1 AMENDMENT TO SENATE BILL 1410

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 1410, AS AMENDED,  
3 with reference to page and line numbers of Senate Amendment No.  
4 1, on page 11, line 26, after "State." by inserting "However,  
5 the health care provider's signature on the certificate  
6 reflects only that education was provided and does not allow a  
7 health care provider grounds to determine a religious  
8 exemption. Those receiving immunizations required under this  
9 Code shall be provided with the relevant vaccine information  
10 statements that are required to be disseminated by the federal  
11 National Childhood Vaccine Injury Act of 1986, which may  
12 contain information on circumstances when a vaccine should not  
13 be administered, prior to administering a vaccine. A healthcare  
14 provider may consider including without limitation the  
15 nationally accepted recommendations from federal agencies such  
16 as the Advisory Committee on Immunization Practices, the  
17 information outlined in the relevant vaccine information  
18 statement, and vaccine package inserts, along with the

1 healthcare provider's clinical judgment, to determine whether  
2 any child may be more susceptible to experiencing an adverse  
3 vaccine reaction than the general population, and if so, the  
4 healthcare provider may exempt the child from an immunization  
5 or adopt an individualized immunization schedule."; and

6 on page 12, lines 5, by replacing "annually" with "prior to  
7 entering kindergarten, sixth grade, and ninth grade".
