

1 AN ACT in relation to controlled substances.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Illinois Controlled Substances Act is
5 amended by adding Sections 321 and 322 as follows:

6 (720 ILCS 570/321 new)

7 Sec. 321. Prohibition on distribution of information
8 relating to manufacture or acquisition of controlled
9 substances.

10 (a) It is unlawful for any person:

11 (1) to teach or demonstrate the manufacture of a
12 controlled substance or to distribute by any means
13 information pertaining to, in whole or in part, the
14 manufacture, acquisition, or use of a controlled
15 substance, with the intent that the teaching,
16 demonstration, or information be used for, or in
17 furtherance of, an activity that constitutes a crime; or

18 (2) to teach or demonstrate to any person the
19 manufacture of a controlled substance or to distribute to
20 any person, by any means, information pertaining to, in
21 whole or in part, the manufacture, acquisition, or use of
22 a controlled substance, knowing or having reason to know
23 that such person intends to use the teaching,
24 demonstration, or information for, or in furtherance of,
25 an activity that constitutes an offense.

26 (c) Sentence. Any person who violates this Section is
27 guilty of a Class 1 felony.

28 (720 ILCS 570/322 new)

29 Sec.322. Grants for ecstasy abuse prevention.

30 (a) The Secretary of Human Services may make grants to,

1 and enter into contracts and cooperative agreements with,
2 public and nonprofit private entities to enable those
3 entities:

4 (1) to carry out school-based programs concerning
5 the dangers of abuse of and addiction to
6 3,4-methylenedioxy methamphetamine or related drugs,
7 using methods that are effective and science-based,
8 including initiatives that give students the
9 responsibility to create their own antidrug abuse
10 education programs for their schools; and

11 (2) to carry out community-based abuse and
12 addiction prevention programs relating to
13 3,4-methylenedioxy methamphetamine or related drugs that
14 are effective and science-based.

15 (b) Amounts made available under a grant, contract, or
16 cooperative agreement under subsection (a) shall be used for
17 planning, establishing, or administering prevention programs
18 relating to 3,4-methylenedioxy methamphetamine or related
19 drugs in accordance with subsection (c).

20 (c)(1) Amounts provided under this Section may be used:

21 (A) to carry out school-based programs that
22 are focused on those districts with high or
23 increasing rates of abuse and addiction to
24 3,4-methylenedioxy methamphetamine or related drugs
25 and targeted at populations that are most at risk to
26 start abuse of 3,4-methylenedioxy methamphetamine or
27 related drugs;

28 (B) to carry out community-based prevention
29 programs that are focused on those populations
30 within the community that are most at-risk for abuse
31 of and addiction to 3,4-methylenedioxy
32 methamphetamine or related drugs;

33 (C) to assist local government entities to
34 conduct appropriate prevention activities relating

1 to 3,4-methylenedioxy methamphetamine or related
2 drugs;

3 (D) to train and educate State and local law
4 enforcement officials, prevention and education
5 officials, health professionals, members of
6 community antidrug coalitions and parents on the
7 signs of abuse of and addiction to
8 3,4-methylenedioxy methamphetamine or related drugs,
9 and the options for treatment and prevention;

10 (E) for planning, administration, and
11 educational activities related to the prevention of
12 abuse of and addiction to 3,4-methylenedioxy
13 methamphetamine or related drugs;

14 (F) for the monitoring and evaluation of
15 prevention activities relating to 3,4-methylenedioxy
16 methamphetamine or related drugs, and reporting and
17 disseminating resulting information to the public;
18 and

19 (G) for targeted pilot programs with
20 evaluation components to encourage innovation and
21 experimentation with new methodologies.

22 (2) The Secretary of Human Services shall give
23 priority in making grants under this subsection to rural
24 and urban areas that are experiencing a high rate or
25 rapid increases in abuse and addiction to
26 3,4-methylenedioxy methamphetamine or related drugs.

27 (d) The Secretary of Human Services shall submit an
28 annual report concerning the effectiveness of the grant
29 program created by this Section to the Governor and the
30 General Assembly.
