Such payment shall not reduce any award to the owner of the horse or reduce the taxes payable under this Act. Such payment shall be delivered by the organization licensee at the end of each race meeting.

(j) The Department of Agriculture shall, by rule, with the assistance and advice of the Illinois Standardbred Breeders Fund Advisory Board:

1. Qualify stallions for Illinois Standardbred Breeders Fund breeding; such stallion shall be owned by a resident of the State of Illinois or by an Illinois corporation all of whose shareholders, directors, officers and incorporators are residents of the State of Illinois. Such stallion shall stand for service at and within the State of Illinois at the time of a foal's conception, and such stallion must not stand for service at any place, nor may semen from such stallion be transported, outside the State of Illinois during that calendar year in which the foal is conceived and that the owner of the stallion was for the 12 months prior, a resident of Illinois. However, the requirement that a mare (dam) must be in the State at least 30 days before foaling or remain in the State at least 30 days at the time of foaling shall not be in effect from January 1, 2018 until January 1, 2022. The stallion must be qualified for Illinois Standardbred Breeders Fund

breeding at the time of conception and the mare must be inseminated within the State of Illinois. The foal must be dropped in Illinois and properly registered with the Department of Agriculture in accordance with this Act. However, from January 1, 2018 until January 1, 2022, the requirement for a mare to be inseminated within the State of Illinois and the requirement for a foal to be dropped in Illinois are inapplicable.

3. Provide that at least a 5 day racing program shall be conducted at the State Fair each year, which program shall include at least the following races limited to Illinois conceived and foaled horses: (a) a two year old Trot and Pace, and Filly Division of each; (b) a three year old Trot and Pace, and Filly Division of each; (c) an aged Trot and Pace, and Mare Division of each.

Nominating, sustaining and starting fees shall be held in trust accounts for the purposes as set forth in

this Act and in accordance with Section 205-15 of the Department of Agriculture Law (20 ILCS 205/205-15).

5. Provide for the registration with the Department of Agriculture of Colt Associations or county fairs desiring to sponsor races at county fairs.

(k) The Department of Agriculture, with the advice and assistance of the Illinois Standardbred Breeders Fund Advisory Board, may allocate monies for purse supplements for such races. In determining whether to allocate money and the amount, the Department of Agriculture shall consider factors, including but not limited to, the amount of money appropriated for the Illinois Standardbred Breeders Fund program, the number of races that may occur, and an organizational licensee's purse structure. The organizational licensee shall notify the Department of Agriculture of the conditions and minimum purses for races limited to Illinois conceived and foaled horses to be conducted by each organizational licensee conducting a harness racing meeting for which purse supplements have been negotiated.

(l) All races held at county fairs and the State Fair which receive funds from the Illinois Standardbred Breeders Fund shall be conducted in accordance with the rules of the United States Trotting Association unless otherwise modified by the Department of Agriculture.

(230 ILCS 5/33.1) (from Ch. 8, par. 37-33.1)

Sec. 33.1. (a) The Department of Agriculture shall be responsible for investigating and determining the eligibility of mares and Illinois conceived and foaled horses and Illinois foaled horses to participate in Illinois conceived and foaled and Illinois foaled races. The Department of Agriculture shall also qualify stallions to participate in the Illinois Standardbred and Thoroughbred programs.

The decision of the Director of the Department of Agriculture or his authorized agent shall be subject to judicial review under the Administrative Review Law. The term "administrative decision" shall have the meaning ascribed to it in Section 3-101 of the Administrative Review Law.

(d) If the determination is made that a standardbred stallion is not owned by a resident of the State of Illinois or that a transfer of ownership is a subterfuge to qualify a standardbred stallion under the Act, or that a standardbred stallion owner, manager, or person associated with him or her has knowingly participated in the arrangements for transporting semen from a standardbred stallion registered under this Act out-of-state, the Director of the Department of Agriculture or his authorized agent shall immediately publish notice of such fact in publications devoted to news concerning standardbred horses, announcing the disqualification of such stallion or his foals. From January 1, 2018 until January 1, 2022, the Director of Agriculture or his or her authorized agent shall not publish notice announcing the disqualification

of such stallion or his foals on the basis that a stallion owner, manager, or person associated with him or her has knowingly participated in the arrangements for transporting semen from a standardbred stallion registered under this Act out of State. If any person owning any stallion, mare or foal is found by the Director of the Department of Agriculture or his authorized agent to have willfully violated any provision of this Act or to have made any false statements concerning such person's stallion, mare or foal, then no animal owned by such person is eligible to participate in any events conducted pursuant to Sections 30 and 31.

(e) Any person who is served with a subpoena, issued by the Director of the Department of Agriculture or his authorized agent, to appear and testify or to produce documents and who refuses or neglects to testify or produce documents relevant to the investigation, as directed in the subpoenas, may be punished as provided in this Section.

(f) Any circuit court of this State, upon petition by the Director of the Department of Agriculture or his authorized agent, may compel the attendance of witnesses, the production of documents and giving the testimony required by this Section in the same manner as the production of evidence may be compelled in any other judicial proceeding before such court. Any person who willfully swears or affirms falsely in any proceeding conducted pursuant to this Section is guilty of perjury.

(g) The fees of witnesses for attendance and travel in the course of any investigation shall be the same as the fees of witnesses before the circuit courts of this State.

(h) The Department shall have authority to promulgate rules and regulations for the enforcement of Sections 30, 31 and 33.1 of this Act. Conditions and purses shall not be subject to Section 5-40 of the Illinois Administrative Procedure Act but shall be set and published from time to time.
