16 purpose extensions that are made annually for the taxing
17 district, excluding special purpose extensions: (a) made for
18 the taxing district to pay interest or principal on general

21 "Debt service extension base" means an amount equal to that
22 portion of the extension for a taxing district for the 1994
23 levy year, or for those taxing districts subject to this Law in
24 accordance with Section 18-213, except for those subject to
25 paragraph (2) of subsection (e) of Section 18-213, for the levy
26 year in which the referendum making this Law applicable to the

1 taxing district is held, or for those taxing districts subject
2 to this Law in accordance with paragraph (2) of subsection (e)
3 of Section 18-213 for the 1996 levy year, constituting an
4 extension for payment of principal and interest on bonds issued
5 by the taxing district without referendum, but not including
6 excluded non-referendum bonds. For park districts (i) that were
7 first subject to this Law in 1991 or 1995 and (ii) whose
8 extension for the 1994 levy year for the payment of principal
9 and interest on bonds issued by the park district without
10 referendum (but not including excluded non-referendum bonds)
11 was less than 51% of the amount for the 1991 levy year
12 constituting an extension for payment of principal and interest
13 on bonds issued by the park district without referendum (but
14 not including excluded non-referendum bonds), "debt service
15 extension base" means an amount equal to that portion of the
16 extension for the 1991 levy year constituting an extension for
17 payment of principal and interest on bonds issued by the park
18 district without referendum (but not including excluded
19 non-referendum bonds). A debt service extension base
20 established or increased at any time pursuant to any provision
21 of this Law, except Section 18-212, shall be increased each
22 year commencing with the later of (i) the 2009 levy year or
23 (ii) the first levy year in which this Law becomes applicable
24 to the taxing district, by the lesser of 5% or the percentage
25 increase in the Consumer Price Index during the 12-month
26 calendar year preceding the levy year. The debt service

1 extension base may be established or increased as provided
2 under Section 18-212. "Excluded non-referendum bonds" means
3 (i) bonds authorized by Public Act 88-503 and issued under
4 Section 20a of the Chicago Park District Act for aquarium and
5 museum projects; (ii) bonds issued under Section 15 of the
6 Local Government Debt Reform Act; or (iii) refunding
7 obligations issued to refund or to continue to refund
8 obligations initially issued pursuant to referendum.

9 "Special purpose extensions" include, but are not limited
10 to, extensions for levies made on an annual basis for
11 unemployment and workers' compensation, self-insurance,
12 contributions to pension plans, and extensions made pursuant to
13 Section 6-601 of the Illinois Highway Code for a road
14 district's permanent road fund whether levied annually or not.
15 The extension for a special service area is not included in the
16 aggregate extension.

17 "Aggregate extension base" means the taxing district's
18 last preceding aggregate extension as adjusted under Sections
19 18-135, 18-215, and 18-230. An adjustment under Section 18-135
20 shall be made for the 2007 levy year and all subsequent levy
21 years whenever one or more counties within which a taxing
22 district is located (i) used estimated valuations or rates when
23 extending taxes in the taxing district for the last preceding
24 levy year that resulted in the over or under extension of
25 taxes, or (ii) increased or decreased the tax extension for the
26 last preceding levy year as required by Section 18-135(c).

1 Whenever an adjustment is required under Section 18-135, the
2 aggregate extension base of the taxing district shall be equal
3 to the amount that the aggregate extension of the taxing
4 district would have been for the last preceding levy year if
5 either or both (i) actual, rather than estimated, valuations or
6 rates had been used to calculate the extension of taxes for the
7 last levy year, or (ii) the tax extension for the last
8 preceding levy year had not been adjusted as required by
9 subsection (c) of Section 18-135.

10 Notwithstanding any other provision of law, for levy year
11 2012, the aggregate extension base for West Northfield School
12 District No. 31 in Cook County shall be \$12,654,592.

13 "Levy year" has the same meaning as "year" under Section
14 1-155.

15 "New property" means (i) the assessed value, after final
16 board of review or board of appeals action, of new improvements
17 or additions to existing improvements on any parcel of real
18 property that increase the assessed value of that real property
19 during the levy year multiplied by the equalization factor
20 issued by the Department under Section 17-30, (ii) the assessed
21 value, after final board of review or board of appeals action,
22 of real property not exempt from real estate taxation, which
23 real property was exempt from real estate taxation for any
24 portion of the immediately preceding levy year, multiplied by
25 the equalization factor issued by the Department under Section
26 17-30, including the assessed value, upon final stabilization

1 of occupancy after new construction is complete, of any real
2 property located within the boundaries of an otherwise or
3 previously exempt military reservation that is intended for
4 residential use and owned by or leased to a private corporation
5 or other entity, (iii) in counties that classify in accordance
6 with Section 4 of Article IX of the Illinois Constitution, an
7 incentive property's additional assessed value resulting from
8 a scheduled increase in the level of assessment as applied to
9 the first year final board of review market value, and (iv) any
10 increase in assessed value due to oil or gas production from an
11 oil or gas well required to be permitted under the Hydraulic
12 Fracturing Regulatory Act that was not produced in or accounted
13 for during the previous levy year. In addition, the county
14 clerk in a county containing a population of 3,000,000 or more
15 shall include in the 1997 recovered tax increment value for any
16 school district, any recovered tax increment value that was
17 applicable to the 1995 tax year calculations.

18 "Qualified airport authority" means an airport authority
19 organized under the Airport Authorities Act and located in a
20 county bordering on the State of Wisconsin and having a
21 population in excess of 200,000 and not greater than 500,000.

22 "Recovered tax increment value" means, except as otherwise
23 provided in this paragraph, the amount of the current year's
24 equalized assessed value, in the first year after a
25 municipality terminates the designation of an area as a
26 redevelopment project area previously established under the

1 Tax Increment Allocation Development Act in the Illinois
2 Municipal Code, previously established under the Industrial
3 Jobs Recovery Law in the Illinois Municipal Code, previously
4 established under the Economic Development Project Area Tax
5 Increment Act of 1995, or previously established under the
6 Economic Development Area Tax Increment Allocation Act, of each
7 taxable lot, block, tract, or parcel of real property in the
8 redevelopment project area over and above the initial equalized
9 assessed value of each property in the redevelopment project
10 area. For the taxes which are extended for the 1997 levy year,
11 the recovered tax increment value for a non-home rule taxing
12 district that first became subject to this Law for the 1995
13 levy year because a majority of its 1994 equalized assessed
14 value was in an affected county or counties shall be increased
15 if a municipality terminated the designation of an area in 1993
16 as a redevelopment project area previously established under
17 the Tax Increment Allocation Development Act in the Illinois
18 Municipal Code, previously established under the Industrial
19 Jobs Recovery Law in the Illinois Municipal Code, or previously
20 established under the Economic Development Area Tax Increment
21 Allocation Act, by an amount equal to the 1994 equalized
22 assessed value of each taxable lot, block, tract, or parcel of
23 real property in the redevelopment project area over and above
24 the initial equalized assessed value of each property in the
25 redevelopment project area. In the first year after a
26 municipality removes a taxable lot, block, tract, or parcel of

1 real property from a redevelopment project area established
2 under the Tax Increment Allocation Development Act in the
3 Illinois Municipal Code, the Industrial Jobs Recovery Law in
4 the Illinois Municipal Code, or the Economic Development Area
5 Tax Increment Allocation Act, "recovered tax increment value"
6 means the amount of the current year's equalized assessed value
7 of each taxable lot, block, tract, or parcel of real property
8 removed from the redevelopment project area over and above the
9 initial equalized assessed value of that real property before
10 removal from the redevelopment project area.

11 Except as otherwise provided in this Section, "limiting
12 rate" means a fraction the numerator of which is the last
13 preceding aggregate extension base times an amount equal to one
14 plus the extension limitation defined in this Section and the
15 denominator of which is the current year's equalized assessed
16 value of all real property in the territory under the
17 jurisdiction of the taxing district during the prior levy year.
18 For those taxing districts that reduced their aggregate
19 extension for the last preceding levy year, the highest
20 aggregate extension in any of the last 3 preceding levy years
21 shall be used for the purpose of computing the limiting rate.
22 The denominator shall not include new property or the recovered
23 tax increment value. If a new rate, a rate decrease, or a
24 limiting rate increase has been approved at an election held
25 after March 21, 2006, then (i) the otherwise applicable
26 limiting rate shall be increased by the amount of the new rate

1 or shall be reduced by the amount of the rate decrease, as the
2 case may be, or (ii) in the case of a limiting rate increase,
3 the limiting rate shall be equal to the rate set forth in the
4 proposition approved by the voters for each of the years
5 specified in the proposition, after which the limiting rate of
6 the taxing district shall be calculated as otherwise provided.
7 In the case of a taxing district that obtained referendum
8 approval for an increased limiting rate on March 20, 2012, the
9 limiting rate for tax year 2012 shall be the rate that
10 generates the approximate total amount of taxes extendable for
11 that tax year, as set forth in the proposition approved by the
12 voters; this rate shall be the final rate applied by the county
13 clerk for the aggregate of all capped funds of the district for
14 tax year 2012.

17 Section 10. The School Code is amended by changing Section
18 34-53 as follows:

19 (105 ILCS 5/34-53) (from Ch. 122, par. 34-53)

20 Sec. 34-53. Tax levies; Purpose; Rates. For the purpose of
21 establishing and supporting free schools for not fewer than 9
22 months in each year and defraying their expenses the board may
23 levy annually, upon all taxable property of such district for
24 educational purposes a tax for the fiscal years 1996 and each

1 succeeding fiscal year at a rate of not to exceed the sum of
2 (i) 3.07% (or such other rate as may be set by law independent
3 of the rate difference described in (ii) below) and (ii) the
4 difference between .50% and the rate per cent of taxes extended
5 for a School Finance Authority organized under Article 34A of
6 the School Code, for the calendar year in which the applicable
7 fiscal year of the board begins as determined by the county
8 clerk and certified to the board pursuant to Section 18-110 of
9 the Property Tax Code, of the value as equalized or assessed by
10 the Department of Revenue for the year in which such levy is
11 made.

12 Beginning on the effective date of this amendatory Act of
13 the 99th General Assembly, for the purpose of making an
14 employer contribution to the Public School Teachers' Pension
15 and Retirement Fund of Chicago, the board may levy annually,
16 upon all taxable property located within the district, a tax at
17 a rate not to exceed 0.383%. The proceeds from this additional
18 tax shall be paid, as soon as possible after collection,
19 directly to Public School Teachers' Pension and Retirement Fund
20 of Chicago and not to the Board of Education. The rate under
21 this paragraph is not a new rate for the purposes of the
22 Property Tax Extension Limitation Law. Notwithstanding any
23 other provision of law, for the 2016 tax year only, the board
24 shall certify the rate to the county clerk on the effective
25 date of this amendatory Act of the 99th General Assembly, and
26 the county clerk shall extend that rate against all taxable

1 property located within the district as soon after receiving
2 the certification as possible.

3 Nothing in this amendatory Act of 1995 shall in any way
4 impair or restrict the levy or extension of taxes pursuant to
5 any tax levies for any purposes of the board lawfully made
6 prior to the adoption of this amendatory Act of 1995.

7 Notwithstanding any other provision of this Code and in
8 addition to any other methods provided for increasing the tax
9 rate the board may, by proper resolution, cause a proposition
10 to increase the annual tax rate for educational purposes to be
11 submitted to the voters of such district at any general or
12 special election. The maximum rate for educational purposes
13 shall not exceed 4.00%. The election called for such purpose
14 shall be governed by Article 9 of this Act. If at such election
15 a majority of the votes cast on the proposition is in favor
16 thereof, the Board of Education may thereafter until such
17 authority is revoked in a like manner, levy annually the tax so
18 authorized.

19 For purposes of this Article, educational purposes for
20 fiscal years beginning in 1995 and each subsequent year shall
21 also include, but not be limited to, in addition to those
22 purposes authorized before this amendatory Act of 1995,
23 constructing, acquiring, leasing (other than from the Public
24 Building Commission of Chicago), operating, maintaining,
25 improving, repairing, and renovating land, buildings,
26 furnishings, and equipment for school houses and buildings, and

1 related incidental expenses, and provision of special
2 education, furnishing free textbooks and instructional aids
3 and school supplies, establishing, equipping, maintaining, and
4 operating supervised playgrounds under the control of the
5 board, school extracurricular activities, and stadia, social
6 center, and summer swimming pool programs open to the public in
7 connection with any public school; making an employer
8 contribution to the Public School Teachers' Pension and
9 Retirement Fund as required by Section 17-129 of the Illinois
10 Pension Code; and providing an agricultural science school,
11 including site development and improvements, maintenance
12 repairs, and supplies. Educational purposes also includes
13 student transportation expenses.

14 All collections of all taxes levied for fiscal years ending
15 before 1996 under this Section or under Sections 34-53.2,
16 34-53.3, 34-58, 34-60, or 34-62 of this Article as in effect
17 prior to this amendatory Act of 1995 may be used for any
18 educational purposes as defined by this amendatory Act of 1995
19 and need not be used for the particular purposes for which they
20 were levied. The levy and extension of taxes pursuant to this
21 Section as amended by this amendatory Act of 1995 shall not
22 constitute a new or increased tax rate within the meaning of
23 the Property Tax Extension Limitation Law or the One-year
24 Property Tax Extension Limitation Law.

25 The rate at which taxes may be levied for the fiscal year
26 beginning September 1, 1996, for educational purposes shall be

1 the full rate authorized by this Section for such taxes for
2 fiscal years ending after 1995.
