16

- 4 Section 5. The Environmental Protection Act is amended
- by changing Sections 17.7 and 17.8 as follows: 5
- 6 (415 ILCS 5/17.7) (from Ch. 111 1/2, par. 1017.7)
- Sec. 17.7. Community water supply testing fee. 7
- (a) The Agency shall collect an annual nonrefundable testing fee from each community 9 water supply for
- participating in the laboratory fee program for analytical 10
- services to determine compliance with contaminant levels 11
- specified in State or federal drinking water regulations. A 12
- 13 community water supply may commit to participation in the
- laboratory fee program. If the community water supply makes 14
- such a commitment, it shall commit for a period consistent

with the participation requirements established by the Agency

- and the Community Water Supply Testing Council (Council). If 17
- 18 a community water supply elects not to participate, it must
- annually notify the Agency in writing of its decision not to 19
- 20 participate in the laboratory fee program.
- (b) The Agency, with the concurrence of the Council, 21
- 22 shall determine the fee for participating in the laboratory
- fee program for analytical services. The Agency, with the 23
- 24 concurrence of the Council, may establish multi-year
- participation requirements for community water supplies and 25
- establish fees accordingly. The Agency shall base its annual 26
- 27 fee determination upon the actual and anticipated costs for
- testing under State and federal drinking water regulations 28
- and the associated administrative costs of the Agency and the 29
- Council. By October 1 of each year, the Agency shall submit 30
- 31 its fee determination and supporting documentation for the

- 1 forthcoming year to the Council. Before the following January
- 2 1, the Council shall hold at least one regular meeting to
- 3 consider the Agency's determination. If the Council concurs
- 4 with the Agency's determination, it shall thereupon take
- 5 effect. The Agency and the Council may establish procedures
- 6 for resolution of disputes in the event the Council does not
- 7 concur with the Agency's fee determination.
- 8 (c) Community water supplies that choose not to
- 9 participate in the laboratory fee program or do not pay the
- 10 fees shall have the duty to analyze all drinking water
- 11 samples as required by State or federal safe drinking water
- 12 regulations established after the federal Safe Drinking Water
- 13 Act Amendments of 1986.
- 14 (d) There is hereby created in the State Treasury an
- interest-bearing special fund to be known as the Community
- 16 Water Supply Laboratory Fund. All fees collected by the
- 17 Agency under this Section shall be deposited into this Fund
- 18 and shall be used for no other purpose except those
- 19 established in this Section. In addition to any monies
- 20 appropriated from the General Revenue Fund, monies in the
- 21 Fund shall be appropriated to the Agency in amounts deemed
- 22 necessary for laboratory testing of samples from community
- 23 water supplies, and for the associated administrative
- 24 expenses of the Agency and the Council.
- 25 (e) The Agency is authorized to adopt reasonable and
- 26 necessary rules for the administration of this Section. The
- 27 Agency shall submit the proposed rules for review by the
- 28 Council before submission of the rulemaking for the First
- 29 Notice under Section 5-40 of the Illinois Administrative
- 30 Procedure Act.
- 31 (f) The Director shall establish a Community Water
- 32 Supply Testing Council, consisting of 5 persons who are
- 33 elected municipal officials, 5 persons representing community
- 34 water supplies, one person representing the engineering

1 profession, one person representing investor-owned utilities, one person representing the Illinois Association of 2 Environmental Laboratories, and 2 persons representing 3 4 municipalities and community water supplies on a statewide 5 basis, all appointed by the Director. Beginning in 1994, the б Director shall appoint the following to the Council: (i) 2 7 elected municipal officials, 2 community water representatives, and 1 investor-owned utility representative, 8 9 each for a one-year term; (ii) 2 elected municipal officials and 2 community water supply representatives, each for a 2 10 11 year term; and (iii) one elected municipal official, one 12 community water supply representative, one person representing the engineering profession, and 2 persons 13 representing municipalities and community water supplies on a 14 15 statewide basis, each for a 3 year term. As soon as possible 16 after the effective date of this amendatory Act of the 92nd General Assembly, the Director shall appoint one person 17 representing the Illinois Association of Environmental 18 19 <u>Laboratories to a term of 3 years.</u> Thereafter, the Director 20 shall appoint successors in each position to 3 year terms. In 21 case of a vacancy, the Director may appoint a successor to 22 fill the remaining term of the vacancy. Members of the 23 Council shall serve until a successor is appointed by the Director. The Council shall select from its members a 24 25 chairperson and such other officers as it deems necessary. The Council shall hold at least 2 regular meetings each year. 26 The Agency shall provide the Council with such supporting 27 services as the Director and the Chairperson may designate, 28 29 and members shall be reimbursed for ordinary and necessary 30 expenses incurred in the performance of their duties. Council shall have the following duties: 31 (1) to consider any fee determinations submitted by 32 33 Agency pursuant to subsection (b) of this Section, the 34 and to hold regular and special meetings at a time and place designated by the Director or the Chairperson of the Council;

- 3 (2) to consider appropriate means for long-term 4 financial support of water supply testing, and to make 5 recommendations to the Agency regarding a preferred 6 approach;
- 7 (3) to review and evaluate the financial 8 implications of current and future federal requirements 9 for monitoring of public water supplies;
- 10 (4) to review and evaluate management and financial
 11 audit reports related to the testing program, and to make
 12 recommendations regarding the Agency's efforts to
 13 implement the fee system and testing provided for by this
 14 Section;
- 15 (5) to require an external audit as may be deemed 16 necessary by the Council; and
- 17 (6) to conduct such other activities as may be
 18 deemed appropriate by the Director.

- 15 (A) \$900 per year for inorganic parameters;
- 16 and
- 17 (B) \$900 per year for organic parameters.
- 18 (4) An administrative assessment of \$350 per year
- from each laboratory requesting certification.
- 20 (b) <u>Until the Agency and the Environmental Laboratory</u>
- 21 <u>Certification Committee establish administrative and</u>
- 22 <u>certification assessment schedules in accordance with the</u>
- 23 procedures of subsections (c) and (d-5) of this Section, the

following payment schedules shall remain in effect. The

- 25 administrative assessment shall be paid at the time the
- laboratory submits an application a-request for certification
- 27 or renewal of certification and on the anniversary date of
- 28 the initial certification. The certification assessment
- 29 shall be paid at the time the laboratory submits an
- 30 application and on the anniversary date of the initial
- 31 certification. Assessments paid under this Section may not
- 32 be refunded.

24

- 33 (c) The Agency <u>must</u> may establish procedures relating to
- 34 the certification of laboratories, analyses of samples,

- 1 <u>development</u> of <u>alternative assessment schedules</u>, <u>assessment</u>
- 2 <u>schedule dispute resolution</u>, and collection of assessments.
- 3 No assessment for the certification of environmental
- 4 laboratories shall be due under this Section from any
- 5 department, agency, or unit of State government. No
- 6 <u>assessments shall be due from</u>,-er any municipal government
- 7 for certification to conduct public water supply that
- 8 conducts analyses of-samples-from-public-water-supplies. The
- 9 Agency's cost for certification of laboratories that are
- 10 <u>exempt from the assessment shall be excluded from the</u>
- 11 <u>calculation of the alternative assessment schedules.</u>
- 12 (d) All moneys collected by the Agency under this
- 13 Section shall be deposited into the Environmental Laboratory
- 14 Certification Fund, a special fund hereby created in the
- 15 State treasury. Subject to appropriation, the Agency shall
- 16 use the moneys in the Fund to pay expenses incurred in the
- 17 administration of laboratory certification duties. All
- 18 interest or other income earned from the investment of the
- moneys in the Fund shall be deposited into the Fund.
- 20 <u>(d-5) The Agency, with the concurrence with the</u>
- 21 <u>Environmental Laboratory Certification Committee</u>, shall
- 22 <u>determine the assessment schedules for participation in the</u>
- 23 <u>environmental laboratory certification program. The Agency,</u>
- 24 <u>with the concurrence of the Committee, shall base the</u>
- 25 <u>assessment schedules upon actual and anticipated costs for</u>
- 26 <u>certification under State and federal programs and the</u>
- 27 <u>associated costs of the Agency and Committee. On or before</u>
- 28 August 1 of each year, the Agency shall submit its assessment
- 29 <u>schedules determination and supporting documentation for the</u>
- 30 <u>forthcoming</u> year to the Committee. Before the following
- 31 <u>September 30, the Committee shall hold at least one regular</u>
- 32 <u>meeting to consider the Agency's assessment schedule</u>
- 33 <u>determination</u>. If the Committee concurs with the Agency's
- 34 <u>assessment schedule determination</u>, it shall thereupon take

1 effect.

(e) The Director shall establish an Environmental 2 Laboratory Certification Committee consisting of (i) one 3 4 person representing accredited county or municipal public water supply laboratories, (ii) one person representing the 5 Metropolitan Water Reclamation District of Greater Chicago, 6 7 (iii) one person representing accredited sanitary district or waste water treatment plant laboratories, (iv) 3 persons 8 9 representing accredited environmental commercial laboratories duly incorporated in the State of Illinois and employing 20 10 or more people, (v) 2 persons representing accredited 11 environmental commercial laboratories duly incorporated in 12 the State of Illinois employing less than 20 people, and (vi) 13 one person representing the Illinois Association of 14 Environmental Laboratories, all appointed by the Director. 15 16 If no accredited laboratories are available to fill one of 17 the categories under item (iv) or (v) then any laboratory that has applied for accreditation may be eligible to fill 18 that position. Beginning in 2002, the Director shall appoint 19 3 members of the Committee for a one-year term, 3 members of 20 the Committee for 2-year terms, and 3 members of the 21 Committee for 3-year terms. Thereafter, all terms shall be 22 for 3 years. In the case of a vacancy, the Director may 23 appoint a successor to fill the remaining term of the 24 vacancy. Members of the Committee shall serve until a 25 successor is appointed by the Director. No member of the 26 Committee shall serve more than 2 consecutive 3-year terms. 27 The Committee shall select from its members a Chairperson and 28 any other officers that it deems necessary. The Committee 29 30 shall hold at least 2 regular meetings each year. The Agency shall provide the Committee with any supporting services that 31 the Director and the Chairperson may designate. Members of 32 33 the Committee shall be reimbursed for ordinary and necessary expenses incurred in the performance of their duties. The 34
