

1 AMENDMENT TO HOUSE BILL 274

2 AMENDMENT NO. _____. Amend House Bill 274 as follows:

3 on page 1, by replacing lines 11 through 17 with the
4 following:

5 "recommend meningitis vaccination. Any University facility
6 that delivers health services to University students must
7 offer meningitis vaccines, subject to the availability of the
8 vaccine from the manufacturer."; and

9 on page 1, by replacing lines 25 through 29 with the
10 following:

11 "recommend meningitis vaccination. Any University facility
12 that delivers health services to University students must
13 offer meningitis vaccines, subject to the availability of the
14 vaccine from the manufacturer."; and

15 on page 2, by deleting lines 1 and 2; and

16 on page 2, by replacing lines 10 through 16 with the
17 following:

18 "recommend meningitis vaccination. Any University facility
19 that delivers health services to University students must
20 offer meningitis vaccines, subject to the availability of the
21 vaccine from the manufacturer."; and

22 on page 2, by replacing lines 24 through 30 with the

1 following:

2 "recommend meningitis vaccination. Any University facility
3 that delivers health services to University students must
4 offer meningitis vaccines, subject to the availability of the
5 vaccine from the manufacturer."; and

6 on page 3, by replacing lines 8 through 14 with the
7 following:

8 "recommend meningitis vaccination. Any University facility
9 that delivers health services to University students must
10 offer meningitis vaccines, subject to the availability of the
11 vaccine from the manufacturer."; and

12 on page 3, by replacing lines 22 through 28 with the
13 following:

14 "recommend meningitis vaccination. Any University facility
15 that delivers health services to University students must
16 offer meningitis vaccines, subject to the availability of the
17 vaccine from the manufacturer."; and

18 on page 4, by replacing lines 6 through 12 with the
19 following:

20 "recommend meningitis vaccination. Any University facility
21 that delivers health services to University students must
22 offer meningitis vaccines, subject to the availability of the
23 vaccine from the manufacturer."; and

24 on page 4, by replacing lines 20 through 26 with the
25 following:

26 "recommend meningitis vaccination. Any University facility
27 that delivers health services to University students must
28 offer meningitis vaccines, subject to the availability of the
29 vaccine from the manufacturer."; and

30 on page 5, by replacing lines 4 through 10 with the
31 following:

32 "recommend meningitis vaccination. Any University facility

1 that delivers health services to University students must
2 offer meningitis vaccines, subject to the availability of the
3 vaccine from the manufacturer."
