14 (ii) interfere with active administrative
15 enforcement proceedings conducted by the public body

4 conducted by the agency that is the recipient of the
5 request;

6 (v) disclose unique or specialized investigative
7 techniques other than those generally used and known or
8 disclose internal documents of correctional agencies
9 related to detection, observation or investigation of

11 result in demonstrable harm to the agency or public
12 body that is the recipient of the request;

13 (vi) endanger the life or physical safety of law
14 enforcement personnel or any other person; or

15 (vii) obstruct an ongoing criminal investigation
16 by the agency that is the recipient of the request.

18 enforcement purposes and contained in a shared electronic
19 record management system if the law enforcement agency that

23 the record through the shared electronic record management
24 system.

11 through an administrative request to the Department of
12 Corrections.

13 (f) Preliminary drafts, notes, recommendations,
14 memoranda and other records in which opinions are
15 expressed, or policies or actions are formulated, except
16 that a specific record or relevant portion of a record

16 not apply to the identity of a privately held company
17 within the investment portfolio of a private equity fund,
18 unless the disclosure of the identity of a privately held

20 Nothing contained in this paragraph (g) shall be
21 construed to prevent a person or business from consenting
22 to disclosure.

23 (h) Proposals and bids for any contract, grant, or
24 agreement, including information which if it were
25 disclosed would frustrate procurement or give an advantage
26 to any person proposing to enter into a contractor

1 agreement with the body, until an award or final selection
2 is made. Information prepared by or for the body in
3 preparation of a bid solicitation shall be exempt until an
4 award or final selection is made.

8 expected to produce private gain or public loss. The
9 exemption for "computer geographic systems" provided in
10 this paragraph (i) does not extend to requests made by news
11 media as defined in Section 2 of this Act when the
12 requested information is not otherwise exempt and the only

15 legal rights of the general public.

3 (iv) course materials or research materials used
4 by faculty members.

5 (k) Architects' plans, engineers' technical
6 submissions, and other construction related technical
7 documents for projects not constructed or developed in
8 whole or in part with public funds and the same for

10 including but not limited to power generating and
11 distribution stations and other transmission and
12 distribution facilities, water treatment facilities,
13 airport facilities, sport stadiums, convention centers,
14 and all government owned, operated, or occupied buildings,
15 but only to the extent that disclosure would compromise
16 security.

17 (l) Minutes of meetings of public bodies closed to the
18 public as provided in the Open Meetings Act until the
19 public body makes the minutes available to the public under
20 Section 2.06 of the Open Meetings Act.

26 proceeding upon the request of an attorney advising the

1 public body, and materials prepared or compiled with
2 respect to internal audits of public bodies.

18 between public bodies and their employees or
19 representatives, except that any final contract or

22 examination data used to determine the qualifications of an
23 applicant for a license or employment.

3 response policies or plans that are designed to identify,
4 prevent, or respond to potential attacks upon a community's
5 population or systems, facilities, or installations, the
6 destruction or contamination of which would constitute a
7 clear and present danger to the health or safety of the
8 community, but only to the extent that disclosure could
9 reasonably be expected to jeopardize the effectiveness of
10 the measures or the safety of the personnel who implement
11 them or the public. Information exempt under this item may
