applicant elects to register to vote or to update his or

1 ~~her existing voter registration, the government employee shall~~
2 ~~collect the needed information and assist the applicant with~~
3 ~~his or her registration. The applicant shall be informed that~~
4 ~~by choosing to register to vote or to update his or her~~
5 ~~existing voter registration, the applicant consents to the~~
6 ~~transfer of the applicant's personal information to the State~~
7 ~~Board of Elections.~~

8 (a-10) If the applicant's voter registration application
9 information collected by the designated government agency
10 during the transaction indicates that the applicant is
11 qualified to register to vote in Illinois and the applicant has
12 attested that he or she is so qualified, then the designated
13 government agency shall electronically transmit the
14 applicant's voter registration application information to the
15 State Board of Elections for voter registration purposes as
16 provided for under Section 1A-16.5 of this Code. If the
17 applicant's voter registration application information
18 indicates that the applicant is qualified to register to vote
19 in Illinois but the applicant has not attested to his or her
20 qualifications under penalty of perjury, the designated
21 government agency shall electronically transmit all
22 information relevant to voter registration to the State Board
23 of Elections for identification and registration of additional
24 eligible but unregistered persons.

25 (a-15) If the applicant's voter registration application
26 information collected by the designated government agency

1 during the transaction reliably indicates that the applicant is
2 not qualified to vote as shown by a current green card or other
3 legal proof that the applicant is not a citizen, then the
4 designated government agency need not provide the applicant
5 with voter registration information and shall not
6 electronically transmit the applicant's voter registration
7 application information to the State Board of Elections for
8 voter registration purposes.

9 (a-20) If the applicant's voter registration application
10 information collected by the designated government agency
11 during the transaction does not make it clear whether or not
12 the applicant is qualified to register to vote in Illinois, the
13 applicant's attestation under penalty of perjury that he or she
14 meets the eligibility requirements for voter registration
15 shall be deemed sufficient to qualify the applicant to register
16 to vote and the designated government agency shall
17 electronically transmit the applicant's voter registration
18 application information to the State Board of Elections for
19 voter registration purposes as provided for under Section
20 1A-16.5 of this Code.

21 (a-25) If information transferred pursuant to this Section
22 reflects a person not included on the statewide voter
23 registration list, and if the available information reliably
24 indicates that the person meets the qualifications to vote in
25 Illinois, the State Board of Elections shall ensure that the
26 applicant is registered as a voter and added to the statewide

1 voter registration list as provided for in Section 1A-16.5 of
2 this Code.

3 (a-30) If the information transferred pursuant to this
4 Section reflects a person already included on the statewide
5 voter registration list, and if the information reliably
6 indicates a more recent update to the person's name or address,
7 the State Board of Elections shall ensure that the person's
8 records on the statewide voter registration list are updated
9 accordingly as provided for in Section 1A-16.5 of this Code.

10 (a-35) The State Board of Elections shall ensure that any
11 applicant who is registered to vote or whose existing voter
12 registration is updated under this Section is promptly sent
13 written notice of the change. The notice may be sent by
14 electronic mail if the applicant has provided an electronic
15 mail address on the voter registration form. The notice
16 required by this subsection (a-35) may be sent or combined with
17 other notices required or permitted by law, including, but not
18 limited to, any notices sent pursuant to Section 1A-16.5 of
19 this Code. Any notice required by this subsection (a-35) shall
20 contain, at a minimum:

21 (1) the voter's name, date of birth, and residential
22 address as reflected on the voter registration list;

23 (2) a statement that the voter's registration
24 information has been updated automatically;

25 (3) a statement of the qualifications to be a voter;

26 (4) a statement that it is illegal for a person who is

1 not qualified to be a voter to vote in an election, which
2 shall be printed in larger text than the rest of the
3 notice;

4 (5) a statement notifying the voter to contact the
5 State Board of Elections or the local election authority if
6 he or she does not meet the qualifications to be a voter;

7 (6) a statement notifying the voter to contact the
8 State Board of Elections or the local election authority if
9 his or her voter registration has been updated in error;

10 (7) a statement notifying the voter that he or she may
11 opt out of voter registration, or request a change to
12 registration information, at any time by contacting an
13 election official;

14 (8) contact information for the State Board of
15 Elections, including a phone number, address, electronic
16 mail address, and website address;

17 (9) contact information for the local election
18 authority, if applicable, including a phone number,
19 address, electronic mail address, and website address; and

20 (10) any other information that the State Board of
21 Elections deems necessary to fulfill the obligations of
22 this Section or local, State, or federal law.

23 (a-40) The State Board of Elections shall ensure that any
24 applicant whose voter registration application is not accepted
25 or deemed incomplete, even though his or her information was
26 transmitted by a designated government agency, is promptly sent

1 written notice of the application's status. The notice may be
2 sent by electronic mail if the applicant has provided an
3 electronic mail address on the voter registration form. The
4 notice required by this subsection (a-40) may be sent or
5 combined with other notices required or permitted by law,
6 including, but not limited to, any notices sent pursuant to
7 Section 1A-16.5 of this Code. Any notice required by this
8 subsection (a-40) shall contain, at a minimum, the reason the
9 application was not accepted or deemed incomplete and contact
10 information for the State Board of Elections, including a phone
11 number, address, electronic mail address, and website address.

12 (a-45) If a designated government agency electronically
13 transmits to the State Board of Elections or any other election
14 authority the record and signature of a person who does not
15 qualify as an eligible voter, it shall not constitute a
16 completed voter registration form, and the person shall not be
17 considered to have registered to vote. If such registration is
18 processed by the State Board of Elections or other election
19 authority, it shall be presumed to have been effected and
20 officially authorized by the State and that person shall not be
21 found on that basis to have made a false claim to citizenship
22 or to have committed an act of moral turpitude, nor shall that
23 person be subject to penalty under any relevant laws,
24 including, but not limited to, Sections 29-10 and 29-19 of this
25 Code.

26 (a-50) No employee of a designated government agency shall

1 transmit to the State Board of Elections voter registration
2 application information for any person who applies for or is
3 issued a temporary visitor's driver's license pursuant to
4 Section 6-105.1 of the Illinois Vehicle Code.

5 (a-55) Notwithstanding any other provision of law to the
6 contrary, a person who is at least 16 years of age and
7 otherwise meets all eligibility requirements for voters may
8 pre-register to vote. Applicants who are at least 16 years of
9 age shall be deemed competent to execute and attest to any
10 voter registration forms. A registration made pursuant to this
11 subsection (a-55) shall be deemed effective as of the date the
12 applicant is qualified to vote pursuant to Section 3-6 of this
13 Code. When the pre-registrant is qualified to vote, the State
14 Board of Elections shall automatically generate a notice and
15 mail it to the pre-registrant at the address at which he or she
16 pre-registered or any updated address to notify the
17 pre-registrant of his or her eligibility to vote in the next
18 election. The notice may be sent by electronic mail if the
19 pre-registrant has provided an electronic mail address on the
20 voter registration form.

21 (a-60) In the event that the registration of a voter is
22 changed from one address to another within the State and the
23 voter appears at the polls and offers to vote from the prior
24 registration address, attesting that the prior registration
25 address is the true current address, the voter, if confirmed by
26 the election authority as having been registered at the prior

1 registration address and canceled only by the process
2 authorized by this Section, shall be issued a regular ballot,
3 and the change of registration address shall be canceled. If
4 the election authority is unable to immediately confirm the
5 registration, the voter shall be permitted to register at the
6 polling place if he or she meets the requirements for same-day
7 registration. If the election authority is unable to confirm
8 the registration and the voter does not meet the requirements
9 for same-day registration, the voter shall be issued a
10 provisional ballot and the provisional ballot shall be counted
11 as provided for under Article 18A of this Code. No voter shall
12 be disqualified from voting due to an error relating to an
13 update of registration made under this Section.

14 (a-65) In accordance with technical specifications
15 provided by the State Board of Elections, each designated
16 government agency shall maintain a data transfer mechanism
17 capable of transmitting voter registration application
18 information, including electronic signatures where available,
19 to the online voter registration system established in Section
20 1A-16.5 of this Code. Each designated government agency shall
21 establish and operate a voter registration system capable of
22 transmitting voter registration application information to the
23 portal as described in this Section by July 1, 2016.

24 (b) Whenever an applicant's data is transferred from a
25 designated government agency, the agency must transmit a
26 signature image if available. If no signature image was

1 provided by the agency or if no signature image is available in
2 the Secretary of State's database or the statewide voter
3 registration database, the applicant must be notified that
4 their registration will remain in a pending status and the
5 applicant will be required to provide identification and a
6 signature to the election authority on Election Day in the
7 polling place or during early voting.

8 (b-5) The State Board of Elections shall establish
9 procedures to protect the confidentiality of voter information
10 acquired from designated government agencies. The following
11 items shall be designated as confidential: any portion of an
12 applicant's Social Security number, any portion of an
13 applicant's motor vehicle driver's license number or State
14 identification card number, any applicant's signature, and the
15 personal residence and contact information of any applicant for
16 whom local, State, or federal law requires confidentiality,
17 including, but not limited to, a victim of domestic violence
18 pursuant to the Address Confidentiality for Victims of Domestic
19 Violence Act or a victim of stalking pursuant to the Stalking
20 No Contact Order Act. The identity of the designated government
21 agency providing information under this Section relating to any
22 applicant shall not be disclosed to the public and shall be
23 used only for voter registration purposes.

24 (c) The voter registration procedures implemented under
25 this Section shall comport with the federal National Voter
26 Registration Act of 1993, as amended, and shall specifically

1 require that the ~~The~~ State Board of Elections ~~shall~~ track
2 registration data received through the online registration
3 system that originated from a designated government agency for
4 the purposes of maintaining statistics ~~required by the federal~~
5 ~~National Voter Registration Act of 1993, as amended.~~

6 (c-5) Once annually, all designated government agencies
7 under this Section shall cross-reference records containing
8 voter registration information for the purpose of updating the
9 statewide voter registration list and registering individuals
10 whose records show that they are qualified to vote in Illinois.
11 Each agency shall electronically submit any updated voter
12 registration records or voter registration applications to the
13 State Board of Elections for voter registration purposes as
14 provided for under Section 1A-16.5 of this Code. The State
15 Board of Elections shall ensure that any applicant who is
16 registered to vote or whose voter registration is updated under
17 this subsection (c-5) is promptly sent written notice of the
18 change as provided in subsection (a-35). The State Board of
19 Elections, in consultation with designated government
20 agencies, shall adopt such rules and regulations as necessary
21 to establish procedures for cross-referencing and updating
22 records containing voter registration information.

23 (d) The State Board of Elections shall submit an annual
24 public ~~a~~ report to the General Assembly and the Governor ~~by~~
25 ~~December 1, 2015~~ detailing the progress made to implement ~~the~~
26 ~~government agency voter registration portal described in this~~

1 Section. The report shall include all of the following: the
2 number of records transferred under this Section by agency, the
3 number of voters newly added to the statewide voter
4 registration list because of records transferred under this
5 Section by agency, the number of updated registrations under
6 this Section by agency, the number of persons who opted out of
7 voter registration, and the number of voters who submitted
8 voter registration forms using the online procedure described
9 in Section 1A-16.5 of this Code. Any report produced under this
10 subsection (d) shall exclude any information that identifies
11 any individual personally.

12 (d-5) The State Board of Elections shall, in consultation
13 with community organizations and local election authorities,
14 develop and implement a plan for educating the public about the
15 new registration procedures described in this Section. All
16 written materials may meet, but shall not exceed, the sixth
17 grade literacy level and shall be provided in English and
18 Spanish. Components of the voter education plan may include:
19 mailings to all known citizens; use of social media; emails to
20 voters with known email addresses; newspaper, radio, and
21 television advertisements, including ethnic media and outlets
22 with a wide public reach; production of educational brochures
23 and flyers to be made available for dissemination by local
24 elections officials, community organizations, civic groups,
25 religious institutions, institutions of higher learning,
26 including community colleges, and political parties; and an

1 informational section on the website of the State Board of
2 Elections describing new laws and regulations and providing
3 copies of any educational materials produced under this
4 subsection (d-5).

5 (d-10) No later than 3 months after the effective date of
6 this amendatory Act of the 99th General Assembly, and during
7 the 2-year period beginning on the effective date of this
8 amendatory Act of the 99th General Assembly, the State Board of
9 Elections shall establish and convene for a meeting the
10 Automatic Voter Registration Implementation Advisory
11 Committee. The State Board of Elections shall meet on a
12 quarterly basis with the Advisory Committee, and each
13 designated government agency under this Section shall report to
14 the Advisory Committee on a quarterly basis. The Advisory
15 Committee shall be responsible for evaluating agency progress
16 in implementing this amendatory Act of the 99th General
17 Assembly, advising the State Board of Elections and designated
18 government agencies on implementation procedures, reviewing
19 and making recommendations on rulemaking under this Section,
20 and reviewing the annual report prepared under subsection (d)
21 of this Section. Advisory Committee meetings shall be subject
22 to the requirements of the Open Meetings Act. The Advisory
