9 ~~and~~

10 (f-5) identification of each state in which the risk

15 commissioner of the state in which the group is chartered
16 for liability insurance companies authorized by the
17 insurance laws of such state.

18 (9) "Product liability" means liability for damages
19 because of any personal injury, death, emotional harm,
20 consequential economic damage, or property damage (including

22 of the manufacture, design, importation, distribution,
23 packaging, labeling, lease, or sale of a product, but does not
24 include the liability of any person for those damages if the

18 its group members;

19 (b) which is organized for the primary purpose of
20 conducting the activity described under paragraph (a) of
21 this subsection (11);

2 insurance under the laws of Bermuda or the Cayman
3 Islands and, before such date, had certified to the
4 insurance commissioner of at least one state that it
5 satisfied the capitalization requirements of such
6 state, except that any such group shall be considered
7 to be a risk retention group only if it has been
8 engaged in business continuously since such date and
9 only for the purposes of continuing to provide
10 insurance to cover product liability or completed
11 operations liability (as such terms were defined in the
12 Product Liability Risk Retention Act of 1981 before the
13 date of the enactment of the Risk Retention Act of
14 1986);

5 (f) whose members are engaged in businesses or

20 subsection (11) for membership in the risk retention

4 (Section scheduled to be repealed on January 1, 2017)

5 Sec. 123B-3. Risk retention groups organized in this State.

6 A. A risk retention group shall either:

7 (1) pursuant to the provisions of Articles II or III,
8 be organized to write only liability insurance and, except
9 as provided elsewhere in this Article, must comply with all
10 of the laws, rules, regulations and requirements
11 applicable to such insurers organized in this State and
12 with Section 123B-4 of this Article to the extent such
13 requirements are not a limitation on laws, rules,
14 regulations or requirements of this State; or

15 (2) pursuant to the provisions of Article VIIC, be
16 organized to write only liability insurance as a captive
17 insurance company and, except as provided elsewhere in this
18 Article, must comply with all of the laws, rules,
19 regulations and requirements applicable to such insurers
20 organized in this State and with Section 123B-4 of this
21 Article to the extent such requirements are not a
22 limitation on laws, rules, regulations or requirements of
23 this State.

24 Except that, as of the effective date of this amendatory
25 Act of 1995, a new risk retention group must qualify under

1 paragraph (1) of this subsection, ~~and any risk retention group~~
2 ~~presently organized in accordance with paragraph (2) of this~~
3 ~~subsection shall amend its articles of incorporation and comply~~
4 ~~with paragraph (1) of this subsection within 6 months of the~~
5 ~~effective date of this amendatory Act of 1995 or cease~~
6 ~~operating under this Article.~~

7 B. Before it may offer insurance in any state, each risk
8 retention group shall also submit for approval to the Director
9 a plan of operation or a feasibility study and revisions of
10 such plan or study if the group intends to offer any additional
11 lines of liability insurance. In the event of any subsequent
12 material change in any item of its plan or study, such risk
13 retention group shall submit an appropriate revision to the
14 Director within 10 days of any such change for approval by the
15 Director. The group shall not offer any additional kinds of
16 liability insurance, in this State or in any other state, until
17 a revision of such plan or study is approved by the Director.

18 C. At the time of filing its application for organization,
19 the risk retention group shall provide to the Director in
20 summary form the following information: the identity of the
21 initial members of the group, the identity of those individuals
22 who organized the group or who will provide administrative
23 services or otherwise influence or control the activities of
24 the group, the amount and nature of initial capitalization, the
25 coverages to be afforded, and the states in which the group
26 intends to operate. Upon receipt of this information, the

1 Director shall forward the information to the NAIC. Providing
2 notification to the NAIC is in addition to and shall not be
3 sufficient to satisfy the requirements of Section 123B-4 of
4 this Code or any other provisions of this Article.

5 D. The name under which a risk retention group may be
6 organized and licensed shall include the phrase "Risk Retention
7 Group".

8 E. Notwithstanding any other provision to the contrary, all
9 risk retention groups chartered in this State shall file an
10 annual statement with the Department and NAIC ~~the National~~
11 ~~Association of Insurance Commissioners~~ (NAIC). The annual
12 statement shall be in a form prescribed by the Director. The
13 statement may be required to be in diskette form. The statement
14 shall be completed in accordance with the annual statement
15 instructions and the NAIC Accounting Practices and Procedures
16 Manual.

17 F. As used in this subsection F:

18 "Board of directors" means the governing body of the risk
19 retention group elected by shareholders or members to establish
20 policy, elect or appoint officers and committees, and make
21 other governing decisions.

22 "Director" means a natural person designated in the
23 articles of the risk retention group, or designated, elected,
24 or appointed by any other manner, name, or title, to act as a
25 director.

26 "Material relationship" means a relationship of a person

1 with the risk retention group that includes, but is not limited
2 to:

3 (a) The receipt in any one 12-month period of
4 compensation or payment of any other item of value by the
5 person, a member of the person's immediate family, or any
6 business with which the person is affiliated from the risk
7 retention group or a consultant or services provider to the
8 risk retention group is greater than or equal to 5% of the
9 risk retention group's gross written premium for the
10 12-month period or 2% of its surplus, whichever is greater,
11 as measured at the end of any fiscal quarter falling in a
12 12-month period. The person or immediate family member of
13 that person is not independent until one year after his or
14 her compensation from the risk retention group falls below
15 the threshold.

16 (b) A relationship with the auditor as follows: a
17 director or an immediate family member of a director who is
18 affiliated with or employed in a professional capacity by a
19 present or former internal or external auditor of the risk
20 retention group is not independent until one year after the
21 end of the affiliation, employment, or auditing
22 relationship.

23 (c) A relationship with a related entity as follows: a
24 director or an immediate family member of a director who is
25 employed as an executive officer of another company where
26 any of the risk retention group's present executives serve

1 on that other company's board of directors is not
2 independent until one year after the end of the service or
3 the employment relationship.

4 Within one year after the effective date of this amendatory
5 Act of the 99th General Assembly, existing risk retention
6 groups shall be in compliance with the following governance
7 standards and new risk retention groups shall be in compliance
8 with the standards at the time of licensure:

9 (1) The board of directors of the risk retention group
10 shall have a majority of independent directors. If the risk
11 retention group is a reciprocal, then the attorney-in-fact
12 shall adhere to the same standards regarding independence
13 of operations and governance as imposed on the risk
14 retention group's board of directors or subscribers
15 advisory committee under these standards and, to the extent
16 permissible under State law, service providers of a
17 reciprocal risk retention group shall contract with the
18 risk retention group and not the attorney-in-fact.

19 No director qualifies as independent unless the board
20 of directors affirmatively determines that the director
21 has no material relationship with the risk retention group.
22 Each risk retention group shall disclose these
23 determinations to the Department at least annually and the
24 Director may approve or refute the board's determination.
25 For this purpose, any person that is a direct or indirect
26 owner of or subscriber in the risk retention group (or is

1 an officer, director, or employee of an owner and insured,
2 unless some other position of the officer, director, or
3 employee constitutes a material relationship), as
4 contemplated by 15 U.S.C. 3901(a)(4)(E)(ii), shall be
5 deemed independent.

6 A material relationship shall not be deemed to exist by
7 reason that a majority of the membership of the related
8 entity's board of directors is the same as the membership
9 of the board of directors of the risk retention group
10 unless the director decides otherwise.

11 (2) The term of any material service provider contract
12 with the risk retention group shall not exceed 5 years. Any
13 contract, or its renewal, shall require the approval of the
14 majority of the risk retention group's independent
15 directors. The risk retention group's board of directors
16 shall have the right to terminate any service provider,
17 audit, or actuarial contracts at any time for cause after
18 providing adequate notice as defined in the contract. The
19 service provider contract is deemed material if the amount
20 to be paid for the contract is greater than or equal to 5%
21 of the risk retention group's annual gross written premium
22 or 2% of its surplus, whichever is greater.

23 No service provider in a material relationship with the
24 risk retention group shall enter into a contract with the
25 risk retention group unless the risk retention group has
26 notified the Director of Insurance in writing of its

1 intention to enter into a transaction at least 30 days
2 prior thereto and the Director of Insurance has not
3 disapproved it within that period.

4 For the purposes of this paragraph (2), "service
5 providers" includes captive managers, auditors,
6 accountants, actuaries, investment advisors, lawyers,
7 managing general underwriters, and other parties
8 responsible for underwriting, determination of rates,
9 collection of premium, adjusting and settling claims or
10 preparation of financial statements.

11 "Lawyers" does not include defense counsel retained by
12 the risk retention group to defend claims, unless the
13 amount of fees paid to the lawyers meet the definition of a
14 material relationship.

15 (3) The risk retention group's board of directors shall
16 adopt a written policy in the plan of operation as approved
17 by the board that requires the board to:

18 (a) ensure that all owner-insureds of the risk
19 retention group receive evidence of ownership
20 interest;

21 (b) develop a set of governance standards
22 applicable to the risk retention group;

23 (c) oversee the evaluation of the risk retention
24 group's management, including, but not limited to, the
25 performance of the captive manager, managing general
26 underwriter, or other party or parties responsible for

1 underwriting, determination of rates, collection of
2 premium, adjusting or settling claims or the
3 preparation of financial statements;

4 (d) review and approve the amount to be paid for
5 all material service providers; and

6 (e) review and approve at least annually:

7 (i) the risk retention group's goals and
8 objectives relevant to the compensation of
9 officers and service providers;

10 (ii) the officers' and service providers'
11 performance in light of those goals and
12 objectives; and

13 (iii) the continued engagement of the officers
14 and material service providers.

15 (4) The risk retention group shall have an audit
16 committee composed of at least 3 independent board members
17 as defined in this subsection F. A non-independent board
18 member may participate in the activities of the audit
19 committee, if invited by the members, but cannot be a
20 member of the committee.

21 The audit committee shall have a written charter that
22 defines the committee's purpose, which at a minimum must be
23 to:

24 (a) assist board oversight of: (I) the integrity of
25 the financial statements, (II) the compliance with
26 legal and regulatory requirements, and (III) the

1 qualifications, independence, and performance of the
2 independent auditor and actuary;

3 (b) discuss the annual audited financial
4 statements and quarterly financial statements with
5 management;

6 (c) discuss the annual audited financial
7 statements with its independent auditor and, if
8 advisable, discuss its quarterly financial statements
9 with its independent auditor;

10 (d) discuss policies with respect to risk
11 assessment and risk management;

12 (e) meet separately and periodically, either
13 directly or through a designated representative of the
14 committee, with management and independent auditors;

15 (f) review with the independent auditor any audit
16 problems or difficulties and management's response;

17 (g) set clear hiring policies of the risk retention
18 group as to the hiring of employees or former employees
19 of the independent auditor;

20 (h) require the external auditor to rotate the lead
21 or coordinating audit partner having primary
22 responsibility for the risk retention group's audit as
23 well as the audit partner responsible for reviewing
24 that audit so that neither individual performs audit
25 services for more than 5 consecutive fiscal years; and

26 (i) report regularly to the board of directors.

1 The Department may waive the requirement to establish
2 an audit committee composed of independent board members if
3 the risk retention group is able to demonstrate to the
4 Department that it is impracticable to do so and the risk
5 retention group's board of directors itself is otherwise
6 able to accomplish the purposes of an audit committee as
7 described in this paragraph (4).

8 (5) The board of directors shall adopt and disclose
9 governance standards, either through electronic or other
10 means, and provide information to members and insureds upon
11 request, including, but not limited to:

12 (a) a process by which the directors are elected by
13 the owner or insureds;

14 (b) director qualification standards;

15 (c) director responsibilities;

16 (d) director access to management and, as
17 necessary and appropriate, independent advisors;

18 (e) director compensation;

19 (f) director orientation and continuing education;

20 (g) the policies and procedures that are followed
21 for management succession; and

22 (h) the policies and procedures that are followed
23 for annual performance evaluation of the board.

24 (6) The board of directors shall adopt and disclose a
25 code of business conduct and ethics for directors,
26 officers, and employees and promptly disclose to the board

1 of directors any waivers of the code for directors or
2 executive officers. The code of business conduct and ethics
3 shall include, but is not limited to, the following topics:

4 (a) conflicts of interest;

5 (b) matters covered under the corporate
6 opportunities doctrine under the state of domicile;

7 (c) confidentiality;

8 (d) fair dealing;

9 (e) protection and proper use of risk retention
10 group assets;

11 (f) compliance with all applicable laws, rules,
12 and regulations; and

13 (g) the required reporting of any illegal or
14 unethical behavior that affects the operation of the
15 risk retention group.

16 (7) The captive manager, president, or chief executive
17 officer of the risk retention group shall promptly notify
18 the Department in writing if he or she becomes aware of any
19 material non-compliance with any of these governance
20 standards.

24 Sec. 123B-4. Risk retention groups not organized in this
25 State. Any risk retention group organized and licensed in a

1 state other than this State and seeking to do business as a
2 risk retention group in this State shall comply with the laws
3 of this State as follows:

4 A. Notice of operations and designation of the Director as
5 agent.

6 Before offering insurance in this State, a risk retention
7 group shall submit to the Director on a form prescribed by the
8 NAIC approved by the Director:

9 (1) a statement identifying the state or states in
10 which the risk retention group is organized and licensed as
11 a liability insurance company, its date of organization,
12 its principal place of business, and such other
13 information, including information on its membership, as
14 the Director may require to verify that the risk retention
15 group is qualified under subsection (11) of Section 123B-2
16 of this Article;

17 (2) a copy of its plan of operations or a feasibility
18 study and revisions of such plan or study submitted to its
19 state of domicile; provided, however, that the provision
20 relating to the submission of a plan of operation or a
21 feasibility study shall not apply with respect to any line
22 or classification of liability insurance which (a) was
23 defined in the Product Liability Risk Retention Act of 1981
24 before October 27, 1986, and (b) was offered before such
25 date by any risk retention group which had been organized
26 and operating for not less than 3 years before such date;

1 and

2 (3) a statement of registration which designates the
3 Director as its agent for the purpose of receiving service
4 of legal documents or process, together with a filing fee
5 of \$200 payable to the Director.

6 A risk retention group shall submit a copy of any material
7 revision to its plan of operation or feasibility study required
8 by subsection B of Section 123B-3 of this Code within 30 days
9 after the date of the approval of the revision by the Director
10 or, if no such approval is required, within 30 days after
11 filing.

12 B. Financial condition. Any risk retention group doing
13 business in this State shall submit to the Director:

14 (1) a copy of the group's financial statement submitted
15 to the state in which the risk retention group is organized
16 and licensed, which shall be certified by an independent
17 public accountant and contain a statement of opinion on
18 loss and loss adjustment expense reserves made by a member
19 of the American Academy of Actuaries or a qualified loss
20 reserve specialist (under criteria established by the NAIC
21 ~~National Association of Insurance Commissioners~~);

22 (2) a copy of each examination of the risk retention
23 group as certified by the public official conducting the
24 examination;

25 (3) upon request by the Director, a copy of any
26 information or document pertaining to any outside audit

1 performed with respect to the risk retention group; and

2 (4) such information as may be required to verify its
3 continuing qualification as a risk retention group under
4 subsection (11) of Section 123B-2.

5 C. Taxation.

6 (1) Each risk retention group shall be liable for the
7 payment of premium taxes and taxes on premiums of direct
8 business for risks resident or located within this State,
9 and shall report to the Director the net premiums written
10 for risks resident or located within this State. Such risk
11 retention group shall be subject to taxation, and any
12 applicable fines and penalties related thereto, on the same
13 basis as a foreign admitted insurer.

14 (2) To the extent licensed insurance producers are
15 utilized pursuant to Section 123B-11, they shall report to
16 the Director the premiums for direct business for risks
17 resident or located within this State which such licensees
18 have placed with or on behalf of a risk retention group not
19 organized in this State.

20 (3) To the extent that licensed insurance producers are
21 utilized pursuant to Section 123B-11, each such producer
22 shall keep a complete and separate record of all policies
23 procured from each such risk retention group, which record
24 shall be open to examination by the Director, as provided
25 in Section 506.1 of this Code. These records shall, for
26 each policy and each kind of insurance provided thereunder,

1 include the following:

2 (a) the limit of the liability;

3 (b) the time period covered;

4 (c) the effective date;

5 (d) the name of the risk retention group which
6 issued the policy;

7 (e) the gross premium charged; and

8 (f) the amount of return premiums, if any.

9 D. Compliance With unfair claims practices provisions. Any
10 risk retention group, its agents and representatives shall be
11 subject to the unfair claims practices provisions of Sections
12 154.5 through 154.8 of this Code.

13 E. Deceptive, false, or fraudulent practices. Any risk
14 retention group shall comply with the laws of this State

16 However, if the Director seeks an injunction regarding such
17 conduct, the injunction must be obtained from a court of
18 competent jurisdiction.

19 F. Examination regarding financial condition. Any risk
20 retention group must submit to an examination by the Director
