22 (105 ILCS 5/2-3.80) (from Ch. 122, par. 2-3.80)

23 Sec. 2-3.80. (a) The General Assembly recognizes that
24 agriculture is the most basic and singularly important
25 industry in the State, that agriculture is of central
26 importance to the welfare and economic stability of the

1 State, and that the maintenance of this vital industry
2 requires a continued source of trained and qualified
3 individuals for employment in agriculture and agribusiness.
4 The General Assembly hereby declares that it is in the best
5 interests of the people of the State of Illinois that a
6 comprehensive education program in agriculture be created and
7 maintained by the State's public school system in order to
8 ensure an adequate supply of trained and skilled individuals
9 and to ensure appropriate representation of racial and ethnic
10 groups in all phases of the industry. It is the intent of
11 the General Assembly that a State program for agricultural
12 education shall be a part of the curriculum of the public
13 school system K through adult, and made readily available to
14 all school districts which may, at their option, include
15 programs in education in agriculture as a part of the
16 curriculum of that district.

17 (b) The State Board of Education shall adopt such rules
18 and regulations as are necessary to implement the provisions
19 of this Section. The rules and regulations shall not create
20 any new State mandates on school districts as a condition of
21 receiving federal, State, and local funds by those entities.
22 It is in the intent of the General Assembly that, although
23 this Section does not create any new mandates, school
24 districts are strongly advised to follow the guidelines set
25 forth in this Section.

26 (c) The State Superintendent of Education shall assume
27 responsibility for the administration of the State program
28 adopted under this Section throughout the public school
29 system as well as the articulation of the State program to
30 the requirements and mandates of federally assisted
31 education. There is currently within the State Board of
32 Education an agricultural education unit to assist school
33 districts in the establishment and maintenance of educational
34 programs pursuant to the provisions of this Section. The

1 staffing of the unit shall at all times be comprised of an
 2 appropriate number of full-time employees who shall serve as
 3 program consultants in agricultural education and shall be
 4 available to provide assistance to school districts. At
 5 least one consultant shall be responsible for the
 6 coordination of the State program, as Head Consultant. At

13 (105 ILCS 5/14-11.02) (from Ch. 122, par. 14-11.02)

14 Sec. 14-11.02. Notwithstanding any other Sections of
15 this Article, the State Board of Education shall develop and
16 operate or contract for the operation of a service center for
17 persons who are deaf-blind. For the purpose of this Section,
18 persons with deaf-blindness are persons who have both
19 auditory and visual impairments, the combination of which
20 causes such severe communication and other developmental,
21 educational, vocational and rehabilitation problems that such
22 persons cannot be properly accommodated in special education
23 or vocational rehabilitation programs solely for persons with
24 both hearing and visual disabilities.

25 To be eligible for deaf-blind services, a person must
26 have (i) a visual impairment and an auditory impairment, or
27 (ii) a condition in which there is a progressive loss of
28 hearing or vision or both that results in concomitant vision
29 and hearing impairments and that adversely affects
30 educational performance as determined by the
31 multidisciplinary conference. For purposes of this paragraph
32 and Section:

33 (A) A visual impairment is defined to mean one or

1 more of the following: (i) corrected visual acuity poorer
2 than 20/70 in the better eye; (ii) restricted visual
3 field of 20 degrees or less in the better eye; (iii)
4 cortical blindness; (iv) does not appear to respond to
5 visual stimulation, which adversely affects educational
6 performance as determined by the multidisciplinary
7 conference.

8 (B) An auditory impairment is defined to mean one
9 or more of the following: (i) a sensorineural or ongoing
10 or chronic conductive hearing loss with aided sensitivity
11 of 30dB HL or poorer; (ii) functional auditory behavior
12 that is significantly discrepant from the person's
13 present cognitive and/or developmental levels, which
14 adversely affects educational performance as determined
15 by the multidisciplinary conference.

16 The State Board of Education is empowered to establish,
17 maintain and operate or contract for the operation of a
18 permanent state-wide service center known as the Philip J.
19 Rock Center and School. The School serves eligible children
20 between the ages of 3 and 21; the Center serves eligible
21 persons of all ages. Services provided by the Center include,
22 but are not limited to:

23 (1) Identifying and case management of persons who
24 are auditorily and visually impaired;

25 (2) Providing families with appropriate counseling;

26 (3) Referring persons who are deaf-blind to
27 appropriate agencies for medical and diagnostic services;

28 (4) Referring persons who are deaf-blind to
29 appropriate agencies for educational, training and care
30 services;

31 (5) Developing and expanding services throughout
32 the State to persons who are deaf-blind. This will
33 include ancillary services, such as transportation so
34 that the individuals can take advantage of the expanded

1 services;

2 (6) Maintaining a residential-educational training
3 facility in the Chicago metropolitan area located in an
4 area accessible to public transportation;

5 (7) Receiving, dispensing, and monitoring State and
6 Federal funds to the School and Center designated for
7 services to persons who are deaf-blind;

8 (8) Coordinating services to persons who are
9 deaf-blind through all appropriate agencies, including
10 the Department of Children and Family Services and the
11 Department of Human Services;

12 (9) Entering into contracts with other agencies to
13 provide services to persons who are deaf-blind;

14 (10) Operating on a no-reject basis. Any
15 individual referred to the Center for service and
16 diagnosed as deaf-blind, as defined in this Act, shall
17 qualify for available services;

18 (11) Serving as the referral clearinghouse for all
19 persons who are deaf-blind, age 21 and older; and

20 (12) Providing transition services for students of
21 Philip J. Rock School who are deaf-blind and between the
22 ages of 14 1/2 and 21.

23 ~~The Advisory Board for Services for Persons who are~~
24 ~~Deaf-Blind shall provide advice to the State Superintendent~~
25 ~~of Education, the Governor, and the General Assembly on all~~
26 ~~matters pertaining to policy concerning persons who are~~
27 ~~deaf-blind, including the implementation of legislation~~
28 ~~enacted on their behalf.~~

29 ~~Regarding the maintenance, operation and education~~

4 developed by the State Board of Education;

5 (3) Standards for services in facilities serving
6 persons who are deaf-blind;

7 (4) Standards and rates for State payments for any
8 services purchased for persons who are deaf-blind;

9 (5) Services and research activities in the field
10 of deaf-blindness, including evaluation of services; and

11 (6) Planning for personnel/preparation, both
12 preservice and inservice.

13 The Advisory Board shall consist of 3 persons appointed
14 by the Governor; 2 persons appointed by the State
15 Superintendent of Education; 4 persons appointed by the
16 Secretary of Human Services; and 2 persons appointed by the
17 Director of Children and Family Services. The 3 appointments
18 of the Governor shall consist of a senior citizen 60 years of
19 age or older, a consumer who is deaf-blind, and a parent of a
20 person who is deaf-blind; provided that if any gubernatorial
21 appointee serving on the Advisory Board on the effective date
22 of this amendatory Act of 1991 is not either a senior citizen
23 60 years of age or older or a consumer who is deaf-blind or a
24 parent of a person who is deaf-blind, then whenever that
25 appointee's term of office expires or a vacancy in that
26 appointee's office sooner occurs, the Governor shall make the
27 appointment to fill that office or vacancy in a manner that
28 will result, at the earliest possible time, in the Governor's
29 appointments to the Advisory Board being comprised of one
30 senior citizen 60 years of age or older, one consumer who is
31 deaf-blind, and one parent of a person who is deaf-blind.
