1 AMENDMENT TO SENATE BILL 1554

2 AMENDMENT NO. _____. Amend Senate Bill 1554 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Clinical Psychologist Licensing Act is
5 amended by changing Section 13 as follows:

6 (225 ILCS 15/13) (from Ch. 111, par. 5363)

7 (Section scheduled to be repealed on January 1, 2017)

8 Sec. 13. License renewal; restoration. The expiration date
9 and renewal period for each license issued under this Act shall
10 be set by rule. Every holder of a license under this Act may
11 renew such license during the 90-day period immediately
12 preceding the expiration date thereof upon payment of the
13 required renewal fees and demonstrating compliance with any
14 continuing education requirements. The Department shall adopt
15 rules establishing minimum requirements of continuing
16 education and means for verification of the completion of the

1 continuing education requirements. The Department may contract
2 with the Illinois Psychological Association to audit
3 compliance with the continuing education requirements under
4 this Section, including approving courses and verifying that
5 licensees complete the continuing education requirements. The
6 Department may, by rule, specify circumstances under which the
7 continuing education requirements may be waived.

8 A clinical psychologist who has permitted his or her
9 license to expire or who has had his or her license on inactive
10 status may have his or her license restored by making
11 application to the Department and filing proof acceptable to
12 the Department, as defined by rule, of his or her fitness to
13 have his or her license restored, including evidence certifying
14 to active practice in another jurisdiction satisfactory to the
15 Department and by paying the required restoration fee.

16 If the clinical psychologist has not maintained an active
17 practice in another jurisdiction satisfactory to the
18 Department, the Board shall determine, by an evaluation program
19 established by rule, his or her fitness to resume active status
20 and may require the clinical psychologist to complete a period
21 of supervised professional experience and may require
22 successful completion of an examination.

23 However, any clinical psychologist whose license expired
24 while he or she was (1) in Federal Service on active duty with
25 the Armed Forces of the United States, or the State Militia
26 called into service or training, or (2) in training or

1 education under the supervision of the United States
2 preliminary to induction into the military service, may have
3 his or her license renewed or restored without paying any
4 lapsed renewal fees if within 2 years after honorable
5 termination of such service, training or education he or she
6 furnishes the Department with satisfactory evidence to the
7 effect that he or she has been so engaged and that his or her
8 service, training or education has been so terminated.
