LRB099 03128 AWJ 33637 a

1 AMENDMENT TO SENATE BILL 373

2 AMENDMENT NO. _____. Amend Senate Bill 373 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Township Code is amended by adding Section
5 200-14c as follows:

6 (60 ILCS 1/200-14c new)

7 Sec. 200-14c. Notification of sale of or changes to private
8 or semi-private water systems.

9 (a) For purposes of this Section, "private water system"
10 and "semi-private water system" shall have the meanings
11 ascribed to them in subsection (a) of Section 9 of the Illinois
12 Groundwater Protection Act.

13 (b) A township that provides fire protection services shall
14 receive notice of the sale of a private water system or
15 semi-private water system from the individuals or entities
16 selling and purchasing the water system. The notice to the

1 township shall include the status and capacity of the water
2 system and the ability of the water system to be used for fire
3 protection.

4 (c) A township that provides fire protection services shall
5 also receive notice from the owner of a private water system or
6 semi-private water system if there are any changes to the water
7 system that would affect fire protection services to areas
8 served by the water system.

9 Section 10. The Illinois Municipal Code is amended by
10 adding Section 11-6-8 as follows:

11 (65 ILCS 5/11-6-8 new)

12 Sec. 11-6-8. Notification of sale of or changes to private
13 or semi-private water systems.

14 (a) For purposes of this Section, "private water system"
15 and "semi-private water system" shall have the meanings
16 ascribed to them in subsection (a) of Section 9 of the Illinois
17 Groundwater Protection Act.

18 (b) A municipality that provides and operates fire stations
19 or otherwise provides firefighting services shall receive
20 notice of the sale of a private water system or semi-private
21 water system from the individuals or entities selling and
22 purchasing the water system. The notice to the municipality
23 shall include the status and capacity of the water system and
24 the ability of the water system to be used for fire protection.

1 (c) A municipality that provides and operates fire stations
2 or otherwise provides firefighting services shall also receive
3 notice from the owner of a private water system or semi-private
4 water system if there are any changes to the water system that
5 would affect fire protection services to areas served by the
6 water system.

7 Section 15. The Fire Protection District Act is amended by
8 adding Section 27 as follows:

9 (70 ILCS 705/27 new)

10 Sec. 27. Notification of sale of or changes to private or
11 semi-private water systems.

12 (a) For purposes of this Section, "private water system"
13 and "semi-private water system" shall have the meanings
14 ascribed to them in subsection (a) of Section 9 of the Illinois
15 Groundwater Protection Act.

16 (b) A fire protection district shall receive notice of the
17 sale of a private water system or semi-private water system
18 from the individuals or entities selling and purchasing the
19 water system. The notice to the fire protection district shall
20 include the status and capacity of the water system and the
21 ability of the water system to be used for fire protection.

22 (c) A fire protection district shall also receive notice
23 from the owner of a private water system or semi-private water
24 system if there are any changes to the water system that would

1 affect fire protection services to areas served by the water
2 system.

3 Section 99. Effective date. This Act takes effect upon
4 becoming law.".
