

1  AMENDMENT TO SENATE BILL 1650

2                  AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 1650, AS AMENDED,  
3 immediately before Article 99, by inserting the following:

4  "ARTICLE 10

5                  Section 10-1. Short title. This Article may be cited as  
6 the Maywood Public Library District Tax Levy Validation  
7 (2002) Law.

8                  Section 10-5. Tax levy ordinances of the Maywood Public  
9 Library District. If the Maywood Public Library District has,  
10 during the fiscal years 2001 and 2002, within the time  
11 required by law adopted annual appropriation ordinances for  
12 those years but failed to adopt its annual tax levy ordinance  
13 for the tax year 2001 (collectible in 2002), but adopts its  
14 2001 tax levy or a supplemental or deficiency 2001 tax levy,  
15 or both, by the last Tuesday of December 2002, and duly files  
16 the same with the county clerk of the county in which the  
17 district is located, then any such tax levy ordinances and  
18 supplemental or deficiency tax levy ordinance and the taxes  
19 assessed, levied, and extended thereon are hereby validated  
20 notwithstanding any failure to comply with the Truth in  
21 Taxation Law or the Cook County Truth in Taxation Law and

1 further notwithstanding any failure to comply with the  
2 provisions of the Property Tax Extension Limitation Law or  
3 any other law. No 2001 tax levy or supplemental or deficiency  
4 levy, however, is validated to the extent it would have  
5 exceeded the maximum amount the district could have levied  
6 under the Property Tax Extension Limitation Law if the tax  
7 levy ordinance or supplemental or deficiency levy ordinance  
8 had been adopted and filed in due time in calendar year 2001.  
9 Any such tax levy or supplemental or deficiency levy shall be  
10 extended by the county clerk of the county in which the  
11 public library district is located by adding the amount of  
12 the 2001 tax levy or supplemental or deficiency levy to the  
13 district's validly enacted 2002 tax levy, regardless of  
14 whether that 2001 tax levy is in the form of a customary  
15 annual tax levy or in the form of a supplemental or  
16 deficiency tax levy. Moreover, if the district has received  
17 any tax revenue for the calendar year 2001 intended for the  
18 payment of principal and interest on outstanding bonds of the  
19 district and the district has used any portion or all of that  
20 tax revenue for normal operating expenses, that use of those  
21 funds is hereby validated if the district issues either tax  
22 anticipation warrants or notes to provide funds sufficient to  
23 replace that bond revenue used for operating expenses prior  
24 to default on any bond payments; further, the use of the  
25 proceeds of the issuance of those notes or warrants to make  
26 the bond payments when due is further hereby validated.
