1 AMENDMENT TO SENATE BILL 1466

2 AMENDMENT NO. _____. Amend Senate Bill 1466, AS AMENDED,
3 by replacing everything after the enacting clause with the
4 following:

5 "Section 1. This Act may be referred to as Lali's Law.

6 Section 5. The Pharmacy Practice Act is amended by adding
7 Section 19.1 as follows:

8 (225 ILCS 85/19.1 new)

9 Sec. 19.1. Dispensing of naloxone antidotes.

10 (a) Due to the recent rise in opioid-related deaths in
11 Illinois and the existence of an opioid antidote that can
12 reverse the deadly effects of overdose, the General Assembly
13 finds that in order to avoid further loss where possible, it is
14 responsible to allow greater access of such an antidote to
15 those populations at risk of overdose.

1 (b) Notwithstanding any general or special law to the
2 contrary, a licensed pharmacist may dispense an opioid antidote
3 in accordance with written, standardized procedures or
4 protocols developed by the Department with the Department of
5 Public Health and the Department of Human Services if the
6 procedures or protocols are filed at the pharmacy before
7 implementation and are available to the Department upon
8 request.

9 (c) Before dispensing an opioid antidote pursuant to this
10 Section, a pharmacist shall complete a training program
11 approved by the Department of Human Services pursuant to
12 Section 5-23 of the Alcoholism and Other Drug Abuse and
13 Dependency Act. The training program shall include, but not be
14 limited to, proper documentation and quality assurance.

15 (d) For the purpose of this Section, "opioid antidote"
16 means a dose of naloxone hydrochloride or any other similarly
17 acting and equally safe drug approved by the United States Food
18 and Drug Administration.

19 Section 99. Effective date. This Act takes effect upon
20 becoming law."
