A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section
5 21B-45 as follows:

6 (105 ILCS 5/21B-45)

7 Sec. 21B-45. Professional Educator License renewal.

8 (a) Individuals holding a Professional Educator License
9 are required to complete the licensure renewal requirements as
10 specified in this Section, unless otherwise provided in this
11 Code.

12 Individuals holding a Professional Educator License shall
13 meet the renewal requirements set forth in this Section, unless
14 otherwise provided in this Code. If an individual holds a
15 license endorsed in more than one area that has different
16 renewal requirements, that individual shall follow the renewal
17 requirements for the position for which he or she spends the
18 majority of his or her time working.

19 (b) All Professional Educator Licenses not renewed as
20 provided in this Section shall lapse on September 1 of that
21 year. Lapsed licenses may be immediately reinstated upon (i)
22 payment by the applicant of a \$500 penalty to the State Board
23 of Education or (ii) the demonstration of proficiency by

1 completing 9 semester hours of coursework from a regionally
2 accredited institution of higher education in the content area
3 that most aligns with one or more of the educator's endorsement
4 areas. Any and all back fees, including without limitation
5 registration fees owed from the time of expiration of the
6 license until the date of reinstatement, shall be paid and kept
7 in accordance with the provisions in Article 3 of this Code
8 concerning an institute fund and the provisions in Article 21B
9 of this Code concerning fees and requirements for registration.
10 Licenses not registered in accordance with Section 21B-40 of
11 this Code shall lapse after a period of 6 months from the
12 expiration of the last year of registration. An unregistered
13 license is invalid after September 1 for employment and
14 performance of services in an Illinois public or State-operated
15 school or cooperative and in a charter school. Any license or
16 endorsement may be voluntarily surrendered by the license
17 holder. A voluntarily surrendered license, except a substitute
18 teaching license issued under Section 21B-20 of this Code,
19 shall be treated as a revoked license. An Educator License with
20 Stipulations with only a paraprofessional endorsement does not
21 lapse.

22 (c) From July 1, 2013 through June 30, 2014, in order to
23 satisfy the requirements for licensure renewal provided for in
24 this Section, each professional educator licensee with an
25 administrative endorsement who is working in a position
26 requiring such endorsement shall complete one Illinois

1 Administrators' Academy course, as described in Article 2 of
2 this Code, per fiscal year.

3 (d) Beginning July 1, 2014, in order to satisfy the
4 requirements for licensure renewal provided for in this
5 Section, each professional educator licensee may create a
6 professional development plan each year. The plan shall address
7 one or more of the endorsements that are required of his or her
8 educator position if the licensee is employed and performing
9 services in an Illinois public or State-operated school or
10 cooperative. If the licensee is employed in a charter school,
11 the plan shall address that endorsement or those endorsements
12 most closely related to his or her educator position. Licensees
13 employed and performing services in any other Illinois schools
14 may participate in the renewal requirements by adhering to the
15 same process.

16 Except as otherwise provided in this Section, the
17 licensee's professional development activities shall align
18 with one or more of the following criteria:

19 (1) activities are of a type that engage participants
20 over a sustained period of time allowing for analysis,
21 discovery, and application as they relate to student
22 learning, social or emotional achievement, or well-being;

23 (2) professional development aligns to the licensee's
24 performance;

25 (3) outcomes for the activities must relate to student
26 growth or district improvement;

1 (4) activities align to State-approved standards; and

2 (5) higher education coursework.

3 (e) For each renewal cycle, each professional educator
4 licensee shall engage in professional development activities.
5 Prior to renewal, the licensee shall enter electronically into
6 the Educator Licensure Information System (ELIS) the name,
7 date, and location of the activity, the number of professional
8 development hours, and the provider's name. The following
9 provisions shall apply concerning professional development
10 activities:

11 (1) Each licensee shall complete a total of 120 hours
12 of professional development per 5-year renewal cycle in
13 order to renew the license, except as otherwise provided in
14 this Section.

15 (2) Beginning with his or her first full 5-year cycle,
16 any licensee with an administrative endorsement who is not
17 working in a position requiring such endorsement shall
18 complete one Illinois Administrators' Academy course, as
19 described in Article 2 of this Code, in each 5-year renewal
20 cycle in which the administrative endorsement was held for
21 at least one year. The Illinois Administrators' Academy
22 course may count toward the total of 120 hours per 5-year
23 cycle.

24 (3) Any licensee with an administrative endorsement
25 who is working in a position requiring such endorsement or
26 an individual with a Teacher Leader endorsement serving in

1 an administrative capacity at least 50% of the day shall
2 complete one Illinois Administrators' Academy course, as
3 described in Article 2 of this Code, each fiscal year in
4 addition to 100 hours of professional development per
5 5-year renewal cycle in accordance with this Code.

6 (4) Any licensee holding a current National Board for
7 Professional Teaching Standards (NBPTS) master teacher
8 designation shall complete a total of 60 hours of
9 professional development per 5-year renewal cycle in order
10 to renew the license.

11 (5) Licensees working in a position that does not
12 require educator licensure or working in a position for
13 less than 50% for any particular year are considered to be
14 exempt and shall be required to pay only the registration
15 fee in order to renew and maintain the validity of the
16 license.

17 (6) Licensees who are retired and qualify for benefits
18 from a State retirement system shall notify the State Board
19 of Education using ELIS, and the license shall be
20 maintained in retired status. An individual with a license
21 in retired status shall not be required to complete
22 professional development activities or pay registration
23 fees until returning to a position that requires educator
24 licensure. Upon returning to work in a position that
25 requires the Professional Educator License, the licensee
26 shall immediately pay a registration fee and complete

1 renewal requirements for that year. However, the
2 registration fee does not need to be paid if the licensee
3 is returning to work as a substitute teacher for less than
4 50% of full-time equivalency for any particular school
5 year. A license in retired status cannot lapse.

6 (7) For any renewal cycle in which professional
7 development hours were required, but not fulfilled, the
8 licensee shall complete any missed hours to total the
9 minimum professional development hours required in this
10 Section prior to September 1 of that year. For any fiscal
11 year or renewal cycle in which an Illinois Administrators'
12 Academy course was required but not completed, the licensee
13 shall complete any missed Illinois Administrators' Academy
14 courses prior to September 1 of that year. The licensee may
15 complete all deficient hours and Illinois Administrators'
16 Academy courses while continuing to work in a position that
17 requires that license until September 1 of that year.

18 (8) Any licensee who has not fulfilled the professional
19 development renewal requirements set forth in this Section
20 at the end of any 5-year renewal cycle is ineligible to
21 register his or her license and may submit an appeal to the
22 State Superintendent of Education for reinstatement of the
23 license.

24 (9) If professional development opportunities were
25 unavailable to a licensee, proof that opportunities were
26 unavailable and request for an extension of time beyond

1 August 31 to complete the renewal requirements may be
2 submitted from April 1 through June 30 of that year to the
3 State Educator Preparation and Licensure Board. If an
4 extension is approved, the license shall remain valid
5 during the extension period.

8 ~~this amendatory Act of the 98th General Assembly~~ shall

10 scheduled registration due after December 27, 2013 (the
11 effective date of Public Act 98-610) ~~this amendatory Act of~~

13 (f) At the time of renewal, each licensee shall respond to
