

# SB3152

## 99TH GENERAL ASSEMBLY

### State of Illinois

2015 and 2016

SB3152

Introduced 2/19/2016, by Sen. Wm. Sam McCann

#### SYNOPSIS AS INTRODUCED:

215 ILCS 138/15

Amends the Uniform Prescription Drug Information Card Act. Provides that the uniform prescription drug information card or other technology shall specifically identify and display an Internet website with information on frequently asked questions and contact information.

LRB099 19952 EGJ 44351 b

A BILL FOR

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Uniform Prescription Drug Information Card  
5 Act is amended by changing Section 15 as follows:

6 (215 ILCS 138/15)

7 Sec. 15. Uniform prescription drug information cards  
8 required.

9 (a) A health benefit plan that issues a card or other  
10 technology and provides coverage for prescription drugs or  
11 devices and an administrator of such a plan including, but not  
12 limited to, third-party administrators for self-insured plans  
13 and state-administered plans shall issue to its insureds a card  
14 or other technology containing uniform prescription drug  
15 information. The uniform prescription drug information card or  
16 other technology shall specifically identify and display the  
17 following mandatory data elements on the front of the card:

18 (1) BIN number;

19 (2) Processor control number if required for claims  
20 adjudication;

21 (3) Group number;

22 (4) Card issuer identifier;

23 (5) Cardholder ID number; and

1 (6) Cardholder name.

2 The uniform prescription drug information card or other  
3 technology shall specifically identify and display the  
4 following mandatory data elements on the back of the card:

5 (1) Claims submission names and addresses; ~~and~~

6 (2) Help desk telephone numbers and names; and ~~and~~

7 (3) An Internet website with information on frequently  
8 asked questions and contact information.

9 (b) A new uniform prescription drug information card or  
10 other technology shall be issued by a health benefit plan upon  
11 enrollment and reissued upon any change in the insured's  
12 coverage that affects mandatory data elements contained on the  
13 card.

14 (c) Notwithstanding subsections (a) and (b) of this  
15 Section, a discounted health care services plan administrator  
16 providing discounts on prescription drugs or devices shall  
17 issue to its beneficiaries a card containing the following  
18 mandatory data elements:

19 (1) an Internet website for beneficiaries to access  
20 up-to-date lists of preferred providers;

21 (2) a toll-free help desk number for beneficiaries and  
22 providers to access up-to-date lists of preferred  
23 providers and additional information about the discounted  
24 health care services plan;

25 (3) the name or logo of the provider network;

26 (4) a group number;

1 (5) a cardholder ID number;

2 (6) the cardholder's name or a space to permit the  
3 cardholder to print his or her name, if the cardholder pays  
4 a periodic charge for use of the card;

5 (7) a processor control number, if required for claims  
6 adjudication; and

7 (8) a statement that the plan is not insurance.

8 (d) As used in this Section, "discounted health care  
9 services plan administrator" means any person, partnership, or  
10 corporation, other than an insurer, health service  
11 corporation, limited health service organization holding a  
12 certificate of authority under the Limited Health Service  
13 Organization Act, or health maintenance organization holding a  
14 certificate of authority under the Health Maintenance  
15 Organization Act that arranges, contracts with, or administers  
16 contracts with a provider whereby insureds or beneficiaries are  
17 provided an incentive to use health care services provided by  
18 health care services providers under a discounted health care  
19 services plan in which there are no other incentives, such as  
20 copayment, coinsurance, or any other reimbursement  
21 differential, for beneficiaries to utilize the provider.  
22 "Discounted health care services plan administrator" also  
23 includes any person, partnership, or corporation, other than an  
24 insurer, health service corporation, limited health service  
25 organization holding a certificate of authority under the  
26 Limited Health Service Organization Act, or health maintenance

1 organization holding a certificate of authority under the  
2 Health Maintenance Organization Act that enters into a contract  
3 with another administrator to enroll beneficiaries or insureds  
4 in a preferred provider program marketed as an independently  
5 identifiable program based on marketing materials or member  
6 benefit identification cards.
