An employee who withdraws on or after January 1, 1988, at 12 age 60 or over with 10 or more years of service, may elect, 13 in lieu of the benefit in paragraph (a), to receive an 14 annuity for life equal to 2.20% for each of the first 15 20 16 years of service, and 2.4% for each year of service in excess 20, based on the highest average annual salary for any 4 17 of consecutive years within the last 10 years of service 18 19 immediately preceding the date of withdrawal. An employee who withdraws on or after January 1, 1988, with 10 or more years 20 of service, but before age 60, is entitled to elect such 21 annuity, to begin not earlier than age 50, but the annuity 22 23 shall be reduced 0.5% for each full month or fractional part thereof that his attained age when the annuity is to begin is 24 25 less than 60, to the end that the total reduction at age 50 shall be 60%, except that an employee retiring at age 50 or 26 over but less than age 60, having at least 30 years of 27 shall not be subject to the reduction in retirement 28 service, 29 annuity because of retirement below age 60.

-4-

annual salary for any 4 consecutive years within the last 10 years of service immediately preceding withdrawal, for each year of service. If the employee has less than 30 years of service, the annuity shall be reduced by 0.5% for each full month or remaining fraction thereof that the employee's attained age when the annuity is to begin is less than 60.

The maximum annuity under this paragraph (b) shall not 7 exceed 75% of the highest average annual salary for any 4 8 consecutive years within the last 10 years of service 9 immediately preceding the date of withdrawal if withdrawal 10 11 occurs prior to January 1, 1988, or 80% of the highest average annual salary for any 4 consecutive years within the 12 last 10 years of service immediately preceding the date of 13 withdrawal if withdrawal takes place on or after January 1, 14 15 1988.

16 The provisions of this paragraph (b) do not apply to any 17 former County employee receiving an annuity from the fund, 18 who re-enters service as a County employee, unless he renders 19 at least 3 years of additional service after the date of 20 re-entry.

(c) For an employee receiving disability benefit, the salary for annuity purposes under paragraph (a) or (b) of this Section shall, for all periods of disability benefit subsequent to the year 1956, be the amount on which his disability benefit was based.

(d) A county employee with 20 or more years of service,
whose entire disability benefit credit period expires before
attainment of age 50 (age 55 if expiration occurs before
January 1, 1988), while still disabled for service is
entitled upon withdrawal to the larger of:

(1) The minimum annuity provided above, assuming
that he is then age 50 (age 55 if expiration occurs
before January 1, 1988), and reducing such annuity to its
actuarial equivalent at his attained age on such date, or

-5-

1 2 (2) the annuity provided from his age and service and prior service annuity credits.

3 (e) The minimum annuity provisions above do not apply to 4 any former county employee receiving an annuity from the 5 fund, who re-enters service as a county employee, unless he 6 renders at least 3 years of additional service after the date 7 of re-entry.

8 (f) Any employee in service on July 1, 1947, or who 9 enters service thereafter before attaining age 65 and 10 withdraws after age 65 with less than 10 years of service for 11 whom the annuity has been fixed under the foregoing Sections 12 of this Article, shall, instead of the annuity so fixed, 13 receive an annuity as follows:

Such amount as he could have received had the accumulated 14 amounts for annuity been improved with interest at the 15 16 effective rate to the date of withdrawal, or to attainment of age 70, whichever is earlier, and had the county contributed 17 to such earlier date for age and service annuity the amount 18 19 that it would have contributed had he been under age 65, after the date his annuity was fixed in accordance with this 20 21 Article, and assuming his annuity were computed from such accumulations as of his age on such earlier date. However 22 23 those employees who before July 1, 1953, made additional contributions in accordance with this Article, the annuity so 24 25 computed under this paragraph shall not exceed the annuity which would be payable under the other provisions of this 26 Section if the employee concerned was credited with 20 years 27 of service and would qualify for annuity thereunder. 28

(g) Instead of the annuity provided in this or any other Section of this Article, an employee having attained age 65 with at least 15 years of service may elect to receive a minimum annual annuity for life equal to 1% of the highest average annual salary for any 4 consecutive years within the last 10 years of service immediately preceding retirement for

-6-

each year of service, plus the sum of \$25 for each year of service provided that no such minimum annual annuity may be greater than 60% of such highest average annual salary.

4 (h) The annuity is payable in equal monthly5 installments.

If, by operation of law, a function of a 6 (i) 7 governmental unit, as defined by Section 20-107 of this Code, is transferred in whole or in part to the county in which 8 9 this Article 9 is created as set forth in Section 9-101, and employees of the governmental unit are transferred as a class 10 11 to such county, the earnings credits in the retirement system covering the governmental unit which have been validated 12 under Section 20-109 of this Code shall be considered in 13 determining the highest average annual salary for purposes of 14 this Section 9-134. 15

16 (j) The annuity being paid to an employee annuitant on 17 July 1, 1988, shall be increased on that date by 1% for each 18 full year that has elapsed from the date the annuity began.

19 (k) Notwithstanding anything to the contrary in this Article 9, Section 20-131 shall not apply to an employee who 20 withdraws on or after January 1, 1988, but prior to attaining 21 age 55. Therefore, no employee shall be entitled to elect to 22 23 have the alternative formula previously set forth in Section 20-122 prior to the amendatory Act of 1975 apply to any 24 25 annuity, the payment of which commenced after January 1, 1988, but prior to such employee's attainment of age 55. 26 (Source: P.A. 86-272; 87-794.) 27

(40 ILCS 5/9-146.1) (from Ch. 108 1/2, par. 9-146.1)
Sec. 9-146.1. Minimum annuities for widows. The widow of
an employee who retires from service or dies while in the
service subsequent to June 11, 1965, who is otherwise
eligible for widow's annuity under this Article and for whom
the amount of widow's annuity and widow's prior service

-7-

1 annuity combined, fixed or provided for such widow under 2 other provisions of this Article 9 is less than the amount 3 hereinafter provided in this Section, shall, from and after 4 the date her otherwise provided annuity would begin, in lieu 5 of such otherwise provided widow's and widow's prior service 6 annuity, be entitled to the following indicated amount of 7 annuity:

8 (a) The widow, of any employee who dies while in the service on or after the date on which he attains the age of 9 60 or more years with at least 20 years of service, or 10 or 10 11 more years of service if death occurs on or after attainment of age 65 and on or after January 1, 1982, shall be entitled 12 to an annuity equal to one-half of the amount of annuity 13 which her deceased husband would have been entitled to 14 receive had he withdrawn from the service on 15 the day 16 immediately preceding the date of his death, conditional upon such widow having attained the age of 60 or more years on 17 such date. Such amount of widow's annuity shall not, however, 18 exceed the sum of \$500 a month if death in service occurs 19 before July 1, 1985. 20

21 If such widow of such described employee shall not be 60 22 or more years of age on such date of death, the amount 23 provided in the immediately preceding paragraph for a widow 60 or more years of age, shall, in the case of such younger 24 25 widow, be reduced by 1/2 of 1 per cent for each month that her then attained age is less than 60 years; except that such 26 younger widow of an employee who dies while in service on or 27 after July 1, 1985 with at least 30 years of service, shall 28 29 not be subject to the reduction in widow's annuity because of 30 her age less than 60 on the date of the employee's death.

31 (b) The widow, of any employee who dies subsequent to 32 the date of his retirement on annuity, and who so retired on 33 or after the date on which he attained the age of 60 or more 34 years with at least 20 years of service, or 10 or more years

-8-

1 of service if retirement occurs on or after attainment of age 2 65 and on or after January 1, 1982, shall be entitled to an annuity equal to one-half of the amount of annuity which her 3 4 deceased husband received as of the date of his retirement on annuity, conditional upon such widow having attained the age 5 6 60 or more years on the date of her husband's retirement of on annuity. Such amount of widow's annuity shall not, 7 however, exceed the sum of \$500 a month if the death occurs 8 9 before the effective date of this amendatory Act of 1991.

If such widow of such described employee shall not have 10 11 attained such age of 60 or more years on such date of her husband's retirement on annuity, the amount provided in the 12 immediately preceding paragraph for a widow 60 or more years 13 of age on the date of her husband's retirement on annuity, 14 15 shall, in the case of such then younger widow, be reduced by 16 1/2 of 1 per cent for each month that her then attained age was less than 60 years; except that such younger widow of an 17 employee retiring on or after July 1, 1985 with at least 30 18 19 years of service, shall not be subject to the reduction in widow's annuity because of her age less than 60 on the date 20 21 of the employee's retirement.

(c) The foregoing provisions relating to minimum annuities for widows shall not apply to the widow of any former county employee receiving an annuity from the Fund on June 11, 1965, who re-enters service as a county employee, unless such employee renders at least 3 years of additional service after the date of re-entry.

An annuity being paid to a surviving spouse on 28 (d) 1984 shall be increased by 10% and 29 January 1, shall 30 thereafter be paid at the increased rate until the termination of the annuity by death or other cause. 31 The 32 annuity for a qualifying widow shall not exceed \$500 per 33 month.

34 (e) The widow of any employee who dies while in service

-9-

1 on or after July 1, 1985 but prior to January 1, 1988, and 2 the widow of an employee who retires on or after July 1, 1985 but prior to January 1, 1988 with at least 10 years of 3 4 service, and the widow of an employee who retires on or after 5 January 1, 1984 but prior to July 1, 1985 with at least 30 6 years of service, shall be entitled to an annuity equal to 7 one-half of the amount of annuity which her deceased husband would have received had he retired immediately prior to his 8 9 death or one-half the amount of the originally granted retirement annuity, whichever is applicable. 10 Such widow's 11 annuity will be reduced 0.5% for each month that the widow's 12 attained age is less than age 60 on the date of the employee's death in service or retirement if the employee's 13 death in service or retirement is before January 1, 1988; 14 15 except that such younger widow of an employee with at least 16 30 years of service shall not be subject to the reduction in widow's annuity because of her age less than 60 on the date 17 of the employee's death in service or retirement. 18

19 The widow of an employee who dies in service on or after January 1, 1988, or retires on or after January 1, 1988 with 20 21 at least 10 years of service, shall be entitled to an annuity equal to 1/2 of the amount of annuity which her deceased 22 23 husband would have received had he retired immediately prior to his death or 1/2 of the amount of the annuity which her 24 25 deceased husband received as of the date of his death, whichever is applicable. Such widow's annuity shall be 26 reduced 0.5% for each month that the widow's attained age is 27 less than age 60 on the date of the employee's death if 28 29 employee's death in service or retirement is after January 1, 30 1988; except that such younger widow of an employee with at least 30 years of service shall not be subject to the 31 32 reduction in widow's annuity because of her age on the date 33 of the employee's death.

34

In lieu of any other annuity provided by this Article,

-10-

1 the widow of an employee who dies in service on or after 2 January 1, 1992, or retires on or after January 1, 1992 with at least 10 years of service, shall be entitled to an annuity 3 4 1/2 of the amount of annuity which her deceased equal to 5 husband would have received had he retired immediately prior 6 to his death or 1/2 of the amount of the annuity which her deceased husband received as of the date of his death, 7 8 whichever is applicable. Such widow's annuity shall be 9 reduced 0.5% for each month that the widow's attained age is less than age 55 on the date of the employee's death; except 10 11 that such younger widow of an employee with at least 30 years of service shall not be subject to the reduction in widow's 12 annuity because of her age on the date of the employee's 13 14 death.

In lieu of any other annuity provided by this Article, 15 16 the widow of an employee who dies in service or withdraws from service on or after January 1, 1992 but before January 17 1993 at age 55 or over with at least 5 but less than 10 18 1. years of service, shall be entitled to an annuity equal to 19 half of the amount of annuity which her deceased husband 20 21 would have received had he retired immediately prior to his death or half of the amount of the annuity which her deceased 22 23 husband received as of the date of his death, whichever is applicable. This widow's annuity shall be reduced 0.5% for 24 25 each month that the widow's attained age is less than 60 on 26 the date of the employee's death.

However, in the case of an employee dying in service, the 27 amount of widow's annuity shall not be less than 10% of 28 the 29 highest average annual salary for any 4 consecutive years 30 within the last 10 years of service immediately preceding the date of withdrawal. The maximum amount of annuity under this 31 paragraph shall not be limited to a dollar maximum. The 32 provisions of this paragraph shall not apply to the widow of 33 any former County employee receiving an annuity from the fund 34

-11-

who re-enters service as a County employee, unless such
 employee renders at least 3 years of additional service after
 the date of re-entry.

4 (f) An annuity being paid to a surviving spouse on July
5 1, 1988, shall be increased on that date by 1% for each full
6 year that has elapsed from the date the annuity began.

7 (g) In lieu of any other annuity provided under this Article, if the deceased employee was receiving a retirement 8 9 annuity at the time of his death and that death occurs on or after January 1, 1993, the widow's annuity shall be 50% of 10 11 the deceased employee's retirement annuity at the time of death, reduced by 0.5% for each month that the widow's age on 12 the date of death is less than 55, except that the reduction 13 does not apply if the deceased employee had at least 30 years 14 15 of service.

16 (h) In lieu of any other annuity provided under this 17 Article, the widow of an employee who dies in service on or after January 1, 2001 or has at least 10 years of service and 18 19 dies on or after January 1, 2001 while receiving an annuity 20 shall be entitled to a widow's annuity equal to 65% of the amount of annuity which her deceased husband would have 21 22 received had he retired immediately prior to his death or 65% 23 of the amount of the annuity which her deceased husband 24 received as of the date of his death, whichever is applicable. This widow's annuity shall be reduced by 0.5% 25 26 for each month that the widow's age on the date of the employee's death is less than 55, unless the deceased husband 27 had at least 30 years of service, in which case the reduction 28 29 does not apply.
