- 1 AN ACT in relation to taxation.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 5. The Property Tax Code is amended by adding
- 5 Section 20-3 as follows:
- 6 (35 ILCS 200/20-3 new)
- 7 <u>Sec. 20-3. Two-year moratorium on property tax increases.</u>
- 8 (a) Rate freeze. Notwithstanding any other law to the
- 9 contrary and except as otherwise provided in this subsection
- 10 (a), for taxable years 2002 and 2003, the rate on any tax
- 11 <u>imposed under this Act may not be increased from the rate</u>
- imposed in the 2001 taxable year. A school district, however,
- 13 may increase property tax rates if the question of increasing
- 14 the tax rate is submitted to the electors of the school
- 15 <u>district</u> at a regular election and approved by a majority of
- the electors voting on the question.
- 17 (b) Assessment freeze. Notwithstanding any other law to
- 18 the contrary and except as otherwise provided in this
- 19 <u>subsection</u> (b), for taxable years 2002 and 2003, the
- 20 <u>equalized assessed value of property subject to taxation</u>
- 21 <u>under this Code shall be the same as the equalized assessed</u>
- 22 <u>value of that property for the 2001 taxable year. If,</u>
- 23 however, a parcel of property subject to taxation under this
- 24 <u>Code is improved by the construction of new or added</u>
- 25 <u>buildings, structures, or other improvements during taxable</u>
- 26 year 2002 or 2003, the assessment of that property shall be
- 27 <u>the assessment for the 2001 taxable year plus the increase in</u>
- 28 <u>assessed value solely as a result of the improvement. Once</u>
- 29 <u>the 2001 assessment is increased to reflect an improvement,</u>
- 30 the assessment for that property shall remain the same for
- 31 <u>the duration of the assessment freeze period.</u>

- 1 Section 99. Effective date. This Act takes effect upon
- 2 becoming law.
