- 2 Be it enacted by the People of the State of Illinois,

- 14 corporate limits of the municipality. Beginning January
- 1, 2001, prepaid telephone calling arrangements shall not
- 16 be subject to the tax imposed under this Section. For

- 30 therefrom. If imposed, this tax shall be paid in monthly
- 31 payments.

4	not to exceed the following maximum rates, calculated on

7	consumed in a month; 0.61 cents per kilowatt-hour;
8	(ii) For the next 48,000 kilowatt-hours used or
9	consumed in a month; 0.40 cents per kilowatt-hour;
10	(iii) For the next 50,000 kilowatt-hours used or

24	(x) For all electricity used or consumed in excess
25	of 20,000,000 kilowatt-hours in a month, 0.30 cents per
26	kilowatt-hour.
27	If a municipality imposes a tax at rates lower than
28	either the maximum rates specified in this Section or the
29	alternative maximum rates promulgated by the Illinois
30	Commerce Commission, as provided below, the tax rates
31	shall be imposed upon the kilowatt hour categories set
32	forth above with the same proportional relationship as
33	that which exists among such maximum rates.

no municipality shall establish rates that are in excess of rates reasonably calculated to produce revenues that equal the maximum total revenues such municipality could have received under the tax authorized by this subparagraph in the last full calendar year prior to the effective date of Section 65 of this amendatory Act of 1997; provided that this shall not be a limitation on the amount of tax revenues actually collected by such municipality.

Upon the request of the corporate authorities of municipality, the Illinois Commerce Commission shall, within 90 days after receipt of such request, promulgate for each of these kilowatt-hour alternative rates categories that will reflect, as closely as reasonably practical for that municipality, the distribution of the tax among classes of purchasers as if the tax were based a uniform percentage of the purchase price of electricity. A municipality that has adopted an ordinance imposing a tax pursuant to subparagraph 3 as it existed prior to the effective date of Section 65 of this amendatory Act of 1997 may, rather than imposing the tax permitted by this amendatory Act of 1997, continue to impose the tax pursuant to that ordinance with respect to receipts received from residential customers gross through July 31, 1999, and with respect to gross receipts from any non-residential customer until the first bill such customer for delivery services in issued to accordance with Section 16-104 of the Public Utilities Act but in no case later than the last bill issued to such customer before December 31, 2000. No ordinance imposing the tax permitted by this amendatory Act of 1997 shall be applicable to any non-residential customer until the first bill issued to such customer for delivery services in accordance with Section 16-104 of the Public Utilities Act but in no case later than the last bill issued to such non-residential customer before December 31, 2000.

The taxes imposed under this subparagraph 3 shall not be in addition to the tax authorized by subsection (c-5), but rather shall be an alternative method to impose the tax.

4. Persons engaged in the business of distributing, supplying, furnishing, or selling water for use or consumption within the corporate limits of the municipality, and not for resale, at a rate not to exceed 5% of the gross receipts therefrom.

None of the taxes authorized by this Section may be imposed with respect to any transaction in interstate commerce or otherwise to the extent to which the business or privilege may not, under the constitution and statutes of the United States, be made the subject of taxation by this State or any political sub-division thereof; nor shall any persons engaged in the business of distributing, supplying, furnishing, selling or transmitting gas, water, or electricity, or engaged in the business of transmitting messages, or using or consuming electricity acquired in a purchase at retail, be subject to taxation under provisions of this Section for those transactions that are or may become subject to taxation under the provisions of the "Municipal Retailers' Occupation Tax Act" authorized by Section 8-11-1; nor shall any tax authorized by this Section be imposed upon any person engaged in a business or on any privilege unless the tax is imposed in like manner and at the same rate upon all persons engaged in businesses of the same class in the municipality, whether privately or municipally owned or operated, or exercising the same privilege within the municipality.

34 Any of the taxes enumerated in this Section may be in

- addition to the payment of money, or value of products or services furnished to the municipality by the taxpayer as compensation for the use of its streets, alleys, or other public places, or installation and maintenance therein,
- thereon or thereunder of poles, wires, pipes or other equipment used in the operation of the taxpayer's business.
- 7 If the corporate authorities of any home rule municipality have adopted an ordinance that imposed a tax on 8 9 public utility customers, between July 1, 1971, and October 1981, on the good faith belief that they were exercising 10 authority pursuant to Section 6 of Article VII of the 1970 11 that action of the corporate 12 Illinois Constitution, authorities declared 13 shall be legal and valid, notwithstanding a later decision of a judicial tribunal 14 15 declaring the ordinance invalid. No municipality shall 16 required to rebate, refund, or issue credits for any taxes described in this paragraph, and those taxes shall be deemed 17 to have been levied and collected in accordance with the 18 Constitution and laws of this State. 19
- In any case in which (i) prior to October 19, 1979, 20 21 the corporate authorities of any municipality have adopted an 22 ordinance imposing a tax authorized by this Section (or by 23 the predecessor provision of the "Revised Cities and Villages Act") and have explicitly or in practice interpreted gross 24 25 receipts to include either charges added to customers' bills pursuant to the provision of paragraph (a) of Section 36 of 26 the Public Utilities Act or charges added to customers' bills 27 by taxpayers who are not subject to rate regulation by the 28 29 Illinois Commerce Commission for the purpose of recovering 30 any of the tax liabilities or other amounts specified in such paragraph (a) of Section 36 of that Act, and (ii) on or after 31 32 October 19, 1979, a judicial tribunal has construed gross receipts to exclude all or part of those charges, then 33 34 neither those municipality nor any taxpayer who paid the tax

1 shall be required to rebate, refund, or issue credits for any 2 tax imposed or charge collected from customers pursuant to the municipality's interpretation prior to October 19, 1979. 3 4 This paragraph reflects a legislative finding that it would 5 be contrary to the public interest to require a municipality б or its taxpayers to refund taxes or charges attributable to 7 the municipality's more inclusive interpretation of gross receipts prior to October 19, 1979, and is not intended to 8 9 prescribe or limit judicial construction of this Section. The legislative finding set forth in this subsection does not 10

apply to taxes imposed after the effective date of this

12 amendatory Act of 1995.

The tax authorized by subparagraph 3 (C) shall collected from the purchaser by the person maintaining a place of business in this State who delivers the electricity to the purchaser. This tax shall constitute a debt of the purchaser to the person who delivers the electricity to the purchaser and if unpaid, is recoverable in the same manner as the original charge for delivering the electricity. Any tax required to be collected pursuant to an ordinance authorized by subparagraph 3 and any such tax collected by a person delivering electricity shall constitute a debt owed to the municipality by such person delivering the electricity, provided, that the person delivering electricity shall be allowed credit for such tax related to deliveries of electricity the charges for which are written off as uncollectible, and provided further, that if such charges are thereafter collected, the delivering supplier shall obligated to remit such tax. For purposes of this subsection (c), any partial payment not specifically identified by the purchaser shall be deemed to be for the delivery electricity. Persons delivering electricity shall collect the tax from the purchaser by adding such tax to the gross charge for delivering the electricity, in the manner prescribed by

the municipality. Persons delivering electricity shall also

1

2 be authorized to add to such gross charge an amount equal to 3% of the tax to reimburse the person delivering electricity 3 4 the expenses incurred in keeping records, billing customers, preparing and filing returns, remitting the 5 6 and supplying data to the municipality upon request. If the 7 person delivering electricity fails to collect the tax from 8 the purchaser, then the purchaser shall be required to pay 9 the tax directly to the municipality in the manner prescribed by the municipality. Persons delivering electricity who file 10 11 returns pursuant to this paragraph (c) shall, at the time of 12 filing such return, pay the municipality the amount of the tax collected pursuant to subparagraph 3. 13 (c-5) A municipality having a population of less than 14 500,000 may, by ordinance, allow a purchaser for 15 16 non-residential electrical use (i) to elect to register with 17 the municipality as a self-assessing purchaser in relation to payment of the tax imposed by subparagraph 3, on the 18 privilege of using or consuming electricity, and (ii) to pay 19 the tax imposed by subparagraph 3 directly to the 20 municipality on the basis of the uniform percentage of the 21 22 gross purchase price of electricity purchased at retail and 23 used in the municipality rather than paying the tax to the purchaser's delivering supplier. The maximum rate of tax for 24 25 a self-assessing purchaser may not exceed 5% and the minimum rate of tax shall be no less than and, until December 31, 26 2008, the maximum rate of tax shall be no more than, the rate 27 the municipality applied in the last full calendar year prior 28 to the effective date of Section 65 of Public Act 90-561 29 30 (August 1, 1998) based on the purchase price of the electricity purchased at retail and used in the community as 31 calculated on a monthly basis for each purchaser. The 32 municipality shall establish by ordinance the requirements 33 34 for (i) the voluntary election, registration, and termination

- of a self-assessing purchaser, (ii) direct return and payment
- 2 of the taxes to the municipality by a self-assessing
- 3 purchaser, and (iii) the rate of tax applied, which shall be
- 4 the percent of the gross purchase price as provided in this
- 5 <u>subsection up to but not exceeding 5%. The taxes imposed</u>
- 6 under this subsection (c-5) shall not be in addition to the
- 7 tax authorized by subparagraph 3, but rather shall be an
- 8 <u>alternative method to impose the tax.</u>
- 9 (d) For the purpose of the taxes enumerated in this
- 10 Section:

- "Gross receipts" means the consideration received for the
- 12 transmission of messages, the consideration received for
- distributing, supplying, furnishing or selling gas for use or
- 14 consumption and not for resale, and the consideration
- 16 water for use or consumption and not for resale, and for all

received for distributing, supplying, furnishing or selling

- 17 services rendered in connection therewith valued in money,
- 18 whether received in money or otherwise, including cash,
- 19 credit, services and property of every kind and material and
- 20 for all services rendered therewith, and shall be determined
- 21 without any deduction on account of the cost of transmitting
- 22 such messages, without any deduction on account of the cost
- of the service, product or commodity supplied, the cost of
- 24 materials used, labor or service cost, or any other expenses
- 25 whatsoever. "Gross receipts" shall not include that portion
- of the consideration received for distributing, supplying,
- 27 furnishing, or selling gas or water to, or for the
- 28 transmission of messages for, business enterprises described
- in paragraph (e) of this Section to the extent and during the
- 30 period in which the exemption authorized by paragraph (e) is
- 31 in effect or for school districts or units of local
- 32 government described in paragraph (f) during the period in
- which the exemption authorized in paragraph (f) is in effect.
- 34 "Gross receipts" shall not include amounts paid by

1 telecommunications retailers under the Telecommunications

2 Municipal Infrastructure Maintenance Fee Act.

For utility bills issued on or after May 1, 1996, but 3 4 before May 1, 1997, and for receipts from those utility 5 bills, "gross receipts" does not include one-third of 6 amounts added to customers' bills under Section 9-222 of the 7 Public Utilities Act, or (ii) amounts added to customers' 8 bills by taxpayers who are not subject to rate regulation by 9 the Illinois Commerce Commission for the purpose recovering any of the tax liabilities described in Section 10 11 9-222 of the Public Utilities Act. For utility bills issued on or after May 1, 1997, but before May 1, 1998, and for 12 receipts from those utility bills, "gross receipts" does not 13 include two-thirds of (i) amounts added to customers' bills 14 under Section 9-222 of the Public Utilities Act, or (ii) 15 16 amount added to customers' bills by taxpayers who are not subject to rate regulation by Illinois Commerce 17 the Commission for the purpose of recovering any of the tax 18 19 liabilities described in Section 9-222 of the Public Utilities Act. For utility bills issued on or after May 1, 20 2.1 1998, and for receipts from those utility bills, receipts" does not include (i) amounts added to customers' 22 23 bills under Section 9-222 of the Public Utilities Act, or (ii) amounts added to customers' bills by taxpayers who are 24 25 not subject to rate regulation by the Illinois Commerce Commission for the purpose of recovering any of the tax 26 liabilities described in Section 9-222 of 27 the Public Utilities Act. 28 29 For purposes of this Section "gross receipts" shall not include (i) amounts added to customers' bills under Section 9-221 of the Public Utilities Act, or (ii) charges added to

30 31 32 customers' bills to recover the surcharge imposed under the Emergency Telephone System Act. This paragraph is not 33 intended to nor does it make any change in the meaning of 34

1 "gross receipts" for the purposes of this Section, but is

2 intended to remove possible ambiguities, thereby confirming

3 the existing meaning of "gross receipts" prior to the

4 effective date of this amendatory Act of 1995.

5 The words "transmitting messages", in addition to the 6 usual and popular meaning of person to person communication, 7 include the furnishing, for a consideration, of services or facilities (whether owned or leased), or both, to 8 9 persons in connection with the transmission of messages where those persons do not, in turn, receive any consideration in 10 11 connection therewith, but shall not include such furnishing of services or facilities to persons for the transmission of 12 messages to the extent that any such services or facilities 13 for the transmission of messages are furnished for 14 15 consideration, by those persons to other persons, for the 16 transmission of messages.

"Person" as used in this Section means any natural individual, firm, trust, estate, partnership, association, joint stock company, joint adventure, corporation, limited liability company, municipal corporation, the State or any of its political subdivisions, any State university created by statute, or a receiver, trustee, guardian or other representative appointed by order of any court.

"Person maintaining a place of business in this State" shall mean any person having or maintaining within this State, directly or by a subsidiary or other affiliate, an office, generation facility, distribution facility, transmission facility, sales office or other place of business, or any employee, agent, or other representative operating within this State under the authority of the person or its subsidiary or other affiliate, irrespective of whether such place of business or agent or other representative is located in this State permanently or temporarily, or whether such person, subsidiary or other affiliate is licensed or

- 1 qualified to do business in this State.
- 2 "Public utility" shall have the meaning ascribed to it in
- 3 Section 3-105 of the Public Utilities Act and shall include
- 4 telecommunications carriers as defined in Section 13-202 of
- 5 that Act and alternative retail electric suppliers as defined
- 6 in Section 16-102 of that Act.
- 7 "Purchase at retail" shall mean any acquisition of
- 8 electricity by a purchaser for purposes of use or
- 9 consumption, and not for resale, but shall not include the
- 10 use of electricity by a public utility directly in the
- 11 generation, production, transmission, delivery or sale of
- 12 electricity.

25

- "Purchaser" shall mean any person who uses or consumes,
- 14 within the corporate limits of the municipality, electricity
- 15 acquired in a purchase at retail.
- 16 In the case of persons engaged in the business of
- 17 transmitting messages through the use of mobile equipment,
- 18 such as cellular phones and paging systems, the gross
- 19 receipts from the business shall be deemed to originate
- 20 within the corporate limits of a municipality only if the
- 21 address to which the bills for the service are sent is within
- 22 those corporate limits. If, however, that address is not
- located within a municipality that imposes a tax under this

Section, then (i) if the party responsible for the bill is

not an individual, the gross receipts from the business shall

- 26 be deemed to originate within the corporate limits of the
- 27 municipality where that party's principal place of business
- in Illinois is located, and (ii) if the party responsible for
- 29 the bill is an individual, the gross receipts from the
- 30 business shall be deemed to originate within the corporate
- 31 limits of the municipality where that party's principal
- 32 residence in Illinois is located.
- 33 (e) Any municipality that imposes taxes upon public
- 34 utilities or upon the privilege of using or consuming

electricity pursuant to this Section whose territory includes any part of an enterprise zone or federally designated Foreign Trade Zone or Sub-Zone may, by a majority vote of its corporate authorities, exempt from those taxes for a period not exceeding 20 years any specified percentage of gross receipts of public utilities received from, or electricity used or consumed by, business enterprises that:

- (1) either (i) make investments that cause the creation of a minimum of 200 full-time equivalent jobs in Illinois, (ii) make investments of at least \$175,000,000 that cause the creation of a minimum of 150 full-time equivalent jobs in Illinois, or (iii) make investments that cause the retention of a minimum of 1,000 full-time jobs in Illinois; and
- (2) are either (i) located in an Enterprise Zone established pursuant to the Illinois Enterprise Zone Act or (ii) Department of Commerce and Community Affairs designated High Impact Businesses located in a federally designated Foreign Trade Zone or Sub-Zone; and
- (3) are certified by the Department of Commerce and Community Affairs as complying with the requirements specified in clauses (1) and (2) of this paragraph (e).

Upon adoption of the ordinance authorizing the exemption, the municipal clerk shall transmit a copy of that ordinance to the Department of Commerce and Community Affairs. The Department of Commerce and Community Affairs shall determine whether the business enterprises located in the municipality meet the criteria prescribed in this paragraph. If the Department of Commerce and Community Affairs determines that the business enterprises meet the criteria, it shall grant certification. The Department of Commerce and Community Affairs shall act upon certification requests within 30 days after receipt of the ordinance.

Upon certification of the business enterprise by the

- 1 Department of Commerce and Community Affairs, the Department
- of Commerce and Community Affairs shall notify the Department
- 3 of Revenue of the certification. The Department of Revenue
- 4 shall notify the public utilities of the exemption status of
- 5 the gross receipts received from, and the electricity used or
- 6 consumed by, the certified business enterprises. Such
- 7 exemption status shall be effective within 3 months after
- 8 certification.
- 9 (f) A municipality that imposes taxes upon public
- 10 utilities or upon the privilege of using or consuming
- 11 electricity under this Section and whose territory includes
- 12 part of another unit of local government or a school district
- may by ordinance exempt the other unit of local government or
- 14 school district from those taxes.
- 15 (g) The amendment of this Section by Public Act 84-127

- 17 Section by any other amendatory Act passed by the 84th
- 18 General Assembly before the effective date of Public Act
- 19 84-127.
- 20 (h) In any case in which, before July 1, 1992, a person
- 21 engaged in the business of transmitting messages through the
- 22 use of mobile equipment, such as cellular phones and paging
- 23 systems, has determined the municipality within which the
- 24 gross receipts from the business originated by reference to
- 25 the location of its transmitting or switching equipment, then
- 26 (i) neither the municipality to which tax was paid on that
- 27 basis nor the taxpayer that paid tax on that basis shall be
- 28 required to rebate, refund, or issue credits for any such tax
- or charge collected from customers to reimburse the taxpayer
- 30 for the tax and (ii) no municipality to which tax would have
- 31 been paid with respect to those gross receipts if the
- 32 provisions of this amendatory Act of 1991 had been in effect
- 33 before July 1, 1992, shall have any claim against the
- 34 taxpayer for any amount of the tax.
