accept community service from juvenile delinquents and to report on the progress of the community service to the State's Attorney pursuant to an agreement or to the court or to any agency designated by the court or to the authorized diversion program that has referred the delinquent minor for community service.

(3) "Delinquent minor" means any minor who prior to the minor's ~~his or her~~ 18th birthday has violated or attempted to violate an Illinois ~~, regardless of where the act occurred, any federal,~~ State, county, or municipal law or ordinance.

(5) "Detention" means the temporary care of a minor who is alleged to be or has been adjudicated delinquent and who requires secure custody for the minor's own protection or the community's protection in a facility designed to physically restrict the minor's movements, pending disposition by the court or execution of an order of the court for placement or commitment. Design features that physically restrict movement include, but are not limited to, locked rooms and the secure handcuffing of a minor to a rail or other stationary object. In addition, "detention" includes the court ordered care of an alleged or adjudicated delinquent minor who requires secure

custody pursuant to Section 5-125 of this Act.

(7) "Juvenile detention home" means a public facility with specially trained staff that conforms to the county juvenile detention standards adopted by the Department of Juvenile Justice.

(8) "Juvenile justice continuum" means a set of delinquency prevention programs and services designed for the purpose of preventing or reducing delinquent acts, including criminal activity by youth gangs, as well as intervention, rehabilitation, and prevention services targeted at minors who have committed delinquent acts, and minors who have previously been committed to residential treatment programs for delinquents. The term includes children-in-need-of-services and families-in-need-of-services programs; aftercare and reentry services; substance abuse and mental health programs; community service programs; community service work programs; and alternative-dispute resolution programs serving youth-at-risk of delinquency and their families, whether offered or delivered by State or local governmental entities, public or private for-profit or

not-for-profit organizations, or religious or charitable organizations. This term would also encompass any program or service consistent with the purpose of those programs and services enumerated in this subsection.

(9) "Juvenile police officer" means a sworn police officer who has completed a Basic Recruit Training Course, has been assigned to the position of juvenile police officer by his or her chief law enforcement officer and has completed the necessary juvenile officers training as prescribed by the Illinois Law Enforcement Training Standards Board, or in the case of a State police officer, juvenile officer training approved by the Director of the Illinois State Police.
