15 and (b) of this Section, any person who fails to file, in a
16 timely manner, toxic chemical release forms with the Agency
17 pursuant to Section 25b-2 of this Act shall be liable for a

17 this Act, any permit or term or condition of a permit, or any
18 Board order, or to require such other actions as may be
19 necessary to address violations of this Act, any rule or

22 (f) The State's Attorney of the county in which the
23 violation occurred, or the Attorney General, shall bring such
24 actions in the name of the people of the State of Illinois.
25 Without limiting any other authority which may exist for the
26 awarding of attorney's fees and costs, the Board or a court of

1 competent jurisdiction may award costs and reasonable
2 attorney's fees, including the reasonable costs of expert
3 witnesses and consultants, to the State's Attorney or the
4 Attorney General in a case where he has prevailed against a

7 this Act, any permit or term or condition of a permit, or any
8 Board order.

9 Any funds collected under this subsection (f) in which the

15 (g) All final orders imposing civil penalties pursuant to
16 this Section shall prescribe the time for payment of such
17 penalties. If any such penalty is not paid within the time
18 prescribed, interest on such penalty at the rate set forth in
19 subsection (a) of Section 1003 of the Illinois Income Tax Act,
20 shall be paid for the period from the date payment is due until
21 the date payment is received. However, if the time for payment
22 is stayed during the pendency of an appeal, interest shall not
23 accrue during such stay.

24 (h) In determining the appropriate civil penalty to be
25 imposed under subdivisions (a), (b)(1), (b)(2), (b)(3), ~~or~~
26 (b)(5), (b)(6), or (b)(7) of this Section, the Board is

1 authorized to consider any matters of record in mitigation or
2 aggravation of penalty, including but not limited to the
3 following factors:

4 (1) the duration and gravity of the violation;

5 (2) the presence or absence of due diligence on the
6 part of the respondent in attempting to comply with
7 requirements of this Act and regulations thereunder or to
8 secure relief therefrom as provided by this Act;

9 (3) any economic benefits accrued by the respondent
10 because of delay in compliance with requirements, in which
11 case the economic benefits shall be determined by the
12 lowest cost alternative for achieving compliance;

13 (4) the amount of monetary penalty which will serve to
14 deter further violations by the respondent and to otherwise
15 aid in enhancing voluntary compliance with this Act by the
16 respondent and other persons similarly subject to the Act;

17 (5) the number, proximity in time, and gravity of
18 previously adjudicated violations of this Act by the
19 respondent;

20 (6) whether the respondent voluntarily self-disclosed,
21 in accordance with subsection (i) of this Section, the
22 non-compliance to the Agency;

23 (7) whether the respondent has agreed to undertake a
24 "supplemental environmental project," which means an
25 environmentally beneficial project that a respondent
26 agrees to undertake in settlement of an enforcement action

1 brought under this Act, but which the respondent is not
2 otherwise legally required to perform; and

3 (8) whether the respondent has successfully completed
4 a Compliance Commitment Agreement under subsection (a) of
5 Section 31 of this Act to remedy the violations that are
6 the subject of the complaint.

7 In determining the appropriate civil penalty to be imposed
8 under subsection (a) or paragraph (1), (2), (3), ~~or~~ (5), (6),
9 or (7) of subsection (b) of this Section, the Board shall
10 ensure, in all cases, that the penalty is at least as great as
11 the economic benefits, if any, accrued by the respondent as a
12 result of the violation, unless the Board finds that imposition
13 of such penalty would result in an arbitrary or unreasonable
14 financial hardship. However, such civil penalty may be off-set
15 in whole or in part pursuant to a supplemental environmental
16 project agreed to by the complainant and the respondent.

17 (i) A person who voluntarily self-discloses non-compliance
18 to the Agency, of which the Agency had been unaware, is
19 entitled to a 100% reduction in the portion of the penalty that
20 is not based on the economic benefit of non-compliance if the
21 person can establish the following:

22 (1) that the non-compliance was discovered through an
23 environmental audit or a compliance management system
24 documented by the regulated entity as reflecting the
25 regulated entity's due diligence in preventing, detecting,
26 and correcting violations;

1 (2) that the non-compliance was disclosed in writing
2 within 30 days of the date on which the person discovered
3 it;

4 (3) that the non-compliance was discovered and
5 disclosed prior to:

6 (i) the commencement of an Agency inspection,
7 investigation, or request for information;

8 (ii) notice of a citizen suit;

9 (iii) the filing of a complaint by a citizen, the
10 Illinois Attorney General, or the State's Attorney of
11 the county in which the violation occurred;

12 (iv) the reporting of the non-compliance by an
13 employee of the person without that person's
14 knowledge; or

15 (v) imminent discovery of the non-compliance by
16 the Agency;

17 (4) that the non-compliance is being corrected and any
18 environmental harm is being remediated in a timely fashion;

19 (5) that the person agrees to prevent a recurrence of
20 the non-compliance;

21 (6) that no related non-compliance events have
22 occurred in the past 3 years at the same facility or in the
23 past 5 years as part of a pattern at multiple facilities
24 owned or operated by the person;

25 (7) that the non-compliance did not result in serious
26 actual harm or present an imminent and substantial

1 endangerment to human health or the environment or violate
2 the specific terms of any judicial or administrative order
3 or consent agreement;

4 (8) that the person cooperates as reasonably requested
5 by the Agency after the disclosure; and

6 (9) that the non-compliance was identified voluntarily
7 and not through a monitoring, sampling, or auditing
8 procedure that is required by statute, rule, permit,
9 judicial or administrative order, or consent agreement.

10 If a person can establish all of the elements under this
11 subsection except the element set forth in paragraph (1) of
12 this subsection, the person is entitled to a 75% reduction in
13 the portion of the penalty that is not based upon the economic
14 benefit of non-compliance.

15 (j) In addition to any other remedy or penalty that may
16 apply, whether civil or criminal, any person who violates
17 Section 22.52 of this Act shall be liable for an additional
18 civil penalty of up to 3 times the gross amount of any
19 pecuniary gain resulting from the violation.

20 (k) In addition to any other remedy or penalty that may
21 apply, whether civil or criminal, any person who violates
22 subdivision (a) (7.6) of Section 31 of this Act shall be liable
23 for an additional civil penalty of \$2,000.
