(2.2) A prisoner serving a term of natural life imprisonment or a prisoner who has been sentenced to death

shall receive no sentence credit.

(2.3) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations on sentence credit shall provide that a prisoner who is serving a sentence for aggravated driving under the influence of alcohol, other drug or drugs, or intoxicating compound or compounds, or any combination thereof as defined in subparagraph (F) of paragraph (1) of subsection (d) of Section 11-501 of the Illinois Vehicle Code, shall receive no more than 4.5 days of sentence credit for each month of his or her sentence of imprisonment.

(3) In addition to the sentence credits earned under paragraphs (2.1), (4), (4.1), (4.2), and (4.7) of this subsection (a), the rules and regulations shall also provide that the Director of Corrections or the Director of Juvenile Justice may award up to 180 days of earned sentence credit for prisoners serving a sentence of incarceration of less than 5 years, and up to 365 days of earned sentence credit for prisoners serving a sentence of 5 years or longer. The Director may grant this credit for good conduct in specific instances as either the Director deems proper for eligible persons in the custody of each Director's respective

Department. The good conduct may include, but is not limited to, compliance with the rules and regulations of the Department, service to the Department, service to a community, or service to the State.

Eligible inmates for an award of earned sentence credit under this paragraph (3) may be selected to receive the credit at either ~~the~~ Director's or his or her designee's sole discretion. Eligibility for the additional earned sentence credit under this paragraph (3) may be based on, but is not limited to, participation in programming offered by the Department as appropriate for the prisoner based on the results of any available risk/needs assessment or other relevant assessments or evaluations administered by the Department using a validated instrument, the circumstances of the crime, demonstrated commitment to rehabilitation by a prisoner with a history of conviction for a forcible felony enumerated in Section 2-8 of the Criminal Code of 2012, the inmate's behavior and improvements in disciplinary history while incarcerated, and the inmate's commitment to rehabilitation, including participation in programming offered by the Department.

The Director of Corrections or the Director of Juvenile Justice shall not award sentence credit under this paragraph (3) to an inmate unless the inmate has served a minimum of 60 days of the sentence; except nothing in this paragraph shall be construed to permit either ~~the~~ Director to extend an

inmate's sentence beyond that which was imposed by the court. Prior to awarding credit under this paragraph (3), each ~~the~~ Director shall make a written determination that the inmate:

(A) is eligible for the earned sentence credit;

(B) has served a minimum of 60 days, or as close to 60 days as the sentence will allow;

(B-1) has received a risk/needs assessment or other relevant evaluation or assessment administered by the Department using a validated instrument; and

(C) has met the eligibility criteria established by rule for earned sentence credit.

The Director of Corrections or the Director of Juvenile Justice shall determine the form and content of the written determination required in this subsection.

(3.5) The Department shall provide annual written reports to the Governor and the General Assembly on the award of earned sentence credit no later than February 1 of each year. The Department must publish both reports on its website within 48 hours of transmitting the reports to the Governor and the General Assembly. The reports must include:

(A) the number of inmates awarded earned sentence credit;

(B) the average amount of earned sentence credit awarded;

(C) the holding offenses of inmates awarded earned sentence credit; and

(D) the number of earned sentence credit revocations.

(4) (A) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that any prisoner who is engaged full-time in substance abuse programs, correctional industry assignments, educational programs, work-release programs or activities in accordance with Article 13 of Chapter III of this Code, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completes the assigned program as determined by the standards of the Department, shall receive one day of sentence credit for each day in which that prisoner is engaged in the activities described in this paragraph. The rules and regulations shall also provide that sentence credit may be provided to an inmate who was held in pre-trial detention prior to his or her current commitment to the Department of Corrections and successfully completed a full-time, 60-day or longer substance abuse program, educational program, behavior modification program, life skills course, or re-entry planning provided by the county department of corrections or county jail. Calculation of this county program credit shall be done at sentencing as provided in Section 5-4.5-100 of this Code and shall be included in the sentencing order. The rules and regulations shall also provide that sentence credit may be provided to an inmate who is in compliance with programming requirements in an adult

transition center.

(B) The Department shall award sentence credit under this paragraph (4) accumulated prior to January 1, 2020 (the effective date of Public Act 101-440) in an amount specified in subparagraph (C) of this paragraph (4) to an inmate serving a sentence for an offense committed prior to June 19, 1998, if the Department determines that the inmate is entitled to this sentence credit, based upon:

(i) documentation provided by the Department that the inmate engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under this paragraph (4) and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current term of incarceration; or

(ii) the inmate's own testimony in the form of an affidavit or documentation, or a third party's documentation or testimony in the form of an affidavit that the inmate likely engaged in any full-time substance abuse programs, correctional industry assignments, educational programs, behavior modification programs, life skills courses, or re-entry planning provided by the Department under paragraph (4) and satisfactorily completed the assigned program as determined by the standards of the Department during the inmate's current

term of incarceration.

(C) If the inmate can provide documentation that he or she is entitled to sentence credit under subparagraph (B) in excess of 45 days of participation in those programs, the inmate shall receive 90 days of sentence credit. If the inmate cannot provide documentation of more than 45 days of participation in those programs, the inmate shall receive 45 days of sentence credit. In the event of a disagreement between the Department and the inmate as to the amount of credit accumulated under subparagraph (B), if the Department provides documented proof of a lesser amount of days of participation in those programs, that proof shall control. If the Department provides no documentary proof, the inmate's proof as set forth in clause (ii) of subparagraph (B) shall control as to the amount of sentence credit provided.

(D) If the inmate has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act, sentencing credits under subparagraph (B) of this paragraph (4) shall be awarded by the Department only if the conditions set forth in paragraph (4.6) of subsection (a) are satisfied. No inmate serving a term of natural life imprisonment shall receive sentence credit under subparagraph (B) of this paragraph (4).

Educational, vocational, substance abuse, behavior modification programs, life skills courses, re-entry planning, and correctional industry programs under which sentence credit

may be earned under this paragraph (4) and paragraph (4.1) of this subsection (a) shall be evaluated by the Department on the basis of documented standards. The Department shall report the results of these evaluations to the Governor and the General Assembly by September 30th of each year. The reports shall include data relating to the recidivism rate among program participants.

Availability of these programs shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. Eligible inmates who are denied immediate admission shall be placed on a waiting list under criteria established by the Department. The rules and regulations shall provide that a prisoner who has been placed on a waiting list but is transferred for non-disciplinary reasons before beginning a program shall receive priority placement on the waitlist for appropriate programs at the new facility. The inability of any inmate to become engaged in any such programs by reason of insufficient program resources or for any other reason established under the rules and regulations of the Department shall not be deemed a cause of action under which the Department or any employee or agent of the Department shall be liable for damages to the inmate. The rules and regulations shall provide that a prisoner who begins an educational, vocational, substance abuse, work-release programs or activities in accordance with Article 13 of Chapter III of this Code, behavior modification program, life

skills course, re-entry planning, or correctional industry programs but is unable to complete the program due to illness, disability, transfer, lockdown, or another reason outside of the prisoner's control shall receive prorated sentence credits for the days in which the prisoner did participate.

(4.1) Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall also provide that an additional 90 days of sentence credit shall be awarded to any prisoner who passes high school equivalency testing while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be pursuant to the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph shall be available only to those prisoners who have not previously earned a high school diploma or a high school equivalency certificate. If, after an award of the high school equivalency testing sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 90 days of sentence credit to any committed person who passed high school equivalency testing while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections. Except as provided in paragraph (4.7) of this

subsection (a), the rules and regulations shall provide that an additional 120 days of sentence credit shall be awarded to any prisoner who obtains an associate degree while the prisoner is committed to the Department of Corrections, regardless of the date that the associate degree was obtained, including if prior to July 1, 2021 (the effective date of Public Act 101-652). The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be under the guidelines and restrictions set forth in paragraph (4) of subsection (a) of this Section. The sentence credit provided for in this paragraph (4.1) shall be available only to those prisoners who have not previously earned an associate degree prior to the current commitment to the Department of Corrections. If, after an award of the associate degree sentence credit has been made and the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 120 days of sentence credit to any committed person who earned an associate degree while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall provide that an additional 180 days of sentence credit shall be awarded to any prisoner who obtains a bachelor's degree while the prisoner is

committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be under the guidelines and restrictions set forth in paragraph (4) of this subsection (a). The sentence credit provided for in this paragraph shall be available only to those prisoners who have not earned a bachelor's degree prior to the current commitment to the Department of Corrections. If, after an award of the bachelor's degree sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 180 days of sentence credit to any committed person who earned a bachelor's degree while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

Except as provided in paragraph (4.7) of this subsection (a), the rules and regulations shall provide that an additional 180 days of sentence credit shall be awarded to any prisoner who obtains a master's or professional degree while the prisoner is committed to the Department of Corrections. The sentence credit awarded under this paragraph (4.1) shall be in addition to, and shall not affect, the award of sentence credit under any other paragraph of this Section, but shall also be under the guidelines and restrictions set forth in paragraph (4) of this subsection (a). The sentence credit

provided for in this paragraph shall be available only to those prisoners who have not previously earned a master's or professional degree prior to the current commitment to the Department of Corrections. If, after an award of the master's or professional degree sentence credit has been made, the Department determines that the prisoner was not eligible, then the award shall be revoked. The Department may also award 180 days of sentence credit to any committed person who earned a master's or professional degree while he or she was held in pre-trial detention prior to the current commitment to the Department of Corrections.

(4.2) The rules and regulations shall also provide that any prisoner engaged in self-improvement programs, volunteer work, or work assignments that are not otherwise eligible activities under paragraph (4), shall receive up to 0.5 days of sentence credit for each day in which the prisoner is engaged in activities described in this paragraph.

(4.5) The rules and regulations on sentence credit shall also provide that when the court's sentencing order recommends a prisoner for substance abuse treatment and the crime was committed on or after September 1, 2003 (the effective date of Public Act 93-354), the prisoner shall receive no sentence credit awarded under clause (3) of this subsection (a) unless he or she participates in and completes a substance abuse treatment program. The Director of Corrections may waive the requirement to participate in or complete a substance abuse

treatment program in specific instances if the prisoner is not a good candidate for a substance abuse treatment program for medical, programming, or operational reasons. Availability of substance abuse treatment shall be subject to the limits of fiscal resources appropriated by the General Assembly for these purposes. If treatment is not available and the requirement to participate and complete the treatment has not been waived by the Director, the prisoner shall be placed on a waiting list under criteria established by the Department. The Director may allow a prisoner placed on a waiting list to participate in and complete a substance abuse education class or attend substance abuse self-help meetings in lieu of a substance abuse treatment program. A prisoner on a waiting list who is not placed in a substance abuse program prior to release may be eligible for a waiver and receive sentence credit under clause (3) of this subsection (a) at the discretion of the Director.

(4.6) The rules and regulations on sentence credit shall also provide that a prisoner who has been convicted of a sex offense as defined in Section 2 of the Sex Offender Registration Act shall receive no sentence credit unless he or she either has successfully completed or is participating in sex offender treatment as defined by the Sex Offender Management Board. However, prisoners who are waiting to receive treatment, but who are unable to do so due solely to the lack of resources on the part of the Department, may, at

either ~~the~~ Director's sole discretion, be awarded sentence credit at a rate as the Director shall determine.

(4.7) On or after January 1, 2018 (the effective date of Public Act 100-3), sentence credit under paragraph (3), (4), or (4.1) of this subsection (a) may be awarded to a prisoner who is serving a sentence for an offense described in paragraph (2), (2.3), (2.4), (2.5), or (2.6) for credit earned on or after January 1, 2018 (the effective date of Public Act 100-3); provided, the award of the credits under this paragraph (4.7) shall not reduce the sentence of the prisoner to less than the following amounts:

(i) 85% of his or her sentence if the prisoner is required to serve 85% of his or her sentence; or

(ii) 60% of his or her sentence if the prisoner is required to serve 75% of his or her sentence, except if the prisoner is serving a sentence for gunrunning his or her sentence shall not be reduced to less than 75%.

(iii) 100% of his or her sentence if the prisoner is required to serve 100% of his or her sentence.

(5) Whenever the Department is to release any inmate earlier than it otherwise would because of a grant of earned sentence credit under paragraph (3) of subsection (a) of this Section given at any time during the term, the Department shall give reasonable notice of the impending release not less than 14 days prior to the date of the release to the State's Attorney of the county where the prosecution of the inmate

took place, and if applicable, the State's Attorney of the county into which the inmate will be released. The Department must also make identification information and a recent photo of the inmate being released accessible on the Internet by means of a hyperlink labeled "Community Notification of Inmate Early Release" on the Department's World Wide Web homepage. The identification information shall include the inmate's: name, any known alias, date of birth, physical characteristics, commitment offense, and county where conviction was imposed. The identification information shall be placed on the website within 3 days of the inmate's release and the information may not be removed until either: completion of the first year of mandatory supervised release or return of the inmate to custody of the Department.

(b) Whenever a person is or has been committed under several convictions, with separate sentences, the sentences shall be construed under Section 5-8-4 in granting and forfeiting of sentence credit.

(c) (1) The Department shall prescribe rules and regulations for revoking sentence credit, including revoking sentence credit awarded under paragraph (3) of subsection (a) of this Section. The Department shall prescribe rules and regulations establishing and requiring the use of a sanctions matrix for revoking sentence credit. The Department shall prescribe rules and regulations for suspending or reducing the rate of accumulation of sentence credit for specific rule

violations, during imprisonment. These rules and regulations shall provide that no inmate may be penalized more than one year of sentence credit for any one infraction.

(2) When the Department seeks to revoke, suspend, or reduce the rate of accumulation of any sentence credits for an alleged infraction of its rules, it shall bring charges therefor against the prisoner sought to be so deprived of sentence credits before the Prisoner Review Board as provided in subparagraph (a)(4) of Section 3-3-2 of this Code, if the amount of credit at issue exceeds 30 days, whether from one infraction or cumulatively from multiple infractions arising out of a single event, or when, during any 12-month period, the cumulative amount of credit revoked exceeds 30 days except where the infraction is committed or discovered within 60 days of scheduled release. In those cases, the Department of Corrections may revoke up to 30 days of sentence credit. The Board may subsequently approve the revocation of additional sentence credit, if the Department seeks to revoke sentence credit in excess of 30 days. However, the Board shall not be empowered to review the Department's decision with respect to the loss of 30 days of sentence credit within any calendar year for any prisoner or to increase any penalty beyond the length requested by the Department.

(3) The Director of ~~the Department of~~ Corrections or the Director of Juvenile Justice, in appropriate cases, may restore sentence credits which have been revoked, suspended,

or reduced. The Department shall prescribe rules and regulations governing the restoration of sentence credits. These rules and regulations shall provide for the automatic restoration of sentence credits following a period in which the prisoner maintains a record without a disciplinary violation.

Nothing contained in this Section shall prohibit the Prisoner Review Board from ordering, pursuant to Section 3-3-9(a)(3)(i)(B), that a prisoner serve up to one year of the sentence imposed by the court that was not served due to the accumulation of sentence credit.

(d) If a lawsuit is filed by a prisoner in an Illinois or federal court against the State, the Department of Corrections, or the Prisoner Review Board, or against any of their officers or employees, and the court makes a specific finding that a pleading, motion, or other paper filed by the prisoner is frivolous, the Department of Corrections shall conduct a hearing to revoke up to 180 days of sentence credit by bringing charges against the prisoner sought to be deprived of the sentence credits before the Prisoner Review Board as provided in subparagraph (a)(8) of Section 3-3-2 of this Code. If the prisoner has not accumulated 180 days of sentence credit at the time of the finding, then the Prisoner Review Board may revoke all sentence credit accumulated by the prisoner.

For purposes of this subsection (d):

(1) "Frivolous" means that a pleading, motion, or other filing which purports to be a legal document filed by a prisoner in his or her lawsuit meets any or all of the following criteria:

(A) it lacks an arguable basis either in law or in fact;

(B) it is being presented for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation;

(C) the claims, defenses, and other legal contentions therein are not warranted by existing law or by a nonfrivolous argument for the extension, modification, or reversal of existing law or the establishment of new law;

(D) the allegations and other factual contentions do not have evidentiary support or, if specifically so identified, are not likely to have evidentiary support after a reasonable opportunity for further investigation or discovery; or

(E) the denials of factual contentions are not warranted on the evidence, or if specifically so identified, are not reasonably based on a lack of information or belief.

(2) "Lawsuit" means a motion pursuant to Section 116-3 of the Code of Criminal Procedure of 1963, a habeas corpus action under Article X of the Code of Civil Procedure or

under federal law (28 U.S.C. 2254), a petition for claim under the Court of Claims Act, an action under the federal Civil Rights Act (42 U.S.C. 1983), or a second or subsequent petition for post-conviction relief under Article 122 of the Code of Criminal Procedure of 1963 whether filed with or without leave of court or a second or subsequent petition for relief from judgment under Section 2-1401 of the Code of Civil Procedure.
