- 1 AN ACT concerning technology.
- 2 Be it enacted by the People of the State of Illinois,
- 3 represented in the General Assembly:
- 4 Section 1. Short title. This Act may be cited as the
- 5 Technology Development Act.
- 6 Section 5. Policy. The Illinois General Assembly finds
- 7 that it is important for the State to encourage technology
- 8 development in the State. The purpose of this Act is to
- 9 attract, assist, and retain quality technology businesses in
- 10 Illinois. The creation of the Technology Development Fund
- 11 will allow the State to bring together, and add to, Illinois'
- 12 rich science, technology, and business communities.
- 13 Section 10. Technology Development Fund.
- 14 (a) The Technology Development Fund is created as a
- 15 special fund in the State treasury to be held by the State
- 16 Treasurer separate and apart from all other State moneys. The
- 17 Fund shall be administered by the State Treasurer to attract,
- 18 assist, and retain quality technology businesses in Illinois.
- 19 The State Treasurer may make a one-time transfer of moneys to
- 20 the Fund from the General Revenue Fund in an amount that does
- 21 not exceed \$50,000,000. All earnings on the Technology
- 22 Development Fund shall be credited to the Fund.
- 23 (b) Moneys in the Fund may be invested or expended by
- the State Treasurer as follows:
- 25 (1) To provide venture capital to technology
- businesses seeking to locate, expand, or remain in
- 27 Illinois by placing money with venture firms for
- investment by the venture capital firms in technology
- 29 businesses. "Venture capital", as used in this Act,
- means equity financing that is provided for starting up,

expanding, or relocating a company or for related purposes such as financing for seed capital, research and development, introduction of a product or process into the marketplace, or similar needs requiring risk capital. "Technology business", as used in this Act, means a company that has as its principal function the providing services including computer, information transfer, communication, distribution, processing, administrative, laboratory, experimental, developmental, testing services, manufacture of goods or materials, the processing of goods or materials by physical or chemical change, computer related activities, robotics, biological or pharmaceutical industrial activity, or technology emerging industrial activity. "Venture oriented or capital firms", as used in this Act, means an entity that provides equity financing for starting up or expanding a company or for related purposes such as financing for seed capital, research and development, introduction of a product or process into the marketplace, or similar needs requiring risk capital.

- (2) To pay the State Treasurer's costs to administer the Fund. The amount for this purpose may not exceed 1% in any fiscal year of the balance of the Fund.
- (c) Prior to investment or expenditure, moneys in the Fund may be invested by the Treasurer in the same manner, in the same types of investments, and subject to the same limitations provided for investments of other funds in the State Treasury.
- Section 15. Discounted deposits. The State Treasurer
 may place deposits totalling no more than \$50,000,000 in
 financial institutions at reduced rates of interest provided
 that such institutions document the use of deposited funds
 for development of technology initiatives in the State of

- 1 Illinois.
- 2 Section 20. Rules. The State Treasurer may promulgate
- 3 rules to implement this Act.
- 4 Section 99. Effective date. This Act takes effect upon
- 5 becoming law.
