8 Sec. 6. Board of Dentistry - Report By Majority Required.
9 There is created a Board of Dentistry, to be composed of
10 persons designated from time to time by the Secretary, as
11 follows:

12 Eleven persons, 8 of whom have been dentists for a period
13 of 5 years or more; 2 of whom have been dental hygienists for a
14 period of 5 years or more, and one public member. None of the
15 members shall be an officer, dean, assistant dean, or associate
16 dean of a dental college or dental department of an institute
17 of learning, nor shall any member be the program director of
18 any dental hygiene program. A board member who holds a faculty
19 position in a dental school or dental hygiene program shall not

21 that school or program. The dental hygienists shall not

4 Terms for all members shall be for 4 years. Partial terms
5 over 2 years in length shall be considered as full terms. A
6 member may be reappointed for a successive term, but no member
7 shall serve more than 2 full terms in his or her lifetime.

8 The membership of the Board shall include only residents
9 from various geographic areas of this State and shall include
10 at least some graduates from various institutions of dental
11 education in this State.

12 In making appointments to the Board the Secretary shall
13 give due consideration to recommendations by organizations of
14 the dental profession in Illinois, including the Illinois State
15 Dental Society and Illinois Dental Hygienists Association, and
16 shall promptly give due notice to such organizations of any
17 vacancy in the membership of the Board. The Secretary may
18 terminate the appointment of any member for cause which in the
19 opinion of the Secretary reasonably justifies such
20 termination.

21 A vacancy in the membership of the Board shall not impair
22 the right of a quorum to exercise all the rights and perform
23 all the duties of the Board. Any action to be taken by the
24 Board under this Act may be authorized by resolution at any
25 regular or special meeting, and each such resolution shall take
26 effect immediately. The Board shall meet at least quarterly.

1 ~~The Board may adopt all rules and regulations necessary and~~
2 ~~incident to its powers and duties under this Act.~~

3 The members of the Board shall each receive as compensation
4 a reasonable sum as determined by the Secretary for each day
5 actually engaged in the duties of the office, and all
6 legitimate and necessary expense incurred in attending the

18 addition to any other penalty provided by law, pay a civil
19 penalty to the Department in an amount not to exceed \$10,000
20 for each offense as determined by the Department. The civil
21 penalty shall be assessed by the Department after a hearing is
22 held in accordance with the provisions set forth in this Act
23 regarding the provision of a hearing for the discipline of a
24 licensee.

25 (b) The Department has the authority and power to

1 investigate any and all unlicensed activity.

2 (c) The civil penalty shall be paid within 60 days after

8 (225 ILCS 25/11) (from Ch. 111, par. 2311)

9 (Section scheduled to be repealed on January 1, 2016)

10 Sec. 11. Types of dental licenses; licensing applicants
11 from other states; temporary authorizations; temporary permits
12 for free dental care ~~Dental Licenses~~. The Department shall have
13 the authority to issue the following types of licenses:

14 (a) General licenses. The Department shall issue a license
15 authorizing practice as a dentist to any person who qualifies
16 for a license under this Act.

17 (b) Specialty licenses. The Department shall issue a
18 license authorizing practice as a specialist in any particular
19 branch of dentistry to any dentist who has complied with the
20 requirements established for that particular branch of
21 dentistry at the time of making application. The Department
22 shall establish additional requirements of any dentist who
23 announces or holds himself or herself out to the public as a
24 specialist or as being specially qualified in any particular
25 branch of dentistry.

1 No dentist shall announce or hold himself or herself out to
2 the public as a specialist or as being specially qualified in
3 any particular branch of dentistry unless he or she is licensed
4 to practice in that specialty of dentistry.

5 The fact that any dentist shall announce by card,
6 letterhead or any other form of communication using terms as
7 "Specialist," "Practice Limited To" or "Limited to Specialty
8 of" with the name of the branch of dentistry practiced as a
9 specialty, or shall use equivalent words or phrases to announce
10 the same, shall be prima facie evidence that the dentist is
11 holding himself or herself out to the public as a specialist.

12 (c) Temporary training licenses. Persons who wish to pursue
13 specialty or other advanced clinical educational programs in an
14 approved dental school or a hospital situated in this State, or
15 persons who wish to pursue programs of specialty training in
16 dental public health in public agencies in this State, may
17 receive without examination, in the discretion of the
18 Department, a temporary training license. In order to receive a
19 temporary training license under this subsection, an applicant
20 shall furnish satisfactory proof to the Department that:

21 (1) The applicant is at least 21 years of age and is of
22 good moral character. In determining moral character under
23 this Section, the Department may take into consideration
24 any felony conviction of the applicant, but such a
25 conviction shall not operate as bar to licensure;

26 (2) The applicant has been accepted or appointed for

1 specialty or residency training by an approved hospital
2 situated in this State, by an approved dental school
3 situated in this State, or by a public health agency in
4 this State the training programs of which are recognized
5 and approved by the Department. The applicant shall
6 indicate the beginning and ending dates of the period for
7 which he or she has been accepted or appointed;

8 (3) The applicant is a graduate of a dental school or
9 college approved and in good standing in the judgment of
10 the Department. The Department may consider diplomas or
11 certifications of education, or both, accompanied by
12 transcripts of course work and credits awarded to determine
13 if an applicant has graduated from a dental school or
14 college approved and in good standing. The Department may
15 also consider diplomas or certifications of education, or
16 both, accompanied by transcripts of course work and credits
17 awarded in determining whether a dental school or college
18 is approved and in good standing.

19 Temporary training licenses issued under this Section
20 shall be valid only for the duration of the period of residency
21 or specialty training and may be extended or renewed as
22 prescribed by rule. The holder of a valid temporary training
23 license shall be entitled thereby to perform acts as may be
24 prescribed by and incidental to his or her program of residency
25 or specialty training; but he or she shall not be entitled to
26 engage in the practice of dentistry in this State.

1 A temporary training license may be revoked by the
2 Department upon proof that the holder has engaged in the
3 practice of dentistry in this State outside of his or her
4 program of residency or specialty training, or if the holder
5 shall fail to supply the Department, within 10 days of its
6 request, with information as to his or her current status and
7 activities in his or her specialty training program.

8 (d) Restricted faculty licenses. Persons who have received
9 full-time appointments to teach dentistry at an approved dental
10 school or hospital situated in this State may receive without
11 examination, in the discretion of the Department, a restricted
12 faculty license. In order to receive a restricted faculty
13 license an applicant shall furnish satisfactory proof to the
14 Department that:

15 (1) The applicant is at least 21 years of age, is of
16 good moral character and is licensed to practice dentistry
17 in another state or country; and

18 (2) The applicant has a full-time appointment to teach
19 dentistry at an approved dental school or hospital situated
20 in this State.

21 Restricted faculty licenses issued under this Section
22 shall be valid for a period of 3 years and may be extended or
23 renewed. The holder of a valid restricted faculty license may
24 perform acts as may be required by his or her teaching of
25 dentistry. In addition, the holder of a restricted faculty
26 license may practice general dentistry or in his or her area of

1 specialty, but only in a clinic or office affiliated with the
2 dental school. Any restricted faculty license issued to a
3 faculty member under this Section shall terminate immediately
4 and automatically, without any further action by the
5 Department, if the holder ceases to be a faculty member at an
6 approved dental school or hospital in this State.

7 The Department may revoke a restricted faculty license for
8 a violation of this Act or its rules, or if the holder fails to
9 supply the Department, within 10 days of its request, with
10 information as to his current status and activities in his
11 teaching program.

12 (e) Inactive status. Any person who holds one of the
13 licenses under subsection (a) or (b) of Section 11 or under
14 Section 12 of this Act may elect, upon payment of the required
15 fee, to place his or her license on an inactive status and
16 shall, subject to the rules of the Department, be excused from
17 the payment of renewal fees until he or she notifies the
18 Department in writing of his or her desire to resume active
19 status.

20 Any licensee requesting restoration from inactive status
21 shall be required to pay the current renewal fee and upon
22 payment the Department shall be required to restore his or her
23 license, as provided in Section 16 of this Act.

24 Any licensee whose license is in an inactive status shall
25 not practice in the State of Illinois.

26 (f) Certificates of Identification. In addition to the

1 licenses authorized by this Section, the Department shall
2 deliver to each dentist a certificate of identification in a
3 form specified by the Department.

4 (g) Licensing applicants from other states. Any person who
5 has been lawfully licensed to practice dentistry, including the
6 practice of a licensed dental specialty or dental hygiene, in
7 another state or territory which has and maintains a standard
8 for the practice of dentistry, a dental specialty, or dental
9 hygiene at least equal to that now maintained in this State or
10 in which the requirements for licensure, at the date of his or
11 her licensure, were substantially equivalent to the
12 requirements then in force in this State, and who has been
13 lawfully engaged in the practice of dentistry or dental hygiene
14 for at least 3 of the 5 years immediately preceding the filing
15 of his or her application to practice in this State and who
16 deposits with the Department a duly attested certificate from
17 the Board of the state or territory in which he or she is
18 licensed certifying to the fact of his or her licensing and of
19 his or her being a person of good moral character may, upon
20 payment of the required fee, be granted a license to practice
21 dentistry, a dental specialty, or dental hygiene in this State,
22 as the case may be.

23 For the purposes of this subsection, "substantially
24 equivalent" means that the applicant has presented evidence of
25 completion and graduation from an American Dental Association
26 accredited dental college or school in the United States or

1 Canada, presented evidence that the applicant has passed both
2 parts of the National Board Dental Examination, and
3 successfully completed an examination conducted by a regional
4 testing service. In computing 3 of the immediately preceding 5
5 years of practice in another state or territory, any person who
6 left the practice of dentistry to enter the military service
7 and who practiced dentistry while in military service may count
8 as a part of such period the time spent by him or her in such
9 service.

10 Applicants have 3 years after the date of application to
11 complete the application process. If the process has not been
12 completed in 3 years, the application shall be denied, the fee
13 forfeited, and the applicant must reapply and meet the
14 requirements in effect at the time of reapplication.

15 (h) Temporary authorization of applicants from other
16 jurisdictions. A person holding an active, unencumbered
17 license in good standing in another jurisdiction who applies
18 for a license pursuant to subsection (g) of this Section due to
19 a natural disaster or catastrophic event in another
20 jurisdiction may be temporarily authorized by the Secretary to
21 practice dentistry or dental hygiene under the supervision of a
22 dentist licensed under this Act pending the issuance of the
23 license. This temporary authorization shall expire upon
24 issuance of the license or upon notification that the
25 Department has denied licensure.

26 The Department may adopt all rules necessary for the

1 administration of this subsection (h).

2 (i) Temporary permit for free dental care. The Department
3 may issue a temporary permit authorizing the practice in this
4 State, without compensation, of dentistry or dental hygiene to
5 an applicant who is licensed to practice dentistry or dental
6 hygiene in another state, if all of the following apply:

7 (1) The Department determines that the applicant's
8 services will improve the welfare of Illinois residents.

9 (2) The Department determines that the applicant is
10 qualified and satisfies the criteria specified under
11 Sections 9 and 13 of this Act, except for the examination
12 requirement.

13 The Department may not require the applicant to pass an
14 examination as provided in subsection (e) of Section 9 of this
15 Act in order to receive a temporary permit under this Section.

16 A temporary permit under this Section shall authorize the
17 practice of dentistry or dental hygiene in a specified area of
18 the State for a period of time not to exceed 10 consecutive
19 days in a year and may be renewed by the Department. The
20 Department may require an applicant to pay a fee for the
21 issuance or renewal of a permit under this Section.

22 The Secretary may summarily terminate any permit issued
23 pursuant to this subsection, without a hearing, if the
24 Secretary finds that evidence in his or her possession
25 indicates that an individual permit holder's continuation in
26 practice would constitute an imminent danger to the public. In

1 the event that the Secretary summarily suspends a permit issued
2 pursuant to this Section, the permit holder may petition the
3 Department for a hearing in accordance with the provisions of
4 this Act to reinstate his or her permit.

5 In addition to terminating any permit issued pursuant to
6 this subsection (i), the Department may issue a monetary
7 penalty not to exceed \$1,000 upon the permit holder and may
8 notify any state in which the permit holder has been issued a
9 license that his or her Illinois permit has been terminated and
10 the reasons for the termination. The monetary penalty shall be
11 paid within 60 days after the effective date of the order
12 imposing the penalty. The order shall constitute a judgment and
13 may be filed and execution had thereon in the same manner as
14 any judgment from any court of record. It is the intent of the
15 General Assembly that a permit issued pursuant to this
16 subsection (i) shall be considered a privilege and not a
17 property right.

19 (225 ILCS 25/16.1) (from Ch. 111, par. 2316.1)

20 (Section scheduled to be repealed on January 1, 2016)

21 Sec. 16.1. Continuing education. The Department shall
22 promulgate rules of continuing education for persons licensed
23 under this Act. In establishing rules, the Department shall
24 require a minimum of 48 hours of study in approved courses for
25 dentists during each 3-year licensing period and a minimum of

1 36 hours of study in approved courses for dental hygienists
2 during each 3-year licensing period.

3 The Department shall approve only courses that are relevant
4 to the treatment and care of patients, including, but not
5 limited to, clinical courses in dentistry and dental hygiene
6 and nonclinical courses such as patient management, legal and
7 ethical responsibilities, and stress management. The
8 Department shall allow up to 4 hours of continuing education
9 credit hours per license renewal period for volunteer hours
10 spent providing clinical services at, or sponsored by, a
11 nonprofit community clinic, local or state health department,
12 or a charity event. Courses shall not be approved in such
13 subjects as estate and financial planning, investments, or
14 personal health. Approved courses may include, but shall not be
15 limited to, courses that are offered or sponsored by approved
16 colleges, universities, and hospitals and by recognized
17 national, State, and local dental and dental hygiene
18 organizations.

19 No license shall be renewed unless the renewal application
20 is accompanied by an affidavit indicating that the applicant
21 has completed the required minimum number of hours of
22 continuing education in approved courses as required by this
23 Section. The affidavit shall not require a listing of courses.
24 The affidavit shall be a prima facie evidence that the
25 applicant has obtained the minimum number of required
26 continuing education hours in approved courses. The Department

1 shall not be obligated to conduct random audits or otherwise
2 independently verify that an applicant has met the continuing
3 education requirement. The Department, however, may not
4 conduct random audits of more than 10% of the licensed dentists
5 and dental hygienists in any one licensing cycle to verify
6 compliance with continuing education requirements. If the
7 Department, however, receives a complaint that a licensee has
8 not completed the required continuing education or if the
9 Department is investigating another alleged violation of this
10 Act by a licensee, the Department may demand and shall be
11 entitled to receive evidence from any licensee of completion of
12 required continuing education courses for the most recently
13 completed 3-year licensing period. Evidence of continuing
14 education may include, but is not limited to, canceled checks,
15 official verification forms of attendance, and continuing
16 education recording forms, that demonstrate a reasonable
17 record of attendance. The Board shall determine, in accordance
18 with rules adopted by the Department, whether a licensee or
19 applicant has met the continuing education requirements. Any
20 dentist who holds more than one license under this Act shall be
21 required to complete only the minimum number of hours of
22 continuing education required for renewal of a single license.
23 The Department may provide exemptions from continuing
24 education requirements. ~~The exemptions shall include, but~~
25 ~~shall not be limited to, dentists and dental hygienists who~~
26 ~~agree not to practice within the State during the licensing~~

1 ~~period because they are retired from practice.~~

2 consumer to self-apply teeth whitening materials.

3 The fact that any person engages in or performs, or offers
4 to engage in or perform, any of the practices, acts, or

6 evidence that such person is engaged in the practice of
7 dentistry.

8 The following practices, acts, and operations, however,
9 are exempt from the operation of this Act:

5 since January 1, 1986; or

7 such approved dental school or college and possessing a
8 current valid license or authorization to practice
9 dentistry in another country; or

10 (e) The practice of dentistry by licensed dentists of

15 (f) The use of X-Ray machines for exposing X-Ray films
16 of dental or oral tissues by dental hygienists or dental
17 assistants; or

18 (g) The performance of any dental service by a dental
19 assistant, if such service is performed under the
20 supervision and full responsibility of a dentist.

21 For purposes of this paragraph (g), "dental service" is
22 defined to mean any intraoral procedure or act which shall
23 be prescribed by rule or regulation of the Department.
24 Dental service, however, shall not include:

25 (1) Any and all diagnosis of or prescription for

3 conferences.

4 (a) Upon the motion of either the Department or the Board
5 or upon the verified complaint in writing of any person setting
6 forth facts which if proven would constitute grounds for
7 refusal, suspension or revocation of license under this Act,
8 the Board shall investigate the actions of any person,
9 hereinafter called the respondent, who holds or represents that
10 he or she holds a license. All such motions or complaints shall

14 investigator shall inform the dentist or the dental hygienist
15 in writing:

16 (1) that the dentist or dental hygienist is the subject
17 of a complaint;

18 (2) that the dentist or dental hygienist need not
19 immediately proceed with the interview and may seek
20 appropriate consultation prior to consenting to the
21 interview; and

22 (3) that failure of the dentist or dental hygienist to
23 proceed with the interview shall not prohibit the
24 Department from conducting a visual inspection of the
25 facility.

26 A Department investigator's failure to comply with this

1 subsection may not be the sole ground for dismissal of any
2 order of the Department filed upon a finding of a violation or
3 for dismissal of a pending investigation.

4 (b-5) The duly authorized dental investigators of the
5 Department shall have the right to enter and inspect, during
6 business hours, the business premises of a dentist licensed
7 under this Act or of a person who holds himself or herself out

26 The request for an informal conference shall contain the

1 nature of the alleged actions or inactions that constitute the
2 possible violations.

3 A dentist or dental hygienist shall be allowed to have
4 legal counsel at the informal conference. If the informal

6 dentist or dental hygienist and the Department, the consent
7 order must be approved by the Secretary. All consent orders
8 must be signed by a member of the Board prior to approval by
9 the Secretary. ~~However, if the consent order would result in a~~
10 ~~fine exceeding \$10,000 or the suspension or revocation of the~~
11 ~~dentist or dental hygienist license, the consent order must be~~
12 ~~approved by the Board and the Secretary.~~ Participation in the
13 informal conference by a dentist, a dental hygienist, or the
14 Department and any admissions or stipulations made by a
15 dentist, a dental hygienist, or the Department at the informal
16 conference, including any agreements in a consent order that is

2 written answer thereto to the Board under oath within 20 days
3 after the service on him or her of such notice and inform him
4 or her that if he or she fails to file such answer default will
5 be taken against him or her and his or her license may be
6 suspended, revoked, placed on probationary status, or other
7 disciplinary action may be taken with regard thereto, including
8 limiting the scope, nature or extent of his or her practice, as
9 the Secretary may deem proper.

10 (e) Such written notice and any notice in such proceedings
11 thereafter may be served by delivery personally to the

18 Sec. 26. Disciplinary actions.

19 (a) In case the respondent, after receiving notice, fails
20 to file an answer, his or her license may, in the discretion of
21 the Secretary, having first received the recommendation of the
22 Board, be suspended, revoked, placed on probationary status, or
23 the Secretary may take whatever disciplinary or
24 non-disciplinary action he or she may deem proper, including
25 limiting the scope, nature, or extent of the person's practice

1 or the imposition of a fine, without a hearing, if the act or
2 acts charged constitute sufficient grounds for such action
3 under this Act.

4 (b) The Secretary may temporarily suspend the license of a
5 dentist or dental hygienist without a hearing, simultaneous to
6 the institution of proceedings for a hearing under this Act, if
7 the Secretary finds that evidence in his or her possession
8 indicates that a dentist's or dental hygienist's continuation
9 in practice would constitute an immediate danger to the public.
10 In the event that the Secretary temporarily suspends the
11 license of a dentist or a dental hygienist without a hearing, a
12 hearing by the Board must be held within 15 days after such
13 suspension has occurred.

14 (c) The entry of a judgment by any circuit court
15 establishing that any person holding a license under this Act
16 is a person subject to involuntary admission under the Mental
17 Health and Developmental Disabilities Code shall operate as a
18 suspension of that license. That person may resume his or her
19 practice only upon a finding by the Board that he or she has
20 been determined to be no longer subject to involuntary
21 admission by the court and upon the Board's recommendation to
22 the Secretary that he or she be permitted to resume his or her
23 practice.

3 by Secretary. The Board may advise the Secretary that probation
4 be granted or that other disciplinary action, including the
5 limitation of the scope, nature or extent of a person's
6 practice, be taken, as it deems proper. If disciplinary action
7 other than suspension or revocation is taken, the Board may
8 advise that the Secretary impose reasonable limitations and
9 requirements upon the respondent to insure compliance with the
10 terms of the probation or other disciplinary action, including,
11 but not limited to, regular reporting by the respondent to the
12 Secretary of his or her actions, or the respondent's placing
13 himself or herself under the care of a qualified physician for
14 treatment or limiting his or her practice in such manner as the
15 Secretary may require.

16 The Board shall present to the Secretary a written report
17 of its findings and recommendations. A copy of such report
18 shall be served upon the respondent, either personally or by
19 registered or certified mail. Within 20 days after such
20 service, the respondent may present to the Department his or
21 her motion in writing for a rehearing, specifying the
22 particular ground therefor. If the respondent orders from the
23 reporting service and pays for a transcript of the record, the
24 time elapsing thereafter and before such transcript is ready
25 for delivery to him or her shall not be counted as part of such
26 20 days.
