1 Governor and which shall be publicly available. Such report 2 shall include, at a minimum, the following information:

- (1) the aggregate annual peak demand of retail customers in the State of Illinois in the preceding calendar year;
- (2) the total annual kilowatt-hours delivered and sold to retail customers in the State of Illinois by each electric utility within its own service territory, each electric utility outside its service territory, and alternative retail electric suppliers in the preceding calendar year;
- (3) the percentage of the total kilowatt-hours delivered and sold to retail customers in the State of Illinois in the preceding calendar year by each electric utility within its service territory, each electric utility outside its service territory, and alternative retail electric supplier; and
- (4) any other information the Commission considers significant in assessing the development of Illinois electricity markets, which may include, to the extent available, information similar to that described in items 1, 2 and 3 with respect to cogeneration, self-generation and other sources of electric power and energy provided to customers that do not take delivery services or bundled electric utility services.

The Commission may also include such other information as to be necessary or beneficial in describing or 27 it deems explaining the results of its Report. The Report required by 28 29 this Section shall be adopted by a vote of the full 30 Commission prior to filing. Proprietary or confidential information shall not be disclosed publicly. Nothing 31 32 contained in this Section shall prohibit the Commission from taking actions that would otherwise be allowed under this 33 34 Act.

- 1 (c) The Commission shall prepare a report on the value
- 2 <u>of municipal aggregation of electricity customers. The</u>
- 3 report shall be filed with the General Assembly and the
- 4 Governor no later than January 15, 2003 and shall be publicly
- 5 <u>available</u>. The report shall, at a minimum, include:
- 6 (1) a description and analysis of actual and
- 7 <u>potential forms of aggregation of electricity customers</u>
- 8 <u>in Illinois and in the other states, including</u>
- 9 aggregation through municipal, affinity, and other
- 10 <u>organizations;</u>
- 11 (2) estimates of the potential benefits of
- 12 <u>municipal aggregation to Illinois electricity customers</u>
- in at least 5 specific municipal examples comparing their
- 14 <u>costs under bundled rates and unbundled rates, including</u>
- 15 <u>real-time prices;</u>
- 16 (3) a description of the barriers to municipal and
- other forms of aggregation in Illinois, including legal,
- 18 <u>economic</u>, <u>informational</u>, <u>and other barriers</u>; <u>and</u>
- 19 <u>(4) options for legislative action to foster</u>
- 20 <u>municipal and other forms of aggregation of electricity</u>
- 21 <u>customers.</u>
- In preparing the report, the Commission shall consult
- 23 <u>with persons involved in aggregation or the study of</u>
- 24 aggregation of electricity customers in Illinois, including
- 25 <u>utilities</u>, <u>aggregators</u>, <u>and non-profit organizations</u>. <u>The</u>
- 26 provisions of Section 16-122 notwithstanding, the Commission
- 27 <u>may request and utilities shall provide such aggregated load</u>
- 28 data as may be necessary to perform the analyses required by
- 29 <u>this subsection</u>.

- 32 Sec. 16-122. Customer information.
- 33 (a) Upon the request of a retail customer, or a person

- 1 who presents verifiable authorization and is acting as the
- 2 customer's agent, and payment of a reasonable fee, electric
- 3 utilities shall provide to the customer or its authorized
- 4 agent the customer's billing and usage data.
- 5 (b) Upon request from any alternative retail electric
- 6 supplier and payment of a reasonable fee, an electric utility
- 7 serving retail customers in its service area shall make
- 8 available generic information concerning the usage, load
- 9 shape curve or other general characteristics of customers by
- 10 rate classification. Provided however, no customer specific
- 11 billing, usage or load shape data shall be provided under
- 12 this subsection unless authorization to provide such
- 13 information is provided by the customer pursuant to
- 14 subsection (a) of this Section.
- 15 (c) Upon request from a unit of local government and
- 16 payment of a reasonable fee, an electric utility shall make
- 17 <u>available information concerning the usage, load shape</u>
- 18 <u>curves</u>, and other characteristics of customers by customer
- 19 <u>classification and location within the boundaries of the unit</u>
- of local government, however, no customer specific billing,
- 21 <u>usage</u>, or <u>load</u> <u>shape</u> <u>data</u> <u>shall</u> <u>be</u> <u>provided</u> <u>under</u> <u>this</u>
- 22 <u>subsection unless authorization to provide that information</u>
- is provided by the customer.
- 24 (d) (e) All such customer information shall be made
- 25 available in a timely fashion in an electronic format, if
- 26 available.
